FOOT TEST

Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
Where Foot Comfort Begins
9th and Madison Covington

Usually the first sign of foot trouble is the running over of the heels of shoes.

In a strong healthy human foot the 26 bones are held together to form a substantial support for the weight of the body and they are are held together in place by strong ligaments, tendons, and muscles. These bones are so arranged that they form four separate and natural arches.

The heel bone and ankle bone lean out of position more or less in almost every kind of foot trouble. The cause, is that ligaments, muscles and tendons which hold the heel bone and ankle bone in place, become weakened, and are not strong enough to hold these bones in their normal position.

Backaches, headaches, and many body ills may be traced to feet. Even symptoms like those of rheumatism and arthritis now are being banished with proper shoes. Also nervous indigestion, sleepless nights, etc.—Adv.

THIEVES AND DOGS MENACE TO FARMING

Depredations of thieves and dogs have become a menace to farming in Woodford county, Kentucky. Thieves made away with more than $3,000 worth of livestock, and losses from dog raids have been more than could be met with funds collected by the sheep protective association, despite an assessment of 7 cents a head. A charge of 8 cents will be made next year. Farmers, County Agent Wilmot Carter and specialists from the State College of Agriculture and Home Economics recently conferred on the situation.

Rigid enforcement of all traffic regulations, including parking laws will do much to cut down highway deaths that are a disgrace to an intelligent nation.

Gayety Theater News

TONIGHT AND FRIDAY

As the lovable character, Maisie, Anna Sothern may vary her wardrobe, but her hat is her lucky piece and accompanies her through every adventure. It's on view again, this time trimmed with cabbage roses, in the latest Metro-Goldwyn-Mayer Maisie story "Ringside Maisie." This picture finds the Brooklyn chorus girl involved in the career of a young boxing champion, played by Robert Sterling, and his hardboiled manager, played by George Murphy.

• • •

SATURDAY

Evelyn Brent, top flight star of the "roaring twenties," returns to pictures for a character role in "Wide Open Town," latest screen adventure of "Hopalong" Cassidy. Miss Brent plays the role of a gambling hall proprietress who is forced to match wits with "Hoppy" and winds up by losing her heart to him. The role of "Hopalong" Cassidy is played by William Boyd.

• • •

SUNDAY AND MONDAY

A fashion rebirth of ribbons and frills is already well on its way, as a result of the styles worn by Mary Martin in her starring role in "Kiss the Boys Goodbye," the Paramount comedy with Don Ameche co-starring. In the modern story Mary wears several pre-Civil War costumes as an ingenuous belle of the Old South. The dresses are made of filmy materials, gentle pastel colors.

• • •

TUESDAY AND WEDNESDAY
Double Feature

Heading the bill now at the Gayety Theatre is Universal's "Hit the Road,' 'starring Gladys George, Barton MacLane, the Dead End Kids and The Little Tough Guys, which will be shown at this theater Tuesday and Wednesday.

The Dead End group includes Billy Halop, Huntz Hall, Gabriel Dell and Bernard Punsley from Sidney Kingsley's original presentation of the famous Broadway play, "Dead End."

Plus

The Merry Macs, note recording and radio musical organization of three men and a girl, will sing several number in Universal's "San Antonio Rose."

The numbers in the sprightly comedy include "Old Oaken Bucket," "San Antonio Rose," "The Hut-Sut Song," "You've Got What It Takes," "Bugle Woggle Boy," "Hi Neighbor," and "Mexican Jumping Beat."

30th Annual State Fox Hunt To Be Held At Renfro Valley

Frankfort, Ky., Oct. 14—The Kentucky State Foxhunters Association will hold its 30th Annual State Fox Hunt and Field Trials and Horse Show at Renfro Valley, Ky., October 20-25, according to a statement issued today by Edmond Power, President of the organization and office secretary for the Division of Game and Fish.

The Kentucky State Fox Hunt is known throughout the United States and hunters from all sections of the country are expected to be at Renfro Valley to join in the chase, and to show the merits of their fox hounds.

The Derby for hounds under 21 months of age starts at daylight Monday, October 20 and will continue for three days.

The All-Age stake will begin Thursday morning at daybreak and continue for three days.

One of the highlights of the State Hunt will be the Bench show which will be held Monday night, October 20, with Roger Stone, Lexington, Ky., as judge.

The horse show will be held Tuesday afternoon, Oct. 21, at one-thirty, with three classes for saddle horses and four classes for hunters. The saddle horses will be judged by Robert J. Walker of Paint Lick, Ky., and the hunters will be judged by Churchill Newcomb of the state of Virginia.

Powers stated that the Hunt Ball will be held on Tuesday night and a barn dance will feature the entertainment program for Friday evening.

Other features, both social and sporting, will be on the program.

Saddle horses may be obtained from John Lair, Renfro Valley, Ky.

Nothing is being overlooked to afford all visitors a warm welcome at Renfro Valley, and needless to say, the hospitality of this institution is famous from coast to coast. The town of Mt. Vernon, three miles away, also will take extra pains to extend all hunters and visitors the glad hand of welcome, and will endeavor to make their stay in that vicinity a pleasant one.

Four-Room Cottage Offered At Auction

A four-room cottage and an acre of ground, 145 Sanders Drive, two squares off Dixie, between Florence and Erlanger, will be sold at auction Saturday, October 18, 2 p. m.

The cottage, which is newly painted and papered, has city water, two chicken houses, gas and electricity. Household goods also will be sold.

A large turkey will be awarded by Rel C. Wayman, Covington real estate agent, who will conduct the sale.

COMMUNITY PARTY AND BAZAAR PLANNED

A community party, sponsored by Hebron Homemakers, featuring singing games and folk dances will be given at the Hebron High School on Friday evening, Oct. 24th.

There will be refreshments sold, a Red Cross exhibit and a display of rugs, leathercraft and canning.

Please wear soft sole shoes or bring an old pair of socks to slip on over shoes. Everybody welcome.

SPECIAL OFFICERS' MEETING IS HELD

A special officers' meeting was called by the president, Mrs. Virginia Pope, to discuss the plans and goals for the coming year. Those attending were Mrs. Libby Yowell, Norma Aylor, Catherine Parrott, Hilda Hogan, Bessie Acra, Nancy Campbell and Katherine

Quite a few good ideas and suggestions were made known. Each and every club member is striving to make this the best year yet.

Mrs. Katherine Peel, Secretary.

All Invited To Hear U. S. Marine Band At Aurora, Ind.

The people of Southeastern Indiana are indeed fortunate that Aurora, Ind., has been selected as one of the three cities in Indiana in which the United States Marine Band will appear. Playing in the afternoon of October 18th at 2:30 p. m. Central Standard Time, they will offer a special children's program. Admission will be children 25c, adults 50c. Again in the evening at 8:30 Central Standard Time, with admission 75c, reserved seats 25c extra.

The United States Marine Band is known the world over as the President's own, and has since its origin in 1798 played both in the hours of happiness and grief in our Nation's Capitol.

This 60-piece musical organization can appear either as a band or symphony orchestra, so gifted are its members. You cannot afford to miss this golden opportunity to hear your own Marine Band.

The planet Mars, as we understand it from our astronomer expert is paying the earth a visit, but it is about 38,000,000 miles away. If you plan a visit to Mars you might wait awhile, the planet will be 2,000,000 miles closer.

KENTUCKIANS ARE HIGHLY PRAISING NEW SYSTONE!

THOUSANDS TURN TO THIS FORMULA OF JUICES FROM NATURE'S PLANTS WHICH HELPS CLEAR AWAY BOWEL AND STOMACH ACIDS AND RELIEVES CONSTIPATION, SLUGGISH LIVER AND KIDNEYS.

Systone Man at Owen's Drug

Many Northern Kentucky people are now turning to the New, Scientific Mixture of Juices from Nature's Plants, known as Systone, which is being introduced to crowds daily here at M. C. Owens' Drug Store at Pike and Washington, Covington. Although this new medicine was introduced here only a few weeks ago already thousands of Kentucky men and women are taking—and praising—this advanced, modern preparation.

Always Constipated

Victims of Bowel and Stomach Acid scarely know what is wrong with them. They can't digest food properly, swell with gas after meals, have a thick bad taste, unpleasant breath, are headachy, worn-out—ALWAYS CONSTIPATED.

Such suffering people will now find—in SYSTONE—a REAL measure of RELIEF. This medicine contains juices from 12 of Nature's finest medicinal plants and—taken shortly before meals—mixes with the food in one's stomach, thus throwing off the poisons that foster stomach troubles and permitting the kidneys and liver to function properly. It often acts within 10 minutes to stop acid risings, bloat and belching and will bring out distressing gases and impurities (frequently from the first dose) which may have been contaminating your blood and inner-organs.

Systone aids Nature to clear out toxic poisons and other impure substances due to fermentation and constipation. Such impurities often form a coating on the lining of the stomach, thus causing stomach "trouble." Cleansing out these impure substances permits freer flow of the digestive juices, makes the digestive organs sweet and clean and usually gives complete relief from shortness of breath, lump in stomach and dyspepsia. Likewise, it has a Great Action on the kidneys and liver, thus cleansing and improving the system in general.

Due to the immense volume in which it sells, the price of Systone is reasonable. In fact, you can actually take this Amazing Formula—with its 12 Natural Ingredients—for just a few cents per day. So don't hesitate. Get Systone—NOW—and start taking it.

A Special Systone Representative, known as The SYSTONE Man, is daily meeting crowds of people and introducing and explaining this Remarkable Compound at Owens Drug Store, Pike and Washington, Covington.

HOW TO SAVE $1.00

With the coupon below you get the $1.35 size and the 65c size (both for $1), which gives you approximately THREE WEEKS of upbuilding of health for less than 35c a week—a cost that is trifling and insignificant compared to the results obtained. So don't hesitate. Clip the coupon now and get Systone. Find out—for yourself—what this medicine will do.

COUPON Worth $1

This coupon entitles bearer to $2.00 worth of Systone ($1.35 size) and 65c size for $1 at our store.

A WARNING!

Because they have no pain many persons never suspect they are subject to eyestrain. This is a harmful situation. Eyestrain is a constant drain on the nervous system, and may cause headaches, lassitude, etc. If neglected, it may work serious injury.

Let us carefully examine your eyes and furnish proper glasses, if needed. Relief from eyestrain will make you feel like an entirely different person.

It is amazing how many excuses a stingy man can find for not making a donation to a worthy cause.

Highway accidents kill people every day in the United States, regardless of war or peace in Europe.

When a man knows the answers to all problems there is reason to doubt that he understands the problem.

PAINT BEFORE WINTER COMES

If your home is in need of painting, don't let it go through the winter without paint and risk serious damage.

And don't overlook the roof—it should be painted now.

Perhaps the furnace could use a coat of paint, too.

For all painting jobs always use

BOEHMER'S WEARMORE PAINT

It ranks high; is weather resistant, and is made of best ingredients for durability and permanence of color.

READ IN BED?

Certainly . . . **with correct light**

There's nothing harmful about reading in bed, provided your posture is good and you have the correct light. Put one of the smart, new, pin-to-wall lamps on the wall above the head of your bed and you can relax and read in perfect comfort. Hang it up like a picture. It gives you generous light on your book and soft light throughout the room, preventing dark, eye-straining shadows.

PIN-TO-WALL LAMPS

GIVE RULES FOR COOKING APPLES

Home economists at the University of Kentucky College of Agriculture and Home Economics consider this a good year to serve more apples. On the whole, apple production was large this season despite drouth. Almost every tree of every variety was loaded early in the season.

Apples used liberally can make a real contribution to the diet, say home economists. For they contain small amounts of several of the vitamins and minerals. The amounts vary with the variety and length of time the apples have been stored.

To get the most value from an apple, eat it raw with the peel on. That way you get its vitamin C value intact.

For good cooked apple dishes the home economists suggest the following three rules.

No. 1—Buy the apple that suits your needs. Some apples should never be cooked. And of those good for cooking, some are best for baking, some for pies, and some for general use. Learn about the possibilities of the varieties on your market. If you aren't quite sure about the apples you are buying, take home a sample before you invest in a large quantity.

No. 2—Use little or no water in cooking. The apple itself is over 80 percent water and much of this cooks out.

No. 3—Avoid overcooking by watching closely the progress of the apples on the stove or in the oven.

4-H CLUB MEMBERS TO HANDLE FAMILY POULTRY, GARDENS

That 4-H club members may take a more active part in national defense, plans have been made at the Kentucky College of Agriculture and Home Economics whereby boys and girls may enroll in a project to handle the family poultry and garden next year. Such members of 4-H club will assume responsibility for the family supply of eggs and chickens and vegetables.

Boys and girls enrolling in the new projects will be encouraged to raise good poultry, do a good job of feeding, housing and general management, and thereby increase the supply of eggs and chicken for the family, and some to sell.

"New" vegetables will be introduced into the family gardens, it is hoped. The boys and girls will be expected to plan their gardens, to prepare the soil well, to grow improved varieties, and to combat insects and diseases. As a result, there will be larger supplies of home-produced foods, which is one of the main planks in the national defense program.

The 4-H club garden-for-defense program was stressed this year, with more than 100 club gardens in some counties. Family food supplies were increased through the assistance of 4-H club gardens.

J. W. Whitehouse, 4-H club leader announces that food production will be stressed in all club work in 1942.

Get Set for Life
WITH NAVY TRAINING
(Ask about the Naval Reserve)

NAVY WEATHER MAN. Interested in this unique, fast-growing field? Navy training is second to none.

EXPERT METALSMITHS teach bluejackets how to operate beading machine. Soon they'll be experts, too.

OPTICAL INSTRUMENTS call for skilled repair work. You can train in the Navy for this big-pay field.

ARC WELDERS AT WORK. Some of the best electric arc welders in the country are Navy-trained. This is but one of the 45 trades you can learn. When you learn in the Navy, in later life you're always in demand.

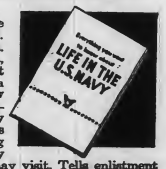
EXPERTS IN RADIO do interesting work. In civil life the pay is high. Let the Navy teach you radio work.

DO YOU KNOW that in every trade, profession and business there are successful men—men who earn five, ten and even twenty thousand dollars a year—who will tell you that they owe their success largely to the training they received in the United States Navy?

There are three good reasons for this. First, Navy service develops the essential qualities of leadership, efficiency and accuracy which are the backbone of success in or out of the Navy.

Second, you can't beat Navy instruction. The American Navy is the finest in the world, and that means every individual—whether he is radioman, electrician, machinist or cook—must be tops in his line. Third, the Navy makes men. Healthful sports, good food, expert medical and dental care will build you up physically to the rugged health that is typical of Navy men.

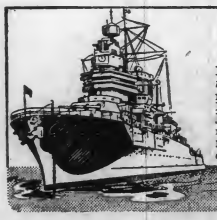
EARN NAVY PAY WHILE YOU LEARN



Instruction in many fields today runs into hundreds and sometimes even thousands of dollars. The Navy not only offers you this instruction *free*, but will give you regular Navy pay while you are learning! And remember this:

When the Navy says you are a Diesel expert, you are a first-class Diesel expert. When you get a Navy rating as a radioman, you are as good a radioman as they come—and probably a bit better. That's why Navy men are in such big demand by civilian employers. There wouldn't be room in this paper to list the thousands of men that Navy training helped to get set for life. Remember, you have even better opportunities today!

LOOK WHAT THE U. S. NAVY AND NAVAL RESERVE OFFER YOU



FREE TRAINING worth $1500. 45 trades and vocations to choose from.
GOOD PAY with regular increases. You may earn up to $126 a month.
EACH YEAR you are entitled to a generous vacation period, with full pay.
GOOD FOOD and plenty of it.
FREE CLOTHING. A complete outfit of clothing when you first enlist. (Over $100 worth.)
FREE MEDICAL CARE, regular dental attention.
FINEST SPORTS and entertainment.
TRAVEL, ADVENTURE, THRILLS—You can't beat the Navy for them!
BECOME AN OFFICER. Many can work for an appointment to the Naval Academy or the Annapolis of the Air at Pensacola.
FUTURE SUCCESS. It's easy for Navy-trained men to get good-paying jobs in civil life.
LIBERAL RETIREMENT-PAY for regular Navy men.

Or telephone him. Or mail him the coupon. You can paste it on a penny postal card.

WEAR THIS BADGE OF HONOR! If after reading the free booklet you decide to apply for a place in the Navy, you will receive this smart lapel-emblem. It is a badge of honor you will be proud to wear.

Are you considering joining a military service? WHY NOT CHOOSE THE NAVAL RESERVE!

Don't wait. Choose the Naval Reserve *now*. The Secretary of the Navy has announced: "All men now enlisting in the Naval Reserve will be retained on active Navy duty throughout the period of the national emergency, but they will be released to inactive duty as soon after the emergency as their services can be spared, regardless of the length of time remaining in their enlistment."

Remember—the regular Navy and Naval Reserve offer you the same travel, training, promotions, pay increases. Physical requirements in the Naval Reserve are more liberal. Find out all about the Naval Reserve. Send in the coupon now!

THE BOONE COUNTY RECORDER

ESTABLISHED 1875

VOLUME 66 — BURLINGTON, KENTUCKY THURSDAY, OCTOBER 23, 1941 — NUMBER 21

ALL-STARS LOSE DECIDING GAME

IN CHAMPIONSHIP SERIES OF SEMIPRO LEAGUE — FORCE RIVAL TO GO LIMIT OF SCHEDULE TO WIN TITLE.

The Boone County All-Stars suffered a decisive 6-0 defeat in the final game of the championship series of the Campbell County Semipro Baseball League Sunday at Crescent Springs, as their rival, the Martz Cardinals won the league championship. The locals found the pitches of the southpaw hurler for Martz team, Meyers, baffling and made but three hits off his offerings, two of which Boyd Mahan, All-Star outfield claimed. Mahan beat out a well-placed bunt for a hit in the opening period and after stealing second, was in a position to score, but the final out was made before he could tally. After Shinkle drew a walk in the third frame, the county semipros waited until the sixth before making another threat to score, and after their opponents had tallied four runs in the fourth. With two out Mahan blasted out a two-bagger and was advanced to third by Kirkpatrick. It was through a fortunate stop of Sebree's hard-hit grounder down the first base line, by the Martz first sacker who was playing close to the base to keep Kirkpatrick from advancing on the pitch, that the locals were retired without a run.

Henry Deck opened the seventh with a grounder that the shortstop was unable to play, for the All-Stars' last threat. The winner picked up their other two runs in the eighth, on a double, a triple, and an error.

Steffen, pitcher for the All-Stars gave up seven hits, two of them triples, one a two-bagger, while fanning six, as fifteen of his teammates were being whiffed at the plate.

Though falling to win the championship, the local team chalked up a splendid record in their first season in the semipro league, as they won ten of their last fourteen games, forced their opponents to go the limit of the schedule to take the league crown, and took fourteen of their twenty-four games during the entire season, under the managership of Robert Eads.

Mr. and Mrs. Robert Reimer, of Hebron entertained with a six o'clock dinner Saturday evening, Misses Helen Wingerberg and their daughter Lorraine Reimer, both senior nurses of St. Elizabeth Hospital, Virginia Reimer and Miss Fern Ratcliff, Home Demonstration Agent from the University of Kentucky; also Messrs Heber Johnson and Billy Graves.

AMENDMENT IS FAVORED

BY MANY OF LARGER COUNTIES AND EDUCATORS—K. E. A. DIRECTORS FAVOR CHANGE IN CONSTITUTION.

W. P. King, Secretary of the Kentucky Education Association, Louisville, Ky., released the following statement concerning the proposed Amendment to the Constitution:

Many of the largest counties and cities in Kentucky which stand to share no increase in funds because of the proposed change in constitution have neverthless endorsed the amendment as offered. Among these Louisville, Lexington, and Maysville have joined with the innumerable counties which will likewise receive only indirect but very definite benefits.

The Kentucky Farm Bureau, Kentucky Federation of Women's Clubs, the State Congress of Parents and Teachers, the State Federation of Labor organizations and many other similar groups have not only endorsed the amendment, but are working actively in its behalf.

At the meeting of the Board of Directors of the K. E. A. in April, 1941, the proposed legislation was thoroughly discussed and approved by the vote of each member. The State Department of Education is leading the activities in support of the amendment and in co-operation with the K. E. A. This campaign is merely one item in the program projected by the K. E. A. several years ago and is being conducted as part of a long-time plan to improve educational facilities in Kentucky.

It is high time Kentucky is doing something for a quarter million of its children who would have to go to their seven months school almost eleven and a half years to get as much actual schooling as the children in Covington, Newport, Louisville and Lexington get in eight years. The latter get 80 months of schooling in 8 years while the former get 56 months of schooling, 24 months less. There are 81 counties in this category, and practically all of them are making a local levy as high as the law allows. There are a number of counties which do not levy the maximum tax allowed by the law, but for the most part they are wealthy counties which can maintain adequate school programs on a lower local tax. Incidentally every one of these counties is supporting the proposed amendment, knowing as they do, that no financial benefit will accrue to them.

If the amendment is ratified by a majority of those who vote on the subject, the next move will be for the legislature to determine the amount by which the current appropriation will be supplemented and then to establish the technique by which it will be distributed. The officials who have to do with the management of the state's affairs have publicly and privately declared that no school unit shall receive in the next biennium, less than it currently receives. Finally, of course, the whole matter of appropriations is the obligation of the legislature. Support for education in Kentucky will undoubtely go forward and not backward.

BANGS DISEASE IS CAUSE OF FEVER

DISEASE VERY CONTAGIOUS AMONG ANIMALS — EFFORTS ARE BEING MADE TO OBTAIN INSPECTORS TO TEST CATTLE.

Recent facts show that several cases of Undulent Fever have developed in the county. Best known of these cases is that which Miss Mary Hood Gillaspie, Home Demonstration Agent, has been fighting for the past several months.

The source of the disease is milk or milk products from dairy animals suffering from "Bangs Disease." The disease is very contagious among the animals and transmissable to human beings. There has been very little work done in the county to combat the disease, perhaps because of lack of knowledge concering the danger in harboring it. Not only is "Bangs" undesirable fro the standpoint of health, but from the farmer's viewpoint of financial loss.

Efforts are being made to get Government inspectors into the county to test animals. There is no charge for this service, but it is necessary to sign "agreement" sheets stating that infected animals will be sold for slaughter and that any animals added to herd in the future would be tested before coming into contact with the herd. Obtain these sheets from office of county agent and return immediately.

Boone County farmers can popularize the practice of herd testing to the extent that enforcement of the mandate "to test all dairy animals" will not be necessary. The informed farmer will sign his sheet soon, so there will be no further danger in the use of dairy products so necessary to health but dangerous as disease carriers when not pure.

P.-T. A. Will Sponsor Hallowe'en Party

A Hallowe'en party will be sponsored by the Burlington P.-T. A. at the new school building on Friday, October 31st, it was announced this week.

Prizes will be offered for the prettiest, and tackiest dressed. and best character represented. Booths of all kinds will be placed in the building, and a full evening of entertainment is promised those who attend. Admission will be 5 cents to those wearing masks and 10 cents for those not wearing a mask.

The public is cordially invited to attend this event.

Florence Man Will Manage Owenton Shop

John Hampton, well known automobile mechanic, stated this week that he has accepted the management of the Owenton Ford garage and will operate the business for the present owners, Davis and Gaines Ford Dealers.

Mr. and Mrs. Hampton will leave about November 1st for Owenton, and will take up residence at that place.

Cycle Club Visits Boone County Recorder

The Dixie Cycle Club, of Covington, pays The Recorder a friendly visit. The club's director, George Maher, proprietor of the Dixie Cycle Shop, 16 East Fifth St., Covington, wanted to tell the publisher of The Recorder personnally about the splendid results he got from advertising in The Recorder.

In other words, "the man who sells the pleasures of cycling" wanted to talk with the man who sells the results of profitable advertising.

New Haven P.-T. A. To Stage Play November 8th

Rehearsals are under way for this year's addition to the New Haven Dramatic Club's newest play "The Call of Youth." Mrs. John Masters is again directing. Mrs. Patsy Huey Slayback has the lead and plays opposite J. O. Griffith and Joe Ryan. The theme of the comedy is carried on by Mrs. Bess Cox, Mrs. Edith Hedges and Mrs. Shirley Ferguson. The supporting cast includes Mesdames Doretta Rouse, Marie Gschwind, Frances Taggert and Jean Ann Tanner. The supporting male cast include Messrs J. Russell Cross, Ivan Clements and Elmer Noe.

New stage properties are being constructed as this is the most elaborate play so far given on the school stage. The story is about a young girl in love with both the villian and the father's choice. The plot reveals some mighty unusual situations and not until the last curtain are you real sure about who did what to whom.

NUTRITION AND HEALTH PROGRAM

PUSHED IN BOONE COUNTY—EFFORTS BEING MADE TO REACH EVERY HOME IN THIS COUNTY.

Health for the nation has received increasingly amounts of attention during the past year. Physical examinations given selectees, added to information gleaned from records of clinic patients show that an appalling number of persons in our county suffer from ailments and disease traceable to dietary deficiencies. Boone County entered into this health improvement program and efforts are being made to reach every home with this valuable information.

The County Nutrition Council, including the Home Demonstration Agent, County Agent, School Superintendent, Home Economics teacher, Chairman of County Ministerial Association, chairman of school lunch committee, representative of Homemakers' Club, Utopia Club, and Woman's Club, was organized to study county needs and to suggest ways and means to care for those needs. Local community groups were organized to study problems and work out solutions. Those local chairmen will call regular meetings for everyone in the community and assist their local committees in seeing that an interesting and informative program is presented. These programs will include exhibits, demonstration skits, movies, discussion groups, and talks upon subjects related to the study of food needs.

Boone County people are to be congratulated upon their far sighted interest in this program and upon their wide awake committeemen. The fine spirit of cooperation which has already been shown adds to the expectation that many things will be reported later from this nutrition program.

The work during the summer has included stress on gardens of wide variety of fruits and vegetables, canning demonstration and meetings of the school luncheon committees.

The fall will include demonstration on storage, meat cutting, curing and canning. Pamphlets have been distributed on necessary foods for health. Further work will be done on this subject at fall meetings.

WILL APPEAR IN SCHOOL PLAY

Rev. J. Russell Cross

Mrs. Susie Eads

Mrs. Susie Eads (nee Jones), age 75 years, passed away at her home 1908 Eastern Ave., Covington, Oct. 19. Her remains were removed to Chambers & Grubbs mortuary for preparation and laid in state in the chapel until Tuesday.

Funeral services were conducted Tuesday afternoon at the Baptist Church, of which she was a member, at 2 p. m. with Rev. A. K. Johnson officiating. Burial was in Walton cemetery.

She is survived by three sons, two daughters, nine grandchildren, four great-grandchildren, two brothers, Wm. Richey of Walton and Ed Richey, of Independence, Mo.

Chambers & Grubbs, Walton funeral directors were in charge of arrangements.

REFORMATION DAY SERVICES

TO BE HELD AT HOPEFUL LUTHERAN CHURCH SUNDAY EVENING, OCT. 26—REV. H. E. TURNEY TO SPEAK.

The annual Reformation Day Service of Lutheran Churches of Northern Kentucky will be held at Hopeful Lutheran Church, Sunday evening, Oct. 26th at 8:00 p. m., according to Rev. H. M. Hauter, pastor the Hebron-Hopeful Lutheran Churches.

Rev. H. E. Turney, D. D., president of the Indiana Synod of the United Lutheran Church in America, will be the guest speaker. Music will be furnished by the combined choirs of the Lutheran Church or Northern Kentucky, directed by Rev. L. L. Spenny, pastor of Zion Lutheran Church, Park Hills.

The cooperating churches are: Hopeful Lutheran Church, Florence, 1806, Hebron Lutheran Church, Hebron, 1854, Rev. H. M. Hauter, pastor; St. John's Lutheran Church, Melbourne, Ky., 1860, Rev Olan Aughbaugh, pastor; Trinity Lutheran Church, Bellevue, Ky., 1892, Rev. C. Myron Danford, pastor; St. Mark's Lutheran Church Newport, Ky., 1897, Rev. David M. Funk, pastor; Zion Lutheran Church, Park Hills, Ky., 1916, Rev. Lorin L. Spenny, pastor.

The Reformation of the 16th century is still a living issue. There is no doubt that not only was Protestantism born and modern education begun, but the boundaries of many nations were changed. Few men realize the extent and value of Luther's contribution to the world, religion and education. A careful study of his writings shows that he was almost as great a reformer in the realm of education as in that of religion. The 16th century Reformation which began at the University of Wittenburg, Germany, was not only a reformation of the church, but also of the world.

Out of this reformation grew the beliefs of those people who later called themselves Lutherans. These beliefs might be summarized in the following manner:

What Lutherans believe:

About the Bible—It is the inspired and infallible Word of God, from which all religious truths come.

About Creeds and Confessions—They are historic statements and formulas summarizing Biblical truth.

About God—He is the eternal, all powerful creator and Father, desiring to show love and mercy.

About Jesus Christ—He is God-man, Son of the Father, born of woman, who lived, taught, died and arose again to save us from sin and its damning effects.

About the Holy Spirit—He is the third Person of the Holy Trinity, effecting faith and life in man.

About man—He is born in sin, has capacity for Sonship of God, fulfilled only through forgiveness by Christ.

About Faith (Trust)—It is the only way of salvation, placed upon Jesus Christ, motivated by the Spirit.

About the Sacraments—They are with the Word, Means of Grame, whereby we receive the essentials of the faith.

About the Church—It is the congregation of those who believe (trust) and are moved by the Holy Spirit, Gospel and Sacraments being rightly presented.

About the Church Organization—It is necessary for effectual administration, but no one type is essential.

About Religious Education—It is required in both clergy and laity, for intelligent worship.

About Liturgical Services — Though the best is urged for uniformity and beauty's sake, no form is essential.

About Missions—They are enthusiastically embraced as giving a world-wide vision and unselfish service.

LOCAL MAN WINS TOP SALES HONOR

C. T. RAWLINGS TO VISIT NEW YORK AS GUEST OF ROYAL TYPEWRITER COMPANY—IS RESIDENT OF FLORENCE.

When you're competing with more than a thousand other hard-hitting expert salesmen for a prize, you have to really be good to come out on top. And that's just how good C. T. Rawlings, local representative of the Royal Typewriter Company is.

Mr. Rawlings is one of 35 lucky Royal salesmen who will make a trip to the Company's Home Office in New York and to the Royal Factory in Hartford in recognition of his outstanding sale accomplishment during this past summer.

Mr. Rawlings is a life-long resident of Northern Kentucky. He recently acquired a new home in Florence, Kentucky, at 48 Lloyd Avenue. He has been one of the representatives of the Royal Typewriter Company branch in Cincinnati for over eleven years and is well known by the Cincinnati and Covington business houses. His father, until his recent death, was the popular owner of the Gray Eagle Restaurant, Pike and Main Sts., Covington, Ky.

In connection with its annual three months' summer sales campaign this year, the Royal Company offered, in addition to the hundreds of other prizes, the New York trip to the top man—the best salesman in each of the 35 national sales districts in which the United States is divided. Clifford early in the contest, determined that he was going to put up a strong battle for top honors. His competitors were Royal salesmen in Columbus and Dayton.

When the sales were counted on August 31st, Mr. Rawlings was declared the winner.

It is interesting to note that Mr. Rawling's outstanding sales record is also a commentary on local business. The rapidly rising business activity here provided an expanded market which helped the local man set his sales record.

Now, he is busily preparing to leave for New York for several days with all expenses paid. An exciting and interesting program has been prepared for his enjoyment in the big city.

One of the most important fea-

(Continued on Last Page)

Produces 209,284 Eggs Per Year

Grant Maddox's poultry flock of Florence deserves credit for produring the largest number of eggs in the county the past year, according to H. R. Forkner, County Agent. His flock averaged 1,114 laying hens that produced 209,284 eggs.

The flock averaged 187.8 eggs per hen for the year and an average of 15.65 eggs per month on slightly over 50% production for the entire year. Boone County this year will be asked to increase poultry production by 16% as its part in National Defense Program. Despite his already large flock, Grant is planning to increase his laying flock by approximately 50%.

Three Arrested On Parking Charge

Clifford Deahner, Victor Jennins and Harold Johnson, all of Erlanger, were cited into court by patrolman Jim Carr for parking on the highway on the Hopeful Church Road and each was given a suspended fine Tuesday in the Boone County Court.

The parking on this road has become a nuisance and all offenders will be arrested and brought before the County Court.

SCORE CARD TO BE USED BY SCHOOLS

IN CHECKING QUALITY AND TYPE OF FOODS IN COUNTY LUNCHROOMS — WILL BE SCORED TWICE YEARLY.

At the meeting of the Boone County Lunchroom Organization, held October 14th, a score card was adopted to check the quality and type of foods served, the sanitary condition of the lunchroom and the health practices of the lunchroom manager and children.

The interest and friendly cooperation of the county board, county school superintendent, principals, teachers, lunchroom managers, members of the Parent-Teachers' Association and all patrons are appreciated and necessary for this sort of enterprise to be successful.

The lunchrooms of the county will be scored twice yearly by a scoring committee according to the following score card:

ROME KINMAN SUCCUMBS AT 40

WAS WELL KNOWN TOBACCO AND REAL ESTATE AUCTIONEER—SERVICES HELD MONDAY.

R. G. Kinman, well known tobacco and real estate auctioneer died early Saturday morning at Booth Hospital, Covington, after only a few hours' illness. He was 40.

Mr. Kinman was well known throughout Boone and adjoining counties, having resided in Florence and Elsmere for the last 16 years. He was a native of Grant county.

He had been crying sales at tobacco markets in the south since he was 15 years old. He holds the unofficial Kentucky record for the most baskets auctioned in one hour. He also claimed the world record with 455 baskets sold in 55 minutes.

Among the markets Mr. Kinman worked are the Kenton Loose Leaf Tobacco Warehouse, Covington; Horse Cave, Ky., and the South Carolina markets. He was an instructor in the Reppert School of Auctioneering, Decatur, Ill.

For the past 10 years, Mr. Kinman operated a real estate and tobacco auctioneering business with offices in the Coppin Building, Covington.

A native of Williamstown, he became interested in the ancient art of auctioneering almost as soon as he learned to talk. His first "market" was his family who bought, over and over again, the furnishings of their home.

His first auctioneering job was at Williamstown, when the manager of the warehouse heard him crying baskets to employees of the warehouse during lunch hour. Since that time he has conducted sales in 16 of the largest tobacco markets in the world.

Mr. Kinman was a member of the Masonic Lodge of Falmouth, Ky., and the First Baptist Church, Florence.

He is survived by his widow, Mrs. Marie Kinman; his parents, Mr. and Mrs. John Kinman, Covington; three brothers, James, Ford and Kline Kinman, all of Covington, and a niece, Jo Ann Kinman, who made her home with him and his wife.

The high esteem in which Mr. Kinman was held, was manifest by the relatives and friends, numbering approximately 2,500 who visited the home Sunday to pay their last respects to this outstanding man.

Funeral services were held at the residence at 2 p. m. Monday with additional services at 2:30 p. m. at the Florence Baptist Church, with Rev. R. F. Demoisey and Rev. Roy Johnson officating. Burial was in Richwood cemetery.

Tharp & Stith, Florence funeral directors were in charge of arrangements.

POOR SPELLERS

Each year finds our national school system more efficient. We are proud indeed of our educational advantages offered the young, but many people still have one criticism to make that appears to indicate that our school system is lacking in one respect. We may have it over our grandparents in a general education but you can bet their generation could spell better than scholars of today. From what we have heard, they used to figure in the old days that spelling was something awfully important in education even if you could conjugate a lot of Latin verbs. We aren't trying to cast any reflection on the methods employed in our schools but there are a lot of business men who employ a large number of graduates every year, who complain about what poor spellers there are coming from our schools.

In recent years there has been a revival of the old-fashioned spelling bee of those long ago days when it was considered something of a disgrace to be a poor speller. Radio stations have used the spelling game for competition and entertainment. If these spelling bees help to make good spellers then we should encourage them. Start noticing how keen are so many of these minds, with what ease they memorize lengthy passages from books, quote figures and facts rapidly and correctly, but then ask them to spell ten ordinary words. Maybe it is because we have a hard time getting the letters in the right place that we want our young ones to do better.

BUTTER'S SUBSTITUTE

They seem to be having their troubles over the issue concerning the laws of coloring and adding vitamins to oleomargarine and giving it to the public as butter's substitute. The people chiefly upset about the situation are the dairymen who protest the move as only leading to sending our butter supplies to England and keeping this newly marked oleo product for our country's use. But probably the thing behind this new act to color and add vitamins to oleo is to increase the sale of it. It is a product that has been widely advertised and there are many people who have used it for a long time. Some wouldn't tough it for nothing could replace the use of butter to them. A good many housewives have used it for cooking purposes for many years. But as long as oleo is marked as to its contents, is not passed as butter, is placed on menus in restaurants that might use it, then we wonder if it is possible to keep this product from entering as competition. Few people in Boone County who do not prefer butter on their bread, but there might be homes where it is economically impossible to buy much of it especially when the price is so high. So what do they do—use oleo and find it eatable, wholesome and far better than using lard or just syrup. To try and keep a substitute for butter off of the shelf will not necessarily put more butter on the shelf. It will only draw more attention to the substitute!

EIGHT POINTS AND OTHERS

There are Americans so busy talking about "communism," a subject of which they know little or nothing, that they overlook the recent action of the Soviet government in adhering to the eight-point declaration of principles recently enunciated by the President and Mr. Winston Churchill.

Meeting in London the representatives of ten allied nations endorsed the aims of the Atlantic charter, although several of them, notably Poland, Czechoslovakia and Free France, asked for "security," suggesting that there must be some safeguard against the resurrection of German militarism.

It would be natural to assume that, after the end of the present war, the victors will take all necessary steps to clinch their success. The defeat of Germany will undoubtedly be followed by stern measures, designed to prevent the rise of another Hitler.

Meanwhile, the people of this country should be prepared to support whatever measures become necessary to force the Germans to disgorge the spoils that they have acquired from the peoples of other nations by force of arms. This refers not only to territory but also to plants, facilities and supplies.

FARMERS HAVE MEMORIES

"In the long run,' 'says Henry Morgenthau, Jr., Secretary of the Treasury, "the worst sufferers from inflation are farmers themselves."

We are not expert upon the subject but we have some recollections as to what occurred in 1921 and it is our solemn opinion that Henry spoke a mouthful.

The plight of agriculture, in the United States, after 1921, was deplorable. Farmers of this country can still testify to the blighting scourge that bankrupted agriculture as an industry. They should be very careful before following the lure of excessive prices.

We think the farmers should concentrate their efforts upon the attainment of parity. They should resolutely oppose exorbitant price levels for other services and supplies. It is the only way to permanent prosperity on the farm.

It is comforting to hear some leaders talking about new high prices for agricultural commodities but farmers, before joining in the demand, should rely upon the sound advice of experts who have studied their problems. They should pause, just long enough to hear the voices of the past which will remind them of the hard road they travelled after 1921.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL Lesson

CIVIC RESPONSIBILITY REGARDING BEVERAGE ALCOHOL

LESSON TEXT—Deuteronomy 5:32, 33; 11:26-28; Isaiah 28:1-6; Habakkuk 2:12.
GOLDEN TEXT—Righteousness exalteth a nation: but sin is a reproach to any people.—Proverbs 14:34.

Legal approval of the sale of alcoholic beverages has largely taken the matter out of the hands of the home and the church and has made liquor a civic problem. That, of course, does not provide us with a convenient excuse for evading our personal responsibility, for the nation is made up of you and me, of your home and mine, of your church and mine. We must share the nation's responsibility gladly and actively if we are to be worthy of our citizenship. Especially is that true of the Christian, for he sees the spiritual and moral implications of the matter, and he also knows what to do about it.

I. "Righteousness Exalteth a Nation; but Sin Is a Reproach to Any People" (Deut. 5:32-33; 11:26-28).

That may sound a bit old-fashioned and it may appear that men have abrogated that principle, but if we wait a bit we shall see that it still works.

1. Righteousness Brings Blessing (Deut. 5:32, 33; 11:26, 27). In this callous and indifferent generation we need to repeat with emphasis the fact that there is laid down in the very constitution of the universe a moral distinction between right and wrong. Right is always right and wrong is always wrong.

The book of Deuteronomy presents the fundamental laws of God. In this fifth chapter there is a review of many of these laws and a practical appeal for obedience. It is pointed out that the way of liberty in the walk of life is to turn neither to the extreme of legal bondage nor to the opposite extreme of human license, but to "walk in all the ways which the Lord your God hath commanded you." Walking in His ways brings all the blessings of Deuteronomy 5:33, a promise which is repeated in 11:27.

2. Unrighteousness Brings Judgment (Deut. 11:28). Turning aside from God's ways must bring upon man His curse. It is no light matter to be under God's disapproval. We who know how much the approval or disapproval of frail human beings around us may mean, should consider what it means in the life of a man (or of a nation) to have the eternal, omnipresent and omnipotent God against him.

Then what about a people which countenances the manufacture and the sale of intoxicants, which they well know bring about wickedness and vice which can only call for the judgment of God. Many believe that the great war in which the world is embroiled is simply God's judgment upon the nations (including England and America) because they have turned aside from His holy ways. That means that the most effective way to stop the conflict is national penitence and prayer. Why not believe and practice II Chronicles 7:14?

II. Civic Greatness Cannot Be Built on Sin and Oppression (Isa. 28:1-6; Hab. 2:12).

Yes, that sounds old-fashioned too! The theory of today seems to be that the road to greatness is by way of disregard of God's laws, and by the application of the mailed fist of cruel conquest. But let us remember that others have tried the same violation of God's law, and let us recall what happened to them. Did you ever hear of Napoleon?—of Alexander the Great?—of the "glory that was Greece"?—and the world conquering power of ancient Rome? Modern military leaders could well afford to spend less time on their books of strategy and their war maps and more time reading the Bible and the pages of history.

1. Drunkenness and National Decay Go Together (Isa. 28:1-6). The leaders of Israel (Ephraim) lingered long over their wine bowls as they spoke with pride of their nation, and especially of Samaria, its crown. It was a city beautifully situated on a hillside surrounded by a fertile terraced hillside.

Does not that all have a vaguely familiar sound? A great nation of our day which now lies in bondage to its neighbor dictator not long ago spoke with pride of its attainments and its security, while (according to the testimony of its own leaders) the use of intoxicants went on apace, even in the army.

2. Permanent Power Cannot Be Built on Oppression (Hab. 2:12). Here again history reveals the correctness of Scripture. Many a nation has sought to find its "place in the sun" by building with the blood of its vanquished enemies. It has never worked, and it will fail now just as it has in the past.

What about the city, state, or nation that attempts to promote its own growth out of the taxes on liquor and its sale?

Beet sugar produced from this year's crop in Spain will weigh 170,000 tons.

China has a three-year reforestation and agricultural promotion plan.

Why Suffer With Your Feet?

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
Where Foot Comfort Begins
9th and Madison Covington

Our years of research have proven that foot comfort depends on foot balance.

For years men have been guessing about foot balance, putting steel supports under feet and elastic bands around feet, all sizes and shapes corn pads, plasters, callous plasters, etc. Yet people continue to suffer with their feet, legs, back and with various other aches and pains, resulting from feet in numerous cases, because they have never had their body weight properly balanced on their feet with shoes.

Your feet may look regular to you, but, naturally you cannot detect weakness or have any way of testing for unbalance. But remember: "Fat on the ribs" is by no means an adequate criterion of physical well being.

Don't take chances, if you are suffering with leg pains, knee pains, stiffness, back aches or severe headaches, or sleep poorly and are always tired. Your feet may be the cause.—Adv.

LAND USE PLANNING COMMITTEE STUDIES REPORT

Members of the County Land Use Planning Committee in a meeting at Burlington last Wednesday reviewed the preliminary report of the County Land Use Planning work started last Spring. The report is the summary of findings of committeemen in the nine community centers identified the past spring, according to H. R. Forkner, County Agent.

The committeemen in a series of two community meetings identified four general soil areas in the county; namely, Area 1-Level Ohio River and Creek Bottom land representing 9.4% of the total land of the county.

Area 2.-The Verona, Walton, New Haven, Florence area representing 32.1% of the total land. This land is gently rolling with short hill sides.

Area 3.-The North Central Portion representing 18.3% of the land. This area is characterized by level to gently rolling topography with large areas of almost flat ridges and short hill sides.

Area 4.- These areas occupying the Northern and Western sides of the county represent about 40.18% of the county. They have long, steep slopes with narrow V shaped ridges and are hilly to rough.

The prepared report gives a general detail description of each area; its sub-divisions, its soil problems and recommendations for general management and improvement. The map showing these areas and a detail mimeographed report of the committees can be secured at the County Agent's office on request.

Land Use Planning work is based on the theory that many of our present major agricultural and social problems are directly related to the land itself. Each type and kind of soil has a different present day economic problem as to its method of management and to the uses that should be made. The people living in these areas, know better than any one else what these problems are and better understand what is needed for their solution. The committees work to identify the problems and to submit recommended solutions only.

Committee members attending the Burlington meeting last Wednesday were: Ira Tanner, Howard Kelly, Jesse Wilson, Kennth Stephens, Mrs. Prudence Dougle, Andy Cook, Lee McNeeley, Wm. Hill, Lloyd Siekman, Norman Herbstreit, J. F. Cleek, H. E. White, Franklin Frazier, Bruce Poundstone, H. R. Forkner and Ward Darnell.

Detail copies of the report are available at the County Agent's office. Copies of the enlarged maps showing neighborhood boundaries and soil areas are also on display at the County Office.

AGRICULTURAL DEFENSE BOARD ATTENDS CYNTHIANA MEETING

The County Agricultural National Defense composed of representatives of each of the agricultural government agencies attended the first district meeting held at Cynthiana the past week, according to H. R. Forkner, County Agent.

County goals for increased production of milk, eggs, spring pig farrowing and increased marketing of beef cattle are being set up. The increased production is considered necessary by the Federal Government to meet the National Emergency needs.

The county board is composed of J. F. Cleek, Chairman of the AAA; C. L. Hempfling of the Production Credit Corporation; Rev. Will Smith of the R. E. A., Ray Wilson of the Farm Security Administration, Ward Darnell of the Soil Conservation Association and H. R. Forkner of the Extension Service.

GRANT 4-H CLUB HOLDS FIRST MEETING OF YEAR FIRST FALL MEETING

Another Record Is Brought To View

The following letter was received from Clover Dale Farm, Union, Ky. The letters follows:

Oct. 14th, 1941

The Boone County Recorder
Burlington, Ky.
Dear Sirs:

In last week's issue of your paper you wanted to know if anyone had a better record in hogs. Here's my experience.

In the year 1935, I sold Harold Hodges a pig for which he saved for a brood sow. She now has pigs, eleven in number. This sow has had eleven litters totaling 131 pigs, of which she has raised 126, and she is now for sale.

We think this is a good record.

Yours
R. E. KIRTLEY.

BURLINGTON, KENTUCKY

FOR ONLY 25 CENTS YOU CAN TRY THIS AMAZING MEDICINE

Every person who suffers from Stomach Distress, Weak Kidneys, Constipation, Sluggish Liver or Nervous Rundown Condition can have a large introductory bottle of high-quality medicine for 25c to try. Particularly those people who have tried many medicines without results. Simply read the offer below. Do this in your own interest.

Systone Man at Owen's Drug

This is the new, scientific formula, known as SYSTONE, which has relieved 87 per cent of the people who have taken it. Therefore, we offer the first trial bottle for 25c FOR THIS WEEK ONLY, because we believe those who are benefited will keep on using it. The regular, full-size price of this medicine is $1.35.

HOW IT ACTS

Systone is a modern, advanced compound of twelve, medicinal juices from health-giving herbs, and not one a habit-forming drug. Now—the important action of these medical juices is to mix with the food in the stomach—shortly after you eat—thus eliminating the poisons that foster stomach troubles and permitting the kidneys and liver to function properly. It acts within 10 minutes to stop gas pains, sourness and bloating. It will not gripe or nauseate you like ordinary liver medicines. It will make your liver more active and clear away the old bile from your system. At the same time, Systone will flush poisons from the kidneys to relieve backache. Strengthens the nerves by natural means.

Now, whether or not it will help you as it has thousands of others—whether it will end your suffering in a day or a week—remains to be seen. But in light of what it has done for others it is surely a mistake not to try it for 25c, only a fraction of its actual worth. So read the rest of this announcement and act at once.

WHAT IT WILL DO!

Systone will cleanse your bowels (gradually—not drastic or severe) as they were NEVER CLEANSED BEFORE.

It will bring out gases and impurities (frequently from the first dose) which may have been inside you a long time, causing you many days of misery with headaches, dizzy spells and lazy, tired feeling. Will make the digestive organs sweet and clean; will give you the greatest appetite you ever had in your life.

SYSTONE will act as a diuretic to sluggish kidneys and flush out the impurities that cause BACKACHE, RISING AT NIGHT and Sharp, Burning Pains.

By removing poisons that may have become dammed up in the Kidneys and blood-stream it will thus relieve the agonizing pains of rheumatism and neuritis.

Systone will clear up skin eruptions that are caused by the impurities in the organs, will overcome the sallowness ("muddy" complexion) that is due to sluggish liver and will put the ROSY GLOW OF HEALTH into your cheeks, something which the highest priced cosmetic cannot equal.

Systone will make your stomach, liver, kidneys and bowels more active, build you in general and make you LOOK, ACT and FEEL like a DIFFERENT MAN OR WOMAN, years younger than your real age.

HOW TO GET IT FOR 25c

To get one bottle for 25c FOR THIS WEEK ONLY, clip the coupon below. Do it before you forget. Try your first bottle for a mere fraction of its actual cost. Find out for yourself whether or not it will help you. Do this in fairness to yourself and your family.

Coupon and only 25c good for one regular Introductory Size Bottle of Systone at the store below.

An I.E.S. Lamp Makes Seeing Easier

No matter what the visual task, you can do it quicker and better under the soft, generous light of an I. E. S. Better Sight Lamp. Designed by scientists, I. E. S. Lamps prevent eyestrain by eliminating glare and harsh contrasts of light and shadow. They provide downward light of high intensity for reading and other close work, and upward light which is reflected from the ceiling for general room illumination. Try one and see what a lift it gives to tired eyes.

How I. E. S. Lamps Help Eyes

Patented white glass diffusing bowl softens light, sifts out harmful glare. Wide shade spreads light over broad area. Opening at top throws part of light to ceiling, eliminates deep shadows. Three-light bulb gives choice of three lighting levels. I. E. S. Tag assures better light and better value.

PRIVATE SETTERS WRITES LETTER IN VERSE

The following poem was received from Pvt. David M. Setters, Btry. D. 2nd Bn. Bldg T. 302, Fort Eustis, Va., requesting us to publish same. The poem follows:

Why do I feel so sad and blue
when I am so far away from you?
Why do I count the hours we are apart,
With each beat of my poor broken heart?
When you are so far away skys always seem gray;
Everything is sadness to me this way.
But skys soon will be blue,
When again I'll be with you;
But now I must patiently wait
'Til you walk thru our old gate;
Then it will be heaven to see
Your dear face smiling at me
And hearing you whisper I love you
We'll know that our love will always be true.
But now of you I must silently dream,
Because I have been gone so long it seems;
I dream of the time we have spent with each other,
In my heart, I know there can be no other.
It is all of my friends in and near Big Bone
That I am writing for—when I can come home;
Each night I pray that I love you all in vain
And your love for me is still the same.
When you have nothing else to do,
Why not drop me a line or two?
Then I can be happy with you;
Then we will start our life anew
Then the sky will always be blue.
Through blue skies let our love shine through
But how do I miss you?
Let me count the ways:
I miss you through springs and refreshing showers,
I miss you through winter with long dark hours,
I miss you from morning sunrise 'til evening sunset.
I can not get you all off my mind.
Through darkest nights that I come in line,
So please don't forget me dear friends in your spare time.
Please drop a couple of your short lines.

Yours truly,
Pvt. David M. Setters,
Btry. D. 2nd. Bn.

Gayety Theater News

THURSDAY AND FRIDAY

Ted Lewis, who is featured with Abbott and Costello in Universal's new laugh sensation, "Hold That Ghost," is the dean of America's contemporary "name" band leaders. Lewis made his professional debut in Cincinnati, Ohio, at the age of 17 and has been the head of his own organization for 30 years. Six of his musicians have been with him for nearly two decades.

SATURDAY

Two "atmosphere" players lunched together during the production of "Life With Henry," the new Aldrich Family picture with Jackie Cooper, which will be shown at the Gayety, and created a stir among the diners.

The two who created all this excitement were both stars in the silent picture days with Paramount Ethel Clayton and George Melford. As a matter of fact they played together in "Private Pettigrew's Girl," in which Miss Clayton starred and Melford directed.

SUNDAY AND MONDAY

Robert Cummings is making an unusual contribution to private aviation.

After months of waiting, the handsome young actor, now seen in 20th Century-Fox's Technicolor musical production, "Moon Over Miami" in which he is featured with Don Ameche and Betty Grable recently received a new four seater monoplane.

To accommodate film workers on the set of "Moon Over Miami" who are eager to take up flying and prepare themselves, Cummings placed his ship at their disposal.

TUESDAY
(Double Feature)

Stanford boasts many rooters in Hollywood, but none are more loyal than Lloyd Nolan, whose latest starring film for 20th Century-Fox "Michael Shayne, Private Detective" will be shown at the Gayety. Nolan is an alumnus of the Palo Alto institution.

Plus

Sixth picture to star three-year-old Baby Sand, "Bachelor Daddy," will be shown at the Gayety Tuesday.

The offering, a Universal comedy presents the three-year-old star with a cast that includes Edward Everett Horton, Donald Woods, Raymond Walburn, Franklin Pangborn, Jed Prouty, Evelyn Ankkers, Kathryn Adams, Bert Roach, Geo. Meader, Hardie Albright and Juanita Quigley.

WED., THURS., AND FRIDAY

Andy Hardy's famous jalopy, given up for lost after Judge Hardy smashed it up in "Andy Hardy's Private Secretary,' has been recreated in "Life Begins for Andy Hardy."

After Lewis Stone bought Mickey Rooney a new car in the last picture, it was thought that the old crate was finished with its movie career. So Metro-Goldwyn-Mayer's transportation department used its parts to repair other machines on the lot.

But the script of the new picture called for Andy to go back to his first love in closing scenes. The result was that every mechanic in the studio was turned loose to find the missing parts and reassemble the jalopy.

Whenever a preacher dabbles in politics there is reason to doubt that he has been called to man's greatest life-work.

We never mind if a man doesn't pay us what he owes us, provided he does not spend more money for cigars than we do.

Training . . . thrills . . . fun and friends

If you're 17 to 50 there's a spot in the Navy for you. From the first day of enlistment you're an Uncle Sam's payroll. In the regular Navy or the Naval Reserve your chances for advancement, to learn skilled trades, for travel, adventure and friends are the same. It costs nothing for food, clothing and board. Medical and dental care are free.

What a life for a patriatic and ambitious man! A chance for training in any one of almost fifty skilled trades with no lay-offs and pay-cuts.

If you're 17 or aver, write or call the Navy Editor of this newspaper and ask for a free copy of the illustrated booklet, "LIFE IN THE U. S. NAVY".

SERVE YOUR COUNTRY! BUILD YOUR FUTURE! GET IN THE NAVY NOW!

SAVE and SACK the BEANS

WHILE chopping and storing the hay, the new Letz mill with grain separator sacks the beans. Saving high priced beans soon pays for a Letz—the surest money maker for any livestock farm.

Says Letz user, Lee Chatham, Danville, Indiana, "We chopped and blew into the mow 72 acres of soybean hay. We sacked 1,000 bushels of Manchu beans, keeping some for seed, recleaning and selling the rest for $1.25 per bushel. These beans brought us in over $1000.00."

Come in and investigate this wonderful machine. For most farmers feeding beef or dairy cattle, lambs or hogs, the Letz mill saves its cost and more the first season used. Let us demonstrate one for you.

Homemakers, 4-H Club Study Food For Defense

Are you doing your bit for National Defense? Have you found your job in the tremendous undertaking to defend democracy? There is a job for everyone. Many will find that their part lies in doing the "every day" task in a better way; so it has been with the farmers, homemakers, and 4-H club members of Boone County. Every little bit helps.

From the office of the Home Demonstration Agent comes reports that hundreds of jars of canned goods have been filled to supplement the winter food supply in Boone County homes. Figures are not available at this time, but Homemakers have reported the purchase of additional jars, and tin cans, for the canning of products which they have not stored before. New vegetables, new in the sense that the vegetables had not been included in previous garden plans, were grown by many. Fall gardens and improved storage facilities seem to be popular practices among rural homemakers.

"Planning meals for Nutrition and Health" is the new major project for Boone County Homemakers. Their goal is to include in each day's menu those foods necessary for health, and to popularize those foods which "must be" included by using them in cleverly and attractively prepared dishes. They have declared this project most desirable in view of the fact that of the 50 percent of the Boone County selectees examined for army service and rejected, many had defects traceable to dietary deficiencies. Each Homemaker will carry on some result demonstration in her own home to prove the value of food in health.

Four-H club members have carried garden, foods and canning projects to better their own health and the health of their families. They were enrolled in the projects as follows: 42 in gardens; 76 in foods and 25 in canning. These projects offer opportunities for increased production in farm food supply and interest in a wide variety of healthful foods.

Everyone knows the meaning of the well known expression "Make America strong my making Americans stronger."

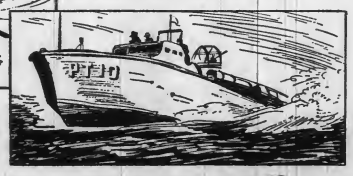
WANT THRILLS?

CATAPULTING A PLANE INTO SPACE takes nerves of steel and split-second accuracy. These Navy men work together like a championship football team. Courses in all branches of aviation are now being offered to you by the U. S. Navy. They qualify you to become a skilled pilot, navigator, radio expert, gunner, or aerial photographer. In fact, you can learn any one of 45 trades.



THE U. S. NAVY HAS PLENTY FOR YOU!

Do things seem dull around town for you? Do you feel tied down by your job? Here's your chance to lead the most thrilling life in the world . . . and get paid for it! A chance to serve your country, too. For Uncle Sam's new two-ocean Navy has ships and planes which are unequalled by those of any other nation in the world. For those who enlist in the Navy there is a wide variety of fascinating work, including everything from aviation to engineering. Pictured here are a few of the thrills that are everyday occurrences in the life of a Navy man. They're open to *you* right now if you've reached your 17th birthday.

ON SHORE LEAVE IN A STRANGE PORT: At the tiller of a Navy launch, the coxswain takes bluejackets ashore. If you want to travel . . . Waikiki, South America, South Seas . . . the Navy's where you belong!

MOSQUITOES THAT TRAVEL AT 45 MILES PER HOUR! It takes a cool head and keen eyes to operate this new bullet-shaped PT Torpedo Boat. You've seen them in the newsreel throwing up great waves of spray on either side. But how would you like to handle one? Your Navy needs men with the stamina to tackle this job! Have you got it?

MANNING AN ANTI-AIRCRAFT GUN is real sport—if you know how to handle one. Each man has his station—and a job to do. If he does it correctly, the gun-crew functions as a single man—with deadly accuracy and superhuman speed.

ENFORCEMENT OF DOG LAW URGED

BY BOONE COUNTY SHEEP PROTECTIVE ASSOCIATION—SHEEP LOSSES HEAVY IN RECENT WEEKS.

The Dog Law in Boone County must be enforced, according to officers of the Boone County Sheep Protective Association. Sheep losses by dogs in recent weeks have been especially heavy to members.

Greatest losses in recent weeks have been in Walton community. John Conrad, alone ,has had losses in six different occasions and other farmers have had heavy losses. Sheep killing dogs in most instances are unlicensed dogs and the association plans to make strong demands of the Sheriff and to back him up 100 percent in strict dog law enforcement.

Most sheep owners are also dog owners and dog lovers and yet, dogs are the greatest menace to the development of the sheep industry in this county. A good dog is worth taking care of and should not be allowed to roam promiscuously at night. Such outrages cause sheepmen to make general rules of shooting every dog that crosses their farm and often this causes feeling among dog owners.

The law gives full protection to the farmer who buys his land and pays taxes on that land. He has the full right to raise whatever livestock he wishes on that land without fear of trespassing or harm.

Let us all cooperate in the dog law enforcement, keep our dogs under control, prevent sheep losses and help build up a more beneficial and cooperative spirit between dog owners, sheep owners and land owners. Eliminate the stray dogs and pay tax on 100 percent of our dogs.

June Conner Removed To Booth Hospital Monday

Little Miss June Conner, 4-year-old daughter of Mr. and Mrs. Cecil Conner, Hebron, was removed to Booth Memorial Hospital Monday suffering from laryngotracheo-bronchitis.

This is the second case of this disease in this section within the last several months, the other case being that of Lloyd Siekman's son, Lloyd Ray, several weeks ago. There are four cases of the disease reported in Covington and Kenton county at this time, it was learned yesterday.

Although no report was available Wednesday morning, her condition is considered serious at this time.

FORMER BOONE CO. LADY CALLED

AT HOME OF DAUGHTER IN CINCINNATI — WAS DESCENDANT OF PIONEER AMERICAN FAMILY.

Mrs. Ida Herndon Hall, retired Covington Public school teacher and a descendant of a pioneer American family, died late Saturday at the home of her daughter, Mrs. Katherine Hall Poock, 47 The Verona, Cincinnati, after an illness of several weeks.

Mrs. Hall, who taught in Covington schools for 35 years, retired 10 years ago. Her ancestors settled in Green County, Ky., in 1805 and in Boone County, Ky., in 1825. They came from Virginia, where William Herndon, first of the family to settle in America, patented lands in St. Stephens Parish, New Kent County, in 1654. Three years later he married Catherine Digges, a daughter of the Governor of the Colony.

Mrs. Hall, who was born in Florence during the Civil War, was a daughter of Margaretta Haydon Herndon and Elijah Kirtley Herndon. Her father was a first cousin of William Herndon, who was Abraham Lincoln's law partner for 20 years.

Her daughter, a grandson, Richard Kirtley Hall, two great grandchildren, and two sisters, Mrs. John White Leathers, Chicago, and Mrs. Joseph A. Drexelius, Covington, survive her.

Private services were held Tuesday at the W. Mack Johnson funeral home, Cincinnati, with burial in Highland cemetery, Fort Mitchell.

Hempflings Celebrate Golden Anniversary

Mr. and Mrs. C. O. Hempfling

Mr. and Mrs. Harold Bentham, of Baltimore, Md., surprised her parents, Mr. and Mrs. C. O. Hempfling, by arriving here on October 14th to be with them on their golden wedding anniversary.

They entertained for them with a dinner party at the Mertopole Hotel. The table was beautifully decorated with yellow chrysanthemums and yellow candles. The favors were golden slippers.

The guests included Mr. and Mrs. Liston Hempfling, Mr. and Mrs. Charles Franklin and Mr. and Mrs. Vaughn Hempfling.

Mr. and Mrs. Hempfling have received many felicitations from friends and neighbors, wishing them many more years of happy married life.

FINE HERD SIRE IS PURCHASED

BY BOONE COUNTY JERSEY BULL ASSOCIATION — ANIMAL PLACED FIRST IN CARROLLTON FAIR.

The Boone County Jersey Bull Association purchased a fine young herd sire last week from Perry B. Gaines, Carrollton, according to H. R. Forkner, County Agent. The animal placed first at the recent Carrollton Fair and is from outstanding production and exhibition blood lines.

One of the Bull Association herd sires recently proved through D. H. I. A. records is reported the third highest production bull in the United States. The productivity index on this bull was based on daughters' production above dams. The dams average production was above 400 pounds of butterfat, while the records of the two bulls scoring higher productivity indexes were based on daughters from lower producing dams. It is generally considered that it is more difficult to breed increased production into a herd that is already a high producing herd.

The Association will prove in the near future the productivity indexes on two other herd sires that are being used in the herds of Robt. Youell, Ludlow, Route 2; R. B. Huey & Son, of Burlington, R. 2; and Jesse iWlson, of Verona. These dairymen through several years of careful herd sire selection are proving through Dairy Herd Improvement Association testing and through blood lines that are highest in production, that superior herds can be built up. These herds will serve as valuable sources of breeding stock for those dairymen desiring herd bulls of high producing cows.

Dr. R. C. Garrison of near Burlington has a Guernsey bull that is being proven through records in the Northern Kentucky Dairy Herd Improvement Association. Present indications are this bull will prove one of the most valuable breeding bulls in the State. Guernsey breeders would do well to check the records of the high producing daughters of this outstanding sire.

Squirrel Season Closes October 31

Hunters will silence their guns on the squirrel populations in Kentucky after midnight October 31, S. A. Wakefield, Director of the Division of Game and Fish, announced. That date ends the open season on the squirrel in this state. The dove season closed Monday of this week.

NEW RULING ANNOUNCED

BY ARMY OFFICIALS REGARDING PHYSCIAL EXAMINATION FOR SELECTIVE SERVICE—22 MEN TO BE EXAMINED OCT. 31

C. G. Kelly, Clerk of Draft Board 9, Burlington, announced this week that all youths under the Selective Service Act will be examined by Army physicians at Ft. Thomas, Ky.

Mr. Kelly reported that he had been notified of this change and that twenty-two local youths will be examined at Ft. Thomas on Friday, October 31st. The following youth will report to their Draft Board at the courthouse at 8:15 a. m. E. S. T. when they will be transported to the Army post for examination and returned:

Charles Robert Johnson, Harold Conner Kilgour, William Joseph Brown, Clarence Thomas Snow, Donald Ellis Faulkner, Miles Walton Goodridge, Edward Allen Biddle, Jim Matt Wilson, Oscie Elmore Williamson, Albert Owen Rouse, Frank Edward Dinser, Thomas Virgil Hensley, Gilbert Cebers Maxwell, Elie Winfield Hawn, Harold Elijah Hodges, James Albert Stevens, Gaines Lee Aylor, Lawrence Wilbert Daugherty, James Omer Cleek, Herman Pershing Penick, James Wilmer Watts, and William Allen Powers.

The new Selective Service plan in brief follows:

The basic concept of this plan is to have one physical examination by an Army board, after which Class I men (except Class I-H) will be placed in one of the following classes by the local board: I-A, I-A-O, I-B, I-B-O, IV-E, IV-E-LS, or IV-F. The registrant who is placed in I-A or I-A-O will be assured that he will be acceptable for induction when called by the Army within a period of 60 days. Men classified IV-E will be called by the State Selective Service. All registrants thus classified may therefore proceed to put their personal affairs in order because they know that they are acceptable for military duty or work of national importance.

The appointment of examining physicians to local boards and Medical Advisory Boards may remain active. They may continue to function in an advisory capacity to the local boards and conduct screening examinations, and in an occasional case, such as transfer for examination, they may be required to make complete physical examinations.

Attention is called to the fact that the Army physical examination is final and is effective not to exceed sixty days following the date of examination. A second examination will be required at the reception center if not inducted during this period.

Registrants previously examined at local boards and classified I-A have no additional or new appeal status. They will be entitled to the ten days' notice prior to induction.

LLOYD SOCIETY TO MEET

The regular monthly all-day meeting of the Lloyd Memorial Society will be held at the Lloyd Home, Saturday, November 1. All members are urged to attend.

Three Selectees To Be Inducted Nov. 13th

The following Selectees will be inducted at Fort Thomas, for the Army, November 13, 1941, from Local Board No. 9, Boone County:

Freddie Ormond Highhouse, No. S-556, Florence, Ky.; Harold D. Deck, No. 705, Petersburg, Ky.; and Wilbur Lee Taylor No. 708, 1721 Russell Ave., Covington, Ky.

Transportation will be furnished to Ft. Thomas for these youth, who will report to the Draft Board, at 9:00 a. m. at Burlington Courthouse.

Record Sweet Potato On Display At Recorder Office

Mr. and Mrs. Jesse Delahunty, of Union, called at this office Monday morning, bringing with them what is believed to be the largest sweet potato to be grown in Boone County this year.

The specimen, now on display at this office, measured 14¼ inches long, 15½ inches in circumference and 6 inches in diameter. It weighed 6½ pounds when first dug. Some potato!

Many persons have reported sweet potatoes growing very large this year, but we believe this one holds the record. If anyone has one larger, you are urged to notify us and bring your specimen to our office for display.

New Haven Tigers To Open Basketball Season Saturday

New Haven's Tigers will pry the lid off Boone County's Basketball season Saturday night at the New Haven gym when they tangle with Coach Charles Allphin's Highland Bluebirds. Game time will be 8:00 E. S. T.

Not much is known of the strength of either team but it is generally believed that both teams will be much stronger than last season when the Tigers defeated the Ft. Thomas boys 30 to 28 in an early season tussle.

New Haven has six lettermen back from last season but has been hampered by ineligibilities on both first and second squads.

MAN INJURED IN WALTON CRASH

POSSIBLE NECK AND SKULL FRACTURES ARE SUFFERED BY CINCINNATIAN WHEN CAR HITS POLE.

Marion Gibson, 22 years old, 9 East Fourteenth Street, Cincinnati, suffered injuries Sunday night when his automobile hit a pole on U. S. Route 25 four miles north of Walton. Oakley Easton, operator of Stringtown Garage, took Gibson to St. Elizabeth Hospital, Covington, where attendants reported that he suffered a possible broken neck and a possible skull fracture.

COUNTY VOTE WILL BE LIGHT

IN REGULAR ELECTION TUESDAY—TOWN ELECTIONS WILL BRING OUT HEAVY VOTE, ACCORDING TO REPORTS.

The November election is expected to be very quite in Boone County this year, with a very light vote being cast. This is due to no Republican opposition in either county or state offices.

On the regular ballot voters will find two columns in which to vote, one containing the Democratic nominees and the other containing two Constitution amendments. Amendment No. 1 reads as follows: "Are you in favor of amending the Constitution of Kentucky so as to provide that the General Assembly may by general law distribute not to exceed ten per cent (10 per cent) of the school fund on other than a census pupil basis?" This amendment has created much interest and has the backing of many organizations.

Constitutional Amendment No. 2 reads as follows: "Are you in favor of amending the Constitution of Kentucky giving to the General Assembly the authority to prescribe by general law that counties so desiring may install voting machines to be used in any and all elections, provided said machines are installed at the expense of the county?" Little interest has been shown in this amendment, and it is doubtful that many citizens will vote either yes or no.

Florence town election is expected to bring out a fairly heavy vote, due to two tickets being filed for trustees. Walton, however, has only one group of candidates.

Mrs. Charles Maxwell

Mrs. Charles Maxwell, age 36, died at her home near Burlington Monday afternoon at 2:00 p. m. following a brief attack of flu.

Mrs. Maxwell (nee Bessie Baldwin) was educated in the Burlington High School and has resided here her entire life. She had been ill only a few days before her death, it was reported.

She leaves her husband, Charles, six children, four boys and two girls ranging in age from 9 months to 15 years, and a host of other relatives and friends who will mourn her passing.

Funeral services were conducted at the I. O. O. F. cemetery Wednesday afternoon at 2:00 p. m. with Rev. Noble Lucas in charge.

Chambers & Grubbs, Walton funeral directors were in charge of arrangements.

New Jewelry Store Opens In Erlanger

Saturday, November 1st, will mark the opening of Erlanger's newest business, the J. C. Hockett Co., Jewelers, located on Dixie Highway at Graves Avenue.

This store, under the management of George Fleming, will feature reliable quality at assured lowest prices. Their complete advertisement appears on another page of this issue.

WILL BE HEARD OVER WCPO

Mike and Rachel Acree

The many admirers of Mike and Rachel Acree, popular gospel singers and music leaders, will be glad to know that they can be heard over radio station WCPO, Cincinnati every Sunday morning from 7:30 to 8:00 a. m. on the Mt. Carmel Baptist Church program.

These young people have gained much popularity throughout this section, having recently assisted in revivals at Burlington and Elsmere Churches. At present they are choir directors at the Mt. Carmel Church.

Mrs. Anna Rogg

Requiem High Mass for Mrs. Anna Rogg, Dixie Highway, Erlanger, who died Wednesday at St. Elizabeth Hospital, Covington, after a short illness was sung at 9 a. m. Saturday at St. Paul Church, Florence, following prayers at 8:30 a. m. at the residence with burial in St. Mary cemetery.

Philip Taliaferro, Erlanger funeral director, was in charge of arrangements.

CONSTANCE MAN NAMED CHM'N.

OF TUBERCULOSIS CHRISTMAS SEAL SALE IN BOONE COUNTY —PLANS ARE BEING COMPLETED FOR ANNUAL SALE.

Announcement was made Monday by the Kentucky Tuberculosis Association that R. V. Lents, principal of the Constance School has been appointed chairman of the Tuberculosis Christmas Seal Sale in Boone County.

This is the 35th Christmas season in America that has brought forth a group of voluntary workers ready to cooperate with state and national tuberculosis associations for the purpose of raising funds in a nation wide campaign against tuberculosis. Mr. Lents is aided in this sale by all the schools in Boone County.

Boone County, like all other counties, has its tuberculosis problem, and at least once a year we should intensify our efforts to help solve the problem. This is the time to pile up more ammunition for the militant campaign against the disease.

Plans of the sale are now being completed by Mr. Lents, who will announce further detailed plans within the next few weeks.

Burlington M. E. Sunday School To Give Chicken Soup

Members of the Burlington Methodist Sunday School are invited to attend a chicken soup at the farm of D. H. Norris, Saturday afternoon. This event follows a contest between the various classes of the church, with the South having the largest number present over a period of several months.

Plans have been completed for this event, and those attending are assured of an afternoon of entertainment and refreshments.

SCHOOL LUNCHES WILL BE DISCUSSED OVER AIR

Boone County persons, particularly Homemakers, will find it profitable to listen in on Wednesday, November 5, WSM, Nashville 12:30 to 1:30 p. m. E. S. T. when the Washington State Extension Service will present "Children Like Their Lunches Hot," a discussion on School Lunches.

Mrs. Hubert Rouse, who has been convalescing since an operation several weeks ago is expected to return to her home today (Thursday).

CIVIC CLUBS FAVOR CHANGE

IN SCHOOL LAW IN- COMING ELECTION—SMALLER SCHOOLS WOULD BENEFIT FROM PROPOSED AMENDMENT.

The attention of all citizens is called to Constitutional Amendment No. 1, which will appear upon the ballot at the general election on November 4, 1941.

This amendment, if adopted, will permit the Legislature to appropriate funds in addition to the present school per capita to those school districts in the state where the educational services offered the children are below standard.

Constitutional Amendment No. 1 has been endorsed by the Kentucky Education Association, the State Board of Education, the State Federation of Women's Clubs, the Kentucky Congress of Parents and Teachers, the Kentucky Federation of Labor, the State Farm Bureau, and other civic organizations. It is non-partisan and non-political, and its only purpose is to make possible improved educational services throughout the state.

In the past Kentuckians have been slow to amend the State Constitution. This amendment, however, is one of the most constructive proposals that has been brought to the attention of the voters for many years. It is worthy of the support of all Kentuckians.

Grant 4-H Club Is First To Complete Projects

The Grant True Blue 4-H Club, under the leadership of J. F. Moore, last week became the first 4-H Club in Boone County to complete 100 percent of all project work for the year. For project work alone, the club has earned a total of 27,000 points.

Twenty-three boys and girls of this club have completed the following project work: They have raised 135 chickens; 63,810 square feet of garden; ¾ acre of tobacco and one dairy calf. Girls in the sewing project made a total of 18 articles which included dresses, tea towels, pajamas, slips, aprons and gowns; while girls in the canning project canned a total of 80 quarts of fruits or vegetables. Four girls completed food projects.

Other leaders who assisted with the above projects were Mrs. W. B. Rogers, Mrs. Hugh McArthur and W. G. Kite.

Miss Ruth Roode and Mrs. Marie Grupenhos, of Cincinnati, spent the week-end with Mr. and Mrs. Ernest Crutcher.

TRAINING SCHOOL HELD OCTOBER 24

BY LOCAL LEADERS REPRESENTING TEN BOONE COUNTY HOMEMAKER CLUBS—SPECIALIST IS HEARD.

"The Family Meal Hour" was the subject studied by local leaders representing ten Boone County Homemakers' Clubs at the training class held Friday, October 24, at the Burlington School. Mrs. Pearl J. Haak, Nutrition Specialist from the University of Kentucky, conducted the meeting. Reports on information given will be presented to the local groups at November meetings.

Time was taken at the opening of the meeting to discuss problems and questions which were brought in by the leaders. Interest in nutrition in health prompted the discussion. Food habits were mentioned and the angles from which they might be approached were listed. A delightfully nutritious meal was served at noon by leaders from Burlington and Bullittsville.

Table service and the pleasant features of the "family meal hour" formed the basis of the afternoon study period.

Those present were: Mrs. Carl Campbell, Mrs. A. B. Nichols, Hebron; Mrs. Williams, Mrs. Wm. Hill, Bullittsville; Mrs. Vernon Pope and Mrs. Roscoe Akin, Burlington; Mrs. Joe Berkshire, Florence; Mrs. Katherine Fagan, Mrs. Walter Pennington, New Haven; Mrs. Leo Flynn, Mrs. Ora Fry, Walton; Miss Gladys Klopp, Miss Edna Berkshire, Petersburg; Mrs. Raymond Beacom, Taylorsport; Mrs. Ethel Wilson, Rabbit Hash. Arrangements for the meeting were made by Mrs. Mary Scott Moore, acting Home Demonstration Agent.

Activities and Progress of Florence Is Outlined

The Town of Florence herewith reports its activities and progress during the past ten years.

An approved system of water mains was constructed in 1934-35 at a cost of $22,000.00. The Town received a PWA grant amounting to $6,000.00 and issued $16,000.00 four percent bonds to cover the balance of the cost. These bonds are payable $800.00 annually plus interest and all payments have been made as they came due. The unpaid balance on September 30, 1941 amounted to $10,000.00.

The water supply is furnished by the Kenton County Water Commission. The consumers service charge of $14.00 per year has been taken off and the price of water has been reduced from 40 cents to 35 cents per 100 cubic feet.

Through the efforts of the citizens and the town board, up to date fire fighting equipment has been provided. Approximately $5,000.00 of the cost was paid from the general revenues of the town, and the balance secured from private donations and funds acquired by members of the fire department. The splendid co-operation of The Florence Deposit Bank made it possible to secure these funds as required. The efficiency of the fire department has been responsible for a reduction in insurance rates from a base of 90 cents for frame buildings and 60 cents for brick buildings, to 24 cents for frame buildings and 18 cents for brick buildings. This is a saving of several thousand dollars annually to the taxpayers.

Electric rates have been substantially reduced, viz: The old sliding scale rate of 15 cents to 12 cents per kilowatt has been reduced to a sliding scale rate from 5½ cents to 2 cents, after the 1.00 minimum applying to the first 12 kilowatts.

All revenues of the town have been conserved to the best interests of the taxpayers. The fee paid to the tax collector was formerly 4 percent on all taxes and licenses. The bank, as treasurer is now handling these collections on the basis of 2 percent on taxes only.

The old Shelby Street suit was settled in 1938 at a saving to the town of approximately $1,000.00.

With State and County aid, the principal streets of the town have been reconditioned in a very satisfactory way, at a moderate cost to the town. The state is now constructing the extension of Highway 42 through the town, with curb and sidewalks, and has awarded a contract to blacktop the Dixie Highway to a width of 22 feet, through the town.

Numerous new subdivisions have been opened up, and approximately 60 new homes have been erected in the past two years.

It has been the policy of the town board to order original construction of new streets when requested by a majority of citizens living thereon, providing the abutting lots have sufficient value to bear their proportionate cost of the construction. Russell Avenue has recently been constructed at a cost to abutting property owners of .553 cents per foot.

The Federal Government has approved a grant to the town amounting to $181,119.00 for the construction of a sanitary sewer system. Necessary arrangements have been made for this construction and the work will start as soon as WPA labor is available.

Annual financial reports are on file and open for inspection at the Florence Deposit Bank and the office of the Town Clerk, Mrs. Mabel G. Sayre.

The progress of this town has been made possible through the splendid co-operation of its citizens working with the Town Board to make Florence a better town in which to live.

ARMISTICE DAY

November 11, 1918.

Victory at last . . . peace on earth again! A bloody struggle ended. The world saved from the armed ambition of the aggressor . . . a world safe for democracy.

Flags . . . cheers . . . street parades . . . soldiers marching home . . . a kiss for the weary doughboy. Peace again . . . PEACE!

The boys back home from foreign battlefields . . . back to family . . . to friends . . . to civilian employment . . . to church. Back to normalcy and the pursuit of happiness!

The wild delerium of that autumn afternoon was the exclamation point at the end of a chapter in world history A chapter that had recorded the first serious participation by the United States in discords of the Concert of Nations. It was a chapter that had told the story of American boys fighting—giving their lives, not alone for their own rights and liberty but for the freedom of all mankind. A glorious, but futile chapter!

November 11, 1941.

Standing in the gloom and despair of present reality and looking back upon the sunshine of that spontaneous demonstration of hope and confidence twenty-three years ago, one is apt to be overcome with a feeling of failure. The glorious sacrifice of American blood spilled to sanctify the Fields of Flanders has become a ghastly mockery.

To have torn aside then the veil that concealed the future would have turned that period of joy into a session of tears, but might have served to indicate a course around the pitfalls of greed, selfishness and intolerance, into which mankind again has falled to wallow in the mire of mass manslaughter.

Nor can America altogether escape some share of responsibility for the events that have come to pass. American money helped build the armed might of the Nazis. American scrap metal went into munitions of the Japanese, and American oil has helped propel their fighting craft. Justification can be maintained for American indifference to the affairs of other nations but in the face of mounting defense costs in cold cash and possibly human life and suffering it must be condemned certainly as short-sighted economy.

To propose now a consideration of what America might have done to help the world avoid this present war, however, would be a little tardy. But as we observe again the anniversary of the Armistice with more sober celebration, let America take pause to consider the future as well as the present. We are no longer a child among nations. Our age of adolescence is passed. Happy as that period may have been, it is gone forever. We can afford no longer to look upon the lethal tools of international intreague and play things.

Will America fight again? America already is fighting. We are fighting with the implements of war turned out in our factories and shipped to the battlefields of Europe . . . our tanks . . . our guns . . . our planes. We are fighting with the lease-lend supplies of vital foodstuffs flowing in a constant stream to civilians and fighting men of friendly nations. We are fighting with the billions of dollars in war costs that must come out of the pockets of our taxpayers . . . your pocket and my pocket. And we are fighting with the hot lead that leaps from a smoking piece. Even as I write this there lies on my desk a copy of the afternoon newspaper screaming from headlines that one of our destroyers has been struck by a torpedo. Gradually we are being engulfed in the whirlpool of new world conflict. By the time this reaches Legionnaires throughout the state there may have been other "incidents."

The American Legion is pledged by resolution adopted in national convention at Milwaukee, to the defeat of Hitler and what he stands for as our present national objective. In the prosecution of that program let us provide the leadership that will bring America to look beyond the end of our nose! What good the victory today if there is no plan for tomorrow?

The peace of 1919 was never ratified by the United States. Even as we gave our men and our money we lost our voice! That must not happen again. In the words of President Wilson, written to the late Sid Houston, one of the organizers of the American Legion:

"It is our privilege not only to indulge in high and solemn pride and grief for the heroes of that great struggle but also to re-dedicate ourselves to the achievement of the great objects for which the war was fought. We shall not be happy; we shall not be able to enjoy the full pride of the day's recollections until we have made sure that the duties that grew out of the war have been fulfilled to the utmost. Are we sure? If we are not shall we not soon take steps to do whatever has been omitted?"

Whatever has been omitted! That is our job today. That is the task we are called upon to dedicate ourselves and our best efforts to as we pause on November 11 of this year to honor the memory of the comrades who cannot share it with us.

—The Kentucky Legionnaire.

SIN AND ITS CONSEQUENCES

LESSON TEXT—Galatians 6:7, 8; I John 1:5-2:6.

GOLDEN TEXT—*If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness.*—I John 1:9.

Sin is an appalling reality, hideous and horrible in itself, and bearing with it the gravest consequences both in this life and in the life to come. Man does not find it pleasant to face that fact, and so he makes light of sin and even may go so far as to deny its existence. Obviously such an expedient does nothing to solve the difficulty or to meet the gnawing distress of a heart facing and fearing the judgment of God.

Far better to meet the reality of it, admit its awfulness, and seek God's way of full deliverance. Sin, which came into the world when man listened to Satan and disobeyed God in the Garden of Eden, has gone on to mar and to mark all mankind. We note that

I. Sin Brings Corruption (Gal. 6: 7, 8).

Seedtime is followed by harvest. This is the law of nature, the law of God. The farmer who sowed wheat in the spring looked for wheat when the harvest time came. The same principle holds in the spiritual realm. Just as the one who sows to the Spirit reaps eternal life, the one who sows to the flesh reaps corruption, and death.

A life of self-indulgence (which is sowing to the flesh) brings moral decay. The weakened will yields to desire, and it "bringeth forth sin: and sin, when it is finished, bringeth forth death" (James 1:14, 15). This death is spiritual, bringing separation from God, a loss of fellowship and communion with Him. Spiritual death as well as physical death came upon mankind through Adam's sin.

II. Sin Loves Darkness (I John 1:5-7).

There is not a bit of darkness in God. He is light. When Jesus came into the world, He came as the Light of the World. But "men loved darkness rather than light, because their deeds were evil. For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reproved" (John 3:17-21).

The corollary of that truth is that a man who says he has fellowship with God, but continues to walk in darkness, brands himself a liar (v. 6). Compare Revelation 21:27-28 for what God thinks of liars.

The light still shines, and the one who is walking in darkness has only to step over into the light (v. 7) where he will find fellowship with all God's people and know the cleansing of the blood of the Son of God.

III. Sin Is an Undeniable Fact (1 John 1:8-10).

It seems impossible that a man who knows himself and knows the life he lives would ever deny sin, for it is one of the most evident of all facts. Yet men have denied it, or sought to explain it away, calling it error, or a "fall upward," or a step in man's development, or the evidence of man's self-consciousness and desire to learn.

There is no hope for a man as long as he assumes such an attitude, for he not only lies himself, but he makes God a liar. He denies the truth of God's Word about sin, makes meaningless or wicked God's dealings with sin, and reveals that God's Word is not in him. Those who make such statements declare that they do not belong to God and do not accept His Word. It is evident that they ought never to be permitted to teach such things in the church, or in the name of Christianity.

IV. Sin Calls for a Saviour (I John 2:1-6).

Christ the propitiation, the mercy-seat covering for our sins, is the only Saviour. He paid the price, and made it possible for God to be just and at the same time a justifier of the ungodly. The sinner needs such a Saviour.

Sin in the life of the believer also calls for a Saviour, one who will cleanse us (1:9) and who will in His own blessed name plead our cause "if we sin." He is our Advocate (2:1) pleading His righteousness in our behalf when we do fall.

This does not mean that we may then become indifferent or careless about sin. If we say we know Him and do not keep His commandments, we lie about our professed relationship to Him. The mark of a true child is a spirit of obedience.

God's children prove their love to Him by keeping His commandments. Talking about our devotion to Him, giving our service for Him, or sacrificing for His cause mean nothing if we do not obey Him. We only pile evidence upon evidence of our untruthfulness by making claims and doing things which are negated by our disobedi-

What Do You Know About Beer? . . . No. 2 of a Series

HOW MANY JOBS IN KENTUCKY'S BEER INDUSTRY?

A.: More than 15,000 people hold jobs in this state's legal beer industry!

Q.: *What does that amount to in dollars and cents?*

A.: $10,000,000 *every* year.

Q.: *What does this mean to Kentucky's workers?*

A.: Steady jobs, good pay, food and clothing, comfort and security—for about 50,000 Kentuckians.

Q.: *What is the beer industry doing to protect these benefits?*

A.: This committee cooperates with law enforcement officials to keep retail beer outlets wholesome. We do not and will not tolerate law violations by a few undesirable beer retailers.

Q.: *Is this program getting results?*

A.: Here they are for the past two years:
23 retail licenses revoked
7 beer licenses suspended
2 places padlocked forever
2 license applications refused

This record of action resulted from our recommendations to law enforcement officers.

YOU CAN HELP by buying your beer in law-abiding, orderly places, and by boycotting beer dealers who break the law.

The Blood Stream

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
Where Foot Comfort Begins
9th and Madison Covington

The blood stream has several important functions. For instance it feeds the tissues from the products of digestion; it carries away waste matter and it aids in equalizing the temperature and the water content of the body.

Blood is not just plain fluid, but has two parts. A yellowish fluid called PLASMA, in which float solid particles called corpuscles. Then there are three kinds of corpuscles; red corpuscles; white corpuscles, and blood platelets. The red corpuscles are the oxygen carriers of the body. The white corpuscles are the protectors of the body and multiply at a great rate of speed. In other words, the white corpuscles enable the body to resist infections and throw off contagious disease.

Friends, now that we understand how important a part our blood stream plays in the health of our entire body, it is easy to see that we should be careful not to choke or cramp this blood stream in any way.

When you cramp blood vessels and shut off blood supply to any part of the foot, every school physiology book tells us that you not only deprive it of the food it should have to keep healthy, but the slower blood stream cannot clear away waste matter as it should. We find chemical deposits form at the joints of the feet and the legs and then inflamation develops leading to pain and discomfort that makes you miserable all over. These symptoms are often mistaken for arthritis, rheumatism or some other ailment: Backaches, headaches and many body ills may be traced to the feet.—Adv.

GRANT 4-H NEWS

Our meeting was held Oct. 9 at the school house. All members were present, excepting ones who went to Burlington.

Sixteen record books were turned in, and all members are planning to turn their books in. We have twenty-three enrolled.

The following officers were elected: President, David D. Clore; vice president, Eugene K. Purdy; secretary, Emma Brady; cheer leader, Mary E. McArthur.

Mr. Frazier gave a talk on "National Defense." We elected three members to serve on the National Defense program. They are Betty Pendry, Wilbur Ryle and Emma Brady. Their job is to keep account of persons who buy Savings Bonds and Stamps.

Mrs. Moore taught us some songs for our 4-H meetings. We were sorry to hear that Mr. Drake will not be with us, but we know Mr. Frazier will be as much assistance as Mr. Drake.

We were sorry that Miss Gillaspie could not be with us.

Mr. Frazier taught us a game called Black Magic.

We were dismissed with our 4-H pledge.

Let's all buy Savings Bonds and Stamps with some of our spending money.—Grant 4-H Club Members.

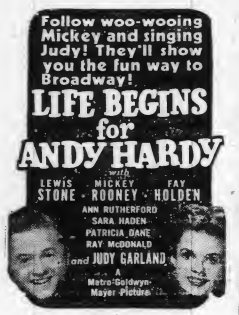
ENGINEER KILLED AT CYNTHIANA

THURSDAY WHEN HE LEAPED FROM HIS CAB AFTER SETTING EMERGENCY BRAKES TO SPARE STALLED CAR.

George J. Rekers, 3903 Gilbert Avenue, Covington, Louisville & Nashville Railroad engineer, was killed early Thursday near Cynthiana, Ky., when he leaped from his locomotive cab after setting the emergency brakes on the train to avoid crashing into an automobile stalled on the tracks.

Although the 110-car freight train, bound for Cincinnati from Corbin, Ky., stopped before reaching the crossing, the driver of the automobile had succeeded in driving off the tracks before the train would have reached the spot.

When Rekers set the brakes he told the fireman, J. S. Godman, Covington, to jump. Godman landed safely on the ground, but Rekers hit an obstruction along the track and was thrown beneath the train's wheels. His right leg was severed. He died shortly after being admitted to Harrison Memorial Hospital, Cynthiana. Coroner David R. Rees, Harrison County, said death was caused by shock and loss of blood.



Rekers, who was 58 years old, had been employed by the railroad for 37 years, of which 31 years were as an engineer. He was a member of the Brotherhood of Locomotive Firemen and Enginemen.

His widow, Mrs. Laura Rekers; two sons Earl and Gilbert Rekers; a daughter, Mrs. Lorraine Siekman; four brothers, Joseph, Albert, and William Rekers, all of Covington, and Edward Rekers, Hamilton, O.; two sisters, Mrs. Maggie England and Mrs. Anna Rusk, both of Kenton County, and four granddaughters survive him.

Services were conducted at 1:30 Saturday at the residence, with Rev. John E. Huss, pastor of Latonia Baptist Church, officiating. Burial will be in Hebron cemetery, Hebron, Ky.

SCOUT MEETING HELD MONDAY

AT FLORENCE—REPORTS FROM VARIOUS COMMITTEES ARE HEARD—ANNUAL MEETING TO BE HELD DECEMBER 1ST.

A meeting of the Gunpowder District Boy Scout Committee was held Monday night of last week at the home of Ralph Stith, Florence, Ky. Those present were Messrs Ben Tanner, Bob Clore, Kirtley Cropper, Wilson Fullerton, Ralph Stith, Bob Robinson, Courtney Kelly, Walter Ferguson, E. M. Poston, and Bill Potter, Assistant Scout Executive.

The meeting was called to order by Chairman Ben Tanner. Financial reports were received from the communities of Union, Burlington and Florence.

The following committees were appointed: Nominating committee for the election of new officers for 1942 consists of Bob Clore, chairman, and Kirtley Cropper; program committee for the District Annual meeting, Wilson Fullerton, chairman and Bob Robinson.

The District Annual meeting will be held Monday, December 1st at the Florence School. Some of the features of the meeting as planned, are to be the showing of the Boy Scout Technicolor sound movie "The Trail To Citizenship." A Court of Honor for awarding recognition for advancement for the Scouts of Boone County will be held and the Gunpowder District Flag will be awarded on the basis of advancement and recruiting.

A special feature developed by Wilson Fullerton, District Commissioner will be the Attendance Award for Scouts, parents and friends present at the annual meeting the most scouts, parents and friends present at the anual meeting on a membership percentage basis will receive the Attendance Award.

The Attendance Award will be the rehabilitated skull of "Babe" —Paul Bunyan's Blue Ox. According to rumors this interesting specimen was discovered in the neighborhood of the new Scout Camp and apparently left there when Paul Bunyan made his way into the North Woods.

Local 4-H Clubs Will Observe Achievement Day, November 1st

Many 4-H club members in all parts of the U. S. A. will assemble on Saturday, November 1 to participate in the National Achievement Day program. Boone County Clubs will hold achievement exercises on their regular local meeting dates during the month. However the members are urged to form groups to "listen in" on the radio broadcast from Washington, Chicago and Lexington, Saturday from 12:30 to 1:30 E. S. T. The program has been arranged so that it may be picked up over WSM Nashville from 12:30 to 12:45 then from WHAS Louisville 12:45 to 1:15 and from WSM again from 1:15 to 1:30. This is because the Allies Programs are carried from a local station.

Since all radio sets will not pick up W. S. M. readily, it would be well for groups to meet where there is a set over which the program may be heard.

If every editor, politician and public speaker limited remarks to the truth, as established, there would be much less written and spoken.

Florence Town Ballot Explained

There has been several inquires recently regarding proper procedure of voting in town elections in order that your ballot will not be thrown out when the votes are counted. An explanation of the ballot follows, which applies to any town election:

The official ballot for Florence will be found on page 7 of this issue and can be referred to if necessary. The method of voting is the same as in any other general election. If you desire to vote for all candidates under one ticket, you merely place your mark in the circle over the ticket of your choice. This will cast your vote for all candidates on this ticket. If you desire to vote for several from each ticket, a total of not more than five for trustee, and one each for Police Judge and Town Marshal, place your mark opposite the names of your choice, but do not mark in either of the circles at the top of the ticket. In this you can vote for any five men in the race of Trustee, and for either candidate for Police Judge.

If you follow the above instructions which are true in any general election, you will not lose your vote.

KENTUCKY TOPS LIST

Reporting enlistment of 259 future officer-pilots, the Fifth Corps Area rose to fourth place among the nation's nine Corps Areas in Army Aviation Cadet procurement for September. It ranked fifth in August.

Corps Headquarters at Columbus, O., announced today that among the Area's four states, Kentucky boasted the best population percentage record. It supplied 79 cadets or 30 per cent although having only 19 per cent of the area's population.

Ohio, with 45 per cent of the population, furnished 136 cadets or 53 percent, to lead in procurement. Indiana reported 37 enlistments and West Virginia, 7.

The September report failed to include 585 physically qualified applicants who took the August education examination. The Fourth Corps Area (the Carolina's, Georgia, Florida, Alabama, Tennessee, Mississippi, and Louisiana) led with 496.

NYA TRAINING IS HELPFUL

IN PLACING YOUTHS IN GOOD POSITIONS IN PRIVATE INDUSTRY—STARTING PAY IS ALSO HIGHER.

During the past three months 1,133 youth employed on National Youth Administration work projects have obtained jobs in private industry, according to Robert K. Salyers, State Youth Administrator. This figure, he pointed out, is based on NYA release documents and includes only those youth who told their supervisors where they found employment. During the same period an additional 2,000 left NYA without stating whether they had found permanent work. It is safe to assume, Mr. Salyers said, that many of these youth also found private employment. Mr. Salyers also reported that since January of this year, 292 young men have left NYA for military service. About half of them volunteered.

Of those who are known to have obtained jobs in industry approximately 100 are employed as skilled or semi-skilled workers in eastern defense plants. Their starting pay ranges up to 77c an hour. These youth were transferred from Kentucky NYA projects to NYA projects in Hartford, Connecticut, and Verona, New Jersey, where the State Employment Services placed them in jobs. Before being transferred they worked in NYA defense shops, gaining experience in machine shop, welding, sheet metal or radio.

Of the 443 girls who obtained jobs during the past three months, nearly half are working as power sewing machine operators in plants making clothing for the army.

At present, the National Youth Administration in Kentucky is providing work experience for nearly 8,000 unemployed, out-of-school young men and women between the ages of 17 and 24. Approximately 18,000 other eligible youth have applied for NYA work experience. They will be assigned to work as youth now on the program get jobs or leave NYA for other reasons.

This large waiting list in the face of present employment conditions is due, Mr. Salyers pointed out, to the fact that the vast majority of employment opportunities today are in urban areas while Kentucky is mainly rural.

HOMEMAKERS RECEIVE FLOWER BULBS FOR EXTERIOR BEAUTIFICATION

Within the past two weeks Boone County Homemakers have received flower bulbs for use in their Exterior Beautification project. The combined for 2168 bulbs, including Narcissus, Jonquils, Tulips, Hyacinths, Crocus and Iris was shipped from Washington State.

Instructions for setting these bulbs were distributed by the Home Demonstration Agent. This new supply will assure an even more gorgeous display of flowers for the Annual Homemakers' Flower Show to be held next spring, according to Mrs. Garnett Tolin, Chairman of Landscaping Committee, and Mrs. Mary Scott Moore, Acting Home Demonstration Agent.

ARMY STRENGTH IS UP TO MILLION AND A HALF

The estimated strength of the United States on September 18, 1941 was 110,810 officers and 1,487,000 enlisted men—a total of 1,597,810.

Selective Service Trainees accounted for 710,000 of the Army's strength.

NEW STORE WILL BE OPENED TODAY

BY DAN COHEN SHOE COMPANY AT OLD LOCATION—BUILDING IS REMODELED THROUGHOUT.

The Dan Cohen Shoe Company, 24-26 Pike Street, Covington, celebrates their 50th Anniversary in opening a brand new store at their same old location, today.

The Dan Cohen Shoe Company, founded in 1891, has taken care of the shoe needs from their Pike Street store, for Northern Kentuckians for the last three generations, supplying them footwear for their entire families.

Today, (Thursday), they are proud and anxious for everyone to see their new, complete and extensively remodeled shoe store. Rebuilt from front to back, from floor to ceiling, this store surpasses any modern family shoe store in this section of the country.

Modern in every detail, the Dan Cohen Shoe Store has new, giant, windows and lighting system for convenience and shopping comfort of their trade.

This store also features one of the largest shoe displays in the middlewest, elaborately trimmed and with unusual lighting effects.

Dan Cohen Store has originated the department store idea of having on display, shoes representing every style in the store, so customers will, at a glance, see the entire stock of merchandise.

Floor space has been enlarged in order to give customers more room. Special features of the new Dan Cohen Shoe Store are the new hosiery bar, Dan Cohen's Kiddie Corner, which will contain 48 newly built, handsomely colored and decorated seats for the entertainment of the kiddies, and a new first floor shoe repair department.

A new department in the front of the store will feature handbags.

This store is decorated in red, white and blue buntings. In honor of the founders of this 50-year-old organization, they have placed life-size photographs of Nathan Cohen, Mose Cohen and A. E. Cohen in their new store.

Doors will be opened today to the public in a gala opening. Everyone is invited to see this greater Dan Cohen Shoe Store and to participate in greater values and savings.

Free souvenirs will be given to all children accompanied by parents during their opening.

"Harvests For Tommorrow" Will Be Added Feature At New James Theatre

A short film entitled, "Harvests For Tomorrow" will be shown in connection with the regular show at the James Theatre at Walton, on Tuesday, November 4, 1941, according to John E. Crigler, Secretary. "Harvests For Tomorrow" is a film that was developed for the AAA and shows a section of the New England States, its people, its ways of life and what its people are doing for soil conservation and National Defense. This film also shows the great dairy region of the Northeast. It is taken of real farms and shows the village people in their familiar surroundings and in their own homes and on their own farms.

The AAA invites everyone to see this film, especially the farmers as they should be interested in a play of this kind.

Agricultural Defense Committee Meets Wed

The Boone County Agricultural Defense Committee will meet at the County Office in Burlington, Wednesday morning, according to H. R. Forkner, County Agent. Plans will be made for making effective the increased eggs, milk and pork production program for 1942 and to discuss plans for the farm to farm survey to be made by the Agricultural Conservation Program Committeemen. The A. C. P. committeemen will meet in the afternoon to discuss the farm visit plan.

The Secretary of Agriculture and the Department of Agriculture have set up goals calling for specific increases in production of four major commodities in the county next year.

They are (1) 15 percent increase in milk production or 471,000 gallons; (2) 16 percent increase in eggs or 81,000 dozen; (3) 17 percent increase in spring farrowing of hoge; (4) a 5 percent increase in the number of beef cattle to be marketed. A strong home food production, better "Live at Home" food program is recommended.

CAREY DOUBLE-REINFORCED CORK-INSULATED SHINGLES

Extra layers of mineral and waterproof asphalt on all exposed surfaces.

THE SUPER SHINGLE ...AND WHAT A ROOF IT MAKES!

WHAT a shingle! What a beauty! To the exclusive advantages of the famous Carey Cork-Insulated Shingle, it adds the *Extra* value of double-reinforcing of all exposed surfaces. Greatly increases insulating efficiency. Insures extra years of low-cost roof service. The extra thick butts give an extremely beautiful shadow effect. Come in—see this super shingle in the popular new roof colors.

RABBIT HASH HOMEMAKERS

The October meeting of the Rabbit Hash Homemakers' Club was held at the cream station Tuesday, Oct. 15th. Those present at the meeting were Mrs. Opal Kelly, Mrs. Minnette Stephens, Mrs. Mary Wilson, Mrs. Adah Wilson, Mrs. Fay Stephens, Mrs. Ethel Wilson, Mrs. Martin Williamson and Mrs. Mary Scott Moore. As our club did not have a September meeting we had our first lesson in meal planning which we enjoyed very much. We also elected our new officers for the coming year which are: President, Mrs. Fay Stephens; secretary and treasurer, Mrs. Ethel Wilson; project leaders, Mrs. Opal Kelly and Mrs. Ethel Wilson; clothing leaders, Mrs. Martin Williamson and Mrs. Fay Stephens. We were very glad to have Mrs. Martin Williamson join our club.

Next meeting will be second Tuesday in November at the home of Mrs. Vernon Stephens.

FLORENCE HOMEMAKERS

The Florence Homemakers wish to heartily thank all their friends who came to their party on Oct. 21st and made is such a grand success that the hospital bed is an assured fact and will soon be in our community. Several donations of money were received from those who could not attend, among them being the Coppin Co., of Covington, Mrs. Sara Huey, Mrs. Mary Fulton, Mrs. Geo. Kobman and Mrs. Roy Lutes.

Meeting of October 17th

Judging from the number present the new project, "Meal Planning" is going to be popular, for there were 28 members at the meeting. A delicious luncheon was served at a cost of 11 cents each. Our leaders made the lesson most interesting and the various committees gave good reports.

Gayety Theater News

SATURDAY

The screen play for "Tight Shoes" based on Damon Runyon's original story, was co-authored by Leonard Spigelgass and Art Arthur.

Crawford is featured in the picture with John Howard Binnie.

• • •

SUNDAY AND MONDAY

When Lionel Barrymore learned that Dolph Zimmer, assistant director on the Kildare pictures, the latest of which, "Dr. Kildare's Wedding Day," collected policeman's badges, he brought him several that had been given him in various towns. Zimmer's collection now totals 109, all carefully mounted on felted boards and all representing various cities in which Zimmer has worked for Metro-Goldwyn-Mayer locations.

TUESDAY

Over two decades of comedy, from custard-pie days to modern ten-reelers, is the background of Edward Cline, director of "Hello Sucker," hilarious Universal fun-film starring Hugh Herbert and will be shown at the Gayety Tuesday.

• • •

WED., THURS., AND FRIDAY

Sonja Henie romances with John Payne and brings breath-taking new skate and ski surprises to the screen—to the irresistible rhythms of Glenn Miller and his orchestra. It happens in the new 20th Century-Fox musical hit, "Sun Valley Serenade," which will be shown at the Gayety next Wednesday, Thursday and Friday.

HOME ECONOMIC NOTES

The Home Economics Club held a special meeting October 24th and elected delegates to attend the State Conference at Louisville, Oct. 31st. They are; Betty Williams, Jean Poston, Margie Lewis and Virginia Regenbogen. Evelyn Conrad will accompany them.

We held our regular meeting October 27th. Minutes were read and approved. We had reports from all committees. Motion was made and accepted the following as our motto: "A thing of beauty a joy forever—our home." The club sang and played some games.

Emma Cook, Reporter.

Formaldehyde dust is recommended to purify the soil for planting. The chemical and inert carrier are mixed with the soil to insure the destruction of disease-producing fungi.

The old custom of giving the boy friend a lock of hair is no good today, for they wouldn't know where to carry it.

CARD OF THANKS

I wish to express my sincere appreciation to the many relatives and friends for their kindness during the illness and death of my husband

R. G. Kinman

Especially do I wish to thank Revs. Demoisey, Johnson and Bedinger for their consoling words; Tharp & Stith, for the efficient manner in which they conducted the funeral arrangements; the men's choir of Florence Baptist church for their beautiful songs, and the donors of the many beautiful floral pieces.

Your many kindnesses will never be forgotten.

DOES YOUR JOB OFFER THESE 8 OPPORTUNITIES?

You can get them ALL in the U. S. NAVY!

		YOUR JOB	NAVY
1	**TRAINING WORTH $1500.** The U. S. Navy offers you technical training in nearly 50 trades and vocations, worth at least $1500. You can become an expert in radio, aviation, electricity, Diesel engines and many other well-paid trades at absolutely no cost. The Navy gives you good pay (and keep) while you learn.		✓
2	**STEADY PAY GUARANTEED.** No layoffs . . . no seasonal slumps . . . no pay cuts. The Navy guarantees you a generous pay envelope twice every month in the year. **Regular Pay Increases.** You can be sure of steady pay increases up to $126 a month, if you can qualify . . . with many opportunities for additional allowances and promotions as you go along. Your income can increase seven times during your first enlistment.		✓
3	**ALL LIVING EXPENSES PAID.** In your present job you must use your income to pay for food, rent, education, travel, entertainment, and savings for the future. ALL THESE THINGS ARE FREE TO NAVY MEN. Your pay is your own to use in any way you please.		✓
4	**FREE MEDICAL AND DENTAL CARE.** Unexpected sickness, expensive doctors' and dentists' bills can take a big slice of your civilian income. But not in the Navy! This is one worry you can avoid, one emergency you never have to save for. Navy men get the best of medical and dental care absolutely free.		✓
5	**RETIREMENT INCOMES.** In the Navy you'll never have to worry about your future. If you stay in the Navy, you'll never have to skimp and save for your old age. When you become eligible for retirement (sometimes as early as age 37), the Navy guarantees you a monthly income for life.		✓
6	**CHANCE TO REACH THE TOP.** By enlisting now many may have the opportunity to attend the U. S. Naval Academy at Annapolis . . . or the opportunity to become a Commissioned Officer in the Naval Reserve . . . or the opportunity to become a Naval Aviator. **Chance to Serve Your Country.** No other calling gives a red-blooded young American so great a chance to serve his country. No other career offers so great an opportunity.		✓
7	**FUN AND RECREATION.** Where else can you lead the healthy life that the Navy offers you? Ashore or afloat, you get year-round boxing, swimming, baseball, football, and other sports. You associate with the finest group of men in the world. And you enjoy entertainment of all kinds *plus the latest movies.*		✓
8	**TRAVEL AND ADVENTURE.** Navy maneuvers take U. S. ships all over the world—Alaska, Hawaii, the Philippines, North and South America. You get regular shore leaves in exciting foreign ports.		✓

Earn good Navy pay while you train for any one of these 45 jobs:

THE BOONE COUNTY RECORDER

ESTABLISHED 1875

VOLUME 66 | BURLINGTON, KENTUCKY THURSDAY, NOVEMBER 6, 1941 | NUMBER 23

LIGHT VOTE POLLED HERE

J. T. "JAKE" WILLIAMS LEADS TICKET WITH 857 VOTES—PEOPLES TICKET ELECTED IN FLORENCE TOWN ELECTION.

Voters throughout Boone County showed little interest in the general election held Tuesday of this week, the total vote in all 17 precincts reaching only 948.

J. T. "Jake" Williams led the ticket in the unopposed Democratic party with 857 votes and Dewey Benson second with 855 votes. Other candidates without opposition ranged from a low of 814 votes to 857.

In the Florence town election, the entire Peoples' Ticket was elected, with Harvey Baker leading the ticket with 197 votes in the race for Police Judge. Other candidates on the Peoples' Ticket received the following votes: Yealey 186, Beall 151, Coyle 159, Eades 156, Becker 160 and Lee Shears 185. On the citizens' Ticket Al Hue lead with 108 votes, Rouse 73, Stith 111, Kleemeier 76, Sullivan 74 and Groves 50 for Police Judge.

Constitutional Amendment No. 1, which pertained to the school fund was carried here by a 2-vote margin, there being 260 for and 258 votes against.

Constitutional Amendment No. 2, which pertained to the installation of voting machines for the county was defeated by a 60-vote margin, there being 197 for and 257 against.

The town election in Walton consisted of only one party without opposition, and slight interest was manifest in that race.

As a whole, election day in Boone County passed very quietly and with one of the smallest votes polled in many years.

Boone Post No. 4 To Participate In Armistice Exercises

Armistice Day services will be held Sunday, November 9th at 11 o'clock E. S. T. at Hopeful Lutheran Church in which Boone Post No. 4, American Legion will take part. All members are urged to be present at these services.

This exercise has been held at Hopeful for the past four years, and has been well attended.

Pvt. George Louden, who is stationed at Camp Shelby, Miss., is home this week, visiting his parents and friends, here.

HOOP SEASON OPENED SAT.

NEW HAVEN TIGERS DEFEATED IN FIRST GAME OF SEASON BY HIGHLAND BLUEBIRDS BY SCORE OF 24-23.

The New Haven Tigers opened the county basketball season Saturday night at the New Haven gym when they met the Highland Bluebirds. When the bell ended the fourth quarter see-saw, the New Haven five was on the lower end of a 24-23 score.

New Haven's Tigers led the visitors at the half 12-8. Highlands took the offensive in the third quarter, forging ahead 17-15, and during the last period the lead swung from one team to the other, throughout.

Judge was high point man of the game chalking up 14 points for New Haven, while Zint topped the visitors with 12 points.

In the preliminary game New Haven's reserves triumphed 20-11.

The Tigers will be hosts to the Hebron Cardinals November 14th.

The Burlington Eagles' first game will be with New Haven Wednesday, Nov. 5th with game time at 7:30 E. S. T. Six lettermen are back from last year's squad, as the team is being rounded into condition for the game. Burlington will entertain Highland Friday night.

The first hardwood performance for the Hebron Cardinals will occur Friday night at the Hebron gym when the Cardinals tangle with Cold Springs. The game will start at 8:00 E. S. T. Hebron is expected to have a fast, evenly-balanced team this year.

The Walton-Verona team, which did not lose a single player through graduation, will have its first scheduled contest November 19th at Dry Ridge.

Hallowe'en Is Time For Fun, Not Writing Of Obscene Words

Hallowe'en night is always looked forward to by youngsters in this community, as a night to go out and have a good time playing pranks on others and having a good time in general.

However, it is very regrettable that some of our young boys cannot have a good time on this night without resorting to writing of obscene and insulting words on windows of public buildings and fences. This sort of thing does not reflect favorably on any young man's character and everyone will, sooner or later, know who commits these undersirable acts.

Boone County 4-H Clubs Will Hold Fair Grounds Meetings

Boone County 4-H Clubs are holding a series of community meetings to discuss the purchase of a permanent fair grounds, according to H. R. Forkner, County Agent.

The schedule of the meetings is as follows:

New Haven School—Monday, November 10, 8:00 p. m. (E. S. T.)

Special slides and pictures of 4-H and Utopia Club work will be shown. Special numbers will be supplied by the local 4-H clubs and guest speakers will discuss the plans for a permanent fair and picnic grounds.

FFA TO HOLD FALL FESTIVAL

AT HEBRON SCHOOL, NOVEMBER 27—PREMIUM LIST WILL INCLUDE MANY FARM PRODUCTS.

Heb on Future Farmers will hold their annual fall festival Thursday evening, November 27th, at the Hebron School, it was announced this week.

This is the third year for their annual festival and community get-together. This year they plan to have the biggest and best festival yet. The Home Economic Department will serve a splendid supper.

The premium list will include corn, tobacco, apples, pumpkins, turnips, potatoes, pies and probably several new exhibits. The full list will be published at an early date. This festival is open to the entire county and is not limited to school students or patrons of Hebron.

Now is the time to begin planning to attend this gala event and enjoy an evening of fun and keen competition.

At a recent meeting the various committees were appointed by the present. These committees are now planning for this highlight of the year.

Florence School Will Sponsor "Jitney Party"

The Florence P.-T. A. will sponsor a "Jitney Party" and entertainment at the schoolhouse tonight (Thursday, Nov. 6) for both young and old persons who desire to attend.

The menu will consist of homemade ice cream, cake, pie alamode, and a 5 cent supper. Other attractions will be the "Mystery Tree," a candy booth and a program by the children in the auditorium.

Everyone is invited to come, eat your supper at the school and enjoy an evening of entertainment.

GYM CLASS PLAN HIKE

The ladies' gym class will meet Thursday, Nov. 13 at 5:00 p. m. at the courthouse for a hike, followed by an oyster supper at the school. All interested, call Katherine Cropper or Mae Benson not later than Wednesday, November 12th.

Pvt. Richard M. Switzer, of Ft. Leonard Wood, Mo., formerly, of Louisville, and sister, Miss Clara Switzer, of Jeffersontown, Ky., and friend Miss Mildred Wilkins, also of Jefferstown, are spending a few days with his sister, Mrs. Sarah Dixon, of Burlington, Ky.

To Appear in "Call of Youth" on Nov. 8

The cast for the play, "The Call of Youth," to be presented Nov. 8 at the New Haven School by the P.-T. A. is grouped on the stage. From left to right, top row, are: Joe Ryan, Edith Hedges, Ivan Clements, Shirley Ferguson, Viola Friend, J. Russell Cross; seated, Francis Tagert, Doretta Rouse, Marie Geschwind, Patsy Slayback, Elmer Noe, Elizabeth Cox, Mrs. John Masters, director, and seated on the floor, J. O. Griffith.

BEAUTIFICATION OF COUNTY ROADS

IS PLANNED BY HOMEMAKERS—J. LYTER DONALDSON WILL COOPERATE IN PROJECT FOR COUNTY.

Boone County persons who appreciate Civic beauty will be glad to know that the State Highway Department, through the interest of Mr. Lyter Donaldson, Commissioner, will guide and assist Boone County Homemakers and other interested citizens in a roadside beautification project.

Friday afternoon, October 31, the County Homemakers' Committee on Landscaping met with Mr. William Schlosser, State Highway Landscape Architect of the 5th District, to plan procedure for carrying on the project. A "model" planting will be placed on two stretches of the Burlington-Florence road. Defenite locations will be announced later. Trees and shrubs will be provided through generous donations from Homemakers throughout the county. Mr. Schlosser will plan and direct this work. It is hoped that every landowner will cooperate with the program and if native shrubs or trees are available, will contribute such to the plantings, clear fence rows or in other ways help to carry out the plan.

After the county "model" planting is completed the same guidance will be given to local groups in planting their community "models." These models will exemplify principles in selection of trees, shrubs, vines, flowers; where and why of following certain rules in planting and locating plants on banks, grades, narrow road margins, curves, drainage sheds or other situations. If you are interested in seeing all Boone County roadsides as beautiful as Highway 42 talk this plan to your neighbors, offer the committee donations in money or plants, and check up on what you can do to beautify your own roadsides.

Members of the County Committee of Homemakers are Mrs. Garnett Tolin, Chairman; Mrs. Jake Cleek, Mrs. John Vest, Mrs. Chas. Engle, Mrs. J. C. Layne and Mrs. Mary Scott More, Acting Home Demonstration Agent.

615 Applications For Payment Signed By 1941 ACP Producers

There has been a total of 615 applications for payment signed by producers who have cooperated in the 1941 Agricultural Conservation program. A majority of these applications have already been submitted to the State office and payment should be received in six or eight weeks.

Only about 50 percent of the applications have been signed to date and producers are urged to come to the county office within the next few days and sign so that their payments will not be delayed. Cooperators under the 1940 A. C. Program received about $59,000. This was earned mostly by carrying out soil-building practices. A somewhat larger amount is expected to be earned under the 1941 program. The soil-building allowance is earned largely through the use of limestone and phosphate. Both of these materials are available now as grant of aid and producers are urged to make full use of them if they have not already done so, for the 1942 program.

Mrs. Maggie Grubbs

Mrs. Maggie Grubbs, age 70 years passed away at her home near Richwood, Boone County, Monday, November 3, following an illness of chronic nephritis.

The remains were removed to Chambers & Grubbs funeral home for preparation and remained there until Wednesday afternoon for services conducted by her pastor, Rev. H. M. Hauter at 2:30 p. m., in the presence of her many relatives and friends. Burial was in the Hopeful cemetery.

She leaves one son Wiley Grubbs; one daughter, Mrs. Arthur Gilpin; 4 brothers, Ed and Eli Rice, of Florence and George and William, of Covington; three grandchildren and four great-grandchildren, and a host of other relatives and friends who will greatly miss her presence.

Harry Fisk

Funeral services for Harry Fisk, Crescent avenue, Erlanger, were held at the Taliaferro funeral home, Erlanger, at 11 a. m. Saturday. Burial was in Florence cemetery.

Mr. Fisk died suddenly Wednesday at his home.

He is survived by one daughter, Mrs. Margaret Thomas, of Dallas Texas.

OHIOIAN KILLED IN AUTO CRASH

ON DIXIE HIGHWAY SATURDAY AND TWO OTHERS SUFFER INJURIES WHEN CAR CRASHES INTO TREE.

A Hamiltion, Ohio, motorist was injured fatally and his two companions were cut and bruised when their automobile struck a tree on the Dixie Highway six miles north of Walton, late Saturday.

Shirley Snowden, 30 years old, 1413 Peck Avenue, died almost instantly of a broken neck. The driver, Leroy Sans, 26, Rural Route 4, Hamilton, suffered head cuts. The third occupant, Hargett Withers, 35, Peck Avenue, suffered severe cuts.

Sans reported to attendants at the Chambers and Grubbs funeral home, Walton, where the injured persons were treated, that he swerved when driving south in a futile attempt to avoid an oncoming car, which struck the side of his automobile, forcing it off the road.

THREE WOMEN ARE INJURED

IN CRASH NEAR RICHWOOD THURSDAY — AUTO SKIDDED OVER EMBANKMENT ON U. S. HIGHWAY 25.

Three Akron Ohio women suffered minor injuries late Thursday when the automobile in which they were riding skidded over an embankment on the Dixie Highway, four miles south of Florence.

Those injured were Mrs. C. C. Sweeney, 52, fractured ribs; her sister, Mrs. Grace McCollum, 55, head cuts, and Mrs. McCollum's daughter, Miss Mary McCollum, broken rib.

They were removed to St. Elizabeth Hospital, Covington, by J. B. Gillispie, Florence garage operator.

DEADLINE SET NOVEMBER 13

FOR SECURING DONATIONS ON BOONE COUNTY FAIR GROUND PROGRAM—$1600.00 PLEDGED TOWARD PROJECT.

November 13th has been set as the deadline for securing donations on the Boone County Fair Grounds program, according to information given H. R. Forkner, County Agent. Sufficient funds must be pledged by this date or hopes for a permanent fair and county picnic grounds will be lost.

The meeting last Tuesday evening was discouraging to many of the committeemen in that only slightly over $1600.00 had been pledged and the agreed program called for the full $3,500.00 or no funds would be collected.

Boone County needs a permanent fair grounds as an annual meeting place for our people. We need a program that will grow into a better and better annual gathering each year. The undertaking to raise $3,500.00 to fully pay for and partially equip the grounds was a high and lofty ideal that represented a tremendous task and request of public spirited citizens.

People as a whole who have been contacted have shown a splendid spirit of giving and cooperation. The great difficulty has been to get local people contact those who would like to have part in the contributions.

Present indications are that it will be most difficult to reach the additional $1,900.00 needed so everyone is urged to contribute liberally. Don't wait to be contacted, see your local or county committeemen at the earliest possible date. Your contact will give encouragement. If you would like to increase your pledge, contact your committeeman now. Committemen are:

County Committee—Chas. W. Riley, chairman; A. B. Renaker, John Conner, A. E. Stephens and H. R. Forkner.

Community committees:

Constance—Geo. Kottmyer, *Mrs. Elmer Peeno.

Taylorsport—C. Liston Hempfling, *Mrs. Lottie Beacom.

Hebron—Robt. Youell, Jas. R. Huey, J. C. Aylor, *Mrs. David Pope.

Bullittsville—Robt. Graves, *Mrs. Chas. Engle.

Petersburg—John Klopp, A. L. Stephens, *Miss Edna Berkshire.

Grant—W. B. Rogers, Lillard Scott, *Mrs. Christena Kirtley.

Burlington—Mrs. Lula Tolin, Luther Smith, Court Kelly, *Mrs. Helen Snyder.

Florence—Mrs. Al Hue, Mrs. Frances Berkshire, Ira Tanner, *Mrs. Laverna Willeford.

Union—Alma Riley and Joe Huey.

Limaburg—J. P. Brothers and Chester Tanner.

Point Pleasant—John W. Dolwick D. H. Norris, Ward Darnell.

*President of Homamekers' Club.

If we can not reach our goal, those who have contributed of their time and pledges have done so for a noble and worthwhile cause. Even if we fail in our effort, we will appreciate their good work.

B. H. Berkshire, of Petersburg, was a business caller at this office Monday afternoon.

Mrs. C. C. Voris Featured On Musical Festival

Mrs. C. C. Voris, Tulsa, Oklahoma has recently been honored with the privilege of appearing as vocal soloist on two musical festivals held in Tulsa in observance of Music Appreciation Week.

FIRST DRAMATIC LEAGUE PROGRAM

WILL BE GIVEN TUESDAY, NOV. 11 AT BURLINGTON SCHOOL—PROGRAM OF PLAYS PLANNED FOR FUTURE.

At the September meeting of the teachers of Boone County, the matter of extra-curricular activities had a prominent place in the discussion. As a result it was determined that during the present year three public programs would be given by the schools.

The first of these, which is to be a tournament of one-act plays, will be given Tuesday evening, November 11, at 7:30 o'clock E. S. T. at the Burlington school auditorium. At this time four one-act plays will be given by the county high schools.

The schools of the county hope that the public will attend this initial tournament and that by your encouragement the schools may be able to plan a worthwhile program of plays for the future.

The plays are as follows: . . . .

Hebron—"The Red Lamp" by Hillard Booth.

Cast: Matilda Deering, Mary Lou Williams; Harold Deering, Russell Conrad; Alice Deering, Charlotte Bryant; Archie Clarke, Harry Lee Aylor; Bill Worth, Kenneth Ratcliff; Annie O'Shane, Lorraine Tipton.

New Haven—"Promote the General Welfare."

Cast: "Gramp" Latimer, John Newman; Kirk Latimer, Maynard Simpson; Nola Latimer, Norma Laibly; Barbie Latimer, Mary Lou Jones; Justine, Geneva Coppage; Steve Kovalsic, Robert Baker.

Florence—"Be Home By Midnight."

Cast: Mr. Jones, Burchell Mardis; Mrs. Jones, Marian Bradford; Paul, Dick Stevens; Mary, Dorothy Cody; Junior, Gordon Simpson.

Burlington—"Sauce for the Goslings," by Elgine Warren.

Cast: Richard Taylor, Bill Tinkelenberg; Margaret Taylor, Jessamine Farmer; Robert Taylor, Bobby Rouse; Eliazbeth Taylor, Kathryn Acra; Martha Lee, Gerry Yelton; James Ward, Nelson Poston; A Maid, Mamie Holbrook.

The admission will be 15 and 25 cents, plus tax.

HEBRON LUTHERAN CHURCH
Rev. H. M. Hauter, Pastor

Sunday, Nov. 9, Bible School at 10:00 a. m. Mr. Woodford Crigler, Supt.

Evening Service at 8:00 p. m.

The regular business meeting of the Church Council will be held this Friday, Nov. 7, at 8:00 p. m. at the church.

CONSERVATION HEARING SET

FOR NOVEMBER 14 AT BURLINGTON—LANDOWNERS URGED TO EXPRESS OPINION ON CONSERVATION DISTRICT.

The petition of Boone County farmers for the hearing for formation of a Soil Conservation District has been approved by the State Board, according to H. R. Forkner, County Agent. The hearing date has been set for Friday, November 14, at 1:30 p. m., Burlington courthouse.

A member of the State Conservation District Board will attend this hearing. Every farmer, landowner or interested citizen is invited to attend this meeting and to express his or her opinion whether or not a district should be formed in the county. If the hearing officer is convinced, a district should be formed, a future referendum will be offered in which all landowners will have an opportunity to vote. If the majority of the landowners vote in favor of a district, such district will be formed. Once a district is formed, it will operate for five years.

Farmers who are interested in the forming of a district point to certain advantages (1) Future CCC Camp labor will be available, (2) Large power machinery for carrying out water conservation and farm water supply can be secured from the government by paying upkeep and depreciation costs; (3) Trained technical help of the Soil Conservation Service will be available; (4) Such district as a corporate body can carry out many cooperative soil conservation and soil building practices that farmers as individuals could not heretofore carry out.

Those farmers who have been studying the soil conservation district program feel that it will be a great aid to the county and are very much interested in its formation.

Miss Nora Rucker

Miss Nora Rucker, Hebron, Ky., sister of Miss Lucille Rucker, Covington school teacher, died Wednesday at her home after a short illness. She was 59 years old.

Besides her sister Miss Lucille Rucker, she is survived by a brother, Harper Rucker.

Funeral services were conducted at 2 o'clock Saturday at the Bullock and Catherman funeral home, Ludlow. Burial was in Highland cemetery.

WEED GRADING DEMONSTRATIONS

WILL BE HELD IN COUNTY ON NOV. 19 AND 21ST—GRADING IS IMPORTANT TO GROWERS THIS YEAR.

Four tobacco stripping and grading demonstrations will be held in Boone County on November 19th and 21st, according to H. R. Forkner, County Agent. The demonstrations will be presented by Federal graders who will grade on the tobacco markets this year.

The tobacco stripping and grading demonstrations are especially important this year in that all tobacco will be sold on Federal graded markets and growers will be eligible to secure 85 percent of parity on their crops through the pool if the warehouse sale price is not satisfactory.

The Federal grades in many instances are different from those grades ordinarily used by growers. Because of this difference, it is to the advantage of every grower to be familiar with the Federal grades in order to secure greatest protection on the sale value of his crop.

The arrangements for the meetings on the 19th will be in charge of James Robt. Huey, Hebron School, the Vocational Agricultural teacher. The dates and place of each meeting will be announced next week.

LABOR ON DANGEROUS GROUND

The government of the United States is, and should be, bigger than any corporation, or industrial organization and able to regulate business, big or little, in the common good.

It likewise goes without argument that the government should be bigger than any labor union, or labor leader, and able to regulate labor whenever necessary in the common good.

Labor has received much in the past few years from a favorable administration. The President has been vociferously criticised by some citizens for his pro-labor policies. Consequently, labor is ill-advised today if it attempts to take advantage of its new power to sabotage national defense.

The Recorder is cognizant of the selfish attitude, often exhibited by business, and consequently sympathetic with the general cause of labor in the United States. As a consistent friend of labor we feel it necessary to call attention to the mounting tide of public opinion against strikes in the defense industries, especially those occasioned by the civil war that now divides labor.

WHO READS THE BIBLE TODAY?

An inquisitive man, in another State, recently wondered how many "ordinary people" read the Bible nowaday and he made something of an investigation among a variety of types.

While he found some exceptions he discovered that most of the people he interview had "not seen a Bible for fifteen years."

This is an astounding report, concerning the wonderful compilation of books, which we call the Bible, and which, it is generally believed, has affected the destiny of mankind more than any other literature ever produced.

Whether the observation applies to Boone County, or not, we do not know, but we sincerely hope that the people of this county have not become so blase as to pass up the opportunity of enjoying the great spiritual truths that the Bible presents to men.

Too many persons, we presume, approach the Bible as a solution of their material troubles and the remedy for physical ills. They seek to discover the answer to mundane issues and overlook the values that abound in the development of individual personality.

Certainly, we would not attempt to interpret the Bible for other people but we make no apology for suggesting that it presents mankind with a philosophy that will endure through the ages. Its lessons, even understood in part, are immortal and the man or woman who imbibes the great teachings will serve the present world and, as we conclude, develop a spiritual force that will not die.

SEA POWER IN THIS WAR

In considering the course of the war in Europe it might be well to understand the dominant role that is being played by the one strong weapon of the democracies.

Sea power, represented by the superior British navy, and to some extent supplemented by the potential pressure of the U. S. navy, confines Hitler's victorious armies to the continent of Europe bars the Nazis from utilizing the resources of the world and constitutes a tremendous bulwark against the successful invasion of the British Isles and other continents.

It is quite correct to understand sea power in terms of combat ships on the surface of the ocean, coordinating aerial vessels and cooperating shore bases and supply ships. To consider a navy in terms of battleships alone would be a fatal error but to discount the dreadnaughts as final arbiters of sea control would be equally disastrous.

Only on the oceans of the world do the democracies maintain a steady advantage over the powers aggression. This superiority cannot be overcome by the Axis group in the near future, regardless of what happens in various land campaigns.

COMPLETE PRICE CONTROLS COMING

Almost everyone agrees that the United States is facing inflation. But even the experts cannot agree on how this situation can be remedied.

Our present price control policy is one of placing price ceilings on a selected group of commodities. Wages and farm prices are not controlled; they are expected to fall in line.

There are many Congressional leaders who do not believe that policy is inclusive enough. They think that it should go further. And, consequently, more stringent price control laws are pending in Congress.

Canada had until recently a price control policy similar to ours. Now, Canada has a ceiling over all agricultural and industrial commodities from original production to final consumption. Rents have been frozen and wages are greared to the cost of living.

There are two main differences between Canada and the United States that probably explain why the United States has not taken the much-needed steps to stop inflation.

First, Canadian industry has been almost completely converted from civilian to military production, but this is not the case in the United States. We do not clamp down on the wages of workers in war industries because we need more workers in these industries.

In other words, wages must be attractive to draw workers into war industries until these industries are fully manned; then, wage control will not interfere with defense production.

The second difference between Canada and the United States, which also helps to explain why Canada can adopt price and wage ceilings, is the fact that Canada is at war. With friends and members of their family fighting in Africa and Europe, the people of Canada are more willing, than we are, to accept sacrifices.

But a complete price control program will come to the people of the United States. The question is when will it come. This depends largely on the willingness of various groups in the United States to accept sacrifices.

REPENTANCE AND FAITH

LESSON TEXT—Luke 15:11-24.
GOLDEN TEXT—Repent ye, and believe the gospel.—Mark 1:15.

Sin with its devastating consequences has its only remedy in the salvation which is in Christ Jesus. He died to set us free from the penalty, the power, and ultimately the very presence of sin. However, His death, which was for all mankind, is effective only for those who in repentance and faith accept His redeeming grace and turning from their sin.

I. Worldly Pleasure Brings Sorrow (vv. 11-16).

Selfishness is at the heart of sin, which is essentially self-will over against God's will. The younger son, who represents the sinner, wanted his own way. He suffered from

1. Restlessness Under Restraint (vv. 11, 12). The father loved his son and sought his welfare by proper parental control, but the boy wanted to be free to live as he pleased. God loves all men and seeks by loving and gracious restraint to lead them in ways of righteousness and peace. But they, while they want His blessings, are often eager to get away from His guiding hand.

2. A Request Resulting in Responsibility (vv. 12, 13). When the prodigal asked for his inheritance he took upon himself full responsibility for its use. The man who refuses to have Christ rule over his life assumes a grave and heavy burden which he is not able to bear.

It is an awful thing to rule God out of one's life, to attempt to steer a successful course through the stormy sea of life. Why do it? It will always result in loss and failure.

3. Riotous Living Leading to Reproach (vv. 13-16). In the "far country" he found for a time what we call "fun," but it led to bitter sorrow. To the flesh there are "pleasures of sin" (Heb. 11:25), but they are only "for a season"; that is, "very short lived—and they come high. 'The devil is not such a fool as to go fishing without bait.' The pleasures of sin are the devil's bait, and they always have a hook in them. If you bite at the devil's bait you will soon have the devil's hook in your gills and be in the bottom of the devil's boat" (John W. Bradbury).

The end of Satan's "fun" road was a pigpen in a far country. That may not always be literally true (although it happens often enough), but it is always true spiritually. Men and women are in a state of spiritual collapse and disgrace because they have rejected God's way. But there is a way out.

II. Godly Sorrow Brings Joy (vv. 17-24).

Paul tells us that "godly sorrow worketh repentance to salvation" and thus differs from "the sorrow of the world" which "worketh death" (II Cor. 7:10). The prodigal found his way back to the father's house. First, there came to him

1. Remembrance and Realization (vv. 17-19). He began to think. If men and women could only be made to think we would have more repentance, but Satan tries to keep them too busy to think. He remembered what he had as a son in his father's household. What memories will your boy have in his hour of need? You are writing that record now.

He "came to himself." The man in sin is really unbalanced, subnormal, not himself, spiritually insane. When he "came to" he knew that he was in the way of the perishing. Then came

2. Repentance and Return (vv. 20, 21). To repent means to change your mind, to turn your life in an "about face" from sin to God. Repentance calls for more than thinking or talking or praying. One must act. The young man "arose and came to his father." That was his part, and then came the father's part—

3. Restoration and Rejoicing (vv. 22-24). The son expected to return as a hired servant, but his father restored him to full family fellowship. God is gracious, and the repentant sinner finds himself clad in the spotless robe of Christ's righteousness, wearing the ring of sonship, with shoes on his feet, so that he may go on the errands of his Father.

God's plan of salvation brings no half-way redemption. There are no stepsons or distant relatives in His family. It is a full salvation which brings glorious fellowship in life and service.

You who are still eating the husks of this world, who are in the far country tending swine, we invite you too to come to God and share in the rejoicing in the Father's house.

Life a Struggle

Life is a struggle, but not a warfare; it is a day's labor, but labor on God's earth, under the sun and stars with other laborers, where we may think and sing and rejoice as we work.—John Burroughs.

Poor posture may directly be caused by defective reasons, eyestrain, impaired hearing, or bone defects which may occur in children during adolescence. Throstting the head forward to see better may be associated with nearsightedness. Cocking the head toward a speaker may indicate loss of hearing, in one ear. Marked "round shoulders" may be a sign of some disease of the bones of the spine. All children should have competent and thorough physical examination, including tests of sight and hearing, before entering school, and at regular intervals thereafter.

If the mind and the body are healthy, the will is after all, the directing factor in maintaining good posture or correcting bad posture. The feet play a very important part in body balance, as they support the entire weight of the body both in standing and in moving and hold it upright against the downward pull of gravity. The feet being the foundation of the body are very important part in body balance, as and without proper fitted shoes, weakness will develop in the muscles causing the bones of the feet to sag and throwing the whole body out of posture. You cannot have good health and unhappy feet.—Adv.

CIVIL SERVICE EXAMINATIONS ANNOUNCED

The U. S. Civil Service Commission has just issued three more examinations for positions in the Civil Aeronautics Administration. Flight Supervisors are needed to inspect the equipment, personnel, and facilities of flight contractors, report on Civil Air Regulation violations and aircraft accidents, and to perform other duties. The positions pay $3,200 and $3,800 a year. Ground School Supervisors will be appointed to superintend the ground training operations of the Civilian Pilot Training Program. This includes ground curricula, training methods, facilities, and equipment. These positions pay $2,900 and $3,500 a year. Assistant Airway Traffic Controllers maintain a check on the movement area. The salary for these jobs is of all aircraft within a control 2,300 a year. The requirements for all these positions are specific and rigid inasmuch as they deal directly with the safety of human life. Applicants are sought whose experience, training, and personal qualifications may be filed until further notice.

The Commission has also announced an examination to fill a librarian position in the technical process division in the Library of the Department of Agriculture. The salary is $3,800 a year. To qualify for this highly technical job, applicants must have completed appropriate college study and have had supervisory experience in technical library work. Applications must be filed not later than December 4, 1941.

The Commission has just reissued its examination announcement for inspectors of naval ordnance materials, covering positions paying from $1,620 to $2,600 a year. Appointments are being made at the Washington (D. C.) Navy Yard, Naval Torpedo Station in Alexander, Va. and at various contractor plants in the field. The need of the Navy Department for Junior Inspectors ($1,620 a year) is particularly pressing. The requirements for this grade have been modified so that the successful completion of an appropriate approved National Defense Tarining course will be accepted as meeting the full requirements. Applications will be accepted until further notice.

Full information as to the requirements for these examinations, and application forms, may be obtained from the Secretary of the Board of U. S. Civil Service Examiners at the post office or customhouse in any city which has a post ofifce of the first or second-class or from the United States Civil Service Commission, Washington, D. C.

WILDLIFE MOVIE FILMS READY FOR SHOWING

Frankfort, Ky.—Two color movie films dealing with the conservation of the wildlife resources of Kentucky have just been completed and are now ready for showing before Game and Fish club meetings, in the schools and before meetings of civic groups, according to a statement issued today by S. A. Wakefield, Director of the Division of Game and Fish.

One film in color has sequences on squirrel feeding and birds eating out in the wild and quail feeding and nesting; the killdee during the nesting eriod; Mr. and Mrs. Ad Topperwein displaying their ability with rifle and shotgun and a coon chase made in Floyd county; a dove on the nest showing the young birds until they become old enough to leave.

The other color film contains sequences on winter feeding of wildlife; the Red Fox; Wild ducks; scenes in Pike, Harlan, Letcher and Bell counties and at Cumberland Falls; and the Bob White quail, from egg to adult, made at the Division's quail hatchery located near Ashland, Ky.

These films are handled by James J. Gilpin, Public Relations Representative for the Division, who delivers a lecture along with the show.

Wakefield stated that there is no charge of any sort for these films for shows. He also pointed out that the film could not be loaned to any one but that Gilpin made the shows himself and that all dates should be contracted with him. Requests should be made as soon as possible so as to avoid any conflict in dates.

HONEYED PINEAPPLE JUICE EGG DRINK APPEALS TO JADED BRAKFAST APPETITES

If there is a cary for more variety at the breakfast table, order a supply of canned unsweetened Hawaiian pineapple juice from your grocer. Keep it chilling in the refrigerator for quick, easy service. You will find its tangy flavor a pleasant change, and if you are counting your vitamins these days, and we hope you are, you'll be interested to know that a six-ounce glass will provide one-sixth of the daily adult recommended allowance of vitamins B1 and C.

If you are trying to get your family to eat more adequate breakfasts, canned pineapple juice will help, too. Honeyed pineapple juice egg drink, for example, is a dandy way of slipping minerals, protein, and vitamins into a quickly prepared breakfast without any one noticing the addition, except to compliment the ingenuity of mother or the cook.

Prepare honeyed pineapple juice egg drink this way: For each serving, beat one raw egg until thick and lemon-colored, add one tablespoon honey and one tablespoon lemon juice, continue beating until well-blended. Pour into a very tall glass. Add one cup canned unsweetened Hawaiian pineapple juice. Stir with a spoon and serve at once with buttered golden toast prepared from whole wheat bread, with cocoa for the children, and steaming cups of coffee for adults. No ice is needed in the beverage if ingredients have been stored in the refrigerator overnight.

Armed robbers stole antiques valued at $71,000 from a store in Shanghai recently, but overlooked a box containing gold ornaments and jewelry worth nearly $130,000.

Boone County faces no serious fuel shortage this winter, which is the difference between the United States and some other nations.

County USDA Defense Board To Ask Each Farmer To Make Plans For More Foods In 1942

Your farm can help to "win the war and write the peace," says Secretary of Agriculture Claude R. Wickard.

But to do this—to help feed the British. to help feed Europe's millions after the war and to feed our own people properly—he points out that every farm in America will need to increase production of some of the foods that are needed.

Under the guidance of State and county agricultural defense boards, these food needs are being broken down into regional, State and county production goals; and J. F. Cleek, chairman of the Boone County Agricultural Defense Board, announces that within the next few weeks a representative of the county board will call on each farmer to learn what increases he will make in food production in 1942 as a contribution to national defense.

Major increases needed in Kentucky, according to the State Agricultural Defense Board, are 27,-648,000 gallons more milk than is being produced in 1941, an additional 10,212,000 dozen eggs and marketing of an additional 21,127,-000 pounds of beef and veal.

Besides these increases, Mr. Cleek points out, increases in certain other foods and feeds will be needed in this county, and these will be included in the Farm Defense Program plans which each farmer will be asked to make.

If we are to reach these goals, farmers will have to produce more than they have ever produced in the history of the United States. But this is no time to over-produce on wheat, cotton and tobacco, of which there are abundant supplies on hand, he added.

Farming "as usual" will not be either profitable or helpful in national defense, because the request for increased production is in needed commodities, for which there is a rising demand, and is not a request for a "blanket" increase in all types of farm products.

In order that Boone county farmers may assist the County Agricultural Defense Board in making a speedy and thorough survey of farm production plans for 1942, Mr. Cleek suggests that they begin now to:

(1) Check farm crops and livestock to see what products can be increased, maintained or reduced in line with national needs.

(2) Check with the county defense board on processing and handling facilities for crops or products they plant to produce.

(3) Start carrying out 1942 production plans now by laying in supplies of seeds, fertilizers and other materials that will be needed.

For additional information or assistance in planning participation in the Farm Defense Program, farmers are advised to see the County Agricultural Defense Board, representing all agencies of the U. S. Department of Agriculture, or to see county representatives of these agencies in their districts or communities.

THREE MONTHS LEFT TO CHECK SOCIAL SECURITY RECORDS

Workers have only three months remaining in which to check the Social Security Board's records of 1937 earnings in employment covered by old-age and survivors insurance. This statement was made today by Frank B. Decker, Jr., manager of the Covington field office of the Social Security Board.

He explained that Social Security Board wage records may be considered closed after four years have elapsed, hence request to check the 1937 reports must be received before the end of 1941. The request card which is used to obtain this report may be obtained from the Covington field office in the Post Office building.

Workers who want to be sure all their earnings have been credited to their social security accounts may now check the records of the Bureau of Old-Age Survivors Insurance to make sure full credit has beene given for all wages paid on jobs covered by the Social Security Act. Postcards which are used to obtain these wage statements may be obtained through the Covington field office of the Social Security Board. Frank B. Decker, Jr., manager of the office, said 1937 wage records may be considered closed at the end of 1941 and that any one desiring a statement of his earnings for 1937 should make the request at once. There is no charge for the service except one cent postage on the request card.

SHIP BUILDING EQUALS LOSSES

One of the most encouraging declarations in the recent speech of Prime Minister Churchill was his statement that in July, August and September, shipping losses had dropped to one-third of the total for April, May and June.

As the British Admiralty no longer gives out detailed figures as to ships lost, it is interesting to note that in April, May and June catalogued sinkings showed a sinking of 1,416,416 tons. If the three months ending in September saw losses decline to one-third of that total the result would be a loss of less than 500,000 tons for July, August and September.

The Battle of the Atlantic, therefore, seems to be going favorably to the British. While the production of merchant tonnage is a secret in England, the British rate of construction is estimated at better than 20,000 tons a week. Production in the United States is probably better than 20,000 tons a week. Thus, the two democracies are producing almost enough ships to offset those sunk by German submarines and bombing attacks.

It is worth pointing out that the Maritime Commission hopes and expects, if strikes or other disturbances do not interfere, to complete 1,153 new ships of 12,410,000 deadweight tons by the end of 1943. These figures do not include the newly devised "sea-otters" which are to be little ships, carrying about 1,500 tons of supplies and of shallow-draught construction in order to present difficult targets to submarines.

The significance of the decline in ships sunk is that more tanks guns and plans are going to Great Britain where they will see service instead of to the bottom of the sea. Moreover, important food supplies are reaching the British Isles.

"ALREADY BROKEN," RUSSIA FIGHTS

Adolf Hitler recently told the German people that Russia "is already broken and will never rise again." He assured them that "the available mass of munitions" would conquer any adversary.

It is interesting to report that the German Fuehrer, in his eulogy of Nazi soldiers, revealed that there are between five million and six million troops in Russia. This seems to be a rather large army to take care of a nation "already broken."

That the battle in Russian is proceeding upon a scale never before equalled in the world seems established. It is impossible to correctly estimate the losses suffered by either side. Berlin reports the capture and destruction of thousands of planes, tanks and guns. Moscow counters with similar claims as to German losses.

While it is impossible to estimate exact losses, it is apparent from both statements, that each side is losing heavily in material and men.

—o—

WHY THE BRITISH DO NOT INVADE

Many arm-chair strategists in this country find it difficult to understand why the British Army does not undertake an offensive on the continent of Europe in order to relieve the pressure on the Russian Army.

Viscount Halifarx, British Ambassador, says that while the British people are looking forward to an offensive, it could not be undertaken "at present" on account of shipping, supply and related factors. Until conditions become riper, he contends, it would play into Germany's hands to send air and land forces to the Continent.

The British diplomat says that with Great Britain nearing the limit of her plane productive capacity, his nation must rely upon American production to establish the air superiority over Germany that will make possible extensive bombings and thus pave the way for a land force on the Continent.

He added that sending supplies was the best way the British could assist Russia, along with using the air force to bomb Germany and so hold enemy planes in Western Europe. Lack of shipping for transport made it impossible to send a land force to Russia, but, because Russia has no shortage of manpower, the prompt dispatch of supplies is best adapted to assisting the Russians.

EMPLOYERS MAY PAY DELINQUENT TAXES ON OR BEFORE NOV. 18

Frankfort, Ky.—Employers delinquent in Unemployment Compensation contributions to the State for 1936, 1937, 1938, 1939 and 1940 may make payment on or before November 18, 1941 and receive credit for these taxes if credit is claimed before March 20, 1942, Robert B. Hensley, Acting Executive Director of the Kentucky Unemployment Compensation Commission announced today. Provisions of the Revenue Act of 1941 give employers credit up to 90 per cent of the amounts they would have received had they paid their State contributions on time, Hensley said.

Hensley emphasized that this undoubtedly is the last opportunity for employers to pay delinquent State Unemployment contributions and be permitted to credit them against Federal Unemployment Tax. "If liable under the Federal Unemployment Tax Act it will be to the employers' advantage to pay the State contributions for prior years before November 19 and make application for Federal credit before March 20, 1942," Hensley said.

UNIVERSITY OF CINCINNATI PLANS EXPLORING PARTY

Residents of Burlington, who like to frolic on the seashore can do so without leaving the Ohio Valley, University of Cincinnati geologists declared today.

This region, they explained, was once the floor of a great sea and buried just a few feet beneath the top soil are shells, ancient animals of the deep and all forms of sea weed and ferns encased in rock strata.

Those who like to hunt for these fossils were invited to join a U. C. exploring party being organized under the direction of Dr. Kenneth Caster, U. C. geologist. The first meeting of the group will be held at 8:30 p. m., Thursday, October 23. At that time plans will be made to visit famous collecting grounds in this region. Eight meetings and trips are planned.

This "expedition," U. C. officials said, is a part of the fall lecture-discussion program offered to busy men and women who have a limited amount of time for organized study or research. All meetings are in the evening. Other lectures to which local folks are invited include:

Rounds Trips to Other Americas, on eight consecutive Mondays beginning October 20.

United States in a Changing World, on eight Mondays beginning October 20.

What to Listen For in Music, on eight Wednesdays beginning Oct. 22nd.

English Literary Wits and Worthies, on eight Wednesdays beginning October 22nd.

Total War: Its Effect on Our Economic Life, on eight Thursdays beginning October 23.

The Romance of Words, on eight Thursday beginning October 23.

The World War Today, on eight Fridays beginning October 24.

BOURBON, WARREN AND BOYD SUPPLY BEST 4-H JUDGES

Bourbon, Warren and Boyd counties supplied the highest scoring teams on fat stock, dairy cattle and poultry, respectively, in the annual 4-H club judging contests at the Kentucky State Fair. Eighty county teams took part in the judging.

Todd county was second in judging fat stock, followed in order by Wayne, Gallatin, Mason and Kenton. Graves was second on dairy cattle, followed by Campbell, Hart, Carroll and Logan. Following Boyd in placing poultry were Grayson, Boone, Letcher, Rockcastle and Laurel.

John C. Burris and Jack Adair of Bourbon county ranked first and second, respectively, as individual judges of fat stock. First, second and third as judges of dairy cattle were Marion Floyd, Robert Johnson and R. D. Floyd, of Warren county. Miss Lucille Layman of Grayson county out-scored all boys in judging poultry. Joy Young and W. B. Lowe of Boyd county tied for second place. John T. Cooper of Wayne county was the best judge among Utopia club members, followed by Benton Kimbrough, Harrison county, and T. J. Black, Edward Congleton and William Hale, all of Madison county.

Miss Patsy Mae Newell of Mason county for the fifth time won the State 4-H Club poultry championship, and Miss Mary K. Eubank, of Gallatin county for the third time became State champion in the 4-H club sheep project. Monroe Miller is State swine raising champion, and Miss Anna Mae Hettinger is champion in foods. Both live in Jefferson county.

GOOD COWS WELL FED PAY BETTER

A circular on feeding dairy cows published by the University of Kentucky College of Agriculture and Home Economics points out that good cows properly fed give larger returns for the feed they consume than do poor cows. They eat more feed, and the total cost of the feed is greater; but they produce more than enough extra to pay for the additional feed.

For example, in Kentucky dairy-improvement associations during the five years 1935-39 it cost on the average $41 a year to feed a cow producing 150 pounds of butterfat, but it cost only one and a half time as much to feed a cow in the 350-pound group. Cows in the 150-pound group returned only $14 each a year above the cost of their feed, while those in the 350-pound group returned $62.

Success in dairying, says Dr. Fordyce Ely, author of the circular, depends to a large extent upon the production of milk at low cost, for regardless of the price at which the produce sells, the dairyman whose herd produces at the lowest cost holds the advantage.

Attention Milk Producing Farmers

U. S. Secretary of Agriculture, Claude Wickar, is encouraging increased production of milk and dairy products throughout the United States to meet the urgent demand of local consumers as well as helping the Allies who are badly in need of these products.

We can supply your needs with heavy-producing types of any breed required. Give a helping hand and increase your production and daily income with the least risk. Large herds available at all times to select from. All cows recently T. B. and Blood Tested. Deferred payments can be arranged if necessary to responsible parties.

SPORTSMEN URGED TO "HANG ON" TO THEIR LICENSE HOLDERS

Kentucky hunters and fishermen were urged to "hang on" to their metal license holders and to use them again and again, by S. A. Wakefield, Director of the Division of Game and Fish.

"Because of Federal Government priorities on metal of all kinds, it is almost impossible to get metal for common consumption," Wakefield pointed out, "and as the holders were originally designed to be used indefinitely over a period of years, I hereby ask that the license containers not be used just for the duration for a fishing or hunting license but that the old license be replaced in the holder by the new license, thereby fulfilling the job for which the holders were created."

Wakefield asked that all hunters and fishermen be more careful in the handling of their holders and make a special effort against losing them or misplacing them in the future, thereby helping the Division of Game and Fish to save money from the expenditure for such holders and assisting in the national defense program as well by saving metal.

Metropolitan experts continue to be bothered about the fact that the farmers are having a little larger income.

FROM BELINDA'S KITCHEN

It shore do look funn, me who has a hankering to play in one ob dose love parts in New Haven P.-T. A. play and here I am again exit-ing and enter-ing from the kitchen. Last year I made enough dough to feed Cecil Presser for the duration and then what did it amount to. Dere snore is a lot ob love-making in this play though, "The Call of Youth"—that even sound romanaticky. They just kiss and hold hands and don't eben look ashamed. Patsy Huey Slayback is shore the purty one. Doretta Rouse tried to cut in on Patsy but her knife must be awful dull cause she spends an awful lot ob time doing nothing. Mrs. Masters, the one who neber lets you relax, chew tobacco or gum is trying to get J. O. Griffith to forget his cows and chickens and think of Patsy. He got a haircut one night last week. Joe Ryan, the heart beat of Beaver has a voice that sounds like an organ on a June night but it might just as well sound like a fog horn on the Ohio for all the good it does him.

You should see Marie Gschwind trying to make love to Joe. The script calls for her to put her hand on his shoulder but to date she hasn't reached above his pockets. He shore is tall. You all knows Elmer Smitty Electric Noe? He's in some mighty lovy scenes and looks right purt wyhen he kneels. It don't seem possible anybody could be as purty as "Little Jess" but her daughter, Miss Jean Tanner is just as purty and with Frances Taggert so purty too, they make quite a show in their party dresses. If there eber were two witches its Edith Hedges and Bess Cox. Meddlesome, my golly dey shore is. God Bless America and Ivan Clements. He faints, falls, fumbles and flutters.

Mistah Cross certainly is geeting enough sleep. He says goodnight all during the first act and what time he isn't asleep he is in the Library wondering if he can get his blue suit home from the cleaners by November 8th.

Belinda has to go now and make a tub of tea 'cause Belinda shore do like her tea.

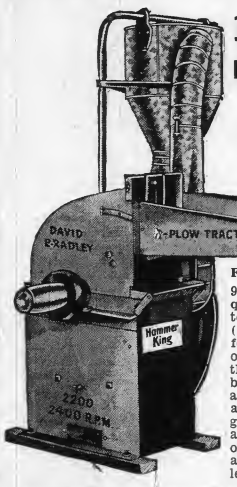
HEBRON P.-T. A. MEETS

The regular monthly meeting of the Hebron P.-T. A. was held on Tuesday evening, Oct. 7th. Mrs. Jameson Aylor, as president, called the meeting to order. Much business was conducted. Money was appropriated for the Home Economics room, the playground, sanitation, the Boone-Kenton Chapter of the Crippled Children's Society and some small objects for the grade rooms.



After the business meeting the Girls' Glee Club sang two songs under the direction of Mrs. J. A. Stevens. Before adjournment, a true-false history game was enjoyed by all those present. This was conducted by Miss Norma Powers.

The membership drive is now in progress, led by Mr. Lawrence Rodamer.

Come to the next meeting, which is the second Tuesday in November. Ask your children about it, if they forget to tell you.

COUNTY DEFENSE BOARD MEETS

COUNTY ALLOTMENTS FOR INCREASED AGRICULTURAL PRODUCTION FOR 1942 RECEIVED.

The Boone County National Agricultural Defense Board met at Burlington Thursday morning, Oct. 30th. Members attending the meeting were J. F. Cleek, chairman of the County AAA Association; Rev. Will Smith of the R. E. A.; Myron Clark, Soil Conservation Service; Ray Wilson, Farm Security Administration; H. R. Forkner and Franklin Frazier, Extension Service. J. F. Cleek was elected chairman and H. R. Forkner, secretary.

The Board received county allotments for increased agricultural production for 1942, set up by the State Agricultural Defense Boards. These allotments call for a 15 percent increase in milk production, totaling 471,000 gallons; 16 percent increase in eggs, totaling 81,000 dozens; 17 percent increase in spring farrowing of pigs and a 5 percent marketing in beef cattle.

The county allotments were approved with the exception of milk which the board asked the State Board to reconsider in relationship to surplus milk prices in the Cincinnati market and further need for improvement in whole milk prices. The patriotic spirit of our farmers combined with improved prices for farm products will encourage expanded production in not only milk, pork, eggs and beef for which allotments have been set up but also corn, barley, soybeans for seed and sheep, for which increases are also requested.

The "live at home" program on the program for producing a larger part of the home food supply was recommended for all farms. The board recommended that this program be made a part of the Farm Defense Program survey that will be made by the County Agricultural Conservation Association committee beginning the week of November 10th.

HEBRON HOMEMAKERS

The meeting was called to order by the retiring president, Mrs. Katherine Peel, who presented the pin and gavel to the incoming president, Mrs. Virginia Pope, at the home of Mrs. Bertha Conrad.

Mrs. Pope introduced our project leaders, Mrs. Stella Nichols and Mrs. Nancy Campbell, who together gave the lesson on Menu Making, emphasizing the importance of a perfect balanced diet. The leaders concluded their lesson by explaining the points of the balanced lunch, which the hostesses, Mrs. Myrtle Casper, Marietta Garnett, Bessie Acra and Virginia Pope had prepared. After singing our grace song we adjourned for lunch.

Roll call was answered by suggestions to aid the program chairman. Mrs. Moore told about the government man who is coming to test the cows in the county for Bangs disease. She then reported on the meeting held at Burlington, concerning the purchase of a permanent fair ground.

The Citizenship chairman Mrs. Stella Nichols, suggested that a Red Cross exhibit be held in connection with the Bazaar given by our club.

The program chairman, Mrs. Hilda Hogan asked her committee to select their helpers for the Bazaar. Bessie Acra, who is in charge of the white elephant sale and Bazaar table chose Sue Rogers, Laura Newland and Jenny Goodridge. Lorena Clore, who is in charge of the rug and leathercraft exhibit selected Myrtle Crutcher, Alberta Dickey.

The membership, reading and exterior beautification chairmen gave very good reports.

There were 18 members, 1 new member and 5 visitors present. We were very glad to have such a large attendance.

A motion was made by Mrs. Stella Nichols and seconded by Mrs. Bessie Acra that Mrs. Oma Riley be asked to be present at the Bazaar with a Red Cross exhibit. The motion carried.

Mrs. Nancy Campbell made a motion that the club give a donation of $2.00 to the fair ground committee. Mrs. Marietta Garnett seconded the motion. After some discusion it was carried.

There being no more business, the meeting adjourned. Everyone went to the yard where Mrs. Stella Nichols led the group in dancing several folk dances before going home. It was decided that the Homemakers meet at the Odd Fellows Hall next Thursday, Oct. 16 to practice some more folk dances and singing games. Everyone requested to attend.

Mrs. Katherine Peel, Secretary.

1942 TOBACCO ALLOTMENTS TO BE SAME AS IN 1941

Tobacco allotments for burley, dark air-cured and dark fire-cured types will be the same in the 1942 agricultural conservation program as in 1941, the State AAA office announces.

J. F. Cleek, Chairman of the Boone County Agricultural Conservation Association, points out that this means all farm allotments will remain the same except where adjustments are required because of marketing quota violations or other special conditions defined in laws and regulations.

Total State allotments for the three major types of tobacco grown in Kentucky are: Burley, 264,275 acres; dark air-cured, 30,780 acres; and dark fire-cured, 33,150.

Mr. Cleek points out that farmers who have kept their tobacco acreage within allotments under the program and who have used the program's soil-building allowances to build up their land are now in position to produce larger quantities of foods needs in the defense program.

Many farmers, he states, may find it profitable to shift more of their time from tobacco growing to production of meat, poultry and dairy products for which there is a growing demand.

BOB CONSIDINE TELLS FOOTBALL STORY INVOLVING U. S. SENATOR, CHANDLER

The following article was taken from a Washington, D. C., paper:

That Roly-Poly, drawling little Butts is Bob Considine the best story teller the N. Y. Football Writers Luncheon has heard since Jimmy Conzelman. Here's his story on a particularly dense gridman, who passed a last-ditch eligibility examination with flying colors:

"Happy Chandler, the U. S. Senator, used to coach at this Louisville school I'm speaking of. Happy wasn't much account as a coach. But you know how it it. They take care of fellows like that, so they made him principal. Well, the day of the big game comes up and the star of the team is so dumb that his teachers won't let him play. So the coach took him to Happy's office, explained how dumb he was and asked the principal to give him an examination, and Happy agreed.

"'I'm only going to ask you one question,' Happy said. 'Just name me the capital of this ga-reat State of Kentucky.'

"Well, the coach sighed with relief and settled back, figuring that the player surely could answer that, no matter how stupid he was.

"'Versailles,' the player suddenly answered. And the coach yelled: 'Much as I need you, you dumb so and so, I won't use anybody that stupid.' And he started to go out. But Happy stopped him.

"'Wait just a minute,' Happy said. "There's nothing wrong with that answer. The city of Versailles, Kentucky, is within fifteen miles of Frankfort, the capital. Fifteen from one hundred leaves eighty-five. And eighty-five is a passing grade in any school.'"

HALLOWE'EN CELEBRATED BY Y. W. A. AND G. A.'S

The Y. W. A. and the G. A.'s of the Belleview Baptist Church were hostesses at a Hallowe'en party given in the barn at the home of Mr. and Mrs. Willard Ryle last Thursday evening. Approximately 80 friends of the girls, of all ages attended the party. Forty-five of the guests were masked.

Mrs. Ryle presented prizes to the one voted the prettiest and to the one judged the funniest. Miss Elma Marie Ryle was chosen as the prettiest and Mrs. Espy Ligon was declared the funniest.

The opinion of the crowd was that Mr. and Mrs. Ryle were ideal hosts and that the evening was one to be long remembered.

HEBRON SCHOOL BAND ORGANIZED

HYBRID CORN INCREASES YIELD

FIFTY PERCENT OVER LOCAL VARIETIES GROWN UNDER SIMILAR CONDITIONS ON THREE DEMONSTRATIONS.

Hybrid corn, harvested from demonstration plots on the farms of Ira Tanner, Florence; Shelby Beemon, Florence; and Reuben E. Kirtley, Hamilton, produced on an average of 50 percent more per acre this year than local varieties grown under similar conditions, according to Franklin Frazier, Assistant County Agent.

The average calculated yield per acre from all hybrids was 51.4 bushels, compared with a yield of only 32.4 bushels per acre from local varieties. Therefore, the hybrid corn produced an average of 19 bushels of corn more per acre than local varieties.

Kentucky 69 lead other white hybrids with an increased yield of 68.5 percent over local varieties. U. S. 13 produced more than other varieties of yellow hybrids grown on ridge land, while in the Ohio River bottoms, Kentucky 103 produced the larger amount.

Dry weather, experienced by these farmers during a large part of the growing season, was a primary factor in bringing about an outstanding increase in the yield of hybrids over that of local varieties. Hybrid corn has a more extensive root system than local varieties, and, naturally the superior root system was effective in bringing about increased yields. During an average season hybrid corn can be expected to yield about 20 percent more than local varieties.

Last spring many farmers asked this question, "Will it be profitable for me to plant hybrid corn?" Results from the three hybrid corn demonstrations indicate that for each dollar spent for seed, the farmer would realize a return of at least eleven dollars through increased yield from hybrid corn over the local variety.

This evidence adds to a conviction that is growing and spreading among farmers of the county, that is, "A farmer raising corn can't afford not to grow hybrid corn."

The adult who is not interested in improving the opportunities that exist for young people is not a credit to the human race.

A Gallup poll of Boone County school children will reveal a unanimous conclusion that education is not what it is cracked up to be.

DESIRABLE INDEPENDENCE TRACT TO BE SOLD NOV. 8

The farm of Lysetta Wilkie, on Maher Road, three miles west of Independence, will be sold at auction Saturday, Nov. 8, 10 a. m. The 90-acre farm will be sold in two tracts: 60 acres, house, barn and buildings; and 30 acres with no buildings.

The sale will include an automobile, livestock, farm implements, corn, potatoes, hay, fodder and household articles.

Rel C. Wayman, Covington real estate agent, will conduct the sale, and Harry Johnson and R. M. Lucas will be the auctioneers. A turkey will be given free.

BELLEVIEW CHURCH OF CHRIST
Sam Hamilton, Minister

Bible School 9:30 C. S. T. Russell Rogers, Supt.

Worship Service 10:30.

Sermon subject: "Trees."

The Elders and Deacons met in regular stated session at the home of Bro. Russell Rogers. The board organized itself for the ensuing year. Bro. W. G. Kite was designated chairman; Bro. Raymond Hightower, vice chairman and Bro. J. A. Rogers, clerk. The discussion of plans for the near future and needed improvements made the session an interesting one. The board in the future will meet on the first Saturday night of each month, at the homes of the various board members. The next session will be held at the home of Bro. J. A. Rogers.

The unusually large turn out at the Hallowe'en festival was the source of much joy to all concerned. Forty-six persons were present in the gaily decorated home of Bro. and Sister Allen Rogers for the event. Considerable ingenuity was displayed in the wide variety of costumes for which numerous prizes were offered. The House of Horrors was an unusual feature on the program and was the source of unexpected thrills and entertainment to the guests. The high quality of the games and contests was marked.

Special commendation is due the entertainment committee, Mrs. Dudley Rouse and Mrs. Raymond Holbrook, the Ladies' Aid for the efficient way in which they provided the superb refreshments, and to Bro. and Sister Rogers for their gaily decorated home and christian hospitality.

Our Aim: To restore New Testament Christianity, in its faith, its practice, its life and its fruit.

This Week In Defense

Aid to Britain and Russia

OPM Materials Director Batt said in a radio speech from Washington he had returned from the aid conference in Moscow with the thought that the "sensible, sane and selfish" course for the U. S. "is to deliver the goods—everything we possibly can provide—into the hands of people who can use them . . . against the enemy while he is still thousands of miles from our shores . . ."

The Maritime Commission announced delivery of the first of 60 emergency cargo boats being built for the British. The President signed the $5,985,000,000 second lend-lease appropriation and created in the Office for Emergency Management a Lend-Lease Administration with Edward R. Stettinius, Jr., as Administrator.

Pan-American Relations

The Export-Import Bank authorized a $6,000,000 credit to the Banco Obrero, Venezuela, and announced special credit arrangements with banks in Latin America will be made to facilitate trade among the nations of the Western Hemisphere to enable the American Republics to procure essential requirements for development of their resources and stabilization of their economies.

Prices

The Labor Department reported its daily price index of 28 basic commodities rose 1.3 percent during the week of October 17 to 24, bringing prices in the index to more than 34 percent higher than a year ago.

Price Administrator Henderson announced a comprehensive program to stabilize prices of all products made of copper, brass, or their alloys. He also issued a price schedule on glycerine and bed sheets. Sheet prices will be approximately 15 percent below current market levels, Mr. Henderson said.

Facts and Figures

Archibald MacLeish, Librarian of Congress, was appointed by the President to direct a new Office of Facts and Figures to "formulate programs designed to facilitate a widespread and accurate understanding of the status and progress of the national defense effort." The new office will advise Government agencies how they can best present information and data on national defense to keep the public fully informed.

Employment and Wages

Secretary of Labor Perkins reported average hourly earnings of factory wage earners were 74.5c during August. Federal Security Administrator McNutt announced 545,700 jobs were filled through the State employment services during September—55 percent more than last year. Wage-Hour Administrator Fleming said he favored a program of wage stabilization which would not freeze wages at present levels, but would first adjust existing differences between one plant and another doing the same work and make provisions for adjustments to increases in the cost of living.

Labor Disputes

The President directed Secretary of War Stimson to take possession of and operate the Bendix, N. J., plant of Air Associates, Inc., after a dispute developed at the plant over the reinstatement of strikers on the recommendation of the Defense Mediation Board. Colonel Roy M. Jones, in charge of 2,100 soldiers who took over the plant, said "employees desiring to return to their jobs will be given all necessary protection . . ."

The Defense Mediation Board began hearing on the labor dispute involving captive coal mines in the Appalachian area after the United Mine Workers voted to accept the President's request to return to work in the interest of defense pending settlement of the dispute. The U. S. Conciliation Service reported settlement of 30 other labor disputes.

Defense Housing

Defense Housing Coordinator Palmer reporter 1,285 publicly-financed defense homes were completed during the week ended October 25, bringing the total ready for occupancy of 46,572. Homes being built or already completed under the defense program now number 101,785.

Dental Care for Selectees

Lt. Commander S. R. Wells, chief dental officer of the Selective Service System, said in a speech in Texas that the program to rehabilitate selective service registrants with physical defects than can be remedies will begin with the treatment of 100,000 men for dental defects. The men will be treated by dentists in their communities at the expense of the Federal Government.

Civilian Morale

The Office of Education announced that in cooperation with the Office of Civilian Defense it will develop a School and College Civilian Morale Service through which "hundreds of thousands of teachers, educational leaders and citizen volunteers" can participate in the defense program by organizing "Freedom's forums" in schools, colleges, clubs, churches and libraries to discuss national problems" with respect to facts and without hysteria."

Civilian Supply

Priorities Director Nelson ordered a 35 percent reduction in the use of steel by non-mechanical ice refrigerator manufacturers and a 17 percent cut in production of domestic washers and ironers. Mr. Nelson said that in one year 32,000 tons of steel would be saved by the latter cut.

Army

Secretary of War Stimson announced that specially selected Signal Corps reserve officers are in land studying air-raid defense prior to assignment with the U. S. Army Aircraft Warning Service. Mr. Stimson also announced the first battalion of the 87th Infantry Mountain Regiments—first regiment designed for mountain warfare—will be organized at Ft. Lewis, Washington, this month. The regiment will be made up of men specially skilled in mountain climbing and ski and snowshoe travel.

Ships

The Maritime Commission launched two more Liberty ships. The Navy announced the 368 craft in its small-boat building program are being built by 76 firms thruout the country to spread the work as far as possible.

Power

Priorities Director Nelson inaugurated a power conservation program calling for curtailment of the use of power by non-defense industry in Alabama, Florida, Georgia Mississippi, North Carolina, South Carolina and Tennessee unless heavy rains end the power shortage in these States before November 10. Program would prohibit use of power for advertising signs, shop windows, and night athletic events.

A WARNING!

Because they have no pain, many persons never suspect they are subject to eyestrain. This is a harmful situation. Eyestrain is a constant drain on the nervous system, and may cause headaches, lassitude, etc. If neglected, it may work serious injury.

Let us carefully examine your eyes and furnish proper glasses, if needed. Relief from eyestrain will make you feel like an entirely different person.

SAVE and SACK the BEANS

WHILE chopping and storing the hay, the new Letz mill with grain separator sacks the beans. Saving high priced beans soon pays for a Letz—the surest money maker for any livestock farm.

Says Letz user, Lee Chatham, Danville, Indiana, "We chopped and blew into the mow 72 acres of soybean hay. We sacked 1,000 bushels of Manchu beans, keeping some for seed, recleaning and selling the rest for $1.25 per bushel. These beans brought us in over $1000.00."

Come in and investigate this wonderful machine. For most farmers feeding beef or dairy cattle, lambs or hogs, the Letz mill saves its cost and more the first season used. Let us demonstrate one for you.

WANTED

MORE PORK and BEEF

This year hogs have been selling at the highest prices in three years. Home defense demands for pork are increasing every day and exports to Great Britain take up all we can spare. Moreover, the demand for beef is just as great. Defense workers, soldiers, people in war-torn countries—all must be fed by the pork and beef American farmers produce!

Purina Hog Chow and Steer Fatena are built to bring top results in the feedlot. For example, for years many experienced feeders have produced 100 lbs. of pork in dry lots on about 5½ bu. grain and 50 lbs. Hog Chow. They have fed Steer Fatena for fast gains, early to market and more money for their grain. So drop in to see us. We'll show you records that prove these feeds can bring top results at low cost!

TUESDAY AND WEDNESDAY

Robert Montgomery is starred in the new Columbia comedy, "Here Comes Mr. Jordan," which will be shown at the Gayety Tuesday and Wednesday. He is the only actor in pictures to hold an A. B.—able seaman—ticket. Montgomery, who earned the certificate as a seaman on the oil tanker, worked because he needed the money. He became an actor for the same reason.

NEW LEGISLATION SUPPORTS PRICES OF NEEDED FOODS

Kentucky farmers who volunteer their help in producing the increased quantities of hogs, eggs, evaporated milk, dry skim milk, cheese, and chickens sought in the 1942 Farm Defense Program will have the protection of new Federal farm legislation against price collapses for these particular commodities, M. D. Royse, chairman of the State Agricultural Defense Board pointed out this week.

The new act of Congress, known as the Steagall amendment, requires that, whenever in the present emergency the Secretary of Agriculture finds it necessary to encourage the expansion of the production of any non-basic agricultural commodity, he must issue a public notice calling for the expansion.

The same law also directs him to use funds available to him for the disposal of agricultural commodities so as to support a farm price for the commodity of not less than 85 per cent of parity. Before the Secretary can discontinue a price-supporting program, he must give sufficient public notice of the termination to permit producers to make readjustment in production, tion, Mr. Royso said.

Secretary Wickard has already given public notice covering, until December 31, 1942, hogs, eggs, evaporated milk, dry skim milk, cheese, and chickens. The basic commodities—corn, cotton, wheat, tobacco, and rice are supported through loans at rates based on 85 per cent of parity.

"This new development is proof that the national farm program can be used to protect the income and security of the farmers who answer America's call for greater production of vital foods," the State Board Chairman commented.

"Fortunately, that protection is not required now, because the farm prices of every one of the non-basic commodities listed is well above the 85 per cent of parity level, but farmers can plan their 1942 production in the knowledge that prices can and will be supported, should it become necessary."

JUNIOR ECONOMISTS AND ADMINSTRATORS NEEDED

Annually, the Civil Service Commission announces an examination under the title of "Junior Professional Assistant" which includes a number of optional fields. It is intended to promote a career service in Government professional and scientific fields by enabling graduating students at colleges to compete for and enter the service at the junior grade level, requiring no experience in these fields. The registers established for Junior Administrative Technicians, Business Analysis, and Economists from the Junior Professional Assistant examination announced early this year have been used extensively. In anticipation of continuing heavy demands the United States Civil Service Commission has announced the Junior Professional Assistant examination in these three fields. The new examination is announced to augment—not to replace—those registers. Both regular and defense agencies of the Government are in need of these three types of eligibles. The positions pay $2,000 a year.

It is expected that the annual Junior Professional Assistant examination covering other subjects will be announced in January 1942, but without these three fields. Accordingly, all interested persons, including college seniors and graduate students, who are qualified and will complete the required special courses prior to July 1, 1942, are urged to make application under this announcement. Applications must be filed not later than November 3, 1941 with the Civil Service Commission in Washington, D. C. Applicants must not have passed their thirty-fifth birthday.

Full information as to the requirements for these examinations and application forms, may be obtained from the Secretary of the Board of U. S. Civil Service Examiners at the post office or customhouse in any city which has a post office of the first or second-class, or from the United States Civil Service Commission, Washington, D. C.

Tourist Show Much Interest In Kentucky

That vacationists and others who travel the highways of the Nation are interested in Kentucky during autumn is evidenced by an increase thus far in October of 40 percent in number of inquiries received at the Frankfort office of the Division of Publicity over September. Leading all the states in inquiries was New York, with Illinois second and Ohio, third.

Inquiries came from every state in the Union during October except Wyoming, Vermont, North Dakota, Nebraska and Nevada. Many hundreds of additional inquiries have been received by the Division of Publicity since nation-wide distribution of a new illustrated Kentucky Highways booklet, first released in June by J. Lyter Donaldson, commissioner of highways.

Since all inquiries covered in the mid-October report of the Division of Publicity were received prior to release of the autumn number of In Kentucky, the State's quarterly magazine, it is believed a new high has been reached in autumn interest in Kentucky, as previous peaks of requests for literature and information about Kentucky's famous shrines, the Bluegrass, parks, etc., have always come immediately following distribution of the magazine.

Autumn issue of In Kentucky will be in the mails this week, containing a Sesqui-Centennial feature, partly in color photography; articles about Kentucky's Lashley Quads, Butler State Park, the Buckner Shrine at Brandenburg, a Kentucky Rock Garden, illustrations of famous Kentucky places and scenes, and a Kentucky poem or two.

BULLITTSVILLE HOMEMAKERS

The October meeting of the Bullittsville Homemakers was held at the home of Mrs. Jonas Stevens, with 16 members, 3 visitors and Mrs. Moore the home demonstration agent, present.

The meeting was called to order by the preident Mrs. Haynes Bruce. Mrs. Wm. Hill and Mrs. J. R. Williams, project leaders had charge of the morning session and gave the lesson of the month, which was "Meal Planning and the Value of Foods." They gave the lesson in such an interesting manner that all members were very much enthused over the project.

Mrs. Haynes Bruce, Mrs. J. C. Hauer, Mrs. Huey Aylor, Mrs. L. G. Marshall and Mrs. Jonas Stevens were the hostesses for the meeting, and served a very wholesome and delightful lunch.

After lunch a business session was held with reports by various committees. Mrs. Jonas Stevens, chairman of the Citizenship committee reported that the ladies of the club had made 23 infant garments for the Red Cross. She also gave a very interesting talk on the American flag and the Statue of Liberty.

Mrs. Charles Utzinger chairman of style trends instructed the club how to make and use tailor cushions.

The club pledged $10.00 to be given for the purchase of the Boone County Fair grounds.

Mrs. Wm. Hill, program chairman led the group in some songs and games.

The November meeting will be held at the home of Mrs. Wm. Hill on the fourth Wednesday with Mrs. Charles Utzinger, Mrs. Burnam Roberts, Mrs. Jonas Stevens and Mrs. Albert Willis as hostesses.

We know people who don't play cards but they can give you the details of the latest scandal that is being passed around the community.

Essay Contests To Be Sponsored For Junior And Senior High Students

For the last three years, the Library Extension Division, the Kentucky Citizens' Library League and the Kentucky Library Association have cooperated in sponsoring essay contests for Junior and Senior High School students on library conditions and needs in Kentucky. Two sets of encyclopedias have been given to the Junior and Senior High Schools presenting the first prize winning contestants. Cash and book prizes to individual winners totaled around $300.00 annually.

This year the contest theme is: "The library as an educational institution." Two sets of the beautiful "Pageant of America," a Yale University publication, will be given to the schools presenting the 1st prize winning contestants. Cash will be given to 1st, 2nd and 3rd prize winners in Junior High Schools and Senior High Schools. Fourth prizes and 16 regional prizes will be books. The "Pageant of America" is a gift from "A graduate of Yale University" and the Kentucky Citizens' Library League. The League is also donating the other prizes.

The contest closes December 5. Enrollment is open until November 5. A package of materials helpful in developing the theme may be secured free by writing to the Library Extension Division, Frankfort, Ky.

ESTABLISHED 1875

VOLUME 66 — BURLINGTON, KENTUCKY THURSDAY, NOVEMBER 13, 1941 — NUMBER 24

TEAMWORK IS DISPLAYED

BY HEBRON FIVE IN OPENING CONTEST OF SEASON—NEW HAVEN FIVE TRIM BURLINGTON.

The Hebron Cardinals annexed a 32-27 victory in their opening contest, when they turned back the Cold Springs in a well-played game at the Hebron gym Friday night.

The winners displayed fast evenly-balanced teamwork in holding a lead in score at the end of each quarter. Hogan and Getker chalked up nine points each for Hebron, while Klump and Hale deadlocked at nine each for the visitors.

In the preliminary game the Hebron reserves swamped their opponents 33-10. The Cardinals journey to New Haven for their second contest Saturday night at 8:00 E. S. T.

The Burlington Eagles suffered a 47-30 setback at the hands of the New Haven team on the Burlington floor Wednesday night, as the New Haven five also served notice that they were going to be a hard team to defeat this season. After finishing the first quarter in an 8-8 deadlock, the winners forged ahead gradually increasing their lead from then on. Huey was high point man of the game, chalking up twenty points for Burlington, while Judge led his team with eighteen points, followed by Simpson with twelve.

The Burlington reserves turned back their rivals 18-10 in the preliminary game.

Burlington suffered a second defeat last week, as they were nosed out 40-35 by the Highland team at the Burlington gym Friday night. After getting off to a slow start and finishing the first period on the short end of a 11-2 score, the Burlington boys took the offensive and from then matched their opponents play for play, but were unable to overcome their opponents' lead, though only three points separated the teams' score several times. Zint led the winners' offense with fifteen points. Huey led his team with eight. The Burlington Reserves triumphed 15-10 in the preliminary contest.

The Eagles journey to Florence for a game Friday night, at 8:00 E. S. T. The New Haven five will see action at Warsaw Friday night and will be host to Florence five next Tuesday night at 8:00.

Richwood Revival Will Begin Sunday

Revival services will be held in the Richwood Presbyterian Church next week, beginning Sunday, November 16th. Rev. J. Russell Cross, pastor, will preach each evening throughout the week at 7 p. m. A cordial invitation is extended to all to attend these services.

DEMONSTRATIONS SET NOV. 19-21ST

FOUR MEETINGS SCHEDULED IN COUNTY—FEDERAL TOBACCO GRADERS WILL GIVE DEMONSTRATIONS.

Four tobacco stripping and grading demonstrations will be held in Boone County on Wednesday, November 19th and Friday, November 21st, according to H. R. Forkner, County Agent. Federal tobacco graders will give the demonstrations at each of these meetings.

The schedule of the meeting is as follows:

Wednesday, November 19th— 10 a. m. Frank Hossman's, 2 miles east of Hebron on State Road 20; 1:00 p. m. Hugh Baker's, 2 miles South of Petersburg on Petersburg-Grant Road.

Both of the above meetings will be under the supervision of James Robert Huey, Vocational Agriculture Teacher of Hebron School.

Friday, November 21—9:00 a. m. Hubert E. White's farm, 2 miles south of Burlington East Bend Road; 1:00 p. m. O. K. Whitson's tobacco barn in Verona.

Tobacco growers in most instances will need this year to make slight changes in their grades to secure greatest advantage from Government gradings and Government loans on tobacco that is pooled. The graders at these meetings should prove a big help to all growers. All tobacco growers are invited and urged to attend one or more of these meetings.

Prominent Florence Man Dies At Age Of 50

Al Scott, 50, Florence, died suddenly at his home on U. S. 42 at 8:00 p. m. Tuesday night, having suffered from a heart ailment for quite some time.

Mr. Scott was born in Kenton County, but had lived in Boone for over 30 years. He was a member of Holy Name Society, St. Pauls Church, Florence.

Besides his wife, he leaves 5 sons, Bernard, Collins, Jim, Herbert, Aloyisius all of Florence; 4 daughters, Mrs. Virginia Rudd, of Washington, D. C., and Mary, Patricia and Elizabeth, all of Florence; his mother, Mrs. W. H. Scott, Sr., of Florence; 5 brothers, George, W. H., Jr., Charles, of Florence, Arthur Scott of Walton and Louis Scott, of Erlanger; six sisters, Mrs. E. A. Stutebeck, of Covington, Mrs. Katie Hartman, of Florence, Mrs. Thos. Mulvey, of Latonia, Mrs. James Bonar, of Piner, Mrs. Elmer Glazier of Louisville and Mrs. Walter Cornelius, of Covington.

The body may be viewed by friends at the home until Friday.

Services will be held at the home at 8:30 Friday morning with requiem high mass at St. Paul Church at 9:00. Burial will be in St. Mary cemetery, Ft. Mitchell.

Tharp and Stith, Florence funeral directors will be in charge of arrangements.

Thanksgiving Services Will Be Held At Local Baptist Church Nov. 19

Thanksgiving services will be held at the Burlington Baptist Church on Wednesday night, Nov. 19th at 7:30 p. m. Rev. T. O. Harrison of the Burlington Methodist Church will deliver the sermon.

Members of the Methodist and Baptist Churches and all people of the community are cordially invited to attend this service, which is being sponsored by the young people of the church.

If there ever was a time when the people, not only of this town, but of this entire nation should be thankful for the blessings that we have, it is now and we should come to a service like this to express our thanks to God for them.

Horton-Gruelle

The marriage of Miss Nora Frances Horton, daughter of Mr. and Mrs. W. R. Horton, of Union, Ky., to Mr. Ferda Gilbert Gruelle, son of Mr. and Mrs. F. Gruelle, also of Union, was solemnized on Saturday, November 8, 1941 at the home of the officiating minister, Rev. Samuel Lawrence Branham, with the attendants, Miss Pauline Aylor and Mr. Galen Arrasmith.

The home was beautifully decorated with palms and chrysanthemums, forming a lovely altar for the very impressive wedding ceremony.

The bride was charging in a creation of blue, while her attendant was attired in rose with brown accessories.

In attendance were the immediate families of the young couple and a few intimate friends only.

The young people, with their attendants left immediately following the ceremony for a trip through Kentucky, visiting points of interest.

After November 10th, they will be at home to their many friends at 213 Eighth Street, Covington, Ky.

Letter Received From Former Boone Countian

The following letter was received from W. W. Gaines, of Atlanta, Ga. The letter follows:

When I was in my latter teens I was the Bullittsville correspondent of The Recorder. My compensation was a free subscription to the paper. Mr. W. L. Riddell was the editor.

I was reared in the Bullittsville neighborhood, came to Atlanta in October 1 91, just 50 years ago. I had graduated at the Law School of Washington and Lee University the June previous.

I think I have been a subscriber to The Recorder all of these years that I have been in Atlanta. I look forward to its coming each week. It greatly enables me to keep up with relatives and old-time friends and with Boone County in general. Good wishes to you. I do not think the paper has ever been better. One of the most interesting sections of the paper, to me, is that of "Forty Years Ago." I always turn to it.

RED CROSS HOLDS ANNUAL MEETING

OFFICERS ELECTED FOR ENSUING YEAR — INTERESTING AND INSTRUCTIVE PROGRAM IS RENDERED.

The annual meeting of the Boone County Red Cross and the Organizational meeting of the Roll Call Workers was held Monday evening in the Union Presbyterian Church Annex, with dinner served by the Woman's Auxiliary of that Church.

Officers were elected for the ensuing year, as follows: Chairman, J. Russell Cross; vice chairman, Chas. W. Riley; Secretary, Patsy H. Slayback; treasurer, C. L. Cropper.

Various chairmen were asked to tell the workers something about the work being done by their committees. Mrs. Martha L. Huey told of the program being carried on by the War Production Group. A splendid number of garments have been made and knitted and this work is progressing nicely in Boone County. Under the leadership of Mrs. J. Kirtley Cropper, chairman of the Nursing Activities committee, and the Boone County Red Cross Health Nurse, Miss Elizabeth Lowry, health activities have increased during the past year. The Blue Ribbon program has now started in its second year and much enthusiasm is being shown by school children in securing a blue ribbon this year.

Mrs. James C. Layne of Florence spoke briefly on the vital necessity of keeping our Red Cross Chapter at its greatest possible strength during this time of emergency. We have been assigned the quota of 1800 members which should not be difficult for Boone County. Join your Red Cross Chapter today! A list of the workers in each precinct will appear in this paper next week. In the meantime, remember: "All out for the Red Cross!"

Nursing Committee Of Red Cross Meets

The Nursing Activities Committee of the Boone County Chapter of American Red Cross met for its regular monthly meeting in the courthouse, Burlington, last Tuesday afternoon.

Chairman J. Russell Cross called the meeting to order, and discussed plans for the 1941 Annual Roll Call to begin on November 11th.

Miss Elizabeth Lowry made her report of the month's work, which report was received and accepted. Miss Lowry was presented with an authorization to conduct classes in Red Cross Home Nursing, signed by Miss Mary Beard, director of the Nursing Service of the American National Red Cross. The committee is glad to announce that the first class in Home Hygiene has been organized at Burlington, has an enrollment of twenty-six and is meeting each Monday evening at the courthouse. The committee hopes to establish classes in other sections of the county in the near future. Those interested in seeing a class organized in their community should see either Miss Lowry or Mr. Cross.

Another Pig Story Mailed Recorder

This week we received another pig story from A. G. McMullen, of Burlington. The story follows:

On April 9th and 14th I had two sows to farrow, 14 pigs each. One raised ten and the other 12 pigs. On October 31st I sent 20 of these pigs to the Cincinnati market. In selling they made two lots of ten each. Ten of them weighed 1995 lbs and the other ten weighed 2595 lbs., they being one-half pound short of average 230 lbs. each.

I think this is pretty good for 6½-month-old pigs. I fed them Bi-County Farm Bureau feed.

A. G. McMullen.

Elsmere Druggist Is Father Of Fine Baby Boy

The proudest man in Erlanger this week is none other than Sidney Horwitz, owner and operator of Elsmere Drugs, Dixie at Garvey, Erlanger, since the arrival of a fine baby boy born Monday night, November 10th.

This bit of information is not official, but this writer is inclined to believe that if you call on Sidney sometime this week you may receive a small gift of some kind—maybe a cigar, eh Sid!

Mr. Horwitz has always carried a large line of cigars and this writer is inclined to believe that this week might not be a bad time to call on him.

C. S. Acra Named President Of NKAA Of Eastern Grads

C. S. Acra, Florence, was elected president of the Northern Kentucky Alumni Association of Eastern State Teachers College, Richmond, at a meeting held Friday.

Mr. Acra succeeds Roy S. Pille, Dayton, who now is in the U. S. Army.

Approximately 125 persons attended the meeting.

Plans are being made for a meeting of the Association during the Christmas holidays.

Robert Smith Injured When Cycle Skids

Robert Smith, of Union, a state highway patrolman, suffered bruises when his motorcycle skidded on the Dixie Highway early Tuesday. Smith was on the way to Newport to take part in the Armistice Day parade when the mishap occurred.

Gayety Theater News

TONIGHT AND FRIDAY

How would you pronounce J-E-K-Y-L? According to some it should be "Jeek-ill" with a long "E", but in the M-G-M picture, "Dr. Jekyll and Mr. Hyde," it is Jeck-ill, with a short "E." As for Mr. Hyde, he is pronounced a very wicked fellow.

The filmization of the Robert Louis Stevenson novel opens tonight at the Gayety screen, with Spencer Tracy, Ingrid Bergman and Lana Turner in the starring roles.

* * *

SATURDAY

It is the case of Cesar Romero the Casanova of Paradise Pavilian against Carole Landis, the blonde Venus (with arms!) in "Dance Hall," the new 20th Century-Fox romantic comedy which will be shown Saturday at the Gayety.

* * *

SUNDAY AND MONDAY

He is a rugged and muscular 220 pound character actor, but 20th Century-Fox had to get him a midriff protector to guard his tummy.

The actor is Jack Stoney, who has a small part in Edward White's "Wild Geese Calling," the picture scheduled at the Gayety for Sunday and Monday, and starring Henry Fonda and Joan Bennett.

TUESDAY

Meeting all kinds—and learning plenty that isn't in the training manual, Brenda Joyce has the title role in the new 20th Century-Fox hit at the Gayety Theatre, "Private Nurse." Jane Darwell, Sheldon Leonard and many others are also featured.

The Quality Sample Shoe Shop, 627 Madison Avenue, Covington, is pleased to announce the winners, in their annual free turkey gift to their patrons. At the first drawing on Thursday, Nov. 6, Mrs. John Schoo 426 W. Tenth St., Newport, was the winner of a 10-lb. turkey and a pair of her choice of any shoe in the house for being present at the time her name was drawn.

Mrs. F. Jones, 1708 Garrard St., Covington was awarded the cash door prize. Next award will be made tonight, Thursday, at 9 p. m.

Mr. and Mrs. Grover Snyder, of North Madison, Ind., have been spending the past several days here with friends and relatives.

The W. M. U. of the local Baptist Church will meet at the home of Mrs. W. L. McBee Thursday afternoon of this week at 2 p. m. All members are urged to attend.

4-Foot Vein Of Coal Found 100 Feet Under John R. Coppin Bldg.

The John R. Coppin Co.

When digging a well for installation of an air-conditioning plant in the basement of the John R. Coppin Company, Seventh Street and Madison Avenue, Covington, workers struck a four-foot vein of coal, William Macklin, President, announced Saturday.

A glacial deposit of gravel found at 64 feet continued until the coal vein was encountered at the 100-foot level, workers said.

Samples of the deposits are being examined by geologists at the Baker-Hunt Foundation, Covington.

Mrs. Gertrude Aylor

Burlington Boy Named Pastor Of Virginia Church

Cline L. Vice has been called as pastor of the Baptist Church at McLean, Va. McLean is one of the suburbs of Washinton, D. C., being about ten miles from that city. The community about McLean is growing rapidly as government workers are obtaining places of residence in the community. The Baptist Church at McLean is a comparatively new church and has about sixty members at present, but it has great possibilities for growth. Dr. Vice supplied at the church during the month of October, and was called on November 2nd. He has already begun the work on the new field.

Dr. Vice is a son of Mr. and Mrs. L. R. Vice of the Woolper neighborhood. He is a graduate of the Burlington High School in the class of '30. He attended Georgetown College and received the A. B. degree there in 1933. He made preparation for the work of the ministry at the Southern Baptist Theological Seminary, Louisville, Kentucky. From this institution he received the degree of Master of Theology in '37 and the degree of Doctor of Philosophy in '40.

For five and one-half years Dr. Vice was pastor of the Mt. Moriah Baptist Church at Boston, Ky. During that pastorate, which terminated in September of this year, he led in the erection of a new church building. Under his ministry the church had an addition of about 125 members of whom about 75 came by baptism.

Note: Inspect the Pecan exhibit of hardy varieties suited for northern Kentucky climatic conditions.

SHOWER FOR BRIDE-ELECT

On Saturday evening, November 1 a miscellaneous shower was given at the home of Mr. and Mrs. William Wilson and daughter, of near Union in honor of Miss Nora Frances Horton, bride-elect.

Many and beautiful were the gifts received from her friends and admirers. Refreshments were served to seventy-five relatives and friends.

Gallatin Sportsmen Sponsor Bird Dog Field Trials Sunday

Scores of bird dog owners in northern Kentucky will take part in the annual bird dog field trial to be sponsored by the Gallatin County Conservation Club Sunday near Warsaw.

Course of the trials is in Steele's Bottom and will be marked from U. S. Highway 42. The first brace will be run at 9 a. m., but entries will be accepted until 9:30 a. m., O. A. Boargardus, Jr., president of the club, announced.

Derby and all-age stakes will be run. The committee announced that lunch will be served on the grounds.

FINAL DRIVE FOR FAIR GROUNDS

TO BE MADE THIS WEEK—FINAL MEETING SET FOR THURSDAY EVENING, NOVEMBER 13TH AT COURTHOUSE.

The final drive to secure sufficient funds to secure a permanent Fair Grounds and Picnic Grounds was being made by the committeemen this week, according to H. R. Forkner, County Agent. The final meeting to decide whether or not it will be possible to purchase the grounds will be held at Burlington courthouse, Thursday evening, November 13th at 7:45 p. m.

The committeemen report encouraging results but indications are that the amount pledged will fall considerable short unless substantial pledges are made before Thursday evening.

Encouraging reports to the committee early this week were when the following looked up their local committee and without solicitation volunteered their pledges:

C. I. Sahfeld, Bullittsville $50.00.
Frank Demoisey, Walton $25.00.
E. C. Roberts, Walton $25.00.

We have the opportunity now to secure a site that will serve as a foundation for a permanent event in displaying our agricultural, home economics and industrial products which represent the newest, the best and most improved in our products. We will also have the opportunity to gather annually on the soil under the shade of trees that were fifty years ago known as Hawkins' woods and picnic grounds and today as Smith's woods.

Our opportunity to secure these grounds will expire Thursday night, unless more of our people can come forward while we still have time to act. See your local committeeman now, or phone or call in your pledge to Chas. Riley, County Attorney, or the County Agent's office, before Thursday night. The hard way—public donations is the plan—but the good way. The non-profit, public spirited plan that will never need to sell out to undesirable concessions in order to operate, is being followed. The success of this plan depends on you.

Fish And Game Club To Hold Regular Meeting

The regular meeting of the Boone County Fish & Game Protective Association will be held tonight (Thursday) at the club house on Idlewild-Burlington road, at 7:30 p. m.

The refreshments committee is planning to serve lunch it was announced by the president, Justin Dolph. All members are urged to attend this meeting.

HEARING FRIDAY NOVEMBER 14TH

FOR SOIL CONSERVATION DISTRICT—FARMERS URGED TO ATTEND—WILL DECIDE AS TO REFERENDUM.

All Boone County farmers should attend the Soil Conservation District hearing meeting at Burlington on Friday, November 14, at 1:30 p. m. (fast time), according to H. R. Forkner, County Agent. The purpose of the hearing is to decide whether or not Boone County will hold a referendum to form under law a soil conservation district.

The Soil Conservation District, if formed, will:

1. Permit farmers under special enabling law passed by the last Legislature to function cooperatively as a district in conducting soil conservation practices.

2. It will enable the government to supply machinery and labor and technical advice in carrying out this work.

3. The District, if formed, will function for five years after which time a relative small group of any farmers in the district petition a referendum for the discontinuance of its services.

4. There are many other points that will be brought out at the hearing Friday with which all farmers should be familiar.

Mr. and Mrs. Russell Finn and family spent Tuesday visiting in Owenton. While there they purchased some fine Bronze stock turkeys in Owen County.

PEACE HAS ITS PRICE

The people who say they hope the world will one day enjoy peace and that people will develop the arts of civilization without resort to warfare seldom ask themselves the price that individuals must pay for permanent peace.

No nation, and no people, can selfishly retain every advantage and expect other nations, and other peoples, to like it. The United States can hardly take pride in its higher standard of living, and maintain it by artificial devices, while pretending to serve the cause of humanity unselfishly.

We are not saying that we must give up our progress but, if we want permanent world peace, we must be ready to share everything with the world.

CALIFORNIA CITIES SAVE MONEY

Municipal officials made a year's study of fire insurance rates on city-owned property in 159 California cities, excluding San Francisco and Los Angeles.

According to a news bulletin of the Public Administration Clearing House, this study resulted in the reduction of fire insurance rates from 30 to 47 per cent.

Over a ten year period, the 159 cities paid fire insurance premiums amounting to $657,612. Fire losses cost the insurance companies only $98,179.

In other words, these cities have been paying fire insurance premiums that cost over six times the actual losses for the past ten years. With the new reduced rates, they will pay four times as much as losses will be, if fires do the same amount of damage in the future as they did during the past ten years.

The cities of Los Angeles and San Francisco do not carry any fire insurance, because they find it cheaper to assume fire losses.

ONLY ONE QUESTION BEFORE US.

The foreign policy of the United States, epitomized in the Lend-Lease law and implemented by appropriations made by Congress, is the only foreign policy of this country.

Loyal Americans are confronted, therefore, with a choice of supporting their government's foreign policy, or opposing it. There is no middle ground and no way, under our constitutional system, of altering it for some months to come.

It is well-known that the enemies of democracy contend that the people of a free nation will not unite in support of their government to an extent that will enable any miserable country to withstand the organized impact of a totalitarian state.

The people of this republic today face only one question: Can a free people, with differing opinions as to proper foreign policy, unite in supporting the foreign policy proclaimed by responsible and constitutional authority, in accordance with law and tradition?

Herr Hitler, and his stooges, have taken the negative side of the debate. They are assisted, at times, by ill-advised Americans who hardly realize the gravity of their attempt to hamstring the government in its relations with these foreign states.

IN PAYMENT FOR LEND-LEASE

The average American today believes that the billions of dollars that we are spending for Lend-Lease aid is being passed out without any strings attached. But if this is the case, why have members of the British House of Commons called United States defense officials "hard bargainers?"

It is true that defense officials are not making the mistake of the last war; that is, asking those nations in debt to us to repay us in gold. That was an impossible request in the last war, and it would be even more absurd now.

Our leaders, however, are compelling those nations receiving Lend-Lease aid to pay as much as they possibly can. For example, five-sixths of British holdings in this country have been sold to pay for war orders. And the bulk of the remainder is pledged as security for an RFC loan.

This is not the only way that Lend-Lease countries are paying us back. In fact, the United States is receiving air and naval bases, access to raw materials, and trade concessions that will greatly strengthen her position and prestige in the postwar period.

The Lend-Lease Act authorizes the President of the United States to arrange for the repayment of Lend-Lease funds in any direct or indirect way that he thinks is satisfactory. Thus, what this country receives in return for the Lend-Lease billions depends on our President's bargaining power.

President Roosevelt has billions of dollars with which to buy concessions to gain power and prestige for this country in the postwar era. And power and prestige are two essential qualities that the United States must have if she is to be a potent factor in dictating and consolidating a victorious peace.

THANKSGIVING THOUGHTS

The people of Boone County will soon be observing Thanksgiving Day, in accordance with American custom and while the world outlook is unhappy there are many reasons for us to be thankful to the Creator we worship.

Life is precious to every individual and, as a beginning for Thanksgiving thoughts, let us be grateful for existence itself. There may be higher forms of life somewhere in a boundless universe but human beings should appreciate the opportunity to grow spiritually on a mundane globe.

Next to life we would be thankful for the freedom that the Almighty has decreed for men and women. We live our lives, under no compulsion but our own willingness to attempt to approach the Divine Spirit in relationship with other struggling human beings. So, while the shadow of sorrow blots out peace, we should appreciate our spiritual freedom, a gift beyond comparison.

Men and women of today should be thankful for the upward struggle of men, which has gradually shaped for us a world of industry and intelligence, where all enjoy the fruits of the ages of the past. Born as helpless infants we inherit the greatness of former residents of the earth and we profit by their experiences, good and bad. It is a magnificent legacy that the former years have bequeathed to those alive now and it should be accepted with thanks.

The slowly developed civilization of the race is expressed in material progress, which comes to us without cost and is often enjoyed without a careless thought as to the source and the strength of our way of life. Strongly challenged, as it is today, our conception of man's place in nature belongs to the ages and shall endure if the men and women of the present are courageous in faith and intelligent in action.

On Thanksgiving Day reverent Americans look with faith to God, giving testimony to their belief in a Supreme Being, interested in the welfare of men and the development of saints. It is a religious day of deep emotion, too often disregarded for lesser interests as individuals seek escape from every day trials. Unfortunately, the churches of the land sometimes take the lead in the "black out" of Thanksgiving Day as a religious occasion and, for the convenience of the unconcerned, provide no service for the devoutly minded.

We do not expect every resident of this community to be worship-minded on Thanksgiving Day but we believe that there are many citizens anxious to participate in religious services on the day set apart by Presidential proclamation as an occasion to return thanks to the Divine Being. It is impossible to expect all people to agree upon any phase of religious thought but it is essential that those who desire a Thanksgiving service should find one available on Thanksgiving Day.

IMPROVED UNIFORM INTERNATIONAL
SUNDAY SCHOOL Lesson

UNION WITH CHRIST

LESSON TEXT—John 15:1-10.
GOLDEN TEXT—Abide in me, and I in you.—John 15:4.

Our lesson presents deep spiritual truths concerning our union with Christ — mystical, but practical; precious, but too often forgotten or neglected.

I. The Conditions of Union With Christ.

There is a sense in which union with Christ is entirely unconditional, one is either united with Him by faith or he is not. However, there are conditions for the fulfillment of all that such union carries with it. It is in that sense we use the word.

1. Cleansing (vv. 1-3). Christ is the Vine, and the believer as a true branch is united with Him. There is a oneness here which is difficult to express but delightful to receive and believe. He who is the Vine needs no cleansing, but the branch needs constant, daily purification by "the Word" (v. 3). Are we permitting God's Word to keep us clean? Only if we are reading it, studying it, meditating upon it.

There is moreover a severer type of purging to which the husbandman subjects the vine that it may bear more richly, and that is pruning (v. 2). It may not be pleasant, my brother, but it is profitable, and remember whose loving and sure hand it is that wields the pruning knife (v. 1).

Some branches must be cut away altogether (v. 1) and burned (v. 6). They lack the evidence of life—fruitbearing — and must be destroyed. These words are evidently not written to dishearten true believers, but they are a solemn warning to those who bear a false profession of Christianity.

2. Abiding (vv. 4-8). The branch bears the fruit of the vine. It has no strength or ability of its own to bring forth fruit. The Christian cannot serve Christ without abiding, and if he does abide the life of Christ will show forth in His living and serving. There can be no union without abiding in Christ.

3. Obedience (vv. 9, 10). The hall-mark of character in a child is obedience. That is also true in God's household. There is no use in talking sweetly and piously about abiding in God's love unless we obey His commandments. The Christian who disobeys the teachings of God's Word regarding holy living and does not respond to the leading of the Holy Spirit shuts off the blessing of God in his own life and stops its flow out to others.

II. The Results of Union With Christ.

1. Purity of Life (v. 3). "Now ye are clean"—how refreshing our Lord's words sound to us as we live in a wicked and filthy world. We sometimes wonder if there are any pure lives anymore. Yes, there are—those whom the Lord has cleansed by His Word. Would you like to be clean? Turn to Him and to His Word.

2. Prevailing Prayer (v. 7). At first one wonders why our Lord put in that word about prayer, but it is evident that one of the fruits of union and fellowship with Christ must be intelligent prayer according to God's will, in the power of the Spirit, and certain of an answer.

Notice that the prayer promise here is absolutely unlimited, but that it follows an "if" which states a closely limited condition. Let us fulfill the condition and claim the promise.

3. Fruitbearing (vv. 2, 4, 5, 8). The fruit a Christian bears is the fruit of Christ who is the Vine, but as the branch he does have the joy of bearing "fruit" (v. 2), "more fruit" (v. 2), and "much fruit" (vv. 5, 8). The Christian's phraseology can be borrowed, the Christian's service imitated, but his fruit produced only by abiding in Christ.

4. Abiding in Love (v. 10). We have been talking about abiding all through our lesson and it may seem strange to list it as one of the results of union with Christ, yet it belongs here. Our Lord said (v. 10) that the cleansed and obedient disciple should abide in His love, even as He obeys the Father and abides in His love.

What a picture that is. Christ, the One who knew no stain of sin (II Cor. 5:21), always perfectly obedient to the Father (Heb. 10:7), who knows complete and perfect fellowship with the Father, reaches out His loving arms and draws the believer into the circle of that blessed union and love.

'Only Thee'

No one can ever become quite solitary, quite poor, quite miserable, who can truly say "Lord, if only I have Thee." That is just the time when God makes his consolation most gratifying and abundant, when we through distress of body and soul have turned from all temporal things to Him, and have learned that royal, overshadowing "only thee."—Theodore Christlieb.

In view of the courageous stand made by the Russions the people of the world might as well revise their opinion of the Soviet.

Japan's immutable policies can be altered by force superior to that which promulgates them.

FARMERS TO USE TOBACCO PRESSES

The need of separating leaf to match colors and quality was stressed at four demonstrations in stripping and grading tobacco in Adair county. Also emphasized was the importance of tying neat hands of small size. Farmers were impressed by the appearance of the hands of tobacco as they came out of small homemade presses. The tobacco stripped at each farm was weighed and found to average about a pound per stick.

Foot Health In Relation To Mental Health

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
Where Foot Comfort Begins
9th and Madison Covington

When you suffer from flat feet, your muscular system is taxed and irritates the nerves of the foot, simultaneously affecting the entire delicate nervous system, causing it to function at less their normal capacity. The result of this whole action is a generalized irritability and unrest in the individual.

Ordinarily the body can overcome the irritations of its various sick parts, and is capable of removing the effects of the disease. The disturbances of the foot, however, are often subject to influences which the body has great difficulty in combating.

The foot according to dictates of society should be housed in a protective leather or cloth covering, which must meet the aesthetic tastes of the prevailing fashion. Thus, if the fashion dictates that, long thin shoes be worn, thousands of individuals with short wide feet will attempt to crowd them into long, thin, shoes, and visa-versa.

The vagaries of fashion may thus make you comfortable one season and uncomfortable another. However, when we consider the permanent effects of this change of style, we realize that the foot, which has a fairly permanent shape, has to respond like an elastic band. The harm wrought in one season does not disappear the next, but may rather be accentuated in some significant defect as for example the BUNION.

Once this defect is formed the foot is placed daily in what may be considered a vice or mold and the normal metabolis or growth activity of the foot is interferred with. The attempts of the body to overcome the irritation are frustrated and the physical ailment grows and becomes more pernicious. The mental effects of this constant irritant are such as to set up a continual hypersensitiveness in all behavior.—Adv.

PRIVATE GIVES VIEWS CONCERNING CAMP SHELBY

The following letter, addessed to the Camp paper at Camp Shelby, Miss., was written by a Private who is stationed there. The letter follows:

Editor
The Reveille
Camp Shelby, Miss.
Dear Sir:

I'm not the type of fellow you'd call a prude, but I'd like you to know I came to Camp Shelby as a member of the 38th Division last spring with a reserve of will power built up to resist the vice that I was informed went hand in hand with this and all Army camps.

My information came from numerous magazine and newspaper articles that left me with the feeling that Army camps make frontier towns look sissy. My resistance to this vice was born of common sense; I knew that Army pay does not stand up under undue dissipation.

Now, more than six months later, I'd like you to know that I have yet to make use of that will power. Temptation, as far as I've been able to observe, just hasn't broken cover here.

As I said above, I'm not a prudish fellow, and yet you wouldn't consider me an all-out rounder. I'm like most of the soldiers down here—fellows who can take their vice or leave it, but who usually don't take it unless it's thrust pretty forcibly on them.

By vice I mean principally women with, perhaps. a sprinkling of whisky, dope, and gambling. In my six months' residence here I've covered just about the whole of the entertainment front. I've been to the beer taverns and dance halls more times than I can count, but I haven't as yet been approached with a proposition more serious than a bottle of ale.

Don't think I'm dumb enough to believe nothing of that nature is going on. There isn't a town on earth that hasn't a vice outlet, and I know that our neighboring community has such spots. I also know that they are probably patronized by some soldiers of this camp. But they are insignificant when compared with the camp population.

The significant aspect as I see it is that those who do partake of the existing vice must go considerably out of their way. Middle-of-the-roaders like me can go about their business for days on end and never meet up with temptation in its baser forms. I've discussed this with a fairly representative group of the boys here and most of them say that their observation has been the same.

I'm writing this to you in the hope that you can use it to correct some impressions to the contrary among the folks back home. They've read the same things and gotten the same wrong ideas I had before I moved here.

Yours very truly,
A PRIVATE.

From Colonel Thomas L. Forenbaugh, camp surgeon, come figures to back up the soldier's letter. In a study of veneral diseases at Camp Shelby Colonel Ferenbaugh found that cases from February 1 to September 30, 1941, represented but two per cent of the camp's 50-000 population, well under the average Army rate. Colonel Ferenbaugh also found that 82 per cent of that small total was contracted while the men were on pass or furlough, generally outside Mississippi.

"Our venereal problem is small locally; hometowns are the greatest sources," he pointed out. The Army is doing its best here, but it needs greater assistance from civilians at home civilian authorities to clean up the towns; civilian doctors to establish venereal clinics."

Will Rogers, Sr., and Mrs. Alice Aylor have been very ill the past week. We wish them a speedy recovery.

Glad to report Henry Clore is somewhat improved at this writing.

The W. M. U. met at the home of Mrs. Ralph Cason for an all-day meeting Wednesday. Fifteen members and two visitors were present.

Rev. and Mrs. Raymond Smith and son of Elmwood,, Ohio, were calling on friends here Tuesday afternoon.

"Daddy" Rogers passed away Sunday night at the home of Mr. and Mrs. Forest Brown where he made his home. We extend sympathy to the loved ones.

Word was received here of the death of Mrs. Lula Presser, of Florence. Funeral services were held at the Florence Baptist Church Sunday at 11 o'clock and she was laid to rest in the cemetery here. We extend our sympathy to the loved ones.

Miss Corrinne Walton spent the week-end with her grandparents, Mr. and Mrs. Willie Huey.

Mrs. Sadie Kite and Mrs. Spille, of Sayler Park spent last Wednesday with Mr. and Mrs. Ralph Cason and attended the W. M. U. meeting.

Mrs. Hugh McArthur and family entertained her sister from Walton over the week-end.

Miss Elma Marie Ryle spent last week with her sister, Mrs. Hilda Sebree.

Miss Cora Aylor returned home after a few days' visit with Mrs. Alice Aylor, who is ill. Mrs. Lute Aylor of Florence is with her at the present.

Ed Maurer, of Louisville and Mrs. Hester Elliott, of Cincinnati, O., spent Saturday night with Mr. and Mrs. John Maurer.

Mr. and Mrs. Orville Sebree and son spent Thursday with Mr. and Mrs. Willard Ryle.

Mr. and Mrs. John Maurer and Mrs. Hester Elliott spent Sunday with Mrs. Bess Clore, of Waterloo.

Mr. and Mrs. Paul Aylor spent Sunday with Mrs. Alice Aylor and Mr. and Mrs. Lewis Stephens, of Florence, called on them.

A. B. Renaker and W. P. Beemon of Burlington were calling on Henry Clore one day last week.

Hugh McArthur and daughters were calling on Miss Alice Eggleston of Sand Run, Sunday evening.

Pvt. Everett Rogers, from Ft. Bragg, N. C., has been calling on friends and relatives here the past few days. He has been home for a week's furlough.

BURLINGTON HOMEMAKERS

An enthusiastic meeting of the Burlington Homemakers was held at the courthouse November 6. There were twenty-seven women present.

The leaders of the several projects, both major and minor were bubbling over with enthusiasm. The group could not help but become keenly interested.

The foods project which is the major project is going over with a bang. Seemingly the women are keeping step with the government in its nutrition program. Since through the medium of magazines, radio and newspapers, the men are becoming "vitamin conscious" and "food for defense, wise" it is well that the women are interested. Stockmen and poultry raisers feed their herds and flocks carefully, so why not homemakers take the same interest in their families?

During the course of the meeting $1.68 was presented to the 4-H Delegate Fund, also by subscription $6.95 was collected for the Fair Grounds Site Fund. It is hoped that this amount will be supplemented from the treasury.

The exterior beautification chairman told pretty much in detail the plans for beautifying the roadways in the county. A stretch on the Florence-Burlington Pike was decided upon for the first part of the work. The work is to begin this month. The chairman of this project is asking for donations of plants, shrubbery and trees. Native material will be used, such as honeysuckle, spireas, etc, sycamore locust, tulip, maple and oak trees. If there are persons who have anything they can give to this enterprise Mrs. Tolin would be glad to know by Nov. 13. The plants and trees are not asked for then, just the kind and number which can be counted upon. CCC boys will furnish some trees.

The Handicraft chairman, will be prepared at the January meeting to teach the making of reed sandwich trays, coasters, baskets and many other articles. This promises to be interesting work Any who would like to work with reed are welcome.

The lunch hour was a merry one. A well-balanced meal was served and properly. Table conversation should always be general and should include all members of the family. Faults, mistakes, and troubles should never be voiced at the table. Good digestion is dependent upon cheerfulness and harmony. A table spread with clean linen, flowers or plant as a centerpiece, colorful, well prepared food will be inducive for a happy gathering.

Mothers can do much for their children by having the whole family together for at least one meal a day. Much can be done by laying the table properly and serving correctly. A child, when eating away from home will feel much more at ease if he is accustomed to these niceties in the home.

There will be another meeting before Xmas. Members and friends, come out and help plan for a good party.

Worship Service 10:30.

The adult class began a verse by verse study of the book of "Romans" last week. The assignment for the current week is the first chapter. This study should prove to be intensely interesting to all. Bring your questions, your Bibles and your friends.

The church will enjoy a special Thanksgiving service, Wednesday evening, November 19, 7:30 p. m. (C. S. T.) Mrs. Mary Ellen Wolfe and Mrs. Alton Buckler will assist in the training of the youngsters for this service. We will receive a thank offering at the service on behalf of the Cincinnati Bible Seminary. A barrel will be placed in the lobby of the church to hold the offering which will be of produce and canned food. Let's fill the barrel as a token of our thanksgiving to God who has showered upon us abundantly of the riches of his grace through Jesus Christ. "Enter his gates with Thanksgiving, and into His Courts with praise."

The Ladies' Aid of the Church enjoyed an all-day meeting at the home of Mrs. Ashcraft, Wednesday.

Sermon subject for Sunday, "What God hath joined Together."

Our platform: In matters of Faith, unity; in matters of opinion, liberty; in all things, charity.

CONSTANCE

Miss Ruth Kottmyer, of Eastern State Teachers College spent the week-end with her parents, Mr. and Mrs. Henry Kottmyer.

The Ladies' Aid of the Constance Christian Church wishes to thank each and everyone for their donations and patronage which helped to make the oyster supper a success.

The Xmas entertainment of the Constance Christian Church will be on Sunday evening, Dec. 21.

A group of ladies from Constance spent last Thursday with Mrs. Louise Fox, of Cincinnati, O., making her birthday a very happy one.

The world is made up of many types of human beings; you do not have to approve every type but you might as well learn to live amicably with those who do not approve your own type.

SELF-FEED HEATER

Cabinet Unit No. 452—Two-tone brown, ivory Sale enamel finish.

●Progress marches on! Now it's KOL-GAS—the heater that gives you both radiating and circulating heat — the heater you'll want to own.

KOL-GAS is a self-feeder. Fill fuel magazine from top with 100 lbs. of coal. It cokes the coal and feeds down by gravity, as needed. Heats all day, all night or longer, without refueling! Provides more even temperature without frequent regulation and firing.

Air intakes below and above the fire give positive heat control — a great volume of heat for zero weather — a breath of warmth for cool days in spring and autumn. The Heat Booster, exclusive with KOL-GAS, lengthens fire travel; pours extra heat that otherwise would go up the chimney, into your rooms; reduces flue temperatures, thereby adding to safety.

Come in and see this new heating marvel that sells itself!

COVINGTON NEWPORT

This Week In Defense

The President, speaking by radio, said "The choice we have to make is this: Shall we make our full sacrifices now, produce to the limit, and deliver our products today and every day to the battlefronts of the entire world? Or shall we remain satisfied with our present rate of armament output, postponing the day of real sacrifice—as did the French—until it is too late?

"The first," the President said, "is the choice of realism—realism in terms of three shifts a day; the fullest use of every vital machine every minute of every day and every night; . . . staying on the job and getting things made, and entrusting industrial grievances to the established machinery of collective bargaining . . . The second choice is the approach of the blind . . . for them there is still plenty of time' . . . And their tombstones would bear the legend 'Too late'."

In a statement issued regarding Civilian Defense Week November 11-16, the President said "Each and every citizen as a civilian must do his share for defense . . . We must halt the waste and unnecessary use of critical materials required for defens.e We must work longer hours . . . And each of us must be trained in some task that is essential to our total defense . . ."

Lend-Lease Aid

The President arranged a $1,000-000,000 loan to Russia under the Lend-Lease Act. The loan carries no interest. Repayment—partly in materials—will start five years after the war ends and is to be completed in 10 years from that time. Observing the 24th anniversary of the Soviet revolution, the President telegraphed the Soviet Government "I am confident that the sacrifices and sufferings of those who have the courage to struggle against aggression will not have been in vain . . ."

The Navy authorized construction of 50 escort vessels for transfer to Great Britain under Lend-Lease Act at a cost of $300,000,000. The State Department announced a lend-lease agreement with Cuba involving an undisclosed amount of U. S. defense supplies for that country and supplies of sugar, tobacco and manganese in return.

Other Foreign Relations

State Secretary Hull announced the U. S. transmitted to Finland a peace offer from the Soviet Union with the advice that Finland must give evidence of willingness to discontinue military operations against Russia if Finland wishes to keep U. S. friendship. Mr. Hull also announced that if Germany does not now pay $2,967,000 damages for sinking the Robin Moor, the claim would be grouped with other pending cases for adjustment after the war. The President told a press conferen e the U. S. is considering withdrawing Marine detachments from China. Japan dispatched a special envoy to the U. S. for further disscussion of Far Eastern problems.

Ships Attacked

The Navy announced the U. S. S. Salinas, Navy oil tanker, reached port safely and without loss of life despite serious damage from a torpedo the night of October 29-30 while in a convoy near Iceland. The Navy revised its list of casualties on the destroyer Reuben James to show two known dead and 98 missing and given up for dead. The vessel was torpedoed while convoying near Iceland. There were 45 survivors.

Navy Strengthened

The President transferred the entire Coast Guard to the Navy Department and asked Congress for an additional $449,820,000 for the Navy. The Coast Guard transfer gave the Navy 230 patrol and auxiliary vessels and a large number of in-shore and port craft.

Ships Building

The Navy reported that during the first 10 months of 1941, keels were laid for 115 new combatant ships, 34 ships were launched and 25 ships were commissioned. The Maritime Commission reported the first three Liberty cargo ships will be delivered the week of November 18. The Commission has so far launched 148 new ships and delivered 118 as result of its long-range and emergency programs.

Army Progress

The War Department reported the rate of delivery of critical armament and ammunition to the Army by June, 1942 will be 360 times the rate during May, 1940—when $1,000,000 worth was delivered. The rate, the Department said, increased 40 times by June of this year, 60 times by September, and 80 times by October.

The army also announced increase in the rate of training of motor maintenance officers by four times, battalion commanders and communications officers by 100 percent, and aircraft warning service men by 900 percent. The Army also reported the rate of accidents in military flying during the past year remained unchanged despite greatly increased training and tactical flying and use of new and faster ships.

Fuel Coordinator

The President appointed Interior Secretary Ickes to coordinate information regarding solid fuels (coal, coke, wood, etc.) as well as oil and to make recommendations to the Supply Priorities and Allocations Board as to production, storage, transportation, marketing other phases of the relationship of fuels to the defense program. The SPAB refused priority assistance for construction of a pipeline from East Texas to Bayonne, N. J. and said its action "constituted a final disapproval." Mr. Ickes announced 15 U. S. oil tankers were released from British service during October and 25 more will be released this month.

Power

The President asked Congress for $30,000,000 for additional power facilities in the Bonneville power system because " a critical power shortage in this area is now imminent." The OPM postponed from November 10 to November 17 the planned 30 percent power curtailment for non-defense industries in six Southern States.

Prices

Price Administrator Henderson asked heating and cooking stove manufacturers not to increase prices above October 24 levels and radio and radio-phonograph combination manufacturers not to increase prices above October 15 levels. He said price programs are being formulated for both industries. The House, passed and sent to the Senate a bill which would freeze apartment, house and hotel rents in the District of Columbia as they were on January 1, 1941.

Materials

Lessing J. Rosenwald, Chief of the OPM Bureau of Industrial Conservation, announced the Government will soon begin a series of continuous campaigns to seek out unneeded household rubber, iron, aluminum, paper, steel, copper (which OPM said this week was more scarce than any other needed material), lead, zinc, and cotton and wool. In the new campaigns materials would be given outright or sold to scrap and junk dealers who would resell to defense industries. Price Administrator Henderson reported 400,000 members of the Boys' Clubs of America in 360 cities are enlisting in the nation's wastepaper salvage campaign now underway.

Labor Disputes

The President's fact-finding board set up to adjust a wage dispute in the railroad industry recommended that approximately 350-000 members of the "Big Five" operating Brotherhoods receive an increase of 7½ percent. The Brotherhoods had asked for a 30 percent increase for these men. For 800,-000 other employees the board recommended an increase averag-13½ percent. The increases were termed by the board as temporary pending a re-examination of economic conditions in 1943. The railroads accepted the proposals. The unions rejected them.

The U. S. Concillation Service reported settlement of 36 labor disputes.

A KY. LADY NEARLY CHOKED WHILE IN BED, DUE TO GAS!

One Kentucky lady said a few days ago that she used to be afraid to go to bed at night. She was swollen with stomach gas, which always got worse when she went to bed and the gas would rise up in her throat after she laid down and would nearly choke her. She couldn't lie flat. Had to prop herself up on pillows. Recently this lady got Systone—the new, scientific formula which contains juices from 12 of Nature's Finest Medicinal Plants . . . and now she says the gas is gone, stomach feels fine, bowels are regular and she can go to bed and sleep soundly.

HOW IT ACTS

Systone is taken shortly before meals and mixes with the food in one's stomach, thus throwing off the poisons that foster stomach troubles and permitting the liver and bowels to function properly. It will bring out gases and impurities which cause pain, bloat and swelling; gives the bowels a great cleansing and brings out the acidous impurities that cause headaches, skin eruptions, foul breath, coated tongue, thick, bad taste and worn-out feeling. Benefits come so quickly that many weak miserable people often feel like different men and women OVER NIGHT.

Another thing, it costs only a few cents a day to take this amazing liquid compound, with its 12 natural ingredients. So don't go on suffering. Get Systone—TODAY—at OWENS' DRUG STORE, PIKE AND WASHINGTON, COVINGTON.—Advertisement.

McCREARY COUNTY POPULATION GROWS

The population of McCreary, Kentucky's youngest county, has increased in each decade since 1860, according to a survey which the State College of Agriculture and Home Economics made of neighborhoods and communities in the county. In 1940 there were 16,451 people in McCreary county. There have been 2,000 to 3,000 persons added to the county's population in each 10-year period since 1880, with the exception of 1910-20, when the growth was smaller.

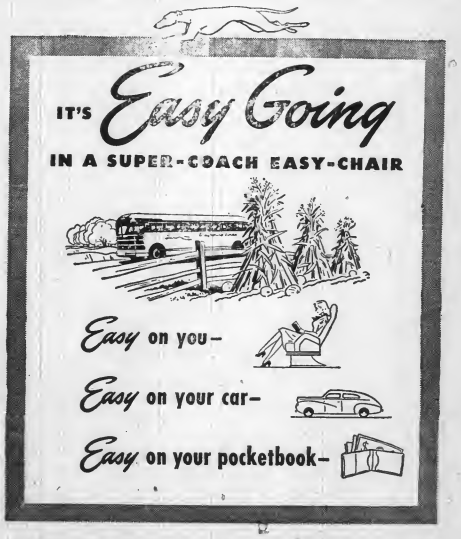
DAIRY EMERGENCY!



START NOW . . . BUILD PEAK CONDITION AND PRODUCTION INTO YOUR COWS!

Milk and dairy products are of the most important elements in this war. Actually, they are as important to victory as are guns, and tanks. To help win this war every Dairy Farmer can do his share by getting all he can out of his herd. Milk and dairy product prices are readily climbing, but the demand for these products is far ahead of the supply. That means dairymen must produce MORE! — Purina Dairy Chows for calves, growing heifers, dry cows and milkers are built to do a top-notch feeding job. And if you want proof, come in to see us. We'll show you records that will convince you Purina does a great job at low cost.

INFORMATION RELEASED BY K. E. A. OF LOUISVILLE

W. P. King, Secretary of the Kentucky Education Association, Louisville, Ky., releases the following facts concerning schools in Kentucky. Every parent in the state should have this information.

1. More than half the elementary school children of Kentucky get only seven months of schooling. At that rate they would have to go to school three and four-tenths-years more to get the equivalent of what the children get who spend their eight elementary years in ten month schools.

2. More than a third of the elementary children of Kentucky go to school nine or ten months each year.

3. The salaries of teachers have decreased in the last ten years, while everything else has increased, including the qualifications of teachers.

4. In ninety-one counties of Kentucky the average salary of elementary teachers is less than $12 per week. This means that 5329 elementary teachers are receiving less than $12 per week on an annual basis.

5. More than 7000 county teachers have employment for only seven months.

6. The average salary of high school teachers in Kentucky on an annual basis is approximately $20 per week. They must be college graduates.

KNOW, AND BE, YOURSELF

The essence of education is to "know yourself" and the sine qua non of social cooperation is to "be yourself."

The individual who attempts to attain these goals is fairly certain to be a worthwhile citizen of any community. To know oneself is to understand human nature and to be sincere and unaffected in modern society requires unusual character.

To young boys and girls of Boone County, interested in the problems of life, we suggest serious consideration of these goals. They are also worthy of the attention of older persons, especially those who are under the impression that they have arrived somewhere in the search for whatever they seek in life.

Notice

NOTICE OF HEARING UPON ORGANIZATION OF PROPOSED BOONE COUNTY SOIL CONSERVATION DISTRICT, EMBRACING LAND LYING IN BOONE COUNTY, KENTUCKY.

WHEREAS, on the 8th day of October, 1941, there was duly filed in the office of the State Soil Conservation Committee at Frankfort, Kentucky, a petition signed by at least 25 land owners pursuant to the provisions of the Soil Conservation Districts Law, (Chapter 8, 1940 Session Acts, page 37) requesting the establishment of the Boone County Soil Conservation District, and

WHEREAS, the lands sought to be included in the said district by said petition comprise lands in Boone County, described substantially as follows:

All the lands lying within the boundaries of Boone County, Kentucky, excluding town lots within the incorporated towns and unincorporated villages of Boone County.

NOW, THEREFORE, notice is hereby given that a public hearing will be held pursuant to the said petition, on the question of the desirability and necessity, in the interest of the public health, safety and welfare, of the creation of such district; on the question of the appropriate boundaries to be assigned to such district; upon the propriety of the petition, and of all other proceedings taken under the said Act; and upon all questions relevant to such inquiries. The said public hearing will be held by the State Soil Conservation Committee on the 14th day of November, 1941, beginning at 1:30 p. m. Eastern Standard Time, at the Court House in Burlington, in the County of Boone.

All the persons, firms and corporations who shall hold title to, or shall be in possession of, any lands lying within the limits of the above-described territory, whether as owners, lessees, renters, tenants, or otherwise, and all other interested parties are invited to attend and will be given opportunity to be heard at the time and place hereinbefore specified.

STATE SOIL CONSERVATION COMMITTEE.

WHY FIGHT ABOUT LIGHT?

Have enough I.E.S. lamps to give everyone in the family safe light for easy seeing

A home with only one or two good reading lamps is a battleground for many a fight over light. Why let the first person to claim "the chair by the good lamp" have a corner on light? Give the whole family a break by having enough lamps so everyone can use his eyes in comfort. And be sure they're I.E.S. Lamps—especially designed by scientists for safe, easy seeing. You'll recognize them by the I.E.S. Tag and by the white glass diffusing bowl which filters out harmful glare and provides generous "conditioned" light.

See our wide selection of I.E.S. Lamps priced from $7.95. Terms as low as 95c down, $1.00 monthly.

COMMUNITY PUBLIC SERVICE COMPANY

WHEN THE CHILDREN STUDY guard their eyes and make homework easier with an I.E.S. study lamp.

WHEN DAD WRITES keep his temper sweet and his nerves calm with the soothing light of tn I.E.S. swinging arm lamp.

WHEN MOTHER SEWS give her the eyecomfort and protection of an I. E. S. three-lite lamp.

WHEN GRANDMA READS remember that old eyes benefit even more than young eyes from the ample light of an I.E.S. end-table lamp.

THE BOONE COUNTY RECORDER

ESTABLISHED 1875

VOLUME 66 — BURLINGTON, KENTUCKY THURSDAY, NOVEMBER 20, 1941 — NUMBER 25

FAIR GROUNDS TIME EXTENDED

BY COMMITTEE AT MEETING HELD THURSDAY NIGHT—$900.00 MUST BE RAISED TO COMPLETE PROGRAM.

The Boone County Fair Grounds Committee met at Burlington last Thursday evening and reported $2,000 pledged for the grounds. The 4-H Council pledged their full reserve fund of $600.00 if needed, leaving $900.00 necessary to successfully complete the program.

The committee asked for an additional week's time to raise the funds. A large number of interested people had not been contacted and many folks who had pledged agreed to give more if needed. The final drive to secure a permanent fair and picnic grounds for Boone County will close Friday evening, November 21st. Every citizen who can is urged to report his pledge. The final drive is expected to be most difficult and will need the wholehearted support of everybody.

Total pledges by committeemen are as follows: Constance, Geo. Kottmyer, $70.00; Hebron, J. C. Aylor $219.00; Bullittsville, Anna Engle, $10.00; Petersburg, Mary Rector, $39.00; Burlington, Court Kelly, $249.00; Burlington, Helen Snyder, $10.00; Burlington, Luther Smith, $410.00; Burlington Homemakers, $7.00; Miscellaneous, John E. Crigler $167.00; Mrs. Laverna Willeford, Florence, $5.00; Mrs. Geo. Morith, Florence $5.00; Ira Tanner, Florence, $157.50; Richard Schwenke, Hamilton $15.00; Mrs. Jake Cleek, Beaver $260.00; Verona Homemakers, $3.00; Frank Demoisey, Walton $100.00; B. C. Gaines, Idlewild, $250.00; and J. P. Brothers, Limaburg, $30.00.

People do not often have this opportunity to contribute to such a worthwhile, countywide program that represents an institution of the people of the county. Committeemen have received splendid support and consideration of all who have pledged. We are counting on you—this week—by Friday night. Help your county "go over the top."

Bullittsville Church To Give Oyster Supper

Members of the Bullittsville Christian Church will sponsor an oyster supper Saturday night, November 22nd at the church, it was announced this week. Serving will begin at 5:00 p. m.

The public is cordially invited to attend.

QUOTA CARDS TO BE MAILED SOON

PRODUCERS WILL BE NOTIFIED REGARDING DELIVERY OF TOBACCO MARKETING CARDS, ACCORDING TO JOHN CRIGLER

Tobacco Marketing Cards are being prepared for delivery to all tobacco growers within the next few days, according to John E. Crigler, Secretary.

Producers will be notified at an early date regarding the delivery of these cards. A within quota marketing cards will be delivered to all producers who have not exceeded their acreage of tobacco, and all tobacco raised on the farm may be sold free of the marketing quota tax. An excess marketing card will be issued to those producers who have exceeded their allotment. A marketing quota tax of 10c a pound must be paid on that percentage of the poundage sold by which the allotment is exceeded.

Boone County farmers this year grew 1955.7 acres, according to reports of the supervisors. Approximately 2,000 acres was grown in 1940. A check-up of the warehouse sales for 1940 shows that 2,168,988 pounds of tobacco sold and the gross dollars received were $277,333.46. This figures 1,084 pounds per acre and a total of $138.66 per acre, which is an average of $12.79 per 100 pounds. A substantial increase in price is expected for the 1941 crop of tobacco.

Miss Helen White, Mrs. Charley Sebree and daughter, Mrs. Harry Webb, Miss Romania Lowe and Mr. W. T. White, of Williamstown, spent Friday afternoon with Mr. and Mrs. H. E. White. While here Mr. White was a pleasant caller at The Recorder office.

326 Farms Visited By County Committeemen

The Boone County Agricultural Conservation County and Community Committeemen reported a total of 326 farms visited in the Farm Defense Program, according to John E. Crigler, Secretary, for the first week's work. Increases in certain live stock and live stock products are being urged by the Federal Government.

A summary of the farms visited shows that the increase that farmers expect to make in milk production in 1942 over 1941 is 8.8 percent, increase in number of hogs 8.2 percent, beef cattle, 9.1 percent, eggs 70.2 percent.

There is very little increase shown in home gardens, corn or small grain. Egg production and beef cattle for 1942 are the only items that exceeds the goal, as only 16 percent increase in the present goal for eggs and 5 percent for beef cattle is requested.

The goal for increase in milk production is 15 percent and that of hogs 17 per cent. Committeemen report that the great majority of farmers contacted have been very cooperative and have gladly finished the information.

M. P. Barlow, of Florence in Burlington last Friday, and while here called at this ofifce having his subscription moved up.

HUNTING SEASON OPENS MONDAY

HUNTERS WILL TAKE TO FIELDS NOVEMBER 24TH — REPORTS INDICATE THAT QUAIL ARE NUMEROUS.

Nimrods have silenced their guns on doves and squirrels and are now making check-ups on hunting equipment preparatory to the opening of the quail and rabbit season which begins in Kentucky on Monday, November 24th and extends through January 9.

S. A. Wakefield, Director of the Division of Game and Fish, pointed out that the only game that can be hunted at the present time is ducks and geese. All other game is now protected by closed seasons until the rabbit and quail season opens on the 24th of November.

According to reports received from practically every section of the state, quail are quite plentiful this year, due to the restocking program carried out last spring by the Division and the sportsmen, and to the favorable nesting and rearing seasons which the quail found during the last spring, summer and early fall months. Rains in recent weeks have assure ample water for the game birds and other forms of wildlife. This was one important factor which was missed last fall and the results of the drouth during those autumn months was noticeable in the shortage of quail during the hunting season.

The cotton-tail rabbit reported plentiful in a good many counties, but appear to be scarce in Boone County this year.

Wakefield calls the hunter's attention to the fact that the Bob White quail cannot be bought or sold anywhere in Kentucky and anyone caught doing so is liable to arrest. The bag limit is 12 a day or not more than two days bag limit—24 in possession. Rabbits may be bought or sold anywhere in Kentucky but no person may have more than 16 rabbits in possession at any time. The daily bag limit is 8 with possession of 16—two days bag limit.

Walton Farm Of 148 Acres To Be Sold At Auction Saturday

On account of ill health, Burgess Haley will sell his 148-acre farm, Walton, at auction Saturday, Nov. 22, at 1 a. m., fast time. The farm lies three miles west and one-half mile off Route 16, on Stevenson Mill Road.

The land will be offered for sale in two tracts. One will consist of 96 acres and a six-room brick colonial house. The other tract will have 52 acres and a three-room cottage. The sale will also include livestock and farming tools, which are itemized in an advertisement in this issue of The Recorder.

Two Covington real estate agents —Rel C. Wayman, 623 Washington St., and Charles W. Ransler, 511 Coppin Bldg.—will conduct the auction.

Mr. and Mrs. Jeff Edward Eddins are the proud parents of a six pound baby girl, born Wednesday.

BURLINGTON TOPS FLORENCE FIVE

IN HOOP LEAGUE—NEW HAVEN EDGES OUT HEBRON, WINS OVER WARSAW—BURLINGTON AND HEBRON WILL TANGLE.

The Burlington Eagles won their first conference basketball game Friday night when they downed the Florence five 31-13 on the Florence hardwood. After taking the first quarter to find their bearing, the Burlington team launched an offensive that bewildered their opponents. Finishing the first quarter on the losing end of a 4-2 score, the winners took a 15-6 lead at the half, which they increased to 23-9 during the next period. Huey chalked up eleven points, to set the scoring pace for the game, followed by Bill Tinklenberg with six. Cason topped the Florence five with six.

The Burlington reserves also chalked up a victory, 25-12 in the preliminary skirmish.

New Haven edged out Hebron 25-22 in a hard-fought, fast-moving game at the New Haven gym Saturday night. After New Haven had taken an early lead, to finish the half with a 16-8 lead, Hebron launched a drive that threw a scare into the ultimate winners. In the third quarter the Hebron team knotted the score at 18-18 and then matched their opponents point-for-point until the final period was almost over, when a free throw and a field goal gave the winners their three-point margin just before the bell rang. Simpson starred for New Haven and also scored nine of their points. Judge chalked up twelve points for the winners, while Buckler totalled ten and Scroggins six for Hebron.

In the preliminary game the New Haven reserves edged out their rival 14-12.

The New Haven five journeyed to Warsaw Friday night, to hand the Gallatin County High team a 30-19 setback. The Boone County team set the pace all the way, as Judge scored nine and Newman seven points for the winners. McDonell topped his team's scoring with seven points.

The New Haven reserves also scored a victory, 15-14 in the preliminary contest.

This week's schedule follows:

Walton at Dry Ridge, Wednesday night.

Hebron at Dixie Heights, Wednesday night.

New Haven at Simon Kenton, Friday night.

Warsaw at Burlington, Friday night.

Burlington at Hebron, Saturday night, with game time at 8:00 E. S. T.

Florence at Crittenden, Tuesday night, November 25th.

Mrs. Ethel Agate, of Oberlin, O., announces the engagement of her daughter, Miss Betty Agate to Walton M. Emith, son of Rev. W. M. Smith, of Burlington, Ky.

Miss Agate was graduated from Ohio Weslyan University, where she was a member of Kappa Delta Sorority. Mr. Smith attended Cumberland College, Williamsburg, Ky., and University of Kentucky.

Mr. Smith is assistant sales manager for the Columbus Stationery Co., Columbus, Ohio.

No date is set for the wedding.

Youth Injured In Accident Saturday

James Gross, 22, Bromley pike, suffered severe head cuts when his automobile overturned on the Burlington-Florence pike 1 mile east of Limaburg, Saturday night. He was removed to Booth Hospital, Covington, where his condition was reported as fair. He told police the steering wheel locked.

Methodist Sunday School Members Enjoy Chicken Soup

Fifty-three members and visitors enjoyed a chicken soup, sponsored by members of the Burlington Methodist Sunday School at Burlington School, Friday night, November 14th.

The supper climaxed a contest between the norths and souths in the local Sunday School with the south side winning the contest.

Mrs. W. L. McBee was ill several days last week with a cold.

Two Farms Change Hands During Week

Mr. and Mrs. Harry J. May sold their 184 acre farm, known as the John Cloud farm, 2½ miles from Burlington on the Belleview Pike, to Mr. and Mrs. Franklin Huey. Possession will be given March 1st.

Mr. and Mrs. May purchased 25 acres where J. T. Stephenson resides, on Burlington-Florence Road, from Mrs. Emma V. Rouse heirs and Dr. Gladys L. Rouse. The purchasers plan to improve this property after possession is given, March 1st.

Both of these sales were handled through A. B. Renaker last week.

Tobacco Grading Demonstrations Held This Week

W. M. Tuttle, Federal grader, will hold four tobacco stripping and grading demonstrations in the county this week. The schedule is as follows:

Wednesday, November 19th, 10 a. m., Frank Hossman's farm, 2 miles east of Hebron on State Road 20; 1:00 p. m. Hugh Baker's farm, 2 miles south of Petersburg on Petersburg-Grant Road.

Friday, November 21st, 9:00 a. m. H. E. White's farm, 2 miles south of Burlington, East Bend Road; 1:00 p. m., O. K. Whitson's tobacco barn in Verona.

These meetings will be of special importance to the farmers, in that all tobacco markets will be Federal graded this year. Al tobacco growers are invited and urged to attend at least one of these meetings.

Eggleston-Cave

A very pretty wedding was solemnized Saturday afternoon at the home of Rev. Forest Taylor, of Williamstown, when Miss Virginia Eggleston, daughter of Mr. and Mrs. W. B. Eggleston, of Hebron become the bride of Elmer Cave, son of Mr. and Mrs. John Cave of Sand Run.

The bride was beautifully gowned in teal blue satin crepe and carried bouquet of rose buds. Her only attendant was Mrs. Robert Cave who wore blue and carried a bouquet of chrysanthemums. Robt. Cave, brother of the groom acted as best man.

Immediately following the ceremony the young couple left on a wedding trip to Renfro Valley, Cumberland Gap and other points of interest in Kentucky and Tennessee.

Boone County Boy Named Auctioneer At Kenton Warehouse

Dave Gaines, of North Bend Bottoms, who has served as substitute auctioneer at the Kenton Loose Leaf Tobacco Warehouse, under Col. R. G. Kinman, for the past several years, was named as one of the auctioneers for this season, it was announced this week by warehouse officials. He will be assisted by Gobel Bond, of Carrollton.

Mr. Gaines is well known to the tobacco growers in this county and ni doubt will be an efficient man for the position of auctioneer.

The Kenton Tobacco Warehouse is now open to receive tobacco and their opening sale will be held Tuesday, December 2nd.

H. D. "Pap" Brady Will Be Connected With Brite-Lite House

H. D. "Pap" Brady, Burlington, announced this week that he will be connected with the Brite-Lite Warehouse in Carrollton, beginning December 1st of this year.

Mr. Brady is rated high among tobacco men and will be glad to talk to his many friends regarding their 1941 crop.

75-Pound Squash Raised On Clore Farm Near Here

B. W. Clore, Burlington R. 2, reports the season's record for a large squash raised on his farm that has been estimated to tip the scales at 75 pounds.

Mr. Clore has two squash of this size and has estimated the weight on the judgment of persons who have seen and handled them. He also has sold several dollars worth of smaller size since harvest time.

LOCAL RED CROSS COLLECTS $122.36

THROUGH COOPERATION OF TOBACCO WAREHOUSES AND CARROLL COUNTY CHAPTER OF RED CROSS.

It is with distinct pleasure that the Rev. J. Russell Cross, Chairman of the Boone County Chapter of the American Red Cross announces receipt of two checks, one in the amount of $85.70 and the other in the amount of $36.66 from the Carroll County Chapter, American Red Cross Tobacco Fund Committee, H. R. Lorch, Chairman.

These funds were made available for the Boone County Chapter through the good offices and cooperation of the Carrollton Tobacco Warehouse Company, of which our own Mr. George Baker, of Beaver, is President, and of the Marshall-Harris Tobacco Warehouse Company, of Carrollton, and the buyers for the various tobacco companies.

Boone Countians sold 843,320 pounds of tobacco at the Carrollton Tobacco Warehouse Company and the check from this Warehouse was in the amount of $87.50, they sold 378,474 pounds of tobacco at the Marshall-Harris Warehouse Company and the check from this warehouse was in the amount of $36.66, making a total received from both tobacco warehouses of $122.36.

One hand of tobacco was taken from each farmer's load, regarded and sold for the Red Cross of Boone County. The Carrollton Chapter Committee attended to the details and to the distribution of the monies to the various chapters concerned.

The executive committee of the Boone County Chapter American Red Cross desires to express its appreciation to the Carrollton Tobacco Warehouse Company, the Marshall-Harris Tobacco Warehouse Com., and the tobacco buyers, and the Carroll County Chapter of the American Red Cross. We would also call attention to the farmers of Boone County of this way in which they can help their local Red Cross Chapter.

E. G. Stephenson Kills 153-Pound Bear In North Carolina

E. G. Stephenson, manager of the Consolidated Telephone Company, Florence, returned this week from another successful bear hunting trip in North Carolina, having bagged a 153-pound bear on his second day out.

Steve was one of six men to kill a bear, out of approximately 300 hunters. His success came on the morning of the second day, which ended his hunting trip, since each hunter is allowed only one animal.

Last year Mr. Stephenson was successful in killing a small bear on a similar hunting trip in West Virginia.

Mrs. John Lassing and daughter Mary Lina, left Tuesday of this week for St. Petersburg, Fla., to spend the winter months.

Walton Man Opens Real Estate Office In Covington

Charles W. Ransler, of Walton, has opened an office at 511 Coppin Building, Covington, where he will conduct a real estate business in all its branches, handling both city and farm property.

Mr. Ransler is widely and favorably known throughout Northern Kentucky, having had long experience in the real estate business. For a considerable time he was sales manager for the late Col. R. G. Kinman.

Epworth League Solicits Old Toys

The Epworth League of the Burlington Methodist Church announces its intention of collecting old toys which will be reconditioned, and repainted and distributed among needy children of this community at Christmas.

Anyone having old toys which they desire to contribute will please notify Bailey Greenup or any member of the Epworth League, and they will call at your home for same.

This is a worthy project and deserves the cooperation of everyone in our community.

New Haven Will Stage Play At Florence Nov. 27

New Haven's School play "The Call of Youth" will be given at the Florence school under the auspices of the P.-T. A. on Thursday evening, November 27th, it was announced this week by officials of the organization.

This play, with a cast of thirteen, recently staged at New Haven was praised by all who attended. Persons who failed to see this splendid play are urged to attend the show at Florence. The play is under the direction of Mrs. John Masters.

$650.00 OFFERED IN CASH PRIZES

BY COVINGTON RETAIL MERCHANTS CHRISTMAS PARTY—ROBERT CLORE IS CHAIRMAN.

For the fifth year, retail merchants of the city of Covington are awarding Christmas Party coupons with purchases made in their stores for $1.00 or more. The total cash awards amounts to $650.00. The first prize is $250.00; and 2nd $100—a total of 32 cash awards.

Max Rose, president of the Covington Retail Merchants Ass'n. believes that this is another inducement for the people of Kentucky to shop in Covington together with the fact that the prices of quality merchandise are appreciably lower than elsewhere.

Robert Clore, chairman of the Covington Retail Merchants Christmas Party, is most enthusiastic over the reception this announcement will receive by the people of Kentucky and believes that this year will be the banner year of all.

This is how it works: A coupon will be given with each dollar spent in the stores participating in this Christmas Party. Therefore, the more purchases made by you in Covington, the more chances you will have of winning one or more of these cash awards to be distributed on Tuesday, Dec. 16, 9:15 p. m..

The committee advises you to begin collecting your coupons now.

Remember, these tickets are valuable and may give you additional money for Christmas. It is not necessary for one to be present at the time of the awarding to receive a prize.

Local Farmers Place High In Annual Nut And Apple Exhibit

Boone County farmers placed high in the Annual Apple and Nut Exhibit, sponsored by the Covington Retail Merchants Association in Covington, with the Agricultural Department, College of Agriculture and local fruit and nut growers of Northern Kentucky.

Winners from the county in the apple classes are as follows: Sterling Rouse, 1st, Delicious; J. E. Riddell, 1st, odd variety, 1st Golden Delicious and 2nd Red Delicious; V. C. Hempfling, 1st York and 3rd odd variety. Winners in the nut classes are: Lloyd Siekman, 1st and 2nd hickory nuts and 3rd black walnuts, and Ira Long, 3rd hickory nuts.

Budded black walnut trees were given as door prizes to B. C. Stephens, Sterling Rouse and J. E. Riddell by the Indiana Nut Nursery, Rockport, Ind.

Growers present voted for a bigger and better show next year.

Mr. and Mrs. M. M. Lucas had as their guest Sunday, Mr. and Mrs. Leon Ryle and daughter, Mr. and Mrs. R. G. Lucas and children, Mr. and Mrs. J. C. Jones and children and Mr. and Mrs. Wallace Lucas and son.

NONAGENARIAN ANSWERS CALL

AT HOME IN ERLANGER—WAS NATIVE OF BULLITTSVILLE—HELPED ORGANIZE PEOPLES DEPOSIT BANK.

A. W. Corn, well known citizen of Erlanger died at his home Tuesday morning at 7:00, after a brief illness. He was 95.

Mr. Corn was a native of Boone County, having been born and reared in the Bullittsville neighborhood. He was one of the organizers of the Peoples Deposit Bank, and a director of that bank since its organization in 1905. He had served as vice president since April 1923.

He sold his farm at Bullittsville in 1919 and moved to Erlanger in the same year, purchasing a home there at 22 Commonwealth Ave. He owned another farm in the Francesville neighborhood at the time of his death.

Mr. Corn was not a member of any church but was a believer in the teachings of the Primitive Baptist Church.

Mrs. Lillie B. Gaar, a niece of Mrs. Corn had lived in the Corn home since 1922, and since the death of Mrs. Corn had kept house for him. His wife preceded him to the grave in 1932 and a daughter died in 1909. He leaves no other children.

The body may be viewed at the Erlanger residence after noon Wednesday, until Friday.

Funeral services will be conducted Friday at 2 :00 p. m. E. S. T. at Highland Chapel, with Rev. R. D. Martin, pastor Erlanger Baptist Church officiating. Burial will be in Highland cemetery.

Chambers and Grubbs, Walton funeral directors will be in charge of arrangements.

Rev. Roy Johnson Addresses Local Sportsmen's Club

Approximately forty members of the Boone County Fish and Game Association enjoyed a talk by Rev. Roy Johnson, pastor of the Burlington Baptist Church at the club's regular meeting held last Thursday night. Rev. Johnson spoke on his experiences in World War No. 1. His talk was highly interesting and educational. He related his experiences of five and a half months under constant shell fire on the front lines. He also related experiences in the army of occupation in Germany, of which he was a member.

CHRISTMAS SEAL SALE BEGINS MON.

EVERY SCHOOL IN COUNTY WILL PARTICIPATE IN CAMPAIGN—STATEMENT TO BE ISSUED IN NEAR FUTURE.

The sale of Tuberculosis Christmas Seals will start Monday, November 24th, according to a statement made to The Recorder by R. V. Lents, chairman of the committee in charge of the sales.

Every school in the county is participating in the sale of the seals. According to Mr. Lents, sheets of 100 seals are being mailed civic-minded citizens, who may purchase them or return them. Mr. Lents asks each and every citizen who receive the seals to purchase them and state the name of the school and the pupil to whom credit be given for the sale, as prizes are offered to school children.

Much has been done in the past with money obtained from the seal sale. It was partially through the efforts of this organization that a county nurse was obtained, $100 of her salary being paid by the organization that sponsors this sale of the seals. A tuberculosis X-ray clinic was held in the county last summer which was partially financed by the proceeds of former sales. Several cases of tuberculosis have been aided by funds supplied by sale of the seals.

No person connected with the sale of Christmas seals receives a cent compensation. Every seal sold will help some worthy person. Do your best and purchase all the seals that you can afford. Place them on your mail.

The Boone County Tuberculosis Protective Association will issue soon a statement showing how the money from the seal sale has been spent.

ATTACKING U. S. SHIPS

It is a strange interlude in the Atlantic with American warships openly attacked and destroyed and the nation, which went to war with Spain when the battleship Maine was destroyed, constituting the most remarkable debating society in human existence.

American merchant ships have been attacked in the South Atlantic, where they had a right to be, and in the water west of Iceland, where they also had a right to be. They have been destroyed by German submarines, in a mad effort to persuade the people of this country that it is dangerous to be friendly with the foes of the Nazi regime.

Repeated attacks upon our ships emphasize that Hitler regards the United States as an enemy nation. He is not yet ready to declare war upon us, or to challenge us to a full accounting but the day that he conquers Great Britain, if he ever does, will be the occasion for an ultimatum to this country.

A WAR OF TANKS

Joseph Stalin is talking hard sense when he says this is a "war of tanks."

The experience of the battlefield lends emphasis to his words and demonstrate conclusively that the victory will belong to the side with the greatest industrial capacity, as measured by production in action on the firing line.

The United States, we are told, made 500 tanks in 1940, will make 5,000 this year and more than 25,000 next year. Some of them will go to our army; others will be shipped to foreign nations for use in fighting aggressors.

The present monthly production of tanks is estimated at 600 monthly, 325 light, 13½-ton tanks and 275 medium, 30-ton tanks. The heavy tank is under study, with military experts dubious of its value.

ARISTOCRATS VS. DEMOCRATS

The aristocrats of the world believe that human beings are in two classes, the deserving the best of life and those designed to serve the needs of the aristocrats.

The democrats of the world believe that, while men and women are widely divergent in talent and power, every man and woman deserves the best of life and that the end of human endeavor is to arrange matters to arrive at that goal.

For many centuries education was considered the privilege of a few. Not so long ago common laborers were regarded as a degree above work animals, and the idea persists in some places today. The farmer for ages has been considered the source of food for the more elect, which opinion likewise enjoys favor in so-called enlightened societies.

Applied to world affairs we find that super-races adopt the aristocratic concept of human beings, according themselves the selected place and expecting all others to serve their needs. This is the basic philosophy of Hitlerism, which has no regard for the rights of so-called lesser races and has no compunctions in applying force to "educate" the benighted into accepting the "new order."

The aristocratic ideal has little place in Christian thinking. It is entirely likely, therefore, that those who espouse it, in economic or political affairs, are apt to disdain the simple virtues of this and other great religions. The theory of human equality, in respect to opportunity, is taboo with all aristocrats.

—o—

FARMERS ENTITLED TO RELIEF

The inhabitants of metropolitan areas, including their newspapers, are forever harping upon the efforts of farmers to secure more than they are entitled to and the inability of politicians to withstand the pressure of farm groups.

The fact is that other people, such as some of the so-called business men of Boone County, misled by what they read in trade journals and financial gazettes, and without much information of their own, have taken up the lament and tell about the munificence of the government to the farmers, with something of a sneer in their voice.

The fact is that agriculture in the United States has taken a fearful beating, since 1921. The wonder is that the farmers of the nation have any purchasing power. Their standard of living is down, far below that of urban workers, and while this is partly the result of incompetent farming, the farmers, as a class, have just as much sense as the urban workers.

There is much misunderstanding about the term, "parity," which is the economic goal of agriculture It simply means giving the farmers of the nation the same purchasing power that they had in the period, 1909-1914, or the same portion of the national income, which was not equally divided between groups even in that five-year period.

Prof. F. A. Pearson, of Cornell University, says there is justification for the effort to restore the relation between farm and industrial classes. He points out that in 1940 the purchasing power of farm prices in terms of articles farmers buy was 77 per cent of the 1909-14 base but the purchasing power of factory workers in terms of city cost of living was 158.

If one takes the year 1926 as a base, says Prof. Pearson, and compares purchasing power in 1940 with this year of high urban prosperity, we find farm purchasing power at 90 and city workers' purchasing power at 131.

The average long-time upward trend in farm prices has been 0.6 per cent per year but city wages have gone up 1.71 per cent annually. Increased production has enabled both to go up but the gain has been relatively greater in the city.

The economic well-being of the United States depends upon the purchasing power of agriculture. Farmers, producing raw materials, must have cash with which to purchase the products of industry, or else there will be a glut of manufactured goods and the wheels of industry will stop, throwing workers on the bounty of the government.

Any store-keeper in Boone County knows that when farm buying power does not exist he has no occasion to order manufactured products. This stops the flow of goods from industrial centers and results in economic stagnation. Workers, thrown out of employment, cannot buy and the nation has what the financiers call a "panic."

SAYS NAZIS ATTEMPTED INVASION

There has been much discussion of various reports that the Germans attempted an invasion of the British Isles in September, 1940. Repeated references have been made to the number of German casualties, located in French hospitals, suffering from [illegible] reputed to have been sustained when the British sprayed oil over expedition and set it on fire.

The story has been specifically denied by responsible British officials who stated that when a German invasion is repulsed the British will be more than glad to let the world hear about their success. These denials, however, do not entirely dispose of the rumor.

Recently, Robert J. Casey, war correspondent of the Chicago Daily News published a book, telling of his experiences on the battlefronts of the present war. Mr. Casey, who was in Dover last September, says that Hitler did try an invasion. He says he saw the flames of the invasion barges and the docks on the French coast that were destroyed by the R. A. F., which smashed the Nazis' jumping off places.

His report is interesting but we do not see where it proves that there was a serious attempt at invasion. Everybody knows that the R. A. F. has been battering the "jumping off places" for months but the fact that British bombs hit docks in France hardly proves that an actual invasion was, or is, underway.

We are all for the little man but we have to admit that he makes an awful fool of himself at times.

The problems of life are usually associated with matters that, after all, do not amount to very much.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL Lesson

PRAYER AND THANKSGIVING

LESSON TEXT—Matthew 6:5-15; Ephesians 5:20; I Thessalonians 5:16-18.
GOLDEN TEXT—Pray without ceasing. In every thing give thanks.—I Thessalonians 5:17, 18.

Being one with Christ, the Christian finds prayer to be as natural as breathing. As he walks with the Master he talks with Him, praises Him, thanks Him, makes his petitions and his needs known to Him. We feel, however, like Christ's disciples who asked Him to teach them to pray (Luke 11:1).

I. Instruction in Prayer

Approaching the subject from the negative viewpoint, Jesus told them

1. How Not to Pray (Matt. 6:5, 7). Prayer, which is the highest privilege of the Christian, is beset by some deadly dangers.

a. No hypocritical performance (v. 5). Some who wished to be seen in prayer managed to be in a conspicuous place at the Jewish hours of prayer (nine, twelve, and three o'clock). There, before a crowd, they put on a prayer "show" for the benefit of the onlooking audience. Such a prayer is designed for the ears of men and never reaches God.

b. No vain repetition (v. 7). We do not need to repeat our petitions. God knows our need (v. 8). When repetition is the outpouring of an earnest and urgent heart it means much, but that is different from just repeating phrases.

2. How to Pray (Matt. 6:6, 8, 14, 15; Eph. 5:20; I Thess. 5:16-18). Public prayer is sometimes both necessary and proper, but usually our prayer should be

a. In secret (v. 6). When we pray we should be free from distracting influences or personalities. We are talking to God and should give ourselves entirely over to communion with Him.

b. In faith (vv. 6, 8). God knows what we need even though He waits to be inquired of concerning it. He will answer prayer so as to honor His name in our lives and in our testimony before others.

c. With forgiveness (vv. 14, 15). No one who comes before God with an unforgiving spirit toward his brother is ready to ask God for the forgiveness which he himself so greatly needs.

d. With thanksgiving (Eph. 5:20). To give thanks is altogether fitting as we come to God in prayer. Note that we are to be thankful "always" and "for all things," not just when some special blessing or favor has come to us.

e. Without ceasing (I Thess. 5:16-18). Union with Christ enables us to pray without ceasing, even as He ever prays for us. This does not call for the constant utterance of words, but the moment by moment prayer of a heart and life lifted to Him. With such praying comes constant rejoicing (v. 16).

II. A Model of Prayer (Matt. 6:9-13).

The prayer which our Lord taught His disciples was intended to be a model rather than a form of prayer. We may repeat it, however, if we put into it the prayer of our hearts.

1. God and His Glory (vv. 9, 10). Recognizing Him as our Father to whom we may and must come for all things, we in all humility ascribe all honor to Him. Then we pray that His kingdom may come, not only in the future (and we look forward to it!), but now, in our own hearts. The true believer wants the will of God done in his own life and throughout the earth, even as it is perfectly done in heaven.

This prayer begins at the proper point. A right relationship with God brings true blessing on earth. The one who prays is now ready to present to God

2. Man and His Needs (vv. 11-13). Daily bread is mentioned first, for without it life could not continue. This is the constant need of man, and his great struggle. God is able for that problem, and only He is able. Unless He gives "seed to the sower and bread to the eater" (Isa. 55:10) we are gone.

But man has even greater spiritual needs. Sin needs forgiveness, weakness needs strength, the power of the enemy of our souls calls for deliverance. Again God is able and ready to hear man's prayer.

One of the sad things about the study of prayer is that we are all so ready to talk about it, discuss it, even preach about it, and then do so little praying. Knowing how to pray, and admiring a model of prayer, will profit us nothing, unless we pray.

Good Work Never Fails

So, then, Elijah's life had been no failure after all. Seven thousand at least in Israel had been braced and encouraged by his example, and silently blessed him, perhaps, for the courage which they felt. In God's world, for those who are in earnest there is no failure. No work truly done, no word earnestly spoken, no sacrifice freely made, was ever made in vain.—F. W. Robertson.

Before signing any contract, or concluding a business deal, look at the fine print.

The power of money, and its influence, is never better illustrated than when it is illustrated.

SEE THE DIFFERENCE Purina MAKES!

..It's Steady, Day After Day Production That COUNTS!

Yes, it's in the nest that folks see the difference Purina makes. For Purina Laying Chows are built to keep layers in condition to produce lots of eggs day after day.

If you want a complete feed, we recommend Purina Layena. It's scientifically balanced to produce lots of eggs of premium quality. If you have home grain to feed to your layers, you'll need Purina Lay Chow—the egg-making supplement for your home grain.

We have both these Purina Laying Chows in stock. Come in, we'll be glad to tell you more about Purina Laying Chows. Ask for your copy of the new fall Purina Poultry Booklet.

"Harvest For Tomorrow" To Be Shown At Gayety

You and your family will be interested in the news that the movie "Harvest for Tomorrow," is scheduled for a showing at the Gayety Theater, Erlanger, Ky., on November 25 and 26, at 7:00 and 9:00 p. m. Eastern Standard Time. This is the motion picture farmer committees asked AAA to make.

"Harvest for Tomorrow" dramatizes with beautiful photography music and narration, the story of the soil and the people who work it and help build it up. While it was photographed in New England, the story applies to all the hilly lands of Kentucky because of the similarity of problems between these two regions. The characters are real farmers of the Northeast states. The scenes deal with these folks in familiar surroundings of their homes and farms in communities just like your own.

It is recommended as a fine piece of entertainment, of interest to the entire family. Warner Brothers Pictures, Inc., is distributing the picture to theaters for the Government which is further evidence of its fine quality.

The picture was produced by the AAA, and agency of the United States Department of Agriculture. At our request, the theater has included it on its regular program as a special added feature. We do not hesitate to recommend it as well worth seeing. The beautiful background music which accompanies the picture was specially composed and is played by members of the National Symphony Orchestra. The narrator is Frank Craven, the famous character star of stage and screen whom you may have seen in "Our Town."

Remember the date for the showing of "Harvest for Tomorrow." We are sure it is a picture you will not wish to miss.

Morning Worship at 11:00 a. m.

The next general meeting of Lutheran men of Greater Cincinnati will be held at the First Lutheran Church, 12th and Race Sts., Cincinnati, on Monday, Nov. 24, at 8:00 p. m. Rev. G. E. Swoyer of Mansfield, Ohio, will be the speaker. His subject will be "Noisy Wheels."

We understand that Uncle Sam has 250,000,000 idle silver dollars stored in warehouses. Now, if the old man doesn't want to use them, we would like to borrow them for awhile.

Medical men are puzzled by the case of a girl, who has been asleep for more than three years; if the experts will look around they will find people who have been asleep for twenty years.

UNION W. M. S. NOTES

The W. M. S. of the Union Baptist Church assembled in the home of Mrs. Opha Bristow and daughters Wednesday, November 12th for their regular monthly meeting. There were fifteen members and four visitors present. We were greatly pleased to have two new members come to us, Mrs. Myrtle Hicks and Mrs. Clinton Jones.

The morning session was in charge of our president, Mrs. Kirtley McWethy and was opened by singing "Jesus Saves." Watchwords were repeated and we were led in prayer by Mrs. Anna Smith. After the reading of minutes and roll call, reports of committees were heard. We were dismissed in prayer with thanks for the noon lunch, by Mrs. J. A. Huey.

A very enjoyable social hour and delicious lunch were greatly enjoyed by all, after which we were called together by our president. The meeting was given over to Mrs. Alma Head, program chairman. The program rendered was as follows:

Hymn—"Come Thou Almighty King."

Bible Study—"God Will Bless Us" Mrs. McWethy.

Noonday in Dark Africa—Mrs. Mason.

Penetrating Shadows of Ignorance—Mrs. Smith.

Penetrating Shadows of Paganism—Mrs. Newman.

Prayer for All Our Work in Africa—Mrs. Huey.

Hymn—"Jesus Saves."

New Lights for Africa—Mrs. Bristow.

Dismissal Prayer—Mrs. Fothergill.

A LETTER TO FLORENCE

Dear Miss Florence:

Honey, you are mighty dressed up with your two new roads. You just stop looking at 'em for now and for the 27th for shore 'cause New Haven's play "The Call of Youth" is a comin' your way that Thursday evening. Yessum. It kina surprised us though, some of us had already washed our faces, but my goodness we are happy to get to come.

Doretta Rouse, our prissydent is shore busy trying to get the cast back together again. Frances Tagert had already started to break rock on Rice Pike, Jean Ann Tanner was on a new project of breaking hearts when Doretta finally found them. With 500 quarts of vegetables already canned, just to keep in trim during the winter, Marie Gschwind was canning Austin's old shoes. Edith Hedges, the old witch, she makes me so mad I can't talk about her. Elizabeth Roberts Cox was found and that's saying a lot. Ivan Clements was so dressed up the night of the play that he scared his own self and is still running. Joe Ryan didn't really died the night of the play, he was just sleepy.

Anyone who has electric bills over $2.00 bring your sawed-off affair to the play as Smitty Noe, he who reads meters will be on stage, upper left.

Patsy Huey Slayback will again wear the dress her mother wore way back when young folks didn't have to be in the groove and do so much rug cutting to be stylish. J. O. (Molasses) Griffith has now shucked last year's corn and is nicely domiciled behind the kitchen stove for the winter months. Do you raise chickens? Is your henhouse locked?

Mrs. Flo Masters, director of the play entertained her sister on Sunday last. Jasper Russell Cross, the one who looked so purty as the doctor in the play, the puppy, the tub of tea, etc., have been dusted and are ready. Miss Florence, tell all your stringtowners to mosey around to the school on Nov. 27th.

Belinda Shade Black.

A REMINDER

A reminder to those who have friends in the service.
Ain't you got no paper?
Ain't you got no pen?
Ain't you go no envelope
To put a letter in.

Is you lost my address?
And my letters too?
Don't you know I'm 'bout to die
From lack of word from you?

Is you got the writer's cramps?
Is you broke your arm?
Is you got the rheumatis'
From staying out too long?

Ain't you got no tags?
Ain't you got no car?
Ain't you got gas enough
To drive you down this far?

Ain't you got no thoughts?
About me feeling blue?
Don't you know its been ages
Since I last seen you?

LIFE AT FORT EUSTIS

I am sitting here and thinking of the things I left behind,
And I hate to put on paper what is running thru my mind;
We have dug a million ditches and we've cleared ten miles of ground,
We have drunk our beer and cokes in every joint in town.
But we've one consolation—gather around me while I tell,
When we die we'll go to Heaven, for we done our hitch in—— Eustis;
We have built a million kitchens for our cooks to burn the beans,
We have stood a million guard mounts and we've cleaned the camp latrines,
We've washed a million mess kits, and we've peeled a million spuds;
We've marched a million miles with heavy, mud-soaked duds
We've killed a million snakes and ants, which tried to steal our eats,
And shoved a million centipedes out of our snow-white sheets.
When our work is finished, and our friends behind will tell;
"When they died they went to Heaven, for they did their hitch in —— Eustis.
When the finals taps have sounded and we lay aside life's cares,
Then we'll stand our last inspection on shining golden stairs,
The Angels there will welcome us, their harps will sweetly play—
We will draw a million canteen checks, and spend them in a day,
It is then we'll hear St. Peter tell us loudly with a yell
"Take a seat, ye boys from Eustis, for you've done your hitch in —— Eustis."

It doesn't take a Gallup poll to predict that Christmas travel is going to crowd every means of transportation this year. Every headline tells the story of lots of people going lots of places — and all at approximately the same time. If you want to get ahead of the crowd, make your plans now to do your Holiday traveling before you usually do, if you possibly can. You'll have a more pleasant trip — more room, more comfort, more fun all around. Here's one sound suggestion, but it covers two good ideas— *GO EARLIER—GO GREYHOUND!*

See THIS SENSATIONAL NEW-TYPE HEATER
THAT COKES THE COAL-BURNS THE GASES!

KOL-GAS
SELF-FEED HEATER

●Progress marches on! Now it's KOL-GAS—the heater that gives you both radiating and circulating heat — the heater you'll want to own.

KOL-GAS is a self-feeder. Fill fuel magazine from top with 100 lbs. of coal. It cokes the coal and feeds down by gravity, as needed. Heats all day, all night or longer, without refueling! Provides more even temperature without frequent regulation and firing.

Air intakes below and above the fire give positive heat control — a great volume of heat for zero weather — a breath of warmth for cool days in spring and autumn. The Heat Booster, exclusive with KOL-GAS, lengthens fire travel; pours extra heat that otherwise would go up the chimney, into your rooms; reduces flue temperatures, thereby adding to safety.

Come in and see this new heating marvel that sells itself!

BELLEVIEW CHURCH OF CHRIST
Sam Hamilton, Minister

Bible School 9:30 C. S. T. Russell Rogers, Supt.

Worship Service 10:30.

Sermon subject "Jacob's Ladder."

We congratulate the Young Women's class on their decision to begin the study of the Roman Epistle. Both the adult classes are now studying this interesting work of the Apostle Paul. We sincerely believe that the way to study the Bible is to study the Bible.

The sizeable increase in attendance last Lord's Day was a source of joy and inspiration to all concerned. We know that if we are faithful in sowing the seed of the "Good Word of God" that He, Himself will surely give the increase. We are happy to welcome into the fellowship of this congregation, Sister Ashcraft of the Carrollton Church of Christ. We are grateful also to be able to announce that Donald Ashcraft will be buried with his Lord in Christian baptism next Lord's Day afternoon. The hour of this service will be 3:00 p. m. C. S. T.

All men and boys that can are invited to be at the church this afternoon (Thursday). We are beginning to build some special equipment for the coming Christmas program, including a set of scenery, lighting accessories, etc.

Timely thought: "Those who love God, worship Him."

HAMILTON SCHOOL NEWS

Friday, November 14, was "Parents' Day" at our school. For our program on this day we dedicated most of our activities to the Hamilton 4-H Club members. Miss Sarah Marie McNeely reported on the "Accomplishments of our 4-H club this year." Following this Miss Frances Wilson gave a report on "What the 4-H Club has Meant to Me."

Mr. Gabbard awarded achievement certificates to the following members: Jeanette Edwards, Mary Lou Jones, Ella Ruth Black, Tommy Atha, Billye Wilson, Frances Wilson, Sarah Marie McNeely, Jimmie Wilson, Galen Acra, Donna Jean Acra, Jenevieve Hankinson, Alma Fay Afterkirk, Naomi Webster, Hansell Ashcraft, Lewis Feldhaus, Betty Aylor and Connie Mae Edwards.

Following the program a student-wide election was held to select three cheer leaders. The following were elected: Gladys Mae Stephens, Bertha Mae Carroll, and Sarah Bell Wood.

Mr. Gabbard also announced the results of our P.-T. A. campaign, stating that sixty-one new members had paid their dues for 1941-42, bringing our total to eighty-three.

Among the Parent Day visitors were: Mrs. Myra Ryle, Mrs. Sue Ryle, Mrs. Chester Becknell, Mrs. Lloyd Marsh, Mrs. Mary Frances Edwards, Mrs. Bessie Black, Mrs. Joe Hodges, Mrs. William Feldhaus, Mrs. Orville Hensley, Ruben Asbury, Frances Ryle, Alice Stephens, Rendall Hensley, Duane Black and Allen Feldhaus.

Burlington Boy Enrolled In Navy

Great Lakes, Ill.—Charles R. Johnson, son of Mr. Marshall W. Johnson, Burlington, Ky., R. 1, reported for duty at the U. S. Naval Training Station, Great Lakes, Illinois, on November 12th when he entered into the eventful and interesting life of the Navy.

He proceeded immediately into an intensive six-week course of training in general seamanship and naval customs. Upon completion of this initial period, he will have the opportunity of entering one of the numerous Navy technical schools.

However, Johnson will not find the program all hard work and no play. Free movies three nights a week, roller-skating parties, bowling tournaments, and frequent dances provide him with entertainment and diversion. He will also take part in an active sports program which now includes basketball, swimming, boxing, and football, under the supervision of trained instructors.

Great Lakes is situated on the shore of Lake Michigan about forty miles north of Chicago.

HEBRON F. F. A. NEWS

The club held its regular monthly meeting Tuesday, November 18. A report was heard from all standing committee on what they plan to do for the coming year. The president appointed committees to work in the booths at the Fall Festival. The Home Economic class will work with the boys in the booths and they will serve supper.

The Fall Festival will be held Thursday, November 27th and this is one of the largest events of the year.

A member of the Hebron Chapter is buying two Hereford beef heifers. These heifers were shipped from the State of Texas. The member, Lewis Hossman, found that the heifers he purchased last year were very successful.

Will they thank you for good strong feet?

O, you mother of a child—you want his manners to be nice, you want his brain to be quick, you want his back to be straight, you want his hands to be agile—but don't you want his feet to be sturdy and true, well shaped and graceful? Or those of your daughter?

You mother of a child, twenty years from now his feet will be walking up to get a diploma, or confidently marching in to get a job, maybe walking up to an old church altar to meet a bride in white. (Or it may be the bride herself). Your child may never thank you for good strong feet, he'll take them as a matter of fact.

But what will he think if they're not good strong feet? Sure, he'll still love you—but "why didn't mother make sure I was growing up right?"

It is a responsibility, just one of the many a mother takes on when she brings a child into the world. —Adv.

SAVE and SACK the BEANS

WHILE chopping and storing the hay, the new Letz mill with grain separator sacks the beans. Saving high priced beans soon pays for a Letz—the surest money maker for any livestock farm.

Says Letz user, Lee Chatham, Danville, Indiana, "We chopped and blew into the mow 72 acres of soybean hay. We sacked 1,000 bushels of Manchu beans, keeping some for seed, recleaning and selling the rest for $1.25 per bushel. These beans brought us in over $1000.00."

Come in and investigate this wonderful machine. For most farmers feeding beef or dairy cattle, lambs or hogs, the Letz mill saves its cost and more the first season used. Let us demonstrate one for you.

MAN HAD WEIGHT LIKE A BRICK IN HIS STOMACH FOR TEN YEARS

One man recently stated that for 10 years he felt like he had a brick in his stomach. This feeling was due to the lump of undigested food he always had inside of him. He was weak, worn out, headachy, swollen with gas and terribly constipated. Recently he started taking Systone—the new scientific formula which contains juices from 12 of Nature's finest Medicinal Plants—and now he says the feeling like a brick in his stomach disappeared the second day. Bowels are regular now, gas and headaches are gone and he feels like a new man.

How It Acts

Systone is taken shortly before meals and mixes with the food in one's stomach, thus throwing off the poisons that foster stomach troubles and permitting the liver and bowels to function properly. It will bring out gases and impurities which cause pain, bloat and swelling; gives the bowels a great cleansing and brings out the acidous impurities that cause headaches, skin eruptions, foul breath, coated tongue, thick, bad taste and worn out feeling. Benefits come so quickly that many weak, miserable people often feel like different men and women OVER NIGHT.

Another thing, it costs only a few cents a day to take this amazing liquid compound, with its 12 natural ingredients. So don't go on suffering. Get Systone—TODAY—at OWENS' DRUG STORE, Pike and Washington, Covington.—Adv.

BURLINGTON R. 2

Mr. and Mrs. Gus Reynolds and sons and Joe Papet of Constance called on Mr. and Mrs. Henry C. Deck and family, Sunday afternoon.

People who oppose war profits should advocate government-owned munitions plants. The wisest man is not the one who talks the most or shouts the loudest.

We continue to be intrigued by the idea, so much in vogue some years ago, of taking the profit out of war.

Incidentally, the Red Cross Roll Call is underway and every American ought to join this great organization.

What with all the money and energy spent upon education there is a lot of ignorance abroad in the land.

Gayety Theater News

TONIGHT AND FRIDAY

Dorothy Lamour has put her own "selective service lottery" into effect. The shapely star, appearing in Paramount's Technicolor romance "Aloma of the South Seas," received so many requests from draftees asking for a personal letter that something had to be done.

She decided to copy Washington's draft procedure. Placing her hand in a fishbowl, she dove after the lucky number.

It is No. 8962!

Dorothy invites all camp draftees possessing that number to write her care Paramount Studios.

SUNDAY AND MONDAY

Dick Foran is seen as Irene Dunne's small-town boy-friend in Universal's "Unfinished Business" coming to the Gayety Sunday and Monday.

Produced and directed by Gregory La Cava, the comedy drama co-stars Miss Dunne and Robert Montgomery, with Preston Foster and Eugene Pallette among featured players.

BLACK WALNUT TOPS KENTUCKY MARKETS

Black walnut brought the highest price paid for logs in Kentucky in 1940, according to figures released by the United States Department of Agriculture Forest Service. The price was $133 per thousand board feet, with an average of all sales of $77.80.

Top price on red gum was $100, with an average of $63 per thousand board feet. White oak and magnolia were purchased at a top of $75. A small quantity of holly sold at $115 per thousand board feet.

Yellow poplar, basswood, sycamore, ash and hard maple logs were next in the price scale in Kentucky, all selling at a top of $50 and an average of $32.50 for poplar, $37 for basswood, $44 for sycamore, $31 for ash, and $38.60 for hard maple. Eastern cedar sold for $37.50 top and about $30 average. Red oak sold at an average of $15.68 and a top of $40 per thousand board feet of logs. Average log prices for other Kentucky timber species included: Shortleaf pine, $13.60; eastern hemlock, $16; butternut, $36; hickory, $20; cherry $44; Chestnut, $8, and beech, $10.

The forest Service reports that less than a third of the farm woodlands of the country are being managed to produce perpetual crops, the majority of woods yielding only a quarter or so of what they could under improved operation.

350-POUND RECORDS FOR KENTUCKY COWS

Seventy-nine cows in five dairy herd improvement associations in Kentucky have records of 350 pounds or more of butterfat in 305 days. One cow owned by Berea College produced 19,322 pounds of milk and 715 pounds of fat in 305 days. Ten cows in the five associations produced more than 500 pounds of butterfat each.

Milk is about 75 cents a hundred pounds and butterfat about 9 cents a pound higher than a year ago. A cow producing 300 pounds of butterfat is returning about $27 more than last year, point out dairy experts at the University of Kentucky College of Agriculture and Home Economics.

GRACE

The Christian graces are like perfumes, the more they are pressed, the sweeter they smell; like stars that shine brightest in the dark; like trees which, the more they are shaken, the deeper root they take, and the more fruit they bear.—Beaumont.

The being of grace must go before the increase of it; for there is no growth without life, and no building without a foundation.—Lavington.

As grace is first from God, so it is continually from Him, as much as light is all day long from the sun, as well as at first dawn or at sun-rising.—Jonathan Edwards.

What we most need is the prayer of fervent desire for growth in grace, expressed in patience, meekness, love, and good deeds.—Mary Baker Eddy.

Grace comes into the soul, as the morning sun into the world; first a dawning; then a light; and at last the sun in his full and excellent brightness.—Thomas Adams.

There is no such way to attain to greater measure of grace as for a man to live up to the little grace he has.—James Gordon Brooks.

While it is our business to express opinions we are sometimes scandalized by the careless speed with which street corner professors solve all issues.

Because a Christian world would not include warfare is no reason for Christians to imagine that the earth does not include international brigands.

KENTUCKY TRUCK OWNERS HAVE A STAKE IN NATIONAL INVENTORY

Each truck owner in Kentucky has a direct personal interest in the success of the national defense truck and bus inventory now under way, Mr. William W. Blanton, Chairman for Kentucky of the Highway Traffic Advisory Committee to the War Department, emphasized today in a statement to vehicle owners who have not yet responded to the inventory.

This self interest in the inventory is explained, Mr. Blanton said, in a recent statement by John L. Rogers, Chairman, Centrol Motor Transportation Committee. Rogers has pointed out that in making recommendations to the Office of Production Management on the production of trucks and truck parts, his committee "cannot be expected to take account of truck needs as to which it is not fully informed."

The Office of Production Management has already issued a priority rating for production of medium and heavy trucks and replacement parts, Mr. Blanton explained. It is not the highest rating under the Government priority system, but it is the same as that assigned for the production of rail freight cars.

In issuing this rating, the OPM was guided by the best available information on highway transportation and its replacement requirements. The original order may be modified when a more accurate picture of the trucking industry is obtained from the inventory.

This is the reason each truck owner should fill out and return immediately the questionnaire card he has received in the inventory, Mr. Blanton emphasized. It is important that his truck be a part of the total picture of the trucking industry which the OPM will take into account in issuing any future priority order.

A few truck owners apparently hesitate to fill out the questionnaire card, Mr. Blanton said, because of one of the questions: "In case of an emergency would you voluntarily hire or lease vehicle to a Federal agency?"

Rogers has made the following statement on this point:

"We do not expect every truck owner to answer 'yes' to this question. In many cases their trucks will already be engaged in essential services and cannot be spared. But the government must have information on these trucks as well as all others in order to plan the production of trucks and truck parts to meet all requirements under the national defense program. It is necessary to know the age and kind of trucks in essential services in order to plan replacements as they are required."

SHEEP NEED EXTRA CARE THIS SEASON

By Dr. W. W. Dimock, University of Kentucky

The dry weather during the past three months has affected very seriously the pastures in Central Kentucky and other parts of the state. In some areas the pastures are practically bare; in others what little grass and weeds there are, are very inferior in nutritive value. In addition to poor pastures, the water supply for domestic livestock is inadequate and what pond water may be available is unfit for animals to drink.

This seems to have been a bad summer for parasites in sheep, particularly stomach worms. Lambs infested with stomach worms to the extent that they were visibly sick were encountered several weeks earlier this year than has been the case for several years past. The most serious trouble in sheep from parasites has occurred in lambs that were not ready for market late in June and early in July. In several instances, groups of late lambs have been treated two, three and four times for stomach worms between July 1 and October 1; and yet, an autopsy, stomach worms and other parasites of the digestive tract have been found. All of these lambs are extremely anemic, the blood being thin and watery. The red blood cells per given volume of blood were found in many instances to be as low as one-fifth of the normal number. Lambs that are heavily infested with parasites in the digestive tract, that have become extremely anemic, do not respond to good care and feeding, even though they are treated in a way that removes the parasites. In that there has been more serious trouble in lambs this year than is common in this area, it seems quite evident that the two most important factors are the unfavorable condition of the pasture and earlier than usual heavy infestation of parasites. Even where the lambs are fed all of the good grain mixture they will eat, they do not respond.

Another class of sheep in which trouble has developed is the young western ewes shipped in. Young ewes brought in from the west should, under present pasture conditions, be immediately placed on good hay and a good grain ration, in addition to whatever pasture may be available. Western sheep are not altogether free of parasites; neither do they always show evidence of having been fed sufficiently liberal to keep them in prime condition. Thus, for late lambs that are to be fed out for market and for young ewes that are shipped in for breeding purposes, it would seem essential to provide a liberal supply of hay and grain, in addition to pasture. Just so far as possible, fresh, clean water should be provided and salting regularly should not be overlooked.

The sheep that have come to us for post mortem examination showed no evidence of an infectious disease that would call for vaccination; neither would medicinal agents be of any value. The only hope of doing anything beneficial for these sheep is to treat them for intestinal parasites, feed liberally, and see that they have clean water and salt.

A supreme dictator might be worth something to the world if he would assemble all tightwads in one country and let 'em work upon each other.

Residents of Boone County, old enough to remember the summer of 1920, should not forget that the deflation followed a war inflation.

There are some Americans, who say they hate Hitler, who are getting mad with Stalin, because the Russians are putting up a good fight.

RESOLUTION

WHEREAS, it has pleased the Almighty to remove from our midst by death our esteemed friend and co-worker, Rome Kinman, who has for many years occupied the post of Auctioneer and maintaining under all circumstances a character untarnished and a reputation above reproach.

Therefore Be It Resolved, that in the death of Mr. Kinman, we have sustained the loss of a friend whose fellowship it was an honor and pleasure to enjoy and a fellow-worker who will be hard to replace; that we bear willing testimony to his many virtues and loyalty to this institution; that we offer to his bereaved family and mourning friends our heartfelt condolences and pray that the passing of time may bring relief to their burdened hearts and inspire them with the consolations of the high standard set by their departed husband and friend.

Resolved, Further, that a copy of these resolutions be spread upon the minutes and certified copy sent to the family of our deceased friend.

EYE-EASY LIGHT

THIS WHITE GLASS DIFFUSING BOWL is a distinguishing feature of I.E.S. Better Sight Lamps. It conceals the bulb, filters out harmful glare, provides abundant direct light for reading or sewing and soft indirect light for general room illumination. Other I.E.S. features are the wide shade, with light lining, which intensifies the downward light and spreads it over a wide area; a three-light bulb, which offers a choice of lighting levels to fit the seeing task at hand; and the I.E.S. Certificate of Compliance, which guarantees that each lamp has met 54 specifications of the Illuminating Engineering Society for better light and better value. When you buy an I.E.S. Lamp you are buying a lamp that has been scientifically designed for safe seeing and carefully manufactured to assure continuous, trouble-free service.

Try an I.E.S. Lamp free in your own home for three nights. See for yourself how its generous, soft light gives a lift to tired eyes. No obligation. If you like it, buy on easy terms: 95c down, $1.00 per month.

DEDICATION SERVICES SET

FOR NEW CONSTANCE CHURCH OF THE BRETHREN SUNDAY—ALL DAY SERVICES ARE PLANNED.

In the fifth decade of its activity the Constance Church of the Brethren will dedicate its new building next Sunday. Beginning with the Sunday School program at 10 o'clock and continuing after a basket dinner, the 2 o'clock service will be climaxed by an address by a speaker of distinguished ability as a preacher and educator N. B. Wine, Assistant Superintendent of Schools, Dayton, Ohio.

Aged natives will reminisce as the history of the Constance church is briefly given. The recently organized choir will sing, and special music talent from other churches will inspire the audience.

In the over 40 years of its history this little church has constantly grown and contributed to the cultural and spiritual standards of the community.

When the building committee launched a drive this spring for funds the financial goal was exceeded, thanks to generous contributors, many of them members of other churches of the county.

The best efforts possible have been exerted to make the dedication program one too excellent to miss, and everyone is cordially invited to come to either or both of the programs at 10 and 2 o'clock Sunday, November 30th.

Two weeks revival will follow, with services each evening at 7:30. Special music will be furnished at each service. The public is cordially invited to attend.

Large Crowd Attend Thanksgiving Service

Approximately 300 attended the Thanksgiving service held at the Burlington Baptist Church, Wednesday of last week. The program was sponsored by the the young people of the Baptist and Methodist Churches.

Rev. T. O. Harrison, pastor of the local Methodist Church brought the message which was of great spiritual value. James Gayle Smith, acted as master of ceremonies.

This is the first time in many years that a program of this kind has been held in Burlington, and it hoped that a similar program will be carried out next year at the Thanksgiving season.

Training School Is Scheduled November 28

Mrs. Pearl J. Haak will meet with the Major Project leaders on Friday, November 28, 10:00 a. m., Burlington school house, to teach the lessons on "Meals for Special Occasions."

All major project leaders are urged to be present.

SEAL SALE NOW IN PROGRESS

SCHOOL CHILDREN ARE PARTICIPATING IN CAMPAIGN—CITIZENS MAILED SHEETS OF 100 BY COMMITTEE.

The annual Tuberculosis Christmas Seal Sale began Monday, and will continue through the Christmas holidays.

According to V. V. Lents, chairman of the committee in charge of the sales in Boone County, this year's sales in Boone County will surpass all other campaigns. People have just begun to realize the amount of good that can be done by purchasing the little bright colored seals. The sale of the seals is postitively the only means of carrying on scientific research against tuberculosis. Boone County retains at least 52 per cent of the proceeds of the sale in this county, 60 per cent if the sale amounts to $500. Help to make the sale go to $500.

The school children are selling the seals, and sheets of 100 have been mailed to some citizens by the committee in charge. Buy your seals from the children or the ones mailed you. It makes no difference from whom you buy if you purchase from a Boone County pupil. Only Boone County sales help Boone County. Buy today, and place them on all your mail from now until Christmas.

LOCAL SHOPPERS SHOW INTEREST

IN FIFTH ANNUAL CHRISTMAS PARTY SPONSORED BY COVINGTON RETAIL MERCHANTS' ASSOCIATION

Covington stores report that many Boone County shoppers already are showing great interest in the announcement in The Recorder last week of the Fifth Annual Christmas Party given by certain retail merchants of Covington.

Shoppers participating may share in awards that total $650.00. The first award is $250.00, and the second is $100.00—in all 32 cash awards. It is easy to participate —just ask for coupon with each $1.00 purchase. Awards will be made on Tuesday evening, Dec. 16, at 9:15 p. m. The shopper does not have to be present at that time to receive an award.

This big event is being staged to encourage early Christmas shopping. However, there are other urgent reasons why one should shop early this year. One should know that stocks now are complete, but the merchant cannot reorder many items on short notice like in previous seasons. Improved business conditions may cause traffic difficulties, adding to the inconvenience and discomfort of late shoppers. Covington stores never looked more inviting with their complete lines of Christmas merchandise than they do now. Furthermore, there is no sales tax if you shop in Northern Kentucky.

An announcement in this issue of The Recorder carries the names of the Covington stores that are making your Christmas Party possible.

Call Number 20 Made By Draft Board No. 9

Six Boone County youths will report to Local Draft Board No. 9 at the courthouse, Burlington at 9 a. m. E. S. T. on December 2, 1941 whereon they will be sent to Ft. Thomas for induction in the United States Army.

Youths called in the December group are as follows: Harold Conner Kilgour 710, William Joseph Brown 717, Clarence Thomas Snow 730, Donald Ellis Faulkner 733, Miles Walton Goodridge 753, Edward Alen Biddle 754.

Because one of the men named above may not be inducted at the induction station by the armed forces, Jim Matt Wilson 780, has been named as a replacement.

Democrats Will Hold Meeting December 4th

The Young Men's Democratic Club of Boone County will hold its regular monthly meeting Thursday night, December 4th at the court house, Burlington, at 8 p. m. At this meeting election of officers will be held. All members are requested to attend.

79 Farmers Attend Grading Demonstrations

Seventy-nine local farmers attended four tobacco stripping and grading demonstrations held the past week, according to H. R. Forkner, County Agent. Meetings were held at H. W. Bakers, Petersburg; Frank Hossman's, Hebron; H. E. White's, Burlington, and O. K. Whitson's, Verona.

M. W. Tuttle, Federal Tobacco Grader, presented the demonstrations at the meetings. Mr. Tuttle urged that farmers strip their tobacco more closely to grades this year because tobacco markets will be Federal graded and if grades are mixed over 15 to 20 percent they will go into the lower grade. Flyings that cannot be stemmed are used for granulator or cigarette sack tobacco and are ground up for sack tobacco, such as Bull Durham, Golden Grain, etc. Trash and lugs can be stemmed and are used to make ready made cigarettes; bright leaf that is too heavy for cigarettes is used for pipe smoking tobacco, such as Prince Albert, Half and Half, etc.; heavy red leaf and tips are used for making chewing tobacco.

Mr. Tuttle urged farmers to use greater care in stripping and grading their tobacco as to its use and to see that it is kept separate when it goes to market.

Federal grading will be on all markets this year. Tobacco average parity prices are at present around 24c. Government loans are 85 per cent of parity which is calculated for each particular grade. Boone County farmers have worked for several years to secure Federal grading on local markets. They are greatly encouraged that this system is being put in force this year.

Mrs. Martha Walton

Mrs. Martha Walton (Nee Long) age 87 years passed away Friday night at 12 P. M. following a long illness.

Her remains were taken to Chambers & Grubbs mortuary for preparation. She leaves to mourn her passing, 4 daughters, 2 sons, 18 grandchildren, and 13 great grandchildren. The funeral was conducted from the Chambers and and Grubbs Funeral Home with services at the Hughes Chapel Methodist church Sunday at 2 P. M., conducted by Rev. D. E. Bedinger. Burial in Hughes Chapel cemetery. Chambers and Grubbs were in charge of Funeral arrangements.

FOUR-H TOBACCO SHOW SET DEC. 8

MORE THAN FIFTY CLUB BOYS AND GIRLS FROM COUNTY WILL BE ELIGIBLE TO PARTICIPATE IN SHOW.

The Annual District 4-H Club Tobacco Show and Sale will be held Monday, December 8, at the Kenton Looseleaf Warehouse in Covington, according to Franklin Frazier, Assistant County Agent.

More than 50 Four-H Club boys and girls from Boone County who have completed tobacco projects this year will be eligible to participate in this show and have been advised to stick grade their tobacco before it leaves the farm, and to have it placed on the warehouse floor Saturday, December 6.

Prizes will be awarded to club members having the best record books, the best baskets of tobacco for each grade, and the best crops from each county, and for the champion and reserve champion of the show.

Other counties that will take part in this event are Bracken, Campbell, Kenton, Grant and Pendleton counties, Kentucky, and Clermont County, Ohio.

Mr. and Mrs. Roscoe Akin, Mrs. Susie Stephens and Wilton Stephens spent last Sunday visiting friends in Louisville.

BURLINGTON FIVE WINNER

OVER HEBRON BASKETBALL TEAM—NEW HAVEN WINS FIVE IN ROW—WALTON TAKES OPENING TILT.

The Burlington Eagles journeyed to Hebron Saturday night, where they annexed a 26-20 victory at the expense of the Hebron Cardinals. Trailing 5-7 at the quarter, the Eagles came from behind to take a 11-9 lead at the half.

Huey led the winners' scoring, with twelve points, followed by Jarrell with five, Buckler and Witham racked up six each for Hebron.

The Hebron reserve squad turned back their Burlington rival 25-19.

The Eagles had little trouble in soaring high over their Warsaw opponent, 31-12, at the Burlington gymnasium Friday night. Taking a 13-3 lead in the first period, the Boone Countians were never threatened, as Jarrell chalked up fourteen and Huey six points. Connell topped his team with seven points.

The Eagles swooped down on their Gallatin County prey, 24-8, in a preliminary.

The New Haven Tigers chalked up their fifth consecutive triumph when they nosed out the Simon Kenton team 28-27 at Independence Friday night. The Tigers overcame a 10-2 lead by their rival at the quarter, to go out in front 16-13 at the half.

Baker's outstanding defensive playing counted big in the Tiger's triumph, while Judge scored fourteen, Newman eight of their points. Breeden tallied thirteen for the losers.

The New Haven Kittens took a 29-10 spanking from the Simon Kenton reserve five.

The Tigers swamped The Florence Knights 57-19 at New Haven Friday night, as Newman, New Haven forward, scored 35 points. The Tigers held a 22-1 margin at the half.

Stephenson added nine more to the winners' total, while Cason brothers tallied six each for Florence.

The Kittens trounced the Florence Juniors 30-12 in a preliminary skirmish.

The Walton-Verona Bearcats won their opening game of the season Wednesday night, defeating the Dry Ridge team, 28-17, at Dry Ridge. The Bearcats took a 6-2 margin in the first period, which they increased to 11-4 at the half, and 17-10 in the third quarter.

Simpson scored eight of the winners' total, Welch and Demoisey six each, Groger four.

The Walton-Verona Kittens handed their Dry Ridge opponents a 22-14 setback.

The Hebron Cardinals suffered a 27-16 setback Wednesday night at the hands of the Dixie Heights five. The Cardinals trailed 8-12 at the half. Buckler of Hebron and Lear of Dixie scored six points each.

The Hebron reserves downed the Dixie Heights reserve team, 18-13, in a preliminary.

This week's schedule:

Florence at Lloyd, Friday night.

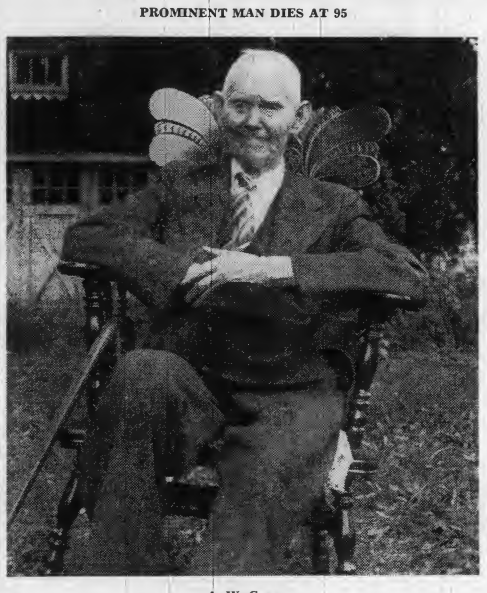
New Haven at Dixie Heights, Friday night.

Burlington at Walton, Friday night.

Walton at Hebron, Saturday night.

Beechwood at Walton, Tuesday night, Dec. 2.

DAIRY SCHOOL SCHEDULED DEC. 4



GEORGE HARRIS, DAIRY SPECIALIST FROM COLLEGE OF AGRICULTURE WILL LEAD DISCUSSIONS.

A county-wide dairy feeding and breeding school will be held at Burlington Thursday, December 4th, according to H. R. Forkner, County Agent. Geo. Harris, dairy specialist from the College of Agriculture, will lead discussions at this meeting.

Discussions at the meeting will be devoted to "Dairy Production in National Defense," "New Development in Feeding for Profitable Production," "Local Experiences and National Experiences in Breeding Up High Producing Dairy Herds," and Planning the 1942 Dairy Improvement Program."

All dairymen and others interested in dairy production problems are invited to attend. The meeting will start at 10:00 a. m. E. S. T. and close at 3:00 p. m.

PROMINENT MAN DIES AT 95

A. W. Corn

A large number of Boone Countians gathered at Highland Chapel, Friday of last week to attend last rites for A. W. Corn, a former resident of this county. He was one of Northern Kentucky's leading citizens.

Howard-Clore

Miss Ethel Howard, of Lexington, Ky., and Mr. Harold Kelly Clore, of Burlington, were quietly united in marriage on Friday, November 21 at 7:00 p. m. by Dr. Ecton, pastor of the Lexington Baptist Church, in Lexington.

Immediately following the ceremony, they were entertained at the home of friends in Lexington with a very nice shower and refreshments. They then came to Cincinnati on Saturday and remained there until Sunday, motoring to Burlington to spend the day with Mr. Clore's mother and many relatives and friends at the home of Mr. and Mrs. J. R. Eddins.

Mr. Clore has a position on the legal staff of the Unemployment Compensation Commission, Frankfort, and his wife has accepted a trained nursing position at the Frankfort hospital. They will make their home in Frankfort.

We join their many friends here in wishing them much success and a long and happy married life.

HEBRON P.-T. A. TO MEET

The Hebron P.-T. A. will hold its regular meeting on Dec. 2 at 7:30 (Tuesday). An unusual program has been planned in the spirit of Christmas, a candle lighting service conducted by Rev. Noble Lucas.

Splendid meetings have been held, with large attendance. All regulars are asked to bring others.

COUNTY HERDS TO BE TESTED

FOR BANG'S DISEASE IN NEAR FUTURE—FARMERS SHOULD MAKE REQUESTS FOR BLANKS AT COUNTY AGENT'S OFFICE.

A letter has been received from Dr. L. L. Breeck, Acting State Veterinarian, requesting that Mrs. Mary Scott Moore, Acting Home Demonstration Agent, send him a list of persons who have signed agreements to have cows tested for Bang's Disease, and stating that he will arrange to have an inspector come to the county in the immediate future to do this work.

The only names listed in the Agent's office are those persons who have filed their agreements with that office. Mrs. Moore requests that any who have mailed agreements directly to Frankfort but have had no response from that office please call the county agent's office in the next few days so their names may be added to the list which is being compiled.

Any who desire to sign agreements should make requests for the blanks at the agent's office so that they may receive attention when the veterinarian comes to Boone County.

The cooperation of every individual who is now using milk or milk products from cows that have not been tested recently is expected. This movement is to protect others in the county from the dread disease, Undulent Fever. Mrs. Moore should like to mail the list Friday evening.

COUNTY TO BE REPRESENTED

AT NATIONAL 4-H CONGRESS IN CHICAGO BY EVELYN FRANKS OF NEW HAVEN CLUB—IS CLIMAX OF SIX YEARS WORK.

Boone County 4-H Clubs have the honor of sending Evelyn Franks member of the New Haven Club, to represent Kentucky in the 4-H Foods Judging Contest to be held during National 4-H Congress in Chicago with girls from other states and U. S. possessions.

Evelyn Franks is the daughter of Mrs. Corrine McCormack, a teacher in the New Haven School, and makes her home with her grandparents, Dr. and Mrs. J. F. McCormac, at Verona.

The Chicago trip comes to Evelyn as a climax of a 6-year 4-H club career. During the time she completed three projects in foods, three projects in clothing and one project in poultry. She has taken part in few contests or county club events and considered herself a real amateur when she entered the county foods judging contest last May. Her winning score was 590 out of a possible 600 points, on classes of yeast rolls, muffins and menus.

The ability to evaluate food standards comes to her quite naturally. She made a high score at the State contest held in Lexington during Junior Week last June. She expects to judge baked products, menu plans, and table setting arrangements in the Chicago contest.

Mrs. Walter Ferguson, Union, has served as foods project leader at New Haven this year. Mrs. Ferguson expressed surprise, but delight, to have one of her club girls win the contest. Mrs. Ferguson is a volunteer leader and receives reward for service in the form of satisfaction in having her pupils achieve honors, and in the congratulations justly due her. Miss Mary Hood Gillaspie, Boone County Home Demonstration Agent, conducts the county 4-H Club girls' program.

Mr. John Masters, principal of the New Haven School, has cooperated in making it possible to conduct 4-H Club meetings and classes at his school and the school organization and P.-T. A. have contributed much to the success of the club.

Funds for the trip are a combine contribution from local 4-H Clubs, Homemakers Clubs, County 4-H Council, and New Haven School and P.-T. A.

Mrs. Emma Kilgore

Services for Mrs. Emma Kilgore, Hebron, who died Sunday at her home after a long illness were held at 1:30 p. m. Tuesday at the Bullock and Catherman funeral home, Ludlow, with burial in Hebron cemetery. She was 75.

She is survived by a daughter, Mrs. Mae Taylor; a son, Emmett Kilgore; a brother, Stanley Graves, and a sister, Mrs. Anna Reitman.

Bullock and Catherman were in charge of arrangements.

$3,011 PLEDGED FAIR GROUNDS

PROJECT, ACCORDING TO CHAS. W. RILEY, CHAIRMAN—ALL ARE URGED TO CONTRIBUTE TO THIS PROJECT.

Boone County will have a county Fair and Picnic grounds if $489.00 can be raised by Thursday night, December 4th, according to Chas. W. Riley, Chairman of the County Fair Grounds drive.

Committeemen at the meeting last Thursday evening reported that $3,011.00 of the $3,500.00 required had been raised and stated that "We are now too close to stop. The County Fair Grounds program must go 'over the top.'"

People of the county and friends have shown a splendid response. The program offers foundation possibilities of a permanent memorial for the agricultural and home economics improvement for our boys and girls and as a fair and county picnic grounds for our people. Every citizen of the county is invited to make his contribution to his committeeman who is serving without pay for the common interest of all. See your committeeman today. Make your pledge before the next meeting so that the goal will be reached in full. It's your fair grounds and you will want a part in securing it.

Your local committeeman who will be glad to receive your pledges are: County Committee: Chas. W. Riley, chairman; A. B. Renaker, John Conner, A. E. Stephens and H. R. Forkner; Constance, Geo. Kottmyer, Mrs. Elmer Peeno; Taylorsport, Mrs. Lottie Beacom; Hebron, Jas. R. Huey, J. C. Aylor and Mrs. David Pope; Bullittsville, Robt. Graves, Mrs. Haynes Bruce and Anna Engle; Petersburg, John Klopp, Mary Rector; Grant, W. B. Rogers, Lillard Scott, Mrs. Lillard Scott; Burlington, Luther Smith, Court Kelly and Helen Snyder; Florence, Ira Tanner, Mrs. Geo. Morith, and Mrs. Laverna Willeford; Rabbit Hash, Mrs. Ethel Wilson; Beaver, Mrs. Jake Cleek and J. O. Griffith; Verona, Mrs. Pearl Lamn, Grover Ransom; Walton, Demoisey and Mrs. Alan Gaines; Idlewild, Bernard Gaines; Limaburg, J. P. Brothers; and Point Pleasant John W. Dolwick.

Calls may be made direct to Charles Riley, County Attorney's office, or to the County Agent's office in Burlington.

Mrs. Essie Hayes

Mrs. Essie Hayes, 59 years, died at her home on the Burlington-Belleview pike Monday morning at 2 p. m.

She leaves several cousins and a number of other relatives and friends.

Funeral services were held at the home of Douglas Daley, Wednesday morning at 10 a. m., with Rev. T. O. Harrison, pastor of the Burlington Methodist Church, officiating. Burial was in Belleview cemetery.

Chambers and Grubbs were in charge of funeral arrangements.

WALTON YOUTH IS APPOINTED

SUPERINTENDENT OF KENTUCKY HOUSE OF REFORM—CHANGE IN POLICY TO BE MADE.

John R. (Frenchy) Demoisey, Walton, was named as superintendent of the Kentucky House of Reform, Wednesday of last week, to succeed Norman Braden, who was removed as acting superintendent.

Mr. Demoisey, a former University of Kentucky basketball star and professional baseball player, took over his duties as superintendent Thursday. He was former assistant superintendent.

Following Mr. Demoisey's appointment by Gov. Keen Johnson, the state's chief executive announced that an extensive change will be made in policy.

"We are going to clean that place up from top to bottom—scrub it thoroughly for one thing," Gov. Johnson said as he and W. A. Frost, state welfare commissioner, and the 30-year-old Demoisey discussed the situation.

"We are going to revitalize the recreation system, buy new playground equipment, and pay for it out of the emergency fund.

"We are going to concentrate on the food situtation and re-establish the band," he said.

CHRISTIAN LOVE

LESSON TEXT—John 13:34, 35; I Corinthians 13:1-13.
GOLDEN TEXT—We love him, because he first loved us.—I John 4:19.

Many important things enlist the interest of the Christian, but we need to beware lest we neglect what Jesus declared to be the first and great commandment—that we love God; and its necessary sequel—that we love our neighbor. If love is forgotten (and who can deny that it often is in our day?), the very foundations are shaken. We need a revival of Christian love.

I. Love—A Mark of Discipleship (John 13:34, 35).

Do you want to know whether a man is a Christian? Find out whether he loves his brethren. Such is the test Jesus gives in these verses.

1. Commanded. It is the will and purpose of God that the followers of Christ should have a real love for one another. It is not to be a matter of impulse or chance, but the love God has for us should constrain us to love one another. Thus is love

2. Exemplified. God has loved us. He does love us. How infinitely much is wrapped up in these simple words! He even gave His Son to die for us because He loved us (John 3:16). How then can we withhold our love from Him and from one another?

II. Love—A Christian Grace (I Cor. 13).

In a world where hatred prevails, and is in fact glorified, this chapter needs to be read and reread. We find that love is

1. Essential (vv. 1-3). Life has many excellent gifts and men quite properly seek after them. How do they compare with love, and what do they amount to apart from love? Glowing, angelic eloquence; the far-seeing eye of the prophet; the attainments of knowledge and culture; mountain-moving faith; liberal-hearted charity; martyr-like self-sacrifice—without love they are all as nothing. Apart from Christ and His love operating in our hearts and lives the worthiest attainments of men are vain and empty. Love is the very essence of a satisfying and useful life.

2. Effective (vv. 4-7). Does love really work, or is this just a fine-sounding but obsolete theory? It works.

Think of the things in life which irritate and depress us; then put opposite them the qualities of Christian love as given in verses 4 to 7, and you will agree that what this world needs most of all is love.

Remember that talking about love or reading about it or studying it in the Sunday school will not make it effective. We must put it into practice. Why not start now? You will be surprised at the results.

3. Eternal (vv. 8, 12). Many gifts are only temporary in their usefulness; in fact, almost everything that man makes or does (apart from his service for God) is transient. Even so vital a matter as prophecy shall one day find its end in fulfillment. Hope shall eventually find its longing expectation satisfied. Faith will be justified in seeing what it has believed. Childish things will be put away by the full-grown man, knowledge will increase and darkness disappear.

But love—love is eternal. It never fails, and will never fail. God is love and God is eternal. From all eternity and unto all eternity love continues. Therefore, we agree with Paul who in the verse preceding this chapter (I Cor. 12:31) says that while you may covet the best gifts, here is the more excellent way—love.

Let us be clear about this. Love is not a substitute for regeneration, and certainly regeneration is no excuse for lack of love. Read John 13: 34, 35 again and remember that if we are Christ's disciples we will count it a high privilege to keep this first and great commandment of love.

Dependence on God

Poverty in any shape helps to stir in man a sense of need, a disposition to consider himself as dependent . . . The real puzzle of life consists not in the fact of widespread poverty but in that of widespread affluence; in the fact that so many are sufficiently endowed with "goods" as to believe they can live by them, and so cease to look for their true life to God their Father.—E. Lyttleton.

Death Becomes Transparent

And so the empty tomb becomes the symbol of a thoroughfare between life in time and life in the unshadowed presence of our God. Death is now like a short tunnel which is near my home; I can look through it and see the other side! In the risen Lord death becomes transparent. "O death, where is thy sting? O grave, where is thy victory?"—Dr. J. D. Jowett.

There are at least 56,000,000 potential columnists in these United States.

Congressmen, as a rule are extremely patriotic when it means votes at home.

REGULATIONS UNCHANGED

FOR MARKETING OF BURLEY, ACCORDING TO STATE AAA OFFICE—ONE NEW REGULATION ADDED.

Tobacco marketing cards similar to those used for the 1940 Burley crop will be required for recording sales of both Burley and dark types of the 1941 crop, the State AAA office announces.

Regulation for marketing Burley are virtually the same as those applied last year, it is pointed out.

Marketing quotas for fire-cured and dark air-cured tobaccos are in effect for the first time since 1938, but the regulations are basically the same as for Burley tobacco.

Under regulations for all three types of tobacco, a marketing card will be issued from the county AAA office to the operator of each farm on which tobacco is harvested. If the acreage of tobacco harvested on the farm does not exceed the acreage allotment, a "within quota" card will be issued and all tobacco harvested on the farm can be marketed without penalty.

If the acreage exceeds the acreage allotment, an "excess marketing" card will be issued for the farm. This card will show the amount of the excess and the percentage of the tobacco on which a penalty is to be collected.

The penalty on excess tobacco is to be paid by the buyer or warehouseman, who may deduct it from the price paid to the grower.

No tobacco may be sold under a marketing card except tobacco grown on the farm for which the card is issued. The card is to be presented for recording of each sale of tobacco from the farm.

The penalty on tobacco produced on excess acreage is 10 cents a pound for Burley and 5 cents a pound for the dark types. Marketing quota regulations also provide additional penalties for violations of quota law. Attempted evasion of marketing quota penalties by misuse of marketing cards will mean reduction of the tobacco acreage allotment for the farm in the following year and will also make the farmer subject to additional penalty on tobacco involved.

One change in Burley quota regulations calls for each sale other than a regular auction warehouse sale to be recorded on a "bill of non-warehouse sale" to be prepared by the buyer and the farmer when the tobacco is sold. This regulation also applies to "non-warehouse sales" of dark types.

YESSIR, Purina Sow and Pig Chow is really built to go with grain. Fed to sows, it helps give them what they need to farrow big litters of sturdy pigs and keep udders filled with plenty of milk. Instead of feeding grain alone to your sows, supplement it with Purina Sow and Pig Chow—it's a pig builder before they come; and a milk maker after they come! Come in—see us about this feed for your sows. We'll show you records to prove it's a top-notch feed and one you should feed to your sows.

BURLINGTON SCHOOL BAND WILL GIVE CONCERT DEC. 2

The Burlington school band will give a concert in the school auditorium at 8:00 p. m. E. S. T., Tuesday, December 2. This will be the first concert the band has given.

Miss Margaret Reeves of Taylor High School, Cleves, Ohio, will be the guest artist. As her feature number she will play a piano solo entitled "The Glow Worm" by Lincke.

There will be no admission charge, but those who care to may give donations to the Boy Scouts at the door. Such donations will be placed in a fund, which will later be used to buy uniforms and music for the band.

The program for the concert is as follows:

"O Come All Ye Faithful"—Band.

"Onward Christian Soldiers"—Band.

"Carry Me Back to Old Virginia."—Clarinet solo by Rosetta Snow.

"Merry Widow Waltz," trumpet solo by Nelson Poston.

"Bittersweet"—Band.

"Abide With Me,"—Band.

"Funiculi-Funicula" Clarinet solo by Bobby Clore.

Trombone solo—Edwin Walton.

"My Old Kentucky Home"—Clarinet solo by Calvin Kelly.

"Sweet and Low"—Band.

"The Glow Worm" Piano solo by Margaret Reeves.

"Aileen"—Band.

Saxaphone solo—Dewey Ray Benson.

"Long, Long Ago Variations"—Dean Bloss.

"Silent Night"—Trumpet solo by Wayne Jones.

"How Can I Leave Thee?"—Clarinet trio by Louise McArthur, Rosetta Snow and Corinne Walton.

Baritone solo—Chester Tinkelenberg.

"Waltz Selection"—Band.

"America"—Band.

The members of the band take this opportunity to thank all who have given their cooperation in making this project possible. To the parents who have gone to no little expense in supplying instruments, are we especially grateful.

All members of the band promise to work hard to insure its success and so in some measure repay those who have helped us. We feel that aside from the enjoyment received from playing the band at present we are also receiving training that will benefit us in years to come.

Corinne Walton, Sec.

HAMILTON SCHOOL NEWS

Saturday night Hamilton grade basketball team opened its season by defeating the New Haven Grade team by a score of 16-10. Shields was leading scorer for Hamilton with 9 points, while Shields of New Haven collected 4 points to lead for the losers.

Following the grade game, Burlington Independents were defeated by the Hamilton Independents by a score of 30-26. Miller was high point man for Hamilton with 10, while Brooks of Burlington, collected 11 for the losers.

HOME BUTCHERING EQUIPMENT PLANS

The College of Agriculture and Home Economics of the University of Kentucky is distributing plans for building home butchering equipment on the farm which will make butchering easier and more efficient. The equipment is not elaborate or expensive, and can be made by farmers from materials probably to be found right on the farm. While designed for butchering hogs, the equipment could be used in killing either cattle or sheep. The plans can be had from county agents or by writing to the College of Agriculture and Home Economics, Lexington.

KENTUCKY COW AIDS NATIONAL DEFENSE

Anxiety 2000592, a purebred Holstein cow owned by the Kentucky Agricultural Experiment Station, is contributing to national defense by producing 5,150 quarts of milk and 373 pounds of butterfat in the past year. The Holstein-Friesian Association of America, which cooperated in her testing, says "If all the nation's dairy cows were equal to this Holstein there would be in abundance of milk, butter and cheese for the United States, Great Britain and other needy countries."

See THIS SENSATIONAL NEW-TYPE HEATER THAT COKES THE COAL-BURNS THE GASES!

KOL-GAS SELF-FEED HEATER

—GIVES YOU EXTRA HEAT— —WITHOUT EXTRA COST—

—YOU START A FIRE BUT ONCE A YEAR!—

●Progress marches on! Now it's KOL-GAS—the heater that gives you both radiating and circulating heat — the heater you'll want to own.

KOL-GAS is a self-feeder. Fill fuel magazine from top with 100 lbs. of coal. It cokes the coal and feeds down by gravity, as needed. Heats all day, all night or longer, without refueling! Provides more even temperature without frequent regulation and firing.

Air intakes below and above the fire give positive heat control — a great volume of heat for zero weather — a breath of warmth for cool days in spring and autumn. The Heat Booster, exclusive with KOL-GAS, lengthens fire travel, pours extra heat that otherwise would go up the chimney, into your rooms; reduces flue temperatures, thereby adding to safety.

Come in and see this new heating marvel that sells itself!

CHICAGO SHOW OPENS NOV. 29

LIVESTOCK ENTRIES FROM 37 STATES EXPECTED—554 FARM BOYS WILL PARTICIPATE IN BIGGEST SHOW IN YEARS.

Of first importance on the Fall calendar of events to stockmen and farmers the country over is the first week of December, which this year will mark the 42nd anniversary of the continent's largest annual agricultural show, the International Livestock Exposition and Horse Show.

The 1941 Exposition will be held from November 29 to December 6 in Chicago's huge International Amphitheatre and will overflow a large area of the adjoining Stock Yards, where hundreds of carloads of cattle, sheep and swine will be displayed.

Exhibits From 37 States

Officials of the Exposition announce that entries have thus far been received from prospective exhibitors in 37 states and four Canadian provinces, the largest number of states thus far ever represented. Purebred herds and flocks will be soon en route to Chicago from such distances as California, Oregon, and Washington on the West to nearly all of the Atlantic seaboard states on the East, and from Canada to Texas.

All past records have been broken in the number of entries of baby beeves, lambs, and pigs that will be shown this year by 554 farm boys and girls from 17 states in the junior classes of the Exposition. They will exhibit 825 head of steers, lambs, and pigs of their own raising, an increase by a wide margin over any past year.

Additional Judge Named

Because of the unprecedented size of the fat cattle entry at the coming show, it is announced that two judges will officiate in place of the one man judging system followed in the past.

Two prominent Canadian cattle authorities will select the prize winners in these classes this year. W. L. Carlyle, manager of the Alberta ranch, owned by the former Prince of Wales and present Duke of Windsor, and J. Charles Yule, also of Alberta, will act in this capacity.

The cattle entry for all divisions of the show, including both the purebred classes and steers, is at an all time record," says B. H. Heide, secretary-manager of the Exposition. Of the three principal beef breeds, the Shorthorn, Hereford, and Aberdeen-Angus, which yield a major share of the country's finest meat cuts, Shorthorns will be shown by owners from 18 states and two provinces of Canada; Herefords will come from 19 states and Canada; and Aberdeen-Angus from 22 states and Canada.

Sheep will be sent to the show from 24 states and Canada, swine from 12 states, and draft horses from 15 states and two Canadian provinces.

All railroads serving Chicago have announced specially reduced fares from many points along their lines that will be in effect during the week of the Exposition.

Federal Tax Forms Available For Retailers

The following news item was received from the Office of Internal Revenue Service, Louisville, Ky., which explains the necessary forms required to report the new tax on various items sold in retail stores. The Federal Revenue Act of 1941 imposes taxes on the following articles:

Retailers Form 728-A

Retailers who sell jewelery, cosmetics and furs must report the tax monthly to this office. The tax collected during October 1941, is due and payable during November, and you should immediately order Form 728-A for this report.

Manufacturers Form 728

If you are a manufacturer of the following articles, forward a request immediately for Form 728 on which the tax is to be paid monthly. The tax collected during October, 1941, must be paid during November, 1941.

Automobile, truck, bus and parts tax.

Radios, phonograph records and musical instruments.

Refrigerators, refrigerating apparatus and air conditions.

Matches.

Sporting goods.

Luggage.

Electric, gas and oil appliances.

Photographic apparatus.

Electric signs.

Business and store machines.

Rubber articles.

Washing machines.

Optical equipment.

Electric light bulbs and tubes.

If you have made application and have not received Forms 728 or 728-A, notify S. R. Glenn, collector Internal Revenue Dept., Louisville, Ky.

We might be prejudiced but Boone County seems to have more than its share of good looking women and pretty girls.

Our weekly hint to advertisers: Have you ever overlooked something that was constantly called to your attention?

IN MEMORY

Of Robert Mosby Rogers, age 83, who passed away just a few days ago.

His long life it seemed to us was a very satisfactory sort of existence in many ways. He had no great trouble or major responsibilities, and being a bachelor, he could hike off out the road to Aurora or Belleview, when the fancy struck him, knowing that when he tired of knocking around, there was a welcome place to which he could return.

Well, this time "Doll" has trudged off along a road from which there is no returning. We only hope it proves as friendly a path as the by-ways of Boone County.

Quality Sample Shoe Shop To Conduct Store-Wide Sale

After months of planning, the Quality Sample Shoe Shop, 627 Madison Ave., Covington, has inaugurated a big special store-wide sale, an announcement of which will be found on page 8, this issue of The Recorder.

The buyers have assembled the largest stock and the greatest assortment of shoes since the store opened six years ago. To make room for their summer merchandise, which will arrive soon, all lines of women's, girls', men's and boys' shoes have been greatly reduced, notwithstanding the fact that prices on shoes have been advancing steadily.

The Quality Sample Shoe Shop is a member of the Covington Retail Merchants' Christmas Party, which means this store will give tickets with each sale, thus giving its customers a chance to share in the $650.00 prizes to be awarded Dec. 16.

Where Foot Comfort Begins

9th and Madison Covington

Do you have severe pains in the muscles of your legs?

Do you walk with toes pointed out?

Are you dedeviled by a thousand demons tearing at your back?

Do you hate to get up in the morning?

Do you experience foot pain when walking?

Can you be on your feet all day without fatigue?

Any or all of these conditions may indicate that one or more of the four arches of your feet are on the verge of collapse. There is really no end to the trouble that such a condition could cause. Around the bones and muscles of your feet are numerous nerves, all of which are directly connected with the nerve center. Severe pains in your feet are transmitted to every part of your body.

What can you do about it?

For years men and women have withstood the aches and misery due to some foot condition and have always decided "There is nothing you can do about it."

Now Comes a Sure Way to Relief for many aches and pains due to faulty foot condition. You will be eager to rise each morning and meet the conditions of the new day. You will have the springy active step of a youngster of eighteen. You will not be old at forty! There is no secret to it. You don't have to take a long rest, nor a change of climate. You need only to be correctly fitted in a pair of surgical shoes. You may think this is a simple way to end all of pain and misery, you have been suffering for a good many years, but after all don't the simplest things in life bring the greatest joy?

Resolve today that you will pronounce the death sentence on the misery aches and pains due to foot trouble.—Adv.

SUNDAY AND MONDAY

Robert Taylor is piling up hours in the air at the rate of ten a week. The Merto-Goldwyn-Mayer star has parked his plane at Mines Field, a few minutes from the studio. During work in "When Ladies Meet," starring him with Joan Crawford, Greer Garson and Herbert Marshall Taylor flew an hour each morning before reporting on the set. Taylor puts in three to four hours in the air each week-end. He is working toward enough hours in the air before the year is out to qualify him for a transport pilot's license.

TUESDAY AND WEDNESDAY

In rehearsing a scene for Warner Bros.' "Manpower," Edward G. Robinson suggests to Marlene Dietrich that they get a wedding license.

Marlene's next line is ,"You mean you want to marry me?" She delivers it with such perfect incredulity that Robinson bursts out laughing, and says:

"Don't sound so surprise. I'm just expressing sentiments of about five million men."

Whereupon Director Rauol Walsh who has been observing the by-play with amusement says, "The name of this picture is 'Manpower' not 'The Great Mouthpiece!'"

RABBIT HASH HOMEMAKERS

The Rabbit Hash Homemakers' Club held its regular monthly meeting, Nov. 11th at the home of Mrs. Vernon Stephens.

The roll call was answered with "What I Am Thankful for which has happened in the past year." There were 6 members, 4 visitors and Mrs. Moore, present.

The lesson for the day was "The Family Meal Hour," which was given by Mrs. Ethel Wilson and Mrs. Moore.

At the noon hour a delicious lunch was served, buffet style.

After lunch the business meeting was opened with the singing of "America,' 'and "My Old Kentucky Home."

Mrs. Moore gave a short talk on Nutrition and the beautification of roadsides. Several members said they would donate trees of different varieties for roadside beautification.

Plans were made for our Christmas party which will be held Dec. 9th at the home of Mrs. Ethel Wilson.

4-H Member Produces $50 Worth Vegetables

Melvin Ray McGlasson, a twelve-year-old 4-H Club member of the Hebron 4-H Club was successful this year in producing more than fifty dollars worth of vegetables from a garden approximately one-quarter of an acre in size.

Here is Melvin's achievement story in his own words:

"This is my third year in club work but my first in gardening. I believe I like it better than tobacco which I had the other two years, for I can do more of my work.

"Although this has been a very dry, hot year my garden has produced a lot of vegetables. I planted my garden early this spring, so it got a good start before the dry weather came.

"I had two rows of tomatoes I staked when about one and one-half feet high. They never had any wilt or any other disease. When the tour was made this summer, Mr. Forkner took my picture in them. They were just about as tall as I was and the tomatoes were larger than quart cups. Besides all that I sold, my mother canned enough for our winter supply.

"I planted my beans about two weeks apart so I could have beans at all times. They didn't have any beetles on them for a long time, but one day as I was picking them I saw a few old ones on them. The next morning my daddy was going to spray his so he came and sprayed mine while the dew was on so the spray material would stick, and that was the last they had to be sprayed. I have three more rows just blooming now and am expecting to make a lot on them as beans are now high.

"My corn had a hard time as the weather was very dry, but I feel that it paid me well for I sold seventy dozen and my mother canned thirty pints. All of my other vegetables were easy to raise, beets, carrots, cabbage and potatoes. They did not take much care. I had two plantings of beets, and carrots. The last planting, I had to sprinkle each night to get them to come up, but they sure are nice.

"I did all of my hoeing early in the morning because the ground worked much better then, as it was more moist. I did not have to spend much time in my garden this year because the weather was so dry and hot the weeds didn't grow.

"I am very thankful for all of my vegetables this year, but I am looking for a better season next year."

ADVISORY GROUP PLEDGE SUPPORT

TO 4-H FAIR GROUNDS DRIVE AT MEETING HELD IN BURLINGTON COURTHOUSE, MONDAY.

The Boone County Homemakers' Advisory Council added their approval to the current 4-H Fair Grounds drive and pledged further work in the effort to raise the necessary funds for purchase of the site. The action took place at a meeting held at the courthouse in Burlington, Monday afternoon. The meeting was called to order by Mrs. Alan Gaines, who was wielding the gavel for the first time in her new office of president of the County Association.

Other business considered by the executives was as follows: The support of 4-H club leadership as a part of the citizenship project and a new county chairman for that work appointed to sit on the council; supplement of expenses necessary for the county president to attend Farm and Home Week in Lexington in January, when she and some other voting delegate will attend the business meeting of the Kentucky Federation of Homemakers' Clubs; importance of selecting club delegates to Farm and Home Convention due to importance of and depth of the program which has been planned; the past annual meeting expenses incurred and suggestions for improvement.

Mrs. Mary Scott Moore, acting Home Demonstration Agent, pointed out the value of Homemakers' Clubs taking an active interest in school lunch program.

H. R. Forkner, County Agent, spoke to the group with regard to the proposed increase for agricultural products in Boone County in accord with National Defense Program.

Miss Lulie Logan, assistant state leader of home demonstration agents, directed a study of qualifications and duties of homemakers' officers. She pointed out the fact that the most successful officer contributed enthusiasm, vision and insight to the success of her club.

By setting an example and soliciting cooperation much can be accomplished.

The "home work" assigned to each officer was to study her manual carefully, criticize herself, resolve to improve, and plan her program of work.

Project chairman were asked to report. Mrs. Garnett Tolin, chairman of Exterior Beautification, reported communications with Mr. Scholosser, State Highway Landscape Architect, relative to the planting to the "Model Mile" within the near future. Mrs. John Elliott, Reading Chairman, reported the purchase of nine new books for county Homemaker libraries.

Meetings of standing committees will be held in the near future to plan programs for the year.

Those present were: Mrs. Alan Gaines, Mrs. John Vest, Walton; Misses Edna Berkshire and Johnna Mae Terrill, Petersburg; Mrs. Garnett Tolin, Burlington; Mrs. John Elliott, Mrs. Orville Willeford, Florence; Mrs. Haynes Bruce, Mrs. Albert Willis, Bullittsville; Mrs. Elmer Peeno, Mrs. Geo. Kottmyer, Constance; Mrs. Sam Sleet and Mrs. Walter Ferguson, New Haven; Mrs. Pearl Lamn, Mrs. Will McCormick, Verona; Mrs. John Boyer, Verona. Arrangements for the meeting were made by Mrs. Mary Scott Moore,, Acting Home Demonstration Agent.

THE BOONE COUNTY RECORDER

ESTABLISHED 1875

VOLUME 66 — BURLINGTON, KENTUCKY THURSDAY, DECEMBER 4, 1941 — NUMBER 27

Library U of K

FOUR WILLS ARE PROBATED

BY COUNTY JUDGE N. E. RIDDELL IN COUNTY COURT HERE MONDAY—USUAL BUSINESS IS TRANSACTED.

The regular session of Boone County Court convened Monday to transact regular business, and at which time four wills were probated.

The will of Mrs. Lulah Presser, Florence, named Glenn Stanley Ryle to receive a gold watch, the balance of her estate to go to her sister, Mrs. Minnie Clore. Lon Clore was named administrator of the estate.

Robert H. Rogers

Robt. H. Rogers, Grant, requested that all debts and expenses be paid and that Nathaniel Rogers receive thirty-five hundred dollars. The remainder of the estate is to be equally divided between Louvette Rogers and Grace Rogers Brown, wife of F. H. Brown. This will was dated April 22, 1930.

Gertrude Aylor

In the will of Mrs. Gertrude Aylor, of Florence, her daughter, Mrs. Beatrice Dameron was named sole beneficiary.

Eldora Rouse

Mrs. Eldora Rouse, Hebron, requested payment of all debts and expenses and that Ivan Conrad receive $6,000.00 and his two daughters, Evelyn and Vera May, each receive $300.00.

A. B. Renaker was named to receive $1,500.00 for his services in handling her financial affairs for many years without payment. All of the above to be paid first, and then Harriet Utz, Nannie Lodge, Naomi England, Lydia Jones, Bessie Aylor, Lula Tanner, Milton Aylor, Frank Aylor, Henry Lee Aylor, Annie Laura Aylor and Mae Tanner were to receive $300.00 each. If there remained any part of the estate, it was to go to Ivan Conrad.

A. B. Renaker was named executor of the estate to qualify without bond. The will was dated August 13, 1941.

A. W. Corn

The will of A. W. Corn, Erlanger was probated in Kenton County Court Monday, involving an estate amounting to over $42,000.00. The Peoples Deposit Bank, Burlington was named executor of the estate.

W. H. Rouse Is Much Improved

W. H. Rouse, better known as "Onnie" was reported much improved Tuesday, following a serious illness for the past two weeks.

Mr. Rouse has been in bad health for sometime. However, his condition for the last two weeks has been serious. We are very glad to report that his condition is much improved at this writing.

HIGHWAY 20 IS BEAUTIFIED

BY BOONE HOMEMAKERS TUESDAY—IS FIRST PROJECT OF ITS TYPE SPONSORED BY HOMEMAKERS.

The planting of a model mile on Route 20, beginning on the River Hill and extending toward Petersburg was completed Tuesday by Boone County Homemakers in their exterior beautification project. Pines and blooming shrubs were used for the project.

The committee of clubwomen, Mrs. Garnett Tolin, Burlington; Anna Engle, Bullittsville; Mrs. John L. Vest, Walton, and Mrs. Jake Cleek, New Haven, all members of homemakers' clubs, and Mrs. James C. Layne, state chairman of conservation of the Kentucky Federation, received the co-operation of J. Lyter Donaldson, state highway commission, in the movement.

The work was supervised by W. M. Schlosser of Carrollton, in charge of state highway planting.

The planting is the first project of its type sponsored by homemakers' clubs and is expected to be the forerunner of similar beautification projects in the local communities of each of the 17 homemakers' units in this county.

Mr. and Mrs. Lyter M. Donaldson, N. R. Elliott, field man for exterior beautification from the University of Kentucky, and representatives of all homemakers units in the county were invited to attend the planting.

Lunch was served at noon at Bullittsville, Ky.

Hebron 4-H Member Named Champion

Melvin Ray McGlasson of the Hebron 4-H Club was declared the county 4-H garden project champion last week after careful consideration was given to outstanding garden project work of 46 other boys and girls competing for this honor.

In recognition of this achievement, he was awarded a garden cultivator by Geo. W. Hill Co., Covington, at the Hebron 4-H meeting Wednesday.

This award was made on the basis of the amount and variety of vegetables produced in the garden, and the record book submitted after the project had been completed.

In a plot of ground approximately one-quarter of an acre in size, Melvin produced 8 bushels of beans, 70 dozen ears of corn; 9½ bushels of tomatoes; 8 bushels of potatoes; 2 bushels of onions, in addition to a quantity of carrots, beets and lima beans. The total value of all vegetables produced from this garden was $51.90.

GIRL RESERVES WILL SPONSOR BAKERY SALE

The Burlington Girl Reserves will sponsor a bakery sale in the court house, Tuesday, December 9. They will offer cakes, pies, doughnuts, home-made candy and dressed chickens.

Proceeds from this sale will be used to fix Christmas baskets for the poor and help toward a Mother and Daughter banquet.

HAMILTON GIRL AWARDED MEDAL

FOR OUTSTANDING FOUR-H CLUB WORK—EVELYN FRANKS JOINS STATE DELEGATION IN LOUISVILLE.

From the office of the State 4-H Club Department, University of Kentucky, Lexington, comes the announcement that Ella R. Black, member of the Hamilton 4-H Club, has been awarded a medal in the 4-H clothing achievement contest in which she represented Boone County.

Ella Ruth has been a club member at Hamilton for the past nine years. She has completed projects as follows: Poultry, clothing, canning and room improvement. She has learned many things through these projects and has won $64.00 in cash prizes at the local and state fairs. She has been an active participant in county 4-H club activities. Twice she has been selected to represent the county at Junior Week, the state 4-H club meeting held each year in June at the University of Kentucky. She has been a project leader in the Hamilton club this year, and shares with Billy Wilson the recognition for the fine work done by the girls project groups in the club.

Mr. and Mrs. Claude Black, parents of this outstanding club girl, deserve much credit for the splendid cooperation they have given her, and the constant encouragement and interest they have expressed in her work.

The letter bearing the foregoing announcement was received by Mrs. Mary Scott Moore, Acting Home Demonstration Agent.

Evelyn Franks, New Haven 4-H Club member, joined the State delegation in Louisville Saturday evening, enroute to the National 4-H Congress in Chicago. She will represent Kentucky Clubs in the National foods judging contest. She motored to Louisville with Mrs. Mary S. Moore, Mrs. Corrine McCormac and Miss Pauline Miller.

Game Wardens Arrest Three Covington Men

Three Covington men were arrested Sunday by Warden Edwin Johnson, Walton, for possessing illegal game. All received fines of $29.50 each when arraigned in Judge Riddell's court.

The men gave their names as Leslie Cram, Carl Smith and Sam Bolton, all of Covington. Smith was released immediately after paying his fine. The other two unable to pay were lodged in Burlington jail. Bolton was released Monday when he paid $29.50, but Cram was held for five days before being released. The court is holding his gun for the balance of the fine.

Herman Eaton, of Dayton, Ky., a former printer in The Recorder office, now an employee of the Cincinnati Enquirer, was a pleasant caller at this office Friday.

REFERENDUM SET JANUARY 10

FOR SOIL CONSERVATION DISTRICT—MORE THAN FIFTY MUST FAVOR PROJECT, ACCORDING TO COUNTY AGENT.

Boone County land owners will have an opportunity to vote on January 10th in a referendum on the formation of a Soil Conservation District under the enabling law passed by the last legislature. Every land owner is urged to vote, according to H. R. Forkner, County Agent.

More than fifty percent of landowners voting in the referendum must favor a district or it will not be formed. The district, after being formed, will develop a program of soil conservation planned under the supervision of five farmer supervisors elected from the district. Only farmers requesting service of the district may have work done.

The district as a government corporate body may secure government aid direct and redistribute it to farmers in the district. This aid will usually be in the form of machinery, CCC labor, WPA labor and technical advice.

The law does provide that ordinances requiring soil conservation practices carried out may be passed but these ordinances can not be put into effect unless 90 percent of all landowners owning 80 percent of all the land in the district vote in favor of them. Because of this practical impossible majority and the state attitude on this phase of the work, it is understood that at no time will there be any ordinances passed.

The district has many possibilities. It must be considered, however, if a district is formed, the work it does will be up to the local people. They will be the ones who will be required to plan and develop the program.

Anna Lou Portwood

Anna Lou Portwood, born December 14, 1940, passed away November 26th, 1941 at the age of 11 months and 12 days.

COMMITTEE SAYS GOAL IS IN SIGHT

FOR FAIR GROUNDS PROJECT—FULL $3500.00 IS EXPECTED TO BE PLEDGED BY THURSDAY EVENING.

The Boone County Fair Grounds Committee sees its goal in sight. The full $3,500.00 needed is expected to be pledged by the meeting at Burlington courthouse on this Thursday evening, December 4th, at 7:45 p. m. (Eastern Time) according to H. R. Forkner, County Agent. All pledges are urged to be made by this meeting.

The committee was only $489.00 short of its $3,500.00 goal the past week. Committeemen are making every effort to put their goal "over the top" by this Thursday. All public spirited citizens have shown an interest and a splendid spirit of cooperation. A large number of people have called their pledges in without being contacted.

We are too close now. Our fair grounds goal must go over. Every bit will help. Let's report 100 "over the top" and close the drive at the next meeting.

Hebron School Band Will Give Concert

The recently organized Hebron School band will give its first concert on December 9, at 8:00 p. m. E. S. T., in the auditorium of the Hebron School.

All dairymen and others interested in dairy production problems are urged to attend.

WALTON DOWNS BURLINGTON

FIVE FRIDAY NIGHT BY SCORE OF 27-17—LOCAL BOYS SHOW MUCH IMPROVEMENT — NEW HAVEN NOSED OUT BY DIXIE.

The Walton-Verona Bearcats threw three rival basketball squads for losses in a week's play, turning back the Burlington Eagles 27-17 on the Walton floor Friday night, for their first win.

Breaking a first quarter 4-4 deadlock, the Bearcats racked up14 points in the next two periods, to take an 18-5 margin at the end of the third quarter. They held a 11-4 advantage at the half.

Groger, with 12 points, and Simpson with six, led the winners' offense. Huey was high for Burlington with ten, followed by Porter, with five.

The Burlington Eaglets gave the crowd a thrill, when they overcame an 11-4 lead at the half to win 21 to 19 over the Walton-Verona reserves.

The Bearcats journeyed to Hebron Saturday night to ruff the feathers of the Hebron Cardinals 41-22.

The winners lost no time in clinching the game, taking a 13-1 lead in the first period, which they extended to 18-8 at the halfway mark.

Groger set the scoring pace for the winners, with 13 markers, as Mayhugh and Demoisey collected six each. Witham scored nine, Willoughby five, for Hebron.

The Walton-Verona Kittens trounced the Hebron Birdies 22-16 in a preliminary.

As host to the Beechwood team Tuesday night, the Bearcats gradually increased an early lead to chalk up their third victory in a week, 40-26. Welch led the attack for Walton with 13 points.

The New Haven Tigers were nosed out 25-23 by the Dixie Heights team Friday night on the Dixie floor.

After holding a 14-13 lead at the half and going into the final period with a margin of 20-18, the Tigers saw their rival knot the score and sink a field goal from the foul line in the last second of play, to emerge as winners.

Judge of New Haven, was high point man with 10, while Simpson collected five. Noll and Horn collected nine and eight respectively for Dixie.

The Dixie reserve squad defeated the New Haven Kittens 35-17.

The Florence Knights lost to Lloyd 42-13 on the Erlanger floor Friday night. The winners had a 15-4 lead at the half.

Johnson, Lloyd center, chalked up 16 markers, while R. Cason collected four, Carpenter and Neal three each for Florence.

The Knights journeyed to Crittenden for a game Tuesday night, Nov. 25 (which was reported too late for last week's paper), in which the Florence five were nosed out in a final play 30-29.

The Knights held an 18-11 lead at the half, and remained out in front until the closing moments of play, with R. Cason scoring nine of their points, Pierce and K. Cason six each. Mullins led the winners, scoring 12 points.

The Florence Juniors were edged out 22-13 by the Crittenden reserve team in a preliminary game.

SENATOR PAUL L. SIDEBOTTOM DIES

AT ST. JOSEPH HOSPITAL, LEXINGTON—DEATH DUE TO INJURIES RECEIVED IN AUTOMOBILE ACCIDENT.

State Senator Paul L. Sidebottom, 49 years old, died Sunday night in St. Joseph Hospital, Lexington, where he was admitted October 28 after being struck by an automobile when in front of his home, Williamstown, Ky.

The Senator suffered a compound leg fracture and facial cuts in the accident. He leg was broken in three places and his condition immediately was considered serious.

Dr. Charles Kavanaugh, attending physician, said death was caused by a blood infection resulting from the fracture.

The driver of the car was Fred Grossman Stevens, Covington, Ky. Both Stevens and a companion of Sidebottom said the Senator stepped into the path of the car and Stevens was not held.

He is survived by his widow, Mrs. Ermine Sidebottom; his parents, Mr. and Mrs. M. T. Sidebottom, of Owenton, and a sister, Mrs. John Houchins, Louisville.

Born at Lusby Mill, Owen County Senator Sidebottom was elected State Representative in 1935 and in 1937 was elected to the State Senate. This year he sought re-election, but was defeated for the Democratic nomination by Alvin Kidwell, Sparta.

Senator Sidebottom was well known in this county, and his friends here were numerous.

He was a graduate of Transylvania University, Lexington in 1912. He was a deputy collector of internal revenue in the Lexington District in 1915, and was an assistant census director in the Lexington district.

LLOYD SOCIETY TO MEET

The Lloyd Society will hold an all-day meeting at the home on Saturday, December 6th, it was announced Monday. All members are urged to attend this meeting.

PREPARATIONS BEING MADE

BY LARGE NUMBER OF 4-H CLUB MEMBERS WHO PLAN TO ENTER ANNUAL DISTRICT 4-H TOBACCO SHOW AND SALE.

Final preparations for the Annual District 4-H Tobacco Show and Sale are being made this week by a large number of 4-H Club members from the county who plan to sell their tobacco Monday at the Kenton Looseleaf Warehouse in Covington, according to Franklin Frazier, Assistant County Agent.

Prizes will be awarded to 4-H club members having the best crops from Boone County. Members in the districts who have the best record books, and the best handled crops will also be awarded prizes.

Suggestions 4-H club members have been requested to observe concerning this sale are as follows: (1) All tobacco should be stick-graded before it is brought to the warehouse; (2) record books will be required for identification of the club member and therefore should accompany the crop; (3), the club members, if they wish, will be permitted to sell their entire crop.

Four-H tobacco will be placed on the floor Friday afternoon and Saturday morning, so that it may be weighed and lined on the floor Saturday.

Other counties taking part in this event will be Bracken, Campbell, Grant, Kenton, Pendleton Counties, Kentucky, and Clermont County, Ohio.

IMPROVED UNIFORM INTERNATIONAL
SUNDAY SCHOOL Lesson

THE NATURE AND WORK OF THE CHURCH

LESSON TEXT—Acts 2:41-47; Ephesians 4:11-16.

GOLDEN TEXT—Christ also loved the church, and gave himself for it.—Ephesians 5:25.

The church, which is so much the center of life for Christians, is not as well understood as it should be. We have come to regard it as just one organization among many competing for the attention and interest of men, when it is really a divine, living organism established by Christ as His Body and representing Him in this world. Our lesson presents significant truth for both study and teaching. The church is

I. A Fellowship of Believers (Acts 2:41-47).

The church is made up of those who are saved (v. 47), those who have received the Word by faith and witnessed a good confession of their faith in Christ (v. 41). This is a fact to be remembered in a time when there is so much laxness in receiving members into the church. It is not a religious or social club. It is not a rallying place for those who wish to work for some economic, political, or social project. It is not a gathering of good people who wish to share common interests.

The church needs to cleanse its rolls of all unbelievers, all hangerson, and get back to the purity which it had when only those were received who were manifestly "added" by the Lord (v. 47).

Such folk have many interests which bind them together in fellowship, devotion, and service. The early church was interested in sound doctrinal teaching (v. 42), an excellent thing. They had fellowship in prayer (v. 42); we need that too. They had gladness of heart (v. 46); do we not need a renewal of the song of the Lord in our midst?

They had such fervent love for each other that they established a communal system of sharing with one another, something which God had never commanded and which apparently failed with them, for it was later abandoned. But the point is that they really did love each other and thus showed their true discipleship (see lesson of last Sunday).

II. A Center of Christian Ministry (Eph. 4:11).

The church is God's chosen depository for spiritual gifts, among them being the special ministries mentioned here. The Holy Spirit calls men as He chooses. Blessed is the church which recognizes His choice of teachers, evangelists, preachers, and leaders and gives them liberty to serve the Lord in their calling.

It is God who calls men for these various activities in His vineyard. Self-appointed or man-chosen leaders and preachers are destined to fail, but God's men may be assured of His blessing and power.

III. A Place of Spiritual Growth (Eph. 4:12-16).

The purpose of the gifts of the Spirit is the edifying and building up of believers. A church should always be evangelistic in its efforts. The pastor should be a soul-winner, but essentially his ministry is to so edify and instruct believers that they may go out and win others to Christ.

Verses 13 to 16 tell us how this "perfecting of the saints" moves forward. There is unity of the faith and a growth in knowledge, a steadiness which keeps believers from being led astray by error or the cleverness of men. Thus kept from drifting, and being steadily enriched in knowledge of the truth, the believer grows up to spiritual manhood.

Do not miss the beauty and helpfulness of verses 15 and 16. Like the body "fitly framed and knit together," the church of Christ is to be a perfectly co-ordinated organism, every member performing its perfect service in building up the body in love for the glory of its Head—Christ.

This figure of the Church as the body of Christ and the working together of the members for the glory of the Head is further developed in I Corinthians 12, which the reader is urged to consider, especially verses 12 to 27.

Watching to See

With the Christian who takes the deep true view of his religion as a guide in all earthly matters, material or spiritual, there is never any feverish, blind-alley skirmishing in the face of threatened ill. He just waits vigilantly, trustfully, upon God, ready to do His will the moment it is made clear to him. "I will watch to see what He will say to me." Watching to see! In those telling words lies the whole secret of the thing that mystifies nonreligious folk so completely—the inviolate calm and courage with which real Christians meet the worst adversities that can befall them in the world.

Armistice Day will be an occasion to remind Americans that the last war was not fought in vain.

Who can remember when the sight of an airplane in the sky was an event to be talked about?

BOONE COUNTIANS SHOPPING EARLY

More and more Boone County shoppers are heeding the call for early Christmas shopping. Many indicate considerable interest in Covington Retail Merchants' Fifth Annual Christmas Party, for the prizes are worth while—$650.00 in 32 cash awards—first award being $250.00, and the second, $100.00. The names of the stores participating in this party, and full details will be found in an announcement in this issue of The Recorder.

Owing to the demands of the defense industries, substitute merchandise may soon come into the picture, so early shoppers will get the very best the market affords. Shoppers are advised to shop early in the day, if possible, and thus avoid the crowds. This will give them more time to examine goods carefully, read the labels, if any, and get all necessary information, so that the purchase will be a final transaction.

PEOPLE'S SHOE STORE
Where Foot Comfort Begins
9th and Madison Covington

The average persons takes about twenty thousand steps a day. That's nearly eight miles, so good feet are necessary to you too.

To show you how important they are, let's renew a little anatomy. The human skeleton contains 280 bones. Each of your feet is made up of twenty-six bones. In both feet . . . fifty-two bones, or one fourth of all the bones in your body. Nature meant your foundation to be a pretty important part of you. When your feet hurt, you hurt all over because your nervous system, like a telephone system, is all inter-related.

When you cramp nerves in your feet, the pain may be felt by reflex nerve action at knees, hips, and even in your back. For instance, there's a story told about a certain famous doctor whose patient complained of a shoulder pain. The doctor could find nothing wrong with the shoulder so he asked the patient to sit down and take off her shoes. He then proceeded to manipulate the delicate bones of her feet, much to the lady's digust. Said she, "There must be something wrong with you doctor, my feet don't hurt, it's my shoulder."

To which the doctor replied, "Yes madam, but when you step on a dog's tail, which end barks."—Adv.

BELLEVIEW CHURCH OF CHRIST
Sam Hamilton, Minister

Bible School 9:30 C. S. T. Russell Rogers, Supt.

Worship Service 10:30. Sermon subject, "Greatest of the Great."

The Elders and Deacons will meet in stated session at the home of Bro. Allen Rogers, Saturday evening of this week at 7:00 C. S. T.

The women of Mrs. Hamilton's class are enjoying an all-day meeting at the Hamilton residence in Rising Sun today, (Thursday). The purpose of the meeting is the making of back drop curtains for the set of the coming Christmas drama. The play to be presented is entitled "Star of the East." The cast has already been selected.

The Ladies' Aid will meet at the home of Mrs. William Kruse, Dec. 10th. The church is rejoicing over the fine addition of its equipment, of two pulpit chairs and communion table. These are a gracious gift of the Ladies' Aid. Thanks also is due Bro. Ashcraft for his work in refinishing the table.

"What doth the Lord require of thee, but clean hands and a pure heart.

CONSTANCE P.-T. A.

The regular meeting of the Constance P.-T. A. will be held Wednesday, December 10th at the school at 1:30 (fast time). At this meeting a Christmas party will be held and each one is asked to bring a 10-cent gift.

Hastings-Utzinger

Miss Helena Utzinger, only child of Mr. and Mrs. John Utzinger, of Mt. Pleasant Ridge, and Mr. John Walter Hastings, youngest son of Mr. and Mrs. Chas. Hastings, Sr., were married Saturday, Nov. 22 in the Church of Christ, Lawrenceburg, with Rev. E. E. McConnell, former pastor of the Pleasant Ridge Church of Christ, performing the ceremony.

The bride wore a street length dress of royal blue velvet with wine accessories, and a corsage of roses, chrysanthemums and baby breath. The groom was attired in dark blue, with a rose bud in his lapel.

Mr. and Mrs. Theo Hastings were the attendants. Mrs. Hastings wore teal blue with black accessories and a corsage of roses and lilies, while Mr. Hasting wore a suit the same shade of blue as that of the groom.

Following the ceremony they returned to the home of the groom in Rising Sun, where they will reside.

The bride is a graduate of the Hebron High School in the class of 1937 and at the present time is employed at the Kroger Store in Rising Sun, which position she will retain, and the groom is employed at Seagrams.

More than one hundred persons gathered at the Hastings home Monday evening for an old fashion belling. They were treated to candy and cigars.

A family dinner was held at the Hastings home Sunday, honoring the newlyweds. The guests included Mr. and Mrs. Charles Hastings, Jr., and children Edward, Helen, Robert, Jim and Glenn, of Manchester, Mr. and Mrs. Tekulre, Mr. and Mrs. Raymond Lambert, of Lawrenceburg, Mr. and Mrs. William Hastings and children Marjorie and Donald, of Wilmington, Mr. and Mrs. Theo. Hastings and Mr. and Mrs. Lee Hastings of Aurora, Mr. and Mrs. Ernest Hastings and sons Tom, Dick and Neal, Mr. and Mrs. Reuben McCardle and son Charles, Mrs. Alta Thies, Reed Swinford, Mrs. Ethel Shanahan and children Josephine, Hugh, Jr., and Billie, Mr. and Mrs. Clarence Hastings and the host and hostess, Mr. and Mrs. Charles Hastings, Sr.

Frank Browning of Adair county raised a litter of 10 pigs to a weight of 2,267 pounds in 165 days. It is estimated that 2,000 ponds have been dug on farms in Central Kentucky this year.

"Meals for Special Occasions" was the subject of the lesson presented to Homemaker project leaders at the training class held Friday, Nov. 28, at Burlington school. Mrs. Pearl J. Haak, nutrition specialist, University of Kentucky, conducted the class which opened at 10 a. m.

This is the third lesson presented as a major project for Boone County Homemakers. Three other classes will be held in the late spring. Local leaders will repeat the lesson for their clubs at the December meetings. Full attendance is expected since the subject matter deals with information useful during the holiday season. Hostesses to the training school were Mrs. Geo. Kottmyer and Mrs. Jennie Sprague, Constance; Mrs. Joe Berkshire and Mrs. Geo. Kobman, Florence.

Others who attended were: Mrs. Jesse Wilson, Mrs. Grace Renaker, Verona; Mrs. A. B. Nichols, Mrs. Carl Campbell, Hebron; Mrs. Katherine Fagan, Mrs. Merle, New Haven; Mrs. Vernon Pope, Mrs. Roscoe Akin, Burlington; Mrs. O. S. Watts, Miss Gladys Klopp, Petersburg; Mrs. Ora Fry, Mrs. Gaynell Flynn, Walton; Mrs. J. R. Williams, Bullittsville; Mrs. Marie Beacom, Taylorsport. Arrangements for the meeting were made by Mrs. Mary Scott Moore, Acting Home Demonstration Agent.

It doesn't take a Gallup poll to predict that Christmas travel is going to crowd every means of transportation this year. Every headline tells the story of lots of people going lots of places — and all at approximately the same time. If you want to get ahead of the crowd, make your plans now to do your Holiday traveling before you usually do, if you possibly can. You'll have a more pleasant trip — more room, more comfort, more fun all around. Here's one sound suggestion, but it covers two good ideas— *GO EARLIER—GO GREYHOUND!*

TRUCKS *BUILD* ROADS

They pay their way

KENTUCKY'S trucking industry paid more to the State (1940-41 fiscal year) than the State Highway Department expended for new road construction—$6,296,048, as compared to $6,072,167.38. About 8% of Kentucky's freight is transported by truck, but the trucking industry pays almost 13% of the State's total tax income (1940-41 fiscal year)—$6,296,048, as compared with $49,294,095.

Trucks paid more than one-third of the entire expense of the Kentucky Highway Department in 1940-41 — $6,296,048, as compared to $18,151,587.

(These figures furnished by Kentucky Department of Revenue and Kentucky Highway Department, Frankfort.)

TRUCKS PAY	
Licenses	$1,318,439

	4,870
Weight tax	213,968
Drivers' licenses	18,097
State Gas Tax	4,684,544
TOTAL	$6,296,048

($659,220 of the foregoing total was ear-marked for local farm-to-market roads. The entire remainder went to the road construction fund.)

KENTUCKY COLLECTED IN 1940-41	
Total tax revenue	$49,294,095
Kentucky Highway Dept. expended	18,151,586
New road construction paid for by the State was	6,072,167.38

Sell your tobacco with friends. For Thirteen years we have led the market in price. There must be a reason.

NOW OPEN TO RECEIVE TOBACCO

FIRST SALE DEC. 2ND

TOBACCO PRICES AVERAGE $27.76

Tobacco sales Tuesday, with all markets in Kentucky being opened, showed a material increase in the price of the weed. A report from the State Department of Agriculture showed that a total of 8,391,521 pounds were sold on all Kentucky markets for a total of $2,329,852.54, or an average of $27.76.

Sales at the Kenton Loose Leaf Tobacco Warehouse Co., Covington, opened Tuesday with the average price a hundredweight $10.04 above the opening sale average a year ago.

A total of 148,206 pounds sold Tuesday for $37,597, the average price being $25.37 a 100 pounds. High was $42 and low $7 a hundred. The average for the opening day last year was $15.33.

An unusually large crowd of tobacco men, farmers, and merchants followed the sale to learn the price trend.

Loan rate cards were in evidence, but only a small amount of tobacco sold was turned over to the Burley Tobacco Growers Cooperative Association.

The association, using funds advanced by the Commercial Credit Corporation, purchases tobacco on which bids are unsatisfactory to the grower and holds it for resale.

Carrollton's burley tobacco market opened Tuesday with 643,062 pounds being sold for $185,973.52, an average of $27.73, or approximately $10 a hundredweight more than last year's opening day average.

Twelve baskets brought the day's highest price, $42.00.

PEOPLE URGED TO JOIN RED CROSS

PRESIDENT URGES EVERY CITIZEN TO JOIN DURING RED CROSS ROLL CALL—MUST INCREASE SUPPORT.

Washington, D. C.—President Roosevelt, in a statement calling attention to the opening of the annual Roll Call of the American Red Cross, strongly urged every American to join as a member and pointed out that "this support must be increased very substantially this year." The next of the statement by the Chief Executive follows:

The White House
Washington

The American Red Cross is about to begin annual membership Roll Call. Its success, in this period of emergency, is a matter of vital concern to all of us as citizens of a free democracy.

The quickening pace of our defense program show that our strength can be tempered to meet steel with steel. And voluntary enlistment in Red Cross work—through membership—will prove that we have the heart as well as the sinews to keep ourselves strong and free.

The Congress has charged our Red Cross with well-defined obligations to our soldiers and sailors, and to their families defending the home front. The vast expansion in our armed forces has increased the cost of this traditional Red Cross work more than we realize. For every member who supported these services to the armed forces two years ago, ten are needed today.

Red Cross contributions to our national defense extend far beyond the welfare problems of service men and their families. The Red Cross is playing a major role in civilian defense preparedness. Because of its long experience in community service through its 3,700 local Chapters, the gigantic task faced by civilian defense coordinators can be more easily achieved. The organization's long established work in disaster relief, emergency first aid and other essential fields has played a large part in strengthening our home defenses.

Our citizens make possible this work, so important to our national unity, both through their membership dollars and voluntary participation in Red Cross services. This support must be increased very substantially this year. As Chief Executive of the United States and President of the Red Cross I therefore strongly urge every American to enroll in the American Red Cross.

Signed,
Franklin D. Roosevelt.

Gayety Theater News

TONIGHT AND FRIDAY

Fifty million dollars worth of fighting airplanes make up the background for a single motion picture scene—one bright shot for Errol Flynn's new starring picture "Dive Bomber," made by Warner Bros. at the U. S. Naval air base San Diego.

Most of the plans were the huge PBY5 Consolidated bombers. Others were interceptors, torpedo bombers, dive bombers, and plane carrier craft with folding wings.

The planes were not in the scene because director Michael Curitz had asked for them. It just happened that many craft were at the base at that particular time, result—a perfect and exciting shot to thrill you on the screen. "Dive Bomber" was filmed in technicolor.

SATURDAY

Deadwood, S. D., before its destruction by fire in 1876, was recreated at Universal studios as a setting and background for many of the scenes of "Bandlands of Dakota," super-Western, coming to the Gayety.

Deadwood, a town which mushroomed in the Black Hills following discovery of gold in what was then the Dakota Territory, was the toughest spot in the United States at the time.

SUNDAY AND MONDAY

Gene Tierney, who is currently portraying "Belle Starr," the bandit queen of the Ozarks, opposite Randolph Scott in the 20th Century-Fox Technicolor production of that name, walked out on the social whirl to make the tedious rounds of the Broadway producers' officers.

It was a long slow process for the lovely young debutante, but finally she landed a job. The show folded. Another play turned up—and it folded. But Gene hung on and her reward came in "The Male Animal."

TUESDAY AND WEDNESDAY

One of the most unusual screen roles of the year has been assigned to Virginia O'Brien, and is seen in the new Metro-Goldwyn-Mayer musical, "Lady Be Good," starring Eleanor Powell, Ann Sothern and Robert Young at the Gayety.

Virginia O'Brien, who won prominence for her dead-pan blues singing in "Meet the People" has a role in this new film in which there is no dialogue.

ROCKCASTLE COUNTY TOBACCO DOES WELL

At the grading demonstrations in Rockcastle county, farmers saw tobacco on the farm of D. G. Bullock that made an average of 1,700 stalks on an acre and a ton. It stripped nearly a pound to the stick. According to County Agent R. F. Spence, a heavy stand of barley was turned under, and 40 tons of cow manure, 1,000 pounds of superphosphate and 500 pounds of 4-8-6 fertilizer applied. Mr. Bullock has been offered 30 cents a pound for the crop.

Eighty Calloway county farmers received 99 tons of superphosphate to use in crop and garden demonstrations.

BRIEF SESSION IS EXPECTED

FOR DECEMBER TERM OF BOONE CIRCUIT COURT—GRAND JURY IN SESSION ONLY ONE DAY—ONE DRAWS SENTENCE..

The December term of the Boone Circuit Court was in session Monday morning with Judge Ward Yager, presiding.

From all indications this term of court will be brief, as the Grand Jury was in session for one day only, finding sufficient evidence for two indictments and reporting favorably on all the county property.

Red Shearer, Florence, pleaded guilty to an indictment charging chicken stealing, and was given 1 year of hard labor at La Grange reformatory. Rovie Griffin, likewise pleaded guilty to a charge of assault and battery and was fined $25.00 and cost.

Other cases set for this week are Burnam Roberts vs. J. T. Williams, (Thursday) and Whitson vs. Fisher (Thursday). The case of the Boone County Sheriffs, F. M. Walton and W. B. Cotton vs. Walton-Verona school will be heard before Judge Ward Yager, Thursday. Following the Thursday session, Petit jurors are expected to be dismissed until Wednesday of next week.

The jurymen for this terms were as follows:

Grand Jury—Lloyd Stephens, Ed Smith, Louis Clegg, G. J. Horton, Alfred Dolwick, Geo. W. Flynn, J. W. Conley, Willard Ryle, A. L. Stephens, B. C. Stephens, Franklin Huey and Arthur Maurer.

Petit Jury No. 1—Chester Tanner, Lloyd Aylor, Ransom Ryle, H. H. Roberts, Harry May, H. R. Fisher, Herb R. Wunder, Lon Wilson, Howard Lizer, Earl Smith, J. W. Arrasmith and John Burton.

Petit Jury No. 2—Cad Sullivan, S. H. Ambrose, Bruce Ryle, Vernon Stephens, J. C. Bedinger, A. J. Ogden, Leroy Voshell, Roy Kenney, A. A. Roter, M. L. Wasson, Hugh Stephens and Sam Blackburn.

Five Children Injured In Automobile Accident

Five local school children were injured in an automobile accident Friday afternoon on the Burlington-Belleview road near the home of Harry Roseberry, as they were returning from the Burlington school.

Those injured were Floyd McArthur, Charles Newman, Agnes Stephens, Wilma Lee Arnold and Chas. Stephens, driver of the car. All five received minor cuts and bruises but are reported to be improving nicely at this time.

The accident occurred as Stephens attempted to pass the car driven by Ken Berkshire, of Belleview, also traveling in the same direction. When the two cars collided, they became locked together causing the drivers to lose control. Both cars left the road on the right side and traveled side by side for approximately 100 yards until the Stephens car overturned.

Berkshire's car was damaged only slightly, and he was uninjured. The Stephens car was almost completely demolished.

NEW OFFICE TO BE OPENED HERE

BY NORTHERN KENTUCKY PRODUCTION CREDIT ASSOCIATION—LLOYD SIEKMAN WILL BE FIELD REPRESENTATIVE.

The Northern Kentucky Production Credit Association will open a new field office at Burlington on December 15 for Boone County and adjacent territory. Mr. Lloyd Siekman, a native of Boone County, will be the new field representative and Miss Glenrose Williams, also of Boone County, will be office clerk-typist. Both of these young people have made good in former positions and are anxious to forward the interests of the farmers of this area in this field of service.

This expansion has been made in order to better serve the interests of the farmers of this area. The Production Credit Association is an organization of farmers and devoted to the interests of farmers. It is controlled by the farmer membership and largely owned by them.

The new office is to be located in the old Recorder building which has been undergoing repairs preparatory to the opening date December 15th.

Mrs. Viola H. Judd

Services for Mrs. Viola Judd, Florence, who died early Tuesday at her home, after a long illness, were held at 2:30 p. m. Wednesday at Hopeful Lutheran Church, Florence, with funeral from the residence. She was 28.

She was a lifelong resident of Florence and a member of the Hopeful Lutheran Church.

She is survived by her husband, Wallace Judd; her father, Ernest Horton; her mother, Mrs. Irba Horton; a sister, Juanita, and a brother, Clinton.

Burial was in Hopeful cemetery.

FAIR GROUNDS GOAL REACHED

ADDITIONAL PLEDGES WILL BE USED TO ERECT PERMANENT BUILDINGS ON THE GROUNDS IT WAS ANNOUNCED.

The Boone County Fair Grounds goal of $3500.00 was over subscribed at the county meeting held at Burlington court house last Thursday evening, December 4th, according to Charles Riley, Chairman of the program. All additional pledges will be used to erect permanent buildings needed for the development of the grounds.

Mr. Riley reported that a total of $3525.70 has been pledged and several committeemen would have additional pledges to turn in for the near future. Committeemen were instructed to begin immediately collecting pledges and to turn them in to John Conner, Cashier Hebron Deposit Bank, who was elected treasurer to receive funds needed for paying for the grounds.

Boone County people and their friends undertook a big job in securing for the county a permanent fair and picnic grounds that can be developed through the years to come and should find a place in each citizens' heart that will be dear to our people and friends as an annual gathering place for all our people in a spirit of recreation, friendship and education. The 4-H and Utopia Club Council, which will be in charge of the grounds, has pledged full support to use the grounds only for worthwhile events that will be for the upbuilding of the county.

A contract for deed and down payment to purchase the grounds has already been made. A deed will be made as soon as funds pledged can be paid. A permanent record of all people cooperating in purchasing the grounds will be placed on the grounds and all persons names, as a matter of permanent record will be filed in the deed at the county clerk's office.

It is pointed out that the major benefits our people will derive from the grounds will now depend on improvements to be developed in the future. Buildings and equipment are needed. Committeemen will continue to receive additional pledges for buildings and improvements. All names of additional pledges up until the time the final deed is made will be included in the permanent records to be filed.

The names of all pledges will be published in the near future. All committeemen wish to express their most sincere thanks to all the people who received them in such fine spirit of cooperation in the campaign program. Such fine spirit is bound to continue and be a major factor in future developments of the program.

Charles W. Stevenson

The State Department notified John W. Stevenson, who is living with his brother-in-law, W. J. Newhall of Burlington, R. 2, that his only brother Charles Wicliffe Stevenson had been killed in the line of duty at Cairo, Egypt.

The Stevenson boys are grandsons of both the late governors of the State of Kentucky, Governor John White Stevenson and Gov. Charles Wicliffe.

Young Charles Wicliffe Stevenson was a career man in the State Department and was attache to our governments ambassador at Cairo, Egypt.

Presumably he was shot down by an Italian or German plane while carrying important papers of this government.

He will be temporarily buried at Cairo in an American cemetery, and after the war his remains will be returned here and placed near his ancestors.

Mrs. Dolpha Sebree is reported ill at her home on Gunpowder. Her many friends wish for her a speedy recovery.

Planting of Model Mile by Boone County Homemakers

The group that figured in the planting of the model mile, just beyond Constance, Ky., on Route 20 Clubs was snapped as the women worked and oversaw the planting. From left to right are Mrs. Mary Scott Moore, Miss Mary Rector, Mrs. Courtney Kelly, Mrs. George Kottmyer, Mrs. Garnett Tolin, William Schlosser, landscape architect; Mrs. Elmer Peeno, Miss Anna Engle, Mrs. W. O. Rector, Mrs. Charles Klopp, Mrs. Charles Utzinger, Mrs. Burnam Roberts, Mrs. Robert Youell, Mrs. Roscoe Newland and Mrs. Sam Patrick. The women represent the Homemakers' units within the county, sponsors of the project, and were served luncheon at Bullittsville.

BUS SERVICE TO BE DISCONTINUED

BETWEEN BURLINGTON AND FLORENCE AFTER DEC. 13TH, ACCORDING TO ANNOUNCEMENT.

Bus service between Burlington and Florence will be discontinued after December 13th it was announced this week by F. W. Dempsey, general manager of the Dixie Traction, Co., Elsmere, Ky.

The operation of this bus line was an experiment, beginning in June of this year, to determine if sufficient patronage could be had to continue the service. The following advertisement appears in this issue of The Recorder:

"The Dixie Traction Company has been carrying on an experimental operation between Burlington and Florence, Kentucky beginning in the month of June of this year. The company was hopeful that sufficient patronage would permit us to continue the service.

"We regret that this has not been true and that the company will not be able to continue this operation. For this reason and pursuant to authority from the Division of Motor Transportation of Kentucky, the service will be discontinued with the last regular scheduled trip on December 13th, 1941."

Howard "Jake" Kirkpatrick, a former employee of The Recorder left last Sunday morning for Pasadena, Calif., where he will make his home with his sister. Jake's many friends here regret to see him leave, this community, but wish him much happiness in his new home.

FIRST CHECKS ARE RECEIVED

BY FARMERS COOPERATING IN ACP—ONE HUNDRED TWENTY-TWO CHECKS WILL BE HANDED FARMERS TOTALING $3,112.

The first of the 1941 Agricultural Conservation checks were received at the County Office on Wednesday Dec. 10. Checks were received on 92 applications and a total of 122 checks amounting to $3,112.73.

More checks are expected within the next few days. These payments are made for reduction of tobacco acreage, wheat acreage, commercial vegetables, and the carrying out of soil-building practices. The parity payment on commercial wheat allotments is also made in these payments. The deduction for administrative expense is 11 percent this year compared to 13 percent in 1940.

There are still 320 applications for payment that are not completely signed by either the producer or tenant. These applications cannot be submitted for payment until completely signed and these producers are urged to come into the county office at once and sign their applications.

WALTON TOPS NEW HAVEN

TEAM TO TAKE LEAD IN COUNTY BASKETBALL CONFERENCE BURLINGTON, FLORENCE, AND HEBRON DROP GAMES.

The Walton-Verona Bearcats took over top place in the Boone County Basketball Conference Friday night when they edged out the determined New Haven Tigers 29 to 22 in a hard-fought battle on the Walton floor.

The Bearcats jumped into an early lead and, though pressed hard, led all the way, finishing the first period on top 13-7 and led 16-11 at the intermission. Demoisey starred for the Bearcats and totalled ten points; Baker's defensive play stood out for the Tigers, while Judge scored six of their points.

The Walton-Verona reserves turned back those of New Haven 29-21 in a preliminary.

The Bearcats journeyed to Dixie Heights Tuesday night to suffer defeat by a score of 29-26.

The Burlington Eagles put up stubborn resistance before yielding 39-29 to the Lloyd team on the Eagles' floor Friday night. The winners led 8-7 at the end of the quarter, 17-12 at the half.

Huey set the scoring pace for the game, as he racked up 18 markers for the Eagles. Ammon collected 17 for Lloyd.

The Burlington Eaglets bowed to their Erlanger rival 18-9 in a skirmish of reserve squads.

The Hebron Cardinals gave the Ludlow five a hard tussle on the Ludlow court Friday night, as the home team eked out a 31-27 win over the Cardinals. Hebron took a 6-4 margin in the opening quarter and held a 9-9 deadlock at the half.

Getker and Buckler made seven points each for the Cardinals, Wilhoit seven for Ludlow.

In a preliminary the Hebron Birdies annexed a 14-10 win over the Ludlow reserves.

The Florence Knights suffered a 50-17 setback at the hands of the Dixie Heights team Friday night on the Florence hardwood. The Knights trailed 38-23 at the half.

K. Cason led the Knights' attack with 10 points, while Noll made 17 for Dixie.

The Florence Juniors lost to the Dixie Heights reserve team, 31-9.

The Knights were nosed out in the last half, as they lost to the Warsaw five, 28-18, at Florence Saturday night. The score stood 8-8 at the half.

R. Cason collected 13 points for the Knights, Furnish 14 for Warsaw.

In a preliminary, the Juniors forced the reserve team of Warsaw to play an overtime period, to eke out a 14-13 win.

NEW HAVEN BOY COPS FIRST PRIZE

IN 4-H TOBACCO SHOW HELD AT COVINGTON MONDAY—CLINTON SHIELDS AND DAVID CLORE RECEIVE AWARDS.

Boone County 4-H Club members received an average of $28.94 for 5,928 pounds of tobacco sold at the district 4-H Tobacco Show and Sale in Covington, Monday, according to Franklin Frazier, Assistant County Agent. All crops in the show sold for an average of $28.12 per hundred.

James Stephenson, New Haven, was awarded first prize for having the best crop in the entire show, with all grades considered. Clinton Shields, New Haven, and David Clore, Grant, won 2nd and 4th prizes respectively on best crop awards for the district.

Club members awarded prizes for having the best crops in the county are James Stephenson, 1st; Clinton Shields, 2nd; David Clore 3rd; Inez Martin, Burlington, 4th; and Raymond Ashcraft, Hamilton, 5th.

Prizes to boys and girls having the best tobacco record books in the county were won by Wilton E. Clore, Hebron, 1st; Clinton Shields, 2nd; James Stephenson, 3rd; Raymond Ashcraft, 4th; Sara McNeely, Hamilton, 5th; and William Speagel, Florence 6th.

Five crops from the county selling for the highest average are as follows: Clinton Shields, $36.39; James Wilson, Jr., $36.27; David Clore, $33.00; James Stephenson, $32.84 and Inez Martin, $32.81.

Other counties participating in this show were Bracken, Campbell, Grant, Kenton and Pendleton.

TOBACCO RULES ARE TIGHTENED

REGARDING TOBACCO QUOTAS REPORTS REQUIRED FROM "PIN-HOOKERS" AND DEALERS.

Representatives of the AAA marketing quota section have warned that "pin-hookers," dealers, warehousemen and farmers all face heavy penalties if they fail to comply with tobacco marketing quota regulations this year, J. F. Cleek, chairman of the Boone County AAA Committee, said today.

Pointing out that a new provision of quota regulations requires the buyers and the farmer to prepare a "bill of non-warehouse sale" if the tobacco is sold anywhere except at an auction market. Mr. Cleek said marketing quota men investigate all cases where required reports are not made.

Under the new rule, he said, "pin-hooked" tobacco cannot be cleared through warehouses on farmers' marketing cards but must be cleared as a re-sale.

Failure of the "pin-hookers," dealers and warehousemen to keep records or make reports required by marketing quota regulations may result in a maximum fine of $500 for each violation.

Marketing quota field men are stationed on all auction warehouse markets to record sales and to aid buyers in making reports.

Mr. Cook again requested farmers to be very careful with the marketing cards issued for their farms. Misuse of cards will result in penalty payments and reductions in allotments for the coming year for those involved in the violations, he said.

"It was also pointed out by the county AAA chairman that "pin hooked" or dealers' tobacco is not eligible for loans from the Burley Tobacco Growers Cooperative Association.

DAIRYMEN HEAR GEORGE HARRIS

DAIRY SPECIALIST AT MEETING HELD THURSDAY—METHODS OF IMPROVED FEEDING AND MANAGEMENT DISCUSSED.

Boone County Dairy Extension Committeemen plan full cooperation in increased production for National Defense, according to H. R. Forkner, County Agent. Twenty-one dairymen met for an all-day meeting last Thursday with Geo. Harris, dairy specialist, College of Agriculture, to plan the 1942 dairy improvement program.

Mr. Harris discussed methods of improved feeding and management as means of securing greater and more efficient production. He urged that dry cows be well fed as a research work shows that feeding a good balanced ration to the dry cow would produce an approximate 15 percent more milk during the lactation period. Fall freshening cows produce more milk than spring freshening cows.

Franklin Huey of Burlington outlined the breeding and feeding program followed on his herd during the past five years. Two thirds of the cows freshen in the fall and the remaining third throughout the year. Alfalfa pasture is used to prevent the usual drop in milk production in August and silage is used to offset drouths that may occur in September. Some grain feed is fed throughout the year. This herd averaging 26½ cows produced over 6,000 pounds of milk and 300 pounds of butterfat per cow for the year.

Robert Youell of near Limaburg outlined a proven sire breeding program in which the average production of his herd had increased 105 pounds of butterfat per cow, per year, in three years. A good herd sire in a thirty-cow herd is calculated to be worth more than $900.00 per year. Farmers cannot know the real progress of a breeding program unless they follow a Dairy Herd Improvement testing program, and use proven sires. Mr. Youell is a member of the Boone County Jersey Bull Association which owns the third high proven production index Jersey bull in the United States.

Grant Maddox of Florence outlined plans of his combined poultry-dairy production program. Grant stressed the importance of balancing dairy cattle with the size of farm and feed produced. Alfalfa hay production for both hay and pasture was considered very important for small dairymen.

The 1942 Countywide dairy production improvement planned is as follows:

Disease—(a) Work for a state law to have Bang's Disease testing county and statewide as is T. B. testing today; (b) Make Federal and State Testing service more easily available for everybody. Committee, Grant Maddox and Jesse Wilson.

Feed Production—(a) Urge harvesting hay crops at right time before it is too ripe; (b) have two tons good legume hay per cow; (c) improve pastures by using alfalfa in August and September, cover (especially Balbo Rye) for early spring pasture. Committee, Robt. Youell, Franklin Huey.

Breeding—Develop with long time program through (a) summer tour of herds making most progress, committee, Jesse Wilson, W. G. Kite; (b) eleven Dairy Herd Improvement Association testing members, committee, Grant Maddox; (c) Bull Association, organize one new association in 1942, Walter King, Franklin Huey.

4-H Club Work — Encourage members to own registered animals but do not require registration. (a) secure 30 4-H members 1942. Committee W. G. Kite, Robt. Youell.

Live at Home, 2 cows per family, one fall and one spring freshening.

Defense Production—At least 15 per cent more milk in 1942.

Chairman of Dairy Program—Franklin Huey.

KENTUCKY READY SAYS GOVERNOR

IN MESSAGE TO PRESIDENT ROOSEVELT FOLLOWING ATTACK OF JAPANESE ON U. S. POSSESSIONS.

Frankfort, Ky., Dec. 8—Kentucky's resent over the surprise attack on American men, ships and territory Sunday was expressed Monday in a telegram message from Gov. Keen Johnson to President Roosevelt.

The message:

"The treacherous surprise attack by the Japanese on Pearl Harbor as a reply to your conciliatory message to the emperor is an outrage which Kentuckians resent.

"As governor of Kentucky I assure you that the people of this state are prepared to follow your leadership and to make any sacrifice you regard as necessary to meet the emergency," the message concluded.

The Kentucky militia, or home guard, which includes approximately 1900 men of 26 units, was standing by awaiting any possible orders.

Only a few units of the militia are fully equipped and ready for immediate mobilization. The guard as now formed was sponsored by joint action of the Civilian Defense Commission, the American Legion and the adjutant general.

It was announced Monday by J. J. Greenleaf, civil defense director for Kentucky, that all public utilities and other vital points in the state are under special guard.

State highway patrolmen or special private bridge patrolmen are on duty on all state-owned bridges. Railways, power plants and defense industry plants already have inaugurated added measures of precaution, Mr. Greenleaf said.

The War Department was understood Tuesday night to be ready to ask Congress for expansion of selective service age limits from 21-28 years to 18-44 years—a move that would increase by almost 20,000,000 the reservoir of man power available for the armed forces.

Under present age limits, the selective army is drawn from a pool of 8,000,000 men. Broadening of age limits to 18 and 44 would increase that number to 28,000,000.

Elmer E. Morris

Services for Elmer E. Morris, Bedinger avenue, Elsmere, who died Sunday at St. Elizabeth Hospital, were held at 10:30 a. m. Wednesday at the Taliaferro funeral home, Erlanger. Burial was in Highland cemetery. He was 78.

Mr. Morris was an employee of the Western Union, Cincinnati.

Philip Taliaferro was in charge of arrangements.

The promotion program scheduled at the local Baptist Church on Wednesday night of this week by the Young People's Organizations of the W. M. U. has been postponed until Wednesday night, December 17th.

Ransom Ryle, of Petersburg, was a pleasant caller at this office Monday afternoon of this week.

DEMOCRATS ELECT LIGON

TO LEAD YOUNG DEMOCRATIC CLUB FOR 1942—ROUSE, HEILE AND ROGERS ALSO NAMED AS OFFICERS.

The regular meeting of the Young Democratic Club of Boone County was held at the courthouse on Thursday night of last week, at which time officers for the ensuing year were elected.

Malone Ligon, Union, was named president for 1942, having served in the office of treasurer last year. Malone has been active in the Democratic party for several years and is one of the outstanding men in the Union precinct.

Other officers named were Irvin Rouse, vice president; T. F. Heile, treasurer, and Wm. Rogers, Jr., secretary.

Besides other regular business, the organization voted to contribute $10.00 to the 4-H Free Fair grounds project.

All women of this community are urged to gather at the work rooms on Tuesday afternoons and Thursday nights for Red Cross work.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL Lesson

CHRISTIAN STEWARDSHIP

LESSON TEXT—II Corinthians 8:1-9; 9:6, 7.

GOLDEN TEXT—It is required in stewards, that a man be found faithful.—I Corinthians 4:2.

The Christmas season, when there is so much thought about gifts, is a most appropriate time for a lesson on Christian giving. Dr. John Willis Baer was once asked: "How can we raise money for foreign missions?" Quick as a flash, he answered: "Don't raise it, give it." "If all believers could come to a true knowledge of what the New Testament teaches regarding giving, and would seriously put this knowledge into practice, the Christian church could advance more in the next 10 years than it has advanced in any 50 years in its history" (Wilbur M. Smith).

I. An Example of Liberality (8:1-5).

For some reason people are overly sensitive when one speaks of money. The subject must be approached tactfully, so Paul skillfully directs the attention of the Corinthian church to their fellow Christians in Macedonia. They had been in great affliction and were in "deep poverty" (v. 2), but out of their sorrow and want they gave far above Paul's expectation (v. 5) and "beyond their power," and then pleaded with Paul that he should let them give more. The explanation is found in verse 5, where we learn that they had first given "their own selves to the Lord," and then in loving co-operation with Paul himself, as the Lord's agent, in this matter of the offering.

Is it not strange that those who suffer most for the gospel and have the least to give are the most generous in their giving. Those to whom the gospel has come easily, who bear no special burdens for Christ, and who are well situated financially, are commonly the most stingy with their money. Could it be that they have not really given themselves to the Lord? One wonders.

II. An Exhortation to Faithfulness (8:6-9).

Apparently the Corinthians had made a promise or pledge to give for the poor at Jerusalem, but had become a bit forgetful and negligent. It seems to be so easy to neglect to keep up a pledge for the Lord's work. Some folk even feel that they cannot make a pledge. They pledge to pay their rent, to make payments on a car, or a washing machine; but to the church they just can't pledge, or if they do, the promise is often neglected. Such things are dishonoring to the name of Christ.

As they abound in other graces (v. 7), Paul exhorts the Corinthians to abound in "this grace also." So giving is a Christian grace! And why not? Consider Christ (v. 9), who left the glory He had with the Father and came to the poverty of the One who had not where to lay His head, that we through Him might be eternally rich.

Christian friend, when that truth lays hold of your heart and life your purse strings will loosen, your check book will open more easily, you will gladly give—for Christ's sake.

III. A Principle of Christian Giving (9:6).

The harvest is always in proportion to the sowing of the seed. The man who is stingy with his seed at sowing time will reap that kind of a harvest. The opposite is also true.

It works in the field of business too. The merchant who gives the fullest return for one's money and the most liberal measure of service is bound to prosper, while the stingy one is left to lament the fact that his goods rot on his shelves.

In the spiritual realm it is even more true. But, someone may say, we ought not to do good that we may profit by it. No real Christian will give just that he may prosper, but, mark it well, if he does give for Christ's sake and His glory, God will prosper him. "You can't beat God giving."

IV. The Spirit of Christian Stewardship (9:7).

Our giving is to be done according to the purpose of our heart—not grudgingly, nor with grief, nor yet by compulsion, because someone put on pressure.

God loves a cheerful or (as it may be translated) hilarious giver. When done in the right spirit, giving for Christ can be one of the happiest experiences of the Christian life. Let's make offering time in our church services the most joyful time in the meeting. Then we shall be liberal as well as cheerful in this grace of stewardship.

Faith in Christ

"Martha said, 'Lord, if thou hadst been here, my brother had not died.' Of all the true disciples of Christ this may with perfect confidence be said, 'He is here, therefore they shall not die.' Faith causes Christ to be present in the heart; and where Christ is, eternal death cannot be."
—Dean Howson.

Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
Where Foot Comfort Begins
9th and Madison — Covington

Do you have severe pains in the muscles of your legs?

Do you walk with toes pointed out?

Are you bedeviled by a thousand demons tearing at your back?

Do you hate to get up in the morning?

Do you experience foot pain when walking?

Can you be on your feet all day without fatigue?

Any or all of these conditions may indicate that one or more of the four arches of your feet are on the verge of collapse. There is really no end of the trouble that such a condition could cause. Around the bones and muscles of your feet are numerous nerves, all of which are directly connected with the nerve center. Severe pains in your feet are transmitted to every part of your body.

What can you do about it?

For years men and women have withstood the aches and misery due to some foot condition and have always decided "There is nothing you can do about it."

Now Comes a Sure Way to Relief for many aches and pains due to faulty foot condition. You will be eager to rise each morning and meet the conditions of the new day. You will have the springy active step of a youngster of eighteen. You will not be old at forty! There is no secret to it. You don't have to take a long rest, nor a change of climate. You need only to be correctly fitted in pair of surgical shoes. You may think this is a simple way to end all of pain and misery, you have been suffering for a good many years, but after all don't the simplest things in life bring the greatest joy?

Resolve today that you will pronounce the death sentence on the misery, aches and pains due to foot trouble.—Adv.

HEBRON HOMEMAKERS

The meeting of the Hebron Homemakers was held at the home of Bessie Acra. The meeting was opened with the reading of a prayer by our president, Virginia Pope, after which we sang the first verse of "America". The president read the section of the constitution "What every homemaker should know". The meeting was then turned over to the Foods leaders, Nancy Campbell and Stella Nichols. Mrs. Nichols reported that of the improved practices—

13 planned simple meals; 6 planned meals for 1 day or more ahead; 12 followed a guide for meal planning; 5 kept a list of food bought for a week; 11 planned a grocery order before buying; 22 planned to serve colorful meals; 22 planned combinations that go well together; 12 planned light desserts; 8 members gave their lessons to another person. Mrs. Nichols then talked of the importance of Vitamin A and other vitamins.

The meeting adjourned for lunch after singing the Grace song. Roll call was answered by "What has happened this year that you can rejoice over". There were 23 members present also 3 new members and 2 visitors. The treasurer reported $10.01 on hand. It was also reported that $9.60 was made at the bazaar. The motion was made and 2nd that all bills in connection with the bazaar be paid. The motion carried.

Mrs. Oma Riley was present and talked to us about the Red Cross work being done in Boone County. A motion was made by Stella Nichols and 2nd by Norman Aylor that we donate to the Red Cross. The motion was amended by Mrs. Wohrley and 2nd by Mable Anderson that each person present give a small donation to represent the club as a whole.

The exterior beautification chairman, Elizabeth Yowell, talked about the berrying shrubs for winter beautification. Mrs. Yowell gave a list of the names of the shrubs, and also told us of the plans concerning the road beautification project in Boone County. The clothing chairman, Norma Aylor, showed the group how to sew zippers in clothing.

Hilda Hogan, our program chairman, discussed the Christmas party. Everyone is to bring a 10c gift and his little sister's gift. Mrs. Moore told us Miss Gillaspie has been permitted to go home, we are so glad she is getting better. Everyone is pleased to know one of Boone County's 4-H girls' is eligible to go to Chicago. A motion was made by Ruby Hollis and 2nd by Bessie Acra that we give a sum toward sending Evelyn Franks to Chicago. The motion was amended by Stella Nichols and 2nd by Mrs. Wohrley that we give $2.00. The motion carried.

The president appointed 2 new chairmen—Home Furnishing Leader, Myrtle Casper; Handicraft chairman, Katherine Peel.

The motion to adjourn was made by Norma Aylor and 2nd by Ruby Hollis. The motion carried and everyone went home after enjoying the day very much.

Katherine Peel, Sec'y.

BIBLE SUNDAY IS ENDORSED

BY GOVERNOR JOHNSON—WILL BE OBSERVED THROUGHOUT NATION DEC. 14—HUNDREDS OF BROADCASTS SCHEDULED.

Frankfort, Ky. Dec. 9—Governor Keen Johnson endorses the observance of Universal Bible Sunday on Sunday, December 14.

As a fitting prelude to the President's address to be given to the nation on December 15 in celebration of the adoption 150 years ago of the Bill of Rights, the churches of the country will observe Universal Bible Sunday on December 14 for the philosophy behind the Bill of Rights stands squarely upon the Bible. The American Bible Society which has sponsored Universal Bible Sunday for many years, and is this year itself celebrating its 125th anniversary, has suggested, as the theme for the day, "The Light Shines in the Darkness." This adaptation from the fifth verse of the First Chapter of John's Gospel points to the encouraging fact that against the tragic background of the present world's life the Bible is better known over wider areas of the world and in greater demand than ever before. Even in Germany the Prussian Bible Society of Berlin reports sales of the Bible of 289,013 copies for 1940 as against 127,234 in 1938. China, in the midst of her lengthening struggle and her deepening poverty has become the world's largest customer of copies of the Christian Scriptures.

In addition to the celebration in the churches there will be hundreds of local broadcasts throughout the nation. The Columbia Broadcasting Company's popular Sunday morning program, "Wings Over Jordan" will present Rev. F. O. Jenkins, well-known preacher of Columbus, Ohio, who will speak of the significance of Universal Bible Sunday at 9:30 a. m. E. S. T. The Columbia network will also carry for the third successive year the voice of Senator James J. Davis American Bible Society of Pennsylvania, who will speak on "The Bible and Our Bill of Rights." At 9:30 a. m. E. S. T. the National Broadcasting Company will carry on its Red Network a message on the Bible from Dr. Luther A. Weigle, Dean of the Divinity School of Yale University, President of the Federal Council of Churches of Christ in America and chairman of the committee now preparing a revision of the American Standard Bible. The Mutual Network will present the Rt. Rev. Karl Morgan Block, D. D., LL. D., Bishop of the Diocese of California of the Protestant Episcopal Church.

In his letter of endorsement of Universal Bible Sunday to the Secretary of the American Bible Society, Governor Johnson says: "Sunday, December 14 is the date on which Universal Bible Sunday will be generally observed this year, and it is my sincere hope that not only the citizens of this State, but those of all the nation, will unite in appropriate observance of this important day.

"The American Bible Society is performing a most necessary and commendable service in its efforts to supply the Bible to areas of need all over the world. In these troubled times the Bible, the foundation of society and government, should be available to every believer for his comfort and guidance."

CONSTANCE CHURCH OF THE BRETHREN

The Constance Church of the Brethren held its dedication services Sunday, November 30. A huge crowd attended both morning and evening. The total offering for the day, which is to be applied to the balance to be paid on the new building was $123.74.

A two weeks' revival has been in progress since November 30, under the direction of Rev. Orion Erbaugh, pastor and Rev. H. M. Coppock, evangelist.

Kind words and deep sympathy seldom take the place of bread to eat.

VERONA 4-H CLUB NEWS

Our 4-H Club held its last meeting of the year at Verona School November 25 at 1:30 p. m.

Our meeting was called to order by acting president, Mary Hope Chipman, in the absence of our elected president, Vernon J. Myers, and vice president, Anna Frances Sturgeon.

We had two songs, "America," and "God Bless America." A very nice talk was made by our new assistant county agent, Mr. Frazier and Mrs. Moore our substitute home demonstration agent. We heard Miss Gillaspie is much better and hope she will soon be back with us. We also had two speeches, one by Mary Hope Chipman, and one by David King. We had a talk by our community leader Mr. Chipman, on achievement. We got our achievement certificates, awarded by Mr. Chipman. We had 14 to receive achievement certificates.

Now may I add that we are endeavoring to have a much better club next year.

We said our 4-H pledge, pledged allegiance to the Flag and adjourned.

David King, Reporter.

The Bible still outsells any book published and, if you want to know, is still being widely read.

If the residents of Boone County don't care to trade at home, nobody else will bother about it.

Extra Coverage Announced For Xmas Shoppers

The weeks of December 11 and 18, being our Christmas shopping editions this year, an effort will be made to reach every home in the entire community, as well as extra coverage in surrounding counties.

Our advertisers are invited to take advantage of this extra coverage at no additional cost, since our rates will remain the same throughout the holiday season.

We realize that it is impossible to reach every home during this holiday rush, so if you know of anyone who did not receive The Recorder this week, they can secure a copy free by calling at our office after 3:30 p. m. Wednesday afternoon.

TAYLORSPORT HOMEMAKERS

The Taylorsport Homemakers' Club met November 19 at the home of Mrs. William Sprague with eight members present. The next meeting will be December 17th at Mrs. Owen Sprague's. This will be our Christmas party and everyone is invited. We decided to write a round table letter to Miss Gillaspie.

The meeting will be opened by singing a patriotic song.

BURLINGTON HOMEMAKERS

The Burlington Homemakers met at the courthouse on Thursday, Dec. 4th. The meeting was one of much interest. Interest is being shown in the new project of meal planning. Delightful luncheons are being served and especially good are the main dishes and dessert. Recipes for these will be given to anyone who would like to have them, whether or not they attend the meetings.

The model mile has been planted, and plans are made for another demonstration planting. The model mile is of much interest throughout the county and all clubs donated generously of their trees and shrubs.

The Burlington Christmas party will be at the court house on Friday night, Dec. 19th. Come and bring a ten-cent exchange gift, also donation for Christmas basket.

BURLINGTON R. 2

Mr. and Mrs. Raymond Hightower called on Mr. and Mrs. J. P. West, Tuesday night.

Lou Williamson butchered hogs, Wednesday.

Mrs. Lou Williamson, Mrs. O. W. Purdy and Mrs. Cam White spent Thursday with Bro. and Mrs. Sam Hamilton in Rising Sun.

Mrs. J. P. West spent Thursday with her mother, Mrs. Mason Riggs in Rising Sun.

Mrs. Rena Presser spent a few days with Wm. Presser and family. There has been a lot of tobacco hauled to market from our neighborhood.

Those to assist Mrs. Raymond Hightower with butchering were Mrs. Doc Philson and two daughters, Mrs. Rod Ryle, Mrs. Wilbur Ryle and Mrs. Elijah Pendry.

Mrs. Lee McNeely spent Wednesday in Covington.

Press West took his tobacco to Carrollton, Friday afternoon.

Mrs. J. C. White, Mrs. Jake Cook, Mrs. Lou Williamson, Mary Lou Williamson and Geo. Cook were shopping in Covington, Saturday.

Mr. and Mrs. Percy Ryle, Mr. and Mrs. Ivan Walston and family spent Saturday with S. B. Ryle and family.

Mrs. Katie Riggs, of Rising Sun is spending the week with Mr. and Mrs. Press West.

Press West and Cam White were in Carrollton Monday.

Sorry to hear that Mrs. Rena Presser is on the sick list. We wish for her a speedy recovery.

Bro. Sam Hamilton and family spent Saturday night with the Kite-Purdy family.

Mr. and Mrs. Percy Ryle, Mr. and Mrs. Jake Cook, Mrs. Lou Williamson and daughter and Geo. Cook spent Sunday with Mr. and Mrs. Cam White.

Mr. and Mrs. Calip Griffin are spending this week with her parents, Mr. Jake Freeman and family.

Mr. and Mrs. Al Schallow and daughter were callers of Jake Freeman and family, Sunday.

BULLITTSVILLE HOMEMAKERS

The Bullittsville Homemakers' Club held their November meeting at the home of Mrs. Wm. Hill. There were eleven members, one visitor of Mrs. Moore, the H.D.A. present.

The president, Mrs. H. E. Bruce called the meeting to order then asked the project leaders, Mrs. Wm. Hill and Mrs. J. R. Williams to give the lesson for the month, which was the family meal hour and table service. Mrs. Williams and Mrs. Hill are excellent leaders and made the lesson most interesting.

Mrs. Chas. Utzinger, Mrs. Burnham Roberts, Mrs. Jonas Stevens, and Mrs. Albert Willis assisted the hostess in preparing and serving the lunch.

In the afternoon session, Mrs. Moore explained how the Homemakers' Clubs could help with the 4-H work with volunteer leadership. Mrs. Albert Willis was asked to serve as chairman of the 4-H work in the club. The club contributed toward the expenses of the 4-H club girls that is being sent as a delegate from the County to Chicago.

The exterior beautification chairman, Mrs. Chas. Engle gave a very interesting talk on the planting and care of fall and winter ornamental shrubs. She also told about the planting of the Model Mile on Highway 20.

Miss Lucy Lee Grant visited the meeting in the afternoon and distributed Red Cross sewing among the women and discussed holding a First Aid class or Home Hygiene class, beginning in January.

Mrs. Huey Aylor invited the club to hold the December meeting in her home. The December session will be in the form a Christmas party, and each member is asked to take a small gift. The meeting will be held December 18th.

FLORENCE HOMEMAKERS

The meeting of the Florence Homemakers' Club on Thursday, November 27th was a most enjoyable affair; first because we had Mrs. Jane Sleet of New Haven Club, (she is also our District president), whose charming presence would make any gathering enjoyable; second, because we had 39 in attendance; and third, because of the very delicious lunch which was served at the noon hour.

The project leaders presented the lesson in a clear and interesting way that held the attention of everyone, and then it was illustrated by the food served. A great deal of business was transacted during the afternoon session.

The purchase of the hospital bed, which will be available to the whole county, was ordered, as the entertainment given to raise money for its purchase was so successful as to make it pssible to supply a mattress and rubber sheet as well.

Five or six new members were added to the club.

Mabel G. Sayre, Reporter.

A little authority affects some men more than strong drink.

The installment-buying plan may be all right, but isn't it funny how one loses one's enthusiasm for the idea after about six months of paying.

SATURDAY

"Tillie the Toiler," Russ Westover's popular newspaper comic strip character, makes her initial screen appearance Saturday at the Gayety in the person of lovely Kay Harris. "Tillie the Toiler," is also played by William Tracy, as Mac; Daphne Pollard, as Mumsy; George Watts, as Mr. Simpkins, and Jack Arnold, as Wally Whipple. Sidney Salkow directed and Robert Sparks producer of the "Blondie" comedies similarly officiated on the new picture, which was written by Karen DeWolf and Francis Martin.

SUNDAY AND MONDAY

It's a good thing Chill Wills has an avocation. His hobby of collecting antique cups came in handy for his role in "Metro-Goldwyn-Mayer's "Honky - Tonk," to be shown at the Gayety.

His collection numbers thirty—and they were gleaned from all parts of the country. His favorite, however, which he uses for his full-fledged, waxed and curelcued mustache in the picture, is the cup his grandfather used—gold-lead trimmed and hand-painted.

Clark Gable plays the leading role.

Only Few Days Left To Participate In Christmas Party

Only a few days are left for Boone County shoppers to take advantage of Covington retail merchants' fifth annual Christmas party to be staged in that city on the night of December 16, at 9:15 p. m.

Shoppers patronizing certain Covington stores, designated by window cards, and listed in previous issues of The Recorder, may share in awards totaling $650.00. The first award is $250.00, and the second, $100.00—32 cash awards in all. No tickets will be issued after the evening of December 15. The winners do not have to be present at the Christmas Party to receive their awards, but doubtless many will be present to witness the awarding, which will take place on Seventh Street, near Madison Ave.

Covington stores will remain open of evenings from next Monday, Dec. 15, until Christmas.

HOLIDAY WORKERS MUST OBTAIN SOCIAL SECURITY NUMBERS

A warning to all persons who are hired for temporary work during the coming holiday seasons was issued today by Frank B. Decker, Jr., manager of the Covington field office of the Social Security Board, who said:

"Because of the heavy demand for labor in defense industries many housewives and others who have not been employed in commerce or industry in recent years are likely to obtain temporary jobs in commercial establishments between now and the end of 1941. Those persons who have not had social security account numbers should obtain their cards and present them to the employer at the time work is started.

"Persons who had cards but have lost them should obtain duplicates, not new numbers. Employers will save time and trouble by copying the names and social security numbers of new workers directly from their account cards at, or shortly after, the time such workers are hired. Every employer of one or more in commerce or industry is covered by the Social Security Act, under the old-age and survivors insurance program contained therein.

"New employers entering business for the holiday season must get identification numbers and must later make reports showing wages paid to all persons in their service. These reports are made when social security taxes are paid at the end of each calendar quarter."

Union Youth Reports For U. S. Navy Training

Great Lakes, Ill.—William Edward Waters, 20, son of Mr. and Mrs. John E. Waters, Union, Ky., R. 1, began his career in the United States Navy December 2, when he reported for duty at the U. S. Naval Training Station here.

At the close of a six-week period of basic seamanship training, Waters will be given a 10-day furlough. He then will report back to the station for assignment to active duty at sea or to one of the many naval technical schools.

All of his time will not be occupied by drill and study, however, as the new recruit will have an opportunity to participate in free entertainment and recreation provided by the Navy. This includes free movies Mondays, Wednesdays and Fridays, and roller skating Tuesdays and Thursdays. The skating is co-educational, with the Chaplains and Station Hostesses inviting girls from nearby communities to attend.

The station, located on the shore of Lake Michigan, about 40 miles north of Chicago, receives recruits from the entire Ninth Naval District, an expanse of territory extending from Ohio to the Dakotas and from Missouri to the Canadian border, and is the largest naval district in the country.

FARMERS USE FOOD PRODUCED AT HOME

In a survey made in Henderson and Union counties, the Kentucky College of Agriculture and Home Economics found the average value of home-used products on farms to be $430 last year. This was calculated at farm prices, and would have been doubled had retail prices been used.

The average value of home-produced products used on 82 farms were: milk and milk products, $63; pork, 54; poultry, $25; other meat, $2; eggs, $19; fruits and vegetables $70, and house rent $197.

The value of food alone furnished the family amounted to $233. Quantities included 630 gallons of milk; 900 pounds of pork, 138 pounds of poultry, 24 pounds of beef and mutton, and 126 dozens eggs.

McLean county homemakers made an exhibit of food needed for a family of five for one week.

Four Bourbon county farmers seeded 90 acres of certified Thorn seed wheat.

Kentuckians Are Highly Praising This Amazing Way to Help Run-Down People Get New Vitality . . . Pep!

THOUSANDS TURN TO THIS FOMULA OF JUICES FROM NATURE'S PLANTS WHICH HELPS CLEAR AWAY BOWEL AND STOMACH ACIDS AND RELIEVES CONSTIPATION, SLUGGISH LIVER AND KIDNEYS.

The medicine referred to is the New Scientific Formula of medicinal juices from twelve (12) of Nature's finest health-giving plants known as SYSTONE that has benefited 87 per cent of those who taken it.

HOW IT ACTS

Systone is taken shortly before meals and mixes with the food in one's stomach, thus throwing off the poisons that foster stomach troubles and permitting the liver and kindneys to function properly. It acts within 10 minutes to stop gas pains sourness, bloat and belching. It will not gripe or nauseate you like ordinary liver medicines. It will make your liver more active and work the old bile from your system which may have been the real cause of your misery for so long a time. At the same time, Systone drives poisons from the kidneys to relieve backache, bladder irritation and weakness. Strengthens the nerves by natural means.

WHAT IT WILL DO!

Systone will cleanse your bowels (gradually—not drastic or severe) as they were NEVER CLEANSED BEFORE. It will bring out gases and impurities (frequently from the first dose) which may have been causing you many days of misery, with headaches, dizzy spells skin eruption and lazy, drowsy, tired feeling.

Systone will relieve acid conditions and make the digestive organs sweet and clean and give complete relief from indigestion, bloating, sour stomach, shortness of breath due to gas and dyspepsia.

Find out what this famous mixture of herbs and roots can do for you. Come to M. C. OWENS' DRUG STORE at Pike and Washington, Covington. —Adv.

Thieves Loot Florence Home Saturday Night

The home, of E. E. Ashcraft Lloyd Ave., Florence was looted Saturday night by thieves, according to Harold Conner, deputy sheriff.

The culprits obtained $95.00 in cash, and approximately $30.00 worth of clothing, jewelery and other articles.

The Ashcrafts were in Covington at the time of the theft, and upon their arrival home found the house ransacked.

Deputy Sheriff Conner stated that no clue as to the identity of the culprits was found.

Deputy Sheriff Finds Cash Register Stolen From Blue Star Inn

J. T. "Jake" Williams, deputy sheriff of Boone County reported Monday that he found a cash register valued at $400.00 which was stolen from the Blue Star Tavern Friday night.

Williams stated that the cash register was found on U. S. Highway 25, 3 miles south of Florence early Saturday morning, and that he turned it over to Kenton county authorities.

RUSSELL SMITH ELECTED PRES.

OF BOONE COUNTY FISH AND GAME PROTECTIVE ASSOCIATION—KIRTLEY CROPPER IS NAMED VICE PRESIDENT.

New officers for the year 1942 were named at the regular meeting of the Boone County Fish and Game Protective Association, held at the new club house, Thursday night of last week.

Russell Smith, Burlington, one of Boone County's outstanding followers of Izaak Walton, was named president of the organization. He acted as secretary and treasurer for the club during the past year, which position he filled very efficiently. He will have the wholehearted support of the members during the coming year.

Kirtley Cropper, Burlington was selected vice president for the coming year, and Albert William Weaver was named secretary and treasurer.

Approximately twenty-five members were present at the meeting. The next regular meeting will be held Thursday night, January 8th.

Membership fee for the year 1942 has been increased from fifty cents to one dollar, and all dues may be paid by calling on the secretary at The Recorder office or at any regular meeting. Membership dues are payable January 1st.

OUR FLAG

During these days when America is earnestly trying to adjust herself to a wartime basis, it becomes more evident the need for our Flag to be displayed daily in our homes and in all public buildings. Many of our schools do not make a daily practice of flying the Stars and Stripes, and many neglect to teach our children to respect the flag and the many principles for which it stands.

Governor Johnson issued a request thi week for the flag to be flown daily over all public buildings, as well as in as many American homes as possible.

Let's make every day "Flag Day" throughout Boone County and especially in our schools and public buildings.

Christmas Services Scheduled For Sunday Night At M. E. Church

There will be a sacred Christmas service at the Burlington Methodist Church, Sunday, Dec. 21 at 7:30 p. m. Children and young people are cooperating to make the program worshipful and helpful.

The object of the service will be to give us the true Christmas spirit in this time of war and strife. All are invited to attend.

BANK OFFICIALS ADOPT PLANS

FOR REGULAR PURCHASE OF U. S. DEFENSE BONDS THROUGHOUT 1942—SIMILAR PLANS BEING ADOPTED OVER COUNTY.

At the last meeting of the Board of Directors of the Farmers Bank, Petersburg, for 1941, a plan was formulated whereby twelve more Defense Bonds would be purchased during 1942, it was announced this week by H. R. Hensley.

At this meeting a plan was formulated, whereby, in addition to the purchase of U. S. Defense Bonds as already planned by the cashier and directors, they agreed to purchase a Defense Bond each time they hold a directors' meeting during the year 1942.

The manner in which it will be determined which officer or director will buy a bond is by holding a drawing at each directors' meeting. When a name has been drawn, he will purchase a Defense Bond of a denomination suitable to himself. His name will then be eliminated from the drawing until the names of the other officers and directors have been drawn, after which his name will again be placed for drawing.

By the formulation of this plan at least 12 more U. S. Defense Bonds of different denominations will be purchased during 1942 by these individual officers and directors of the Farmers Bank than had before been contemplated by them.

During the next several months the American people are going to be called upon constantly to help finance the defense of our nation in every way possible and although one individual or one group of individuals can help this cause only in a very small way, it will be the combined efforts of the majority of the American people that will cause us to be victorious therefore, explaining our belief that even a plan as small in effect as this is worthy of notice.

Mrs. Addie Scott celebrated her 61st birthday at her home last Saturday, December 13. Those presnt to enjoy the occasion were Mr. and Mrs. Joe L. Stephens, of Belleview, Mr. and Mrs. John Stephens of Rabbit Hash, Mrs. Ray Williamson, of Waterloo and Mr. and Mrs. Clayton Cranfield, of Lawrenceburg, Ind. Mr. and Mrs. Cranfield also visited her Sunday.

FARM ACCOUNT SCHOOL JAN. 14

WILL BE HELD AT BURLINGTON—SCHOOL WILL BE DIVIDED INTO TWO PARTS—ACCOUNTS PRESENT NEW ANGLE.

All Boone County farmers who are interested in keeping complete Farm Account records in 1942 are invited to attend the Farm Account school to be held at Burlington on Wednesday, January 14th, according to H. R. Forkner, County Agent.

The school will be divided into two parts: The morning meeting will be devoted to a school for farmers who kept complete records in 1941. They will bring their books to the meeting and will analyze their farm business in relation to the county summary.

The afternoon meeting will be devoted to a discussion of the 1941 county farm business analysis based on the total reports of all farmers who kept records. New 1942 farm account books will be started at this time.

Farm accounts present a new angle in 1942. All records of individual farmers are strictly confidential. However, the business acount records will enable farmers to reliably account for depreciation of buildings, fences and equipment. Many farmers under the new Federal Tax program will be required to pay income taxes. The farm account project will enable them to present the most reliable information for filing their individual reports.

All farmers are invited to cooperate in this meeting and this project. Books are available at the County Agent's office. Books are distributed at cost which is 15 cents each. The inventories of stock and equipment should be made previous to the meeting.

New Auto License Tags Now In Hands Of Clerk

C. D. Benson, County Clerk of Boone County, announced this week that he had received the new 1942 automobile license tags, and that they could be purchased at his office at any time.

Persons applying for their new license are requested to bring their 1941 receipt in order to speed up the issuing of these tags. All automobile owners are urged to purchase their tags early in order to avoid the last minute rush.

Bravards Reported Safe In Honolulu

Word has been received by Mrs. Emma Hempfling that her daughter, Adelaide Bravard, and family are safe in Honolulu.

Mrs. Bravard and her two sons, Wayne, 7, and Donnie, 5, are residents of Honolulu. Mr. Bravard is a storekeeper on the cruiser, U. S. S. Minneapolis, at Pearl Harbor.

They have been in Honolulu for more than a year now.

Noel Walton hae received word from his mother, Mrs. J. H. Walton Sr., of Bakersfield California and brothers J. H. and A. G. Walton, of the same place, and all report little fear and hysteria in Southern California and stated that all activities are proceeding normally. Except for some curtailment of radio broadcasts, nothing out of the ordinary is happening.

War Is Declared On Tuberculosis

War was declared on tuberculosis more than thirty years ago, and the battle has been in progress since the declaration. The battle has not yet been won, but much has been done to defeat these small germs that attack the rich, the poor, the German or the American.

Buy Tuberculosis Christmas Seals, the bright colored little stamp that carries a special message to those who have T. B. or those who may have it in the future. The sale of the seals is the only means in existence today to carry on scientific research against the white plague.

All the school children in the county are selling Christmas Seals. You may have received a sheet of them from R. V. Lents, Seal sale chairman. It matters not from what source you buy them, but be sure to buy as many as you can afford. More than half the proceeds will be spent here in Boone County to help some T. B. patients.

Word Received From Frank Helms At Hickman Field

A telegram was received this week by the family of First Sgt. Frank B. Helms, who has been stationed at Hickman Field, Honolulu, Hawaii for the past three years, that he was O. K. and regretted that he would be unable to return home for Christmas.

This was the first message to reach the family since the outbreak of the American-Japanese war on December 7th when the cowardly Japanese attack on the island of Hawaii claimed the lives of 2,729 American boys.

Sgt. Helms was scheduled for a holiday leave this year, but stated in his communication that his leave had been cancelled.

Several other Boone County boys were stationed at Hawaii. However we have no report from them at this time.

Cotton Grown In County On Display At Recorder Office

A very nice sample of Boone County Cotton is now on display at The Recorder office, having been grown to maturity on the farm of John Crigler, near Hebron.

The plant of cotton measured 3 feet high and had approximately 16 mature balls of good cotton. The plant was as large as the average cotton grown in Southern parts of the United States and its production was not far below the average. Mr. Crigler stated that he planted several seed this year, and his greatest trouble was getting the seed to sprout.

Who knows, maybe Boone County will someday add cotton to its many profitable farm products.

Patriotic Services Planned At Local Baptist Church

Plans for a special patriotic service for Sunday night, Dec. 21st, are underway at the local Baptist Church, Burlington, it was announced this week by Rev. Roy Johnson, pastor.

The local Boy Scout Troop will assist in leading the "Pledge to the Flag," followed by the reading of a portion of the "Constitution of the United States" by the American Legion. The message to be presented by the pastor on this occasion will be entitled "The Church and Its Place in This World Crisis."

This service is very timely and suitable for the occasion and will be very interesting to everyone. The public is cordially invited.

Tennessee Man Fined Sunday In Judge N. E. Riddell's Court

Millard Coulten, of Chattanooga, Tenn., was arrested Saturday night by Patrolman James Carr, at Florence, after an ambulance he was driving crashed into timbers across the new highway at the intersection of U. S. 25 and 42.

Coulten was charged with operating a motor vehicle while intoxicated. When arraigned in Judge N. E. Riddell's court Sunday, he was assessed a fine of $104.50.

Willard Scott, of Cincinnati was fined $29.50 in Judge Riddell's court Saturday evening on a speeding charge.

R. E. Moore

R. E. Moore, 82, farmer of Beaver Lick, passed away in the home of his daughter, Mrs. J. T. Points, Sherman, Ky.

He is survived by one daughter, Mrs. J. T. Points; two sons, Leslie Moore, of Big Bone, Harry Moore of Beaver Lick; nine grandchildren and eight great-grandchildren.

Funeral services were conducted from the Beaver Lick Christian Church Wednesday afternoon, December 17 at 2 p. m., with Rev. Jack Erwin, a former pastor of the church, officiating. Burial was in the local cemetery.

Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

NEW HAVEN TAKES TWO

HOOP TILTS IN WEEK, AS DOES WALTON FIVE—BURLINGTON SCORES VICTORY OVER HEBRON.

The New Haven Tigers turned back two rival basketball teams on their home floor in a week, to score their seventh win of the season.

The Tigers turned back Silver Grove 35-25 Friday night, as Judge scored 17 points for New Haven, Brown nine for the losers. The winners held an 18-15 lead at the half. In a preliminary the New Haven Kittens suffered a 19-9 setback.

Saturday night the Tigers led all the way, to smother the Crittenden five 38-24, behind the star performance of Simpson, who also accounted for 16 markers, as did Judge. The Kittens were nosed out, 19-18, by the Crittenden reserve squad.

The Burlington Eagles journeyed to Hebron Friday night, to come from behind and win 42-32. An early attack gave the Cardinals a 9-1 edge as the game opened and a 24-19 margin at the half, before the Eagles took a 34-26 lead in the third period.

Huey meant the difference between the teams, as he racked up 18 markers. Scroggins took the playing honors for the Cardinals, as he racked up 14 points. The Burlington Eaglets nosed out the Hebron Birdies, 20-15, in the first game.

The Eagles were edged out, 27-26 in a nip-and-tuck contest on the Burlington floor Saturday night by the California five. After trailing 10-6 at the quarter the Eagles took a 15-14 lead at the half, as Porter hit the rim for 11 points, Huey. 10. Pollit led his team with nine. The Eaglets took a 25-11 trouncing from the California reserve squad.

The Walton-Verona Bearcats swamped the Florence Knights, 67-15, on the Florence floor Friday night. The Bearcats took a 30-6 margin at the half, as Simpson totalled 14 of their points, Demoisey nine. R. Cason topped his team, with five.

The Walton-Verona Kittens handed the Juniors a 28-11 setback in the skirmish of the reserve squads.

Holding a 14-0 lead midway of the second quarter, the Bearcats swamped Lloyd five of Erlanger 46-12 on the Walton floor Tuesday night. The Bearcats led 31-8 at the half, with Demoisey scoring 11 points, while Johnson was high for Lloyd with four.

The Walton-Verona Kittens also won by a score of 31-17.

NAVY ANNOUNCES MODIFICATION

OF PHYSICAL REQUIREMENTS—MANY APPLICANTS REJECTED IN PAST BECAUSE OF MINOR PHYSICAL DEFECTS.

A relaxation of physical standards for enlistments in the U. S. Navy and the Naval Reserve was announced this week by the Navy Department. In commenting on this action, the Navy Department announcement stated that numerous men who in past months have sought to enlist and have been rejected on the basis of minor physical defects will, because of the modification of physical standards be encouraged to re-apply for enlistment in either the regular Navy or the Naval Reserve for the duration of the emergency.

The Navy Department has requested that any person knowing of young men who had been barred for enlistment in the Navy or the Naval Reserve because of minor physical reasons should bring this modification in physical requirements to the attention of these young men.

Applicants with varicose veins will be acceptable under the changed standards, this varicocele condition to be corrected, if the condition is painful, at the Naval Training Stations to which the new recruits are sent. Hydrocele, another defect that formerly ruled out numerous applicants, will be corrected, if necessary, after enlistees arrive at Training Stations. Applicants suffering from hernia will be accepted provided their I. Q.'s are 75 or better. Recruits suffering from hernia will be treated at the Training Stations and will be enrolled for schooling during their periods of convalescence.

Other physical defects which formerly prevented men from being accepted as recruits, but which now are waived, are seasonal hay fever; correctible nasal deformities or nasal deformities of such a degree as not to interfere with duty; undernourished and underdeveloped applicants, providing the condition is not due to organic disease; and minor surgical defects which can be corrected within a month. Applicants who possess 18 natural serviceable teeth, with at least two molars in functional occlusion and not more than four incisors missing, will be acceptable. Dental treatment will be given at the Training Stations.

Any applicants who has been rejected because of any of the defects noted above is urged to re-apply for enlistment in the Navy or Naval Reserve immediateyq.

All applicants accepted with defects requiring correction will be hospitalized. After correction of these defects recruits will be returned to their Training Stations at the earliest practicable time.

These modified physical standards will apply for all applicants for enlistment in either the regular Navy or the Naval Reserve with the exception of applicants for enlistment in classes for prospective commissioning.

TWO YOUTHS ARRESTED

ON CHARGES OF FORGERY AND ATTEMPTING TO PASS A FORGED INSTRUMENT—BOND SET AT $1,000 EACH.

Eugene Holbrook and Willard Raleigh, were arrested Thursday of last week by Robert Brugh, Walton Town Marshall.

Holbrook was charged with attempting to pass a forged check on L. C. Stephenson, and drawn on the Dixie State Bank for $8.00. Raleigh, cashed a check at the Walton Service Station for $15.00 it was stated by officials.

Both youths were brought to Burlington, where they waived examining trial, and were placed in jail. Holbrook gave bond and was released. Raleigh is being held for grand jury action at the next session of Boone Circuit Court, after failing to obtain bond.

Holbrook gave his address as Sandy Hook, Ky., and Raleigh registered as a resident of Jackson, Ky.

Belleview Church To Present Christmas Drama December 21

The Belleview Church of Christ will present the Christmas drama, "Star of the East," Sunday evening, December 21st, 7:30 C. S. T. The following are in the cast: Mrs. Leslie Shinkle, Raymond Hightower, Jack Purdy, Leona Kruse, Louis Kelley and brother, Russell Rogers, Allen Rogers, Billy Kruse, Margaret Rogers, Gene Purdy, Charles Porter Shinkle, Doodle Kruse and Sam Hamilton. Mrs. Dud Rouse is in charge of music.

The play, a very fine one, pictures the various incidents surrounding the birth of Christ. There will be eight different changes of scene during the course of the drama.

The folks of the church have worked very hard and faithfully during the past two months to build scenery and lighting equipment for this event and we believe that we have equipment second to none in this community.

The public is cordially invited to enjoy an evening of inspirational entertainment.

Ryle-Beetem

Edwin Beetem, of Covington and Miss Mary Louise Ryle, daughter of Mrs. Stanley Ryle, of Florence were quietly married Saturday, December 6th at 3 p. m. in the home of the officiating minister, Rev. R. F. Demoisey, of Walton. Thomas Winders and Miss Ardelle Tupman were the attendants.

After a short honeymoon they will be at home to their many friends, in Florence.

We wish them much happiness and success.

RED CROSS ASKS FUNDS

FOR AIDING AND CARING FOR BOYS IN SERVICE — BOONE COUNTY'S GOAL SET AT $2,000.00.

The American Red Cross is asking the people of the United States to contribute $50,000,000.00 so that it can care for our men the service of their country, and our country, during this war which has been caused by the cowardly attack upon the United States.

THE COMING OF GOD'S SON

LESSON TEXT—Isaiah 9:6, 7; John 1:1-4, 10-14; I John 4:9-11.
GOLDEN TEXT—The Father sent the Son to be the Saviour of the world.—I John 4:14.

Christmas again! How shall we keep it in a world torn by strife and poisoned by man's bitterness against man? Let us keep it with all the joy and gladness at our command. Let us make this the best Christmas we and our families have ever had. How? By giving more and richer gifts? No—although they have their place when rightly given and received. By feasting and merrymaking? No—although they too have their place when carried on in the true spirit of love and friendship. What then? Let us make this an outstanding Christmas by centering our thoughts, our affections, our joys—yes, and our gifts of self and substance—around God's Son, whose "birthday" we celebrate.

May Christmas, 1941, be the best you have ever spent. This is the writer's sincere wish for you. One way to make it just that is to diligently study our lesson for this next Sunday, which tells of the coming of God's Son.

I. His Coming and Character Prophesied (Isa. 9:6, 7).

God who was to send His Son into the world to become the Saviour of sinful man fittingly made known His coming through Isaiah (and others) 800 years before it took place. This greatest event in all history was the subject of exact and detailed prophecy, which was completely fulfilled. Although Isaiah calls Him "a child" (as indeed He was), he saw Him as the divine One whose glory and power is revealed in the magnificent array of names found in verse 6.

"Wonderful," a much abused and misused word, found its real meaning in Him—He really is wonderful in every way. "Counsellor!" He does not need or seek the counsel of others—He is the Counsellor. Have you sought His counsel? "The Mighty God"—not a mere man, but God unlimited in power. "The Everlasting Father," which is really the "Father of eternity," the One to whom eternity owes its existence. "The Prince of Peace," who will one day bring peace to the earth when He comes to reign; something we need not expect before that blessed day.

Little wonder that "the government shall be upon his shoulders" (v. 6), and that He shall reign on the throne of David forever. That is prophecy yet to be fulfilled, but it will be, even as the others, for "the zeal of the Lord of hosts will perform this."

II. His Incarnation and Redemption Completed (John 1:1-4, 10-14).

The Eternal One—who was in the beginning with the Father, He who was God and who made all things, this One who was the life and the light of men—humbled Himself and took upon Himself the likeness of sinful man. He was "made flesh and dwelt among us," revealing the grace and glory of God. The incarnation of Christ is a truth the greatness and glory of which we cannot fully understand; but we know that it was for us that He came—for our redemption.

The world—His own world—received Him not. "But"—and thank God for that blessed "but!"—"as many as received him, to them gave he the power (or better, 'the right,' as in R.V.) to become the children of God." Redemption is by a new birth, a divine birth, "not of blood, nor of the will of the flesh, nor of the will of man." It is a complete redemption by faith in Him who revealed the grace of God to man. This is the great message of Christmas. Let us not miss it.

But there is another word for this precious and blessed season—it is that of love.

III. His Love and Our Love Manifested (I John 4:9-11).

The love of God has been expressed in many precious ways, but the full and final manifestation was in the sending of His only begotten Son into the world that we might have life through Him. This is love supreme, that God loved us when we did not love Him, the altogether lovely One giving His best and dearest in loving sacrifice for the altogether unlovely ones.

Such love in making the unspeakable gift to us must of necessity call forth from us not only love toward Him, but also for one another. Christmas is an excellent time to deepen and sweeten the love which exists between Christian brethren. We need to be drawn very close to one another for mutual encouragement, strengthening of our faith, and for the effective outreach of Christ's love to the whole world through us.

The eternal, glorious Christ came. He wrought out redemption full and free. He revealed God's great love to us—and to all the world. What a delightful Christmas message that is. Let us receive it and declare it.

This is about the time of the year that most of us begin to yearn for the good old Summer-time.

The world would be no worse off if some of the jokes we have heard were lost to future generations.

How Should We Spend Christmas?

As we come to this season of the year, 1941, a time when we should let our minds turn back to the manger of Bethlehem and see the Christ Child and the purpose for which He came into the world, we find ourselves facing the greatest crisis in the history of the world. Trouble is on every side, the world has taken up arms—it is a fight to the finish. Our boys are going out from our homes to take their place in defense of our country. Hours of darkness will come our way, we will sit and think of the tomorrows and wonder what they shall bring. So, what should we do this Christmas season?

I believe most of us will agree we have neglected to keep our place with God and our promise to Him. We are looked upon as a Christian nation—are we? Look about us and you will see sin in full power. We have tried to make ourselves believe that no matter what we do, everything will come out all right. But we must remember, that God speaks in His word and warns that the only time things come out right is when our lives have given to the world his likeness and love. This we have failed to do. We have allowed ourselves to become proud, boastful and unwilling to acknowledge our faults. What shall we do?

Turn to second Chronicles, Chapter 7, verse 14, and you will find there what I consider the greatest need of this Christmas season of 1941. "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from Heaven and will forgive their sins, and heal their land."

This is no time to think we can go out and just shout about our hate for the enemy, but it is a time to look into our own hearts and find if we can say, "Dear God, I have lived for You and Your cause, I have loved and lifted and tried to help my fellowman to find the best things in life. I have as one of old, been saying to all, 'behold, the Lamb of God that taketh away the sins of the world.'"

The world is a sick world today, but there is One standing with the remedy if we will only accept it, and if we will He will heal our land. So why not all be big enough to come to this Christmas season with one desire in our hearts—to turn back to God, back to the church of which Christ has promised that the gates of hell shall not prevail against. Turn away from our sins, asking God to forgive us of those of the past, make our homes on Christmas a home in which Jesus come into as the home of Mary, Martha and Lazarus and rest awhile. Remember it, for we believe you will read these lines and we pray you will think on these words, that you will pray and seek His face and see Him on this Christmas Day as never before in your life.

I am adding the words of a great hymn that if we follow its words will bring us joy and confidence. It was the song that we adopted in the last World War as the greatest hymn of all.

"What a friend we have in Jesus,
All our sins and griefs to bear;
What a privilege to carry
Every thing to God in prayer;
O what peace we often forfeit,
O what needless pain we bear,
All because we do not carry,
Every thing to God in prayer.

Have we trials and temptations?
Is there trouble anywhere?
We should never be discouraged,
Take it to the Lord in prayer.
Can we find a friend so faithful
Who will all our sorrows share?
Jesus knows our every weakness,
Take it to the Lord in prayer.

Are we weak and heavy laden,
Cumbered with a load of care?
Precious Saviour, still our refuge,
Take it to the Lord in prayer;
Do thy friend despise, forsake thee?
Take it to the Lord in prayer;
In His arms He'll take and shield thee,
Thou wilt find a solace there.

REV. R. A. JOHNSON.

ACCORDING TO CUSTOM?

We chronicle with regret the loss of several brave men, recently shot in the back by fellow-hunters who were under the mistaken impression that they were deer.

Every Fall, with the advent of the hunting season, men take their guns in hand and go into the woods to stalk the deer. They go in such profusion that the hunters outnumber the quarry and quick-trigger guys shoot into the bushes that move without verifying the suspicion that there is game behind the branches.

This habit of hunters raises an interesting question as to the responsibility of guntoters, even when the weapon is lawful and in lawful usage. Is there any custom or statute to require a hunter to see game before shooting? Can a man blast away, upon suspicion, and tear a hole in the back of a fellow-hunter without being guilty of what the law regards as criminal negligence?

Of course, we know that the legal verdict always says the dead man came to his death by accident but we also know that this is plain nonsense. A man shot in the back by a fast-shooting hunter goes to his eternal reward through the carelessness of his fellow-man who, according to custom, is entitled to shoot without seeing and to hit what he shoots at without liability, except to express proper regrets.

RELIEF TO PRISONERS OF WAR

A growing interest on the part of the American people in relieving the suffering of prisoners of war held in prison camps on the continent of Europe is becoming more and more evident. The will to give is present, but many people are handicapped by the lack of knowledge as to how this can be done.

In order to meet the need the Red Cross has prepared a leaflet which describes the program for relief to prisoners of war and answers many questions which are currently asked.

Any Boone Countian desiring such leaflet may secure one by calling the chairman of the Boone County Chapter, Rev. J. Russell Cross, Walton 655.

HOMEMAKERS SPONSOR PARTY FOR RED CROSS

In order to help Boone County Red Cross reach its quota of $2,000 for the War Relief Fund, the New Haven Homemakers' Club will sponsor a benefit supper at the Richwood Presbyterian Church, on Tuesday evening, December 30th.

Mrs. Mattie Griffith, Citizenship Chairman, is in charge of the supper, and will announce the details in next week's paper.

Remember this benefit supper and make your plans now to attend! All out for the Red Cross!

Occassionally an automobile knocks a railroad train off the track, but the record still indicates that you might as well wait for the train to pass before driving over the tracks.

When you have the itch to reform human nature, just remember that the well-known human race has been in operation a long time and will be here a long time after you turn up your toes.

Why Suffer With Your Feet?

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
Where Foot Comfort Begins
8th and Madison Covington

Our years of research have proven that foot comfort depends on foot balance.

For years men have been guessing about foot balance, putting steel supports under feet and elastic bands around feet, all sizes and shapes, corn pads, plasters, callous plasters, etc. Yet people continue to suffer with their feet, legs, back and with various other aches and pains, resulting from feet in numerous cases, because they have never had their body weight properly balanced on their feet with shoes.

Your feet may look regular to you, but, naturally you cannot detect weakness or have any way of testing for unbalance. But remember: "Fat on the ribs" is by no means an adequate criterion of physical well being.

Don't take chances, if you are suffering with leg pains, knee pains, stiffness, back aches or severe headaches, or sleep poorly and are always tired. Your feet may be the cause.—Adv.

WALTON HOMEMAKERS

The Walton Homemakers' Club met December 12th at the home of Mrs. Allen Gaines, our vice president. Mrs. Hope Vest called the meeting to order. After reading of the minutes, roll call and business, the meeting was turned over to our project leader, Mrs. Gaynelle Flynn. Her subject was "Improved Practice for Meal Planning," and "Table Service and Nutrition Food and Meals for Special Occasions."

After a splendid well-planned meal by Mrs. Franks, Mrs. Gardener, Mrs. Ransom, and Mrs. Rouse our leader Mrs. Moore gave a talk on "Well Balanced Meals," after which the group sang a Christmas carol. Mrs. Moore gave a reading entitled "Xmas Came to May Grove," which was given in a very impressive manner and carried a wonderful moral.

After an exchange of Christmas gifts, Miss Elisha Neumeister extended an invitation to meet with her in January, at which time the club will work for the Red Cross, as a part of the program.

FELLOWSHIP CLUB

The Home Economics Club has chosen their motto which is as follows, "Our Home." We had the initation for new club members and served lemonade and cake for refreshments. Betty Williams gave a brief report of the conference.

The following committee has been selected to care for the First Aid room: Lorraine Tipton, chairman; Henrietta Cox, Emogene Austin. Let's help cooperate with this committee. Please ask their permission to enter this room.

The club has been named "Fellowship Club." The club collected $24.00 at the Fall Festival and several of the girls helped serve supper, popcorn, candy and soft drinks. It was a big success in every way.

TONIGHT AND FRIDAY

Richard Carlson, popular young leading man who has scored in such films as "The Howards of Virginia," "Back Street" and "Too Many Girls," plays the juvenile masculine lead in Bette Davis new picture "The Little Foxes."

Young Carlson is cast as a newspaper reported in love with the daughter of Bette Davis in this Samuel Goldwyn production for RKO Radio release. Herbert Marshall, as Miss Davis' husband, and Teresa Wright, as the daughter, also are featured.

SATURDAY

Everyone wants to know how it feels to take the first parachute jump.

One speech in the dialogue of the thrilling new RKO Radio picture, "Prachute Battalion" answers the question. It comes from the lips of veteran Sergeant Richards, portrayed by Harry Carey, who, with Nancy Kelly, Robert Preston and Edmond O'Brien star in the production.

Says the sergeant, reassuringly: "The toughest part is in your own minds. If you're expecting a dizzy drop you're mistaken. Once you're out there it feels just like standing still with the sky rolling past."

SUNDAY AND MONDAY

Film star Charles Laughton turned inventor during filming of "It Started With Eve," Universal feature, with Deanna Durbin co-starred.

In many motion picture scenes players are required to look out of the scene at some person or object. So that the angle of the look will match in succeeding shots, it is important that the players' eyes be directed properly.

Lloyd Nolan who, as a Michael Shayne, the wisecracking detective is starred in 20th Century-Fox's "Dressed to Kill," believes criminals would do well if they hired him to track them down.

While reading each of the three Michael Shayne scripts, Nolan tried to discover the killer before reaching the end. His record so far is three scripts, three guesses and three misses.

Also

George Montgomery and Osa Massen team up in "Accent On Love," the new 20th Century-Fox picture. Said to be a new approach to film entertainment, "Accent On Love" features J. Carrol Naish, Cobina Wright, Jr., and Stanley "Stash" Clements.

WED., THURSDAY, FRIDAY

Veteran actor George Barbier, who is featured in 20th Century-Fox's "Week-End in Havana" at the Gayety, has what is probably the oldest hobby in Hollywood.

Barbier has a full church-size pipe organ in his home on which he plays current song hits in swing. The oddest thing about this hobby is the fact that he cannot read a note of music.

"When I get a new piece," Barbier explained, "I don't buy the music; I just go out and buy a phonograph record of the song."

FARMERS NEED NO PRIORITY RATING

In answer to inquiries as to whether farmers need priority ratings for making certain purchases, the Kentucky College of Agriculture and Home Economics calls attention to statements issued at Washington to the effect that such ratings are not necessary.

Farmers are not required to have priority rating to buy machinery, repair parts, equipment, fertilizer, sprays, roofing, nails, fencing and similar materials needed in the operation of farms. Priorities are issued to manufacturers, processors and warehousemen, and not to individual farmers using materials.

Since deliveries of machinery and materials may be slow, many farmers are determining their 1942 needs this falls and placing orders for repairs, equipment and other materials now. This may save them time and money during the rush period on the farm next year. The possibility of a farm labor shortage also seems to make planning desirable, it is pointed out.

NOTICE

STATE SOIL CONSERVATION COMMITTEE OF KENTUCKY. NOTICE OF REFERENDUM ON CREATION OF PROPOSED BOONE COUNTY SOIL CONSERVATION DISTRICT., EMBRACING LANDS LYING IN THE COUNTY OF BOONE, IN THE STATE OF KENTUCKY.

To all owners of lands lying within the proposed Boone County Soil Conservation District, comprising the territory described as follows:

All the lands lying within the boundaries of Boone County, Kentucky, excluding town lots within the incorporated towns and unincorporated villages of Boone County.

Notice is hereby given that on the 10th day of January, 1942, between the hours of 9:00 a. m. and 4:00 p. m. Eastern Standard Time, a referendum will be held in the said territory upon the proposition of the creation of the Boone County Soil Conservation District as a governmental subdivision and a public body, corporate and politic, under the provisions of the Soil Conservation Districts Law of this State.

All persons, firms and corporations who shall hold title to any lands lying within the said territory are eligible to vote. Only such persons, firms and corporations are eligible to vote.

Voting divisions and polling places for the referendum are as follows:

Division No. 1. Comprising lands with the voting precincits of Petersburg, Bullittsville, Hebron, and Constance; Polling place located at Hebron, Boone County, in the Hebron Bank.

Division No. 2. Comprising lands Grant, Burlington, and Florence; Polling place located at Burlington, Boone County, in the courthouse.

Division No. 3. Comprising lands within the voting precincts of Hamilton and Carlton; Polling place located at Hamilton, Boone County, in the Hamilton school house.

Division No. 4. Comprising lands within the voting precincts of Verona and Walton; Polling place located at Walton, Boone County, in the Town Hall.

Division No. 5. Comprising lands within voting precincts of Beaver and Union; Polling place located at New Haven, Boone County, in the New Haven school house.

Eligible voters residing within the proposed district shall cast their ballots at the polling place for the division wherein they reside. Eligible voters not residing within the proposed district shall cast their ballots at the polling place for the division which includes their lands, or the greater part thereof. Eligible voters who will be absent from their division on the day of the referendum may apply in person or in writing to C. Liston Hempfling, Polling Superintendent, Constance, Kentucky, for absentee ballots. Each applicant for an absentee ballot shall state his name, residence, location, and acreage of land owned.

FIRST TON-LITTER PRODUCED IN BOYD

Eleven pigs that weighed 2,670 pounds when 165 days old is said to be the first ton-litter produced in Boyd county, Kentucky. The owner was M. L. Cyrus. He sold the pigs for $11 a hundred pounds, and his net profit was $191, above feed, pasture and labor. The pigs weighed an average of 41 pounds each when eight weeks old.

The ration included corn, shipstuff, tankage, skimmilk, mineral mixture and rape pasture. Rape is increasing in favor among Kentucky hog raisers, according to Grady Sellards of the College of Agriculture and Home Economics. It helps to cheapen hog production.

According to County Agent Robert Wiggington, hog raising is on the increase in Eastern Kentucky.

Special advice to all farmers, anywhere and everywhere: Raise all the food and feed you possibly can to take care of your own requirements next year.

Supporting home town merchants is the correct behaviour of loyal citizens who expect other people to patronize their business enterprise.

NAVAL RECRUITING STATION ANNOUNCES NEW SCHEDULE

The Recruiting office at Covington, Ky., located in the new Post Office building, 7th and Scott, is open twenty-four hours a day and seven days a week.

Enlistments are being accepted in the Regular Navy between the ages of 17 and 31. Men are being enlisted in the Navy Reserve between the ages of 17 and 50 for a period of two, three, or four years. Ex-service men should bring their discharge with them. All men should bring their birth certificates.

TVA MATERIALS AID IN PASTURE TESTS

Through the use of triple superphosphate supplied by the Tennessee Valley Authority, the Kentucky College of Agriculture and Home Economics obtained valuable information on the productive capacity of pastures. Two tons of lime material and 200 pounds of superphosphate were applied at the time of seeding small grain in the fall, and grasses and legumes were sowed in the small grain.

On 35 farms in Hart county, for example, four acres of untreated pasture land were required to graze 1,000 pounds of livestock from May 1 to November 1, while only an acre and a half of the limed and phosphated pasture were required to graze the same amount of livestock.

FRESH HOME KILLED PORK

VERONA

Fine winter weather is visiting this community.

Much of the tobacco from this community has been placed on the market.

Mrs. J. C. Kennedy is at home, after spending the week in Cincinnati, keeping house for her daughter, Mrs. Louis Margalin, who is in Bethesda Hospital with a new son, born Dec. 9th. Mother and babe are doing nicely.

Mr. and Mrs. Spenneberg have come to spend the winter with their daughter, Mrs. John Boyer and children, while Mr. Boyer is employed in the warehouse at Carrollton.

Friends of Mrs. Mabel Kinman will be glad to hear that her little daughter Hallie Jean, who was taken to the hospital last week and placed in an oxygen tent was removed to her home Sunday, much improved.

The community is invited to the Xmas program, which will take the place of Sunday evening services, at the school house, Sunday, December 21st.

Mr. and Mrs. Bill Stewart, of Patriot, Ind., have been visiting relatives in this community.

Members of the Light Bearers S. S. class are reminded of our Christmas party, Saturday, Dec. 27th.

The first six grades of the local school enjoyed a Christmas party at the Cocoa-Cola plant last Monday, Dec. 8th.

The Happy Twelve Club enjoyed their Christmas meeting at the home of Mrs. W. King. The hostess with the assistance of her daughter had everything in keeping with the holiday spirit. All members were present, and the hostess' sister Mrs. Eggleston, of Cincinnati.

Red Cross N. A. C. Meets In Florence

The December monthly meeting of the Nursing Activities Committee of the Boone County Chapter of the American Red Cross met in the Florence Town Hall on Tuesday afternoon, December 2nd at 4:30 p. m.

Chairman J. Russell Cross called the meeting to order and led a roundtable discussion regarding plans for the establishment of a First Aid Class in the county in January. A competent instructor will teach this class which is vital to the national defense according to Mayor LaGuardia's appeals for more First Aid classes. It is hoped that a goodly number of Boone County folk will avail themselves of the opportunity to become Red Cross Accredited First Aiders when this class is given.

Miss Lowry presented her monthly report which was received and filed as information.

Dates for the completion of the 1942 Roll Call were extended two weeks in order to give the workers an opportunity to call on every person in their precinct.

High School Graduates Wanted To Train For Air Corps Commissions

Fort Hayes, Columbus, O.—High school graduates may qualify as non-flying officers to operate the Army Air Corps secret bombsight and navigate its long range bombers, it was announced at Headquarters Fifth Corps Area, Fort. Hayes, Columbus, O.

The previous requirements of two years college training or the ability to pass a special Air Corps examination have been waived. Future navigators and bombardiers now must be between the ages of 20 and 26, graduates of accredited high school and pass a new Air Corps intelligence test.

The 45-week course, divided into four stages, has been combined for the first time, since previously navigators and bombardiers trained separately. Upon the completion of 39 weeks training, qualified trainees are commissioned as second lieutenants in the Air Corps. Final stage in the program comprises five weeks study in Flexible Gunnery.

The first stage of the course consists of 10 weeks' instruction at one of three Replacement Training Centers, with a view toward orienting the cadets as future officers and developing proficiency in the general functions of aircraft observers. Cadets proceed from Replacement Centers to one of four navigation schools for 15 weeks study.

Cadets then receive instruction in one of five new bombardier schools before receiving their commissions.

Army Aviation Cadets receive a total of $105 per month for salary and allowances, plus free medical and dental attention, uniforms and insurance while training. As non-flying second lieutenants on active duty, they will receive $183 per month.

The older one grows, the better and happier life should be If this is not true with you, check up on yourself and find out why not.

Rumors of newly discovered weapons, of amazing striking powers, are merely rumors of amazing striking power.

APPROXIMATELY $1,000 IN LOOT

OBTAINED IN SERIES OF ROBBERIES THROUGHOUT COUNTY DURING PAST WEEK—THREE ROBBERIES REPORTED

A wave of organized thievery and housebreaking swept over Boone County during the past week netting a combined loot of approximately one thousand dollars, according to deputy sheriff J. T. Williams.

The home of L. B. Simpson, Florence, was entered through a rear window last Saturday night and the loot taken as listed by Mr. Simpson consist of three guns, a $30.00 coat, Christmas packages amounting to approximately $50, a gold watch, and a pair of gold-framed glasses. The entire house was ransacked by the thieves.

The home of Howard Acra, Hebron was broken into Thursday night, Dec. 15, and robbed of a suit of clothes valued at $40.00, other clothing amounting to approximately $10.00 and a gold watch. The house was also ransacked from upstairs to basement. Mr. Acra was visiting his wife who was in the hospital at the time of the robbery.

On the same night James Albert Stephens, Burlington, R. 1, reported that his home was robbed of a fur coat valued at $167.00 and a $7.50 suitcase. The thieves likewise ransacked the entire house.

Sheriff Williams investigated all of these robberies but as yet there are no definite clues. Every effort is being made by local officials to locate and apprehend this apparently organized band of thieves.

New Year's Party Planned By Burlington Baptists

Watch night services will be held at the local Baptist Church on New Year's Eve, Wednesday night, December 31st, beginning at 9:30.

From 9:30 to 10:30 a fellowship hour will be enjoyed, followed by refreshments. From 10:30 to 10:45 song service in the auditorium; 10:45 to 11:00 devotional by some young person; 11:00 to 11:30 testimonies by all who care to do so; 11:30 to 11:50 message by the pastor; 11:50 congregation in silent prayer as the old year goes out, and dedication of life to the Lord as the New Year comes in. The pastor will close the service with prayer.

Everyone in the community is urged to attend this service.

RED CROSS IS WELL EQUIPPED

TO MEET EMERGENCY OF CIVILIAN POPULATIONS IN PHILIPPINE ISLANDS AND I N HAWAII.

Washington, D. C.—American Red Cross Chapters in Manila and in Honolulu were prepared to meet first aid, evacuation and other problems of the civilian population following air raids by the Japanese, Chairman Norman H. Davis, announced.

Twelve medical stations, fully equipped and with doctor, nurse and first aid personnel, were ready in the Philippine Islands, and ten similar medical stations were on hand in Hawaii, he announced.

Charles M. Forster, manager of the Philippine Red Cross, had begun preparations for Red Cross relief in the event of enemy attack, with full operation of Philippine government officials some months ago, Chairman Davis stated, and the national Red Cross had sent him supplies, including material for 50,000 garments for children. Evacuation schemes were complete and had undergone rehearsal. One plan included establishment of a children's evacuation hospital, in addition to the medical first aid stations.

Seven national staff members of the American Red Cross were sent from Washington to the Philippine Islands to aid Forster, and six national staff members were sent to strengthen the Hawaii Red Cross. Both Chapters had been assured full cash grants to meet any needs for shelter, medical aid, clothing and food for evacuated or homeless populations.

A cable received from Forster stated the Chapter there had set up three medical stations in Manila, including the port area.

Five Youths Held In Boone County Jail

Boone County authorities returned five young boys from Grant county Saturday on charges of breaking and entering Zimmer Gardens, Florence on December 5th.

The youths gave their names as Walter, Marvin and William Ellis, all brothers, Willard Scott and Frank Palmisano. All of the boys except Marvin Ellis gave as their addresses, Cincinnati. The latter gave a Grant county address.

The group was arraigned before Judge N. E. Riddell's court Monday morning. They are being held in the local jail.

Mrs. Elizabeth Bennett

Mrs. Elizabeth Bennett, 17 Butler St., Ludlow, died Thursday at her home after a long illness. She was 72 years old.

Mrs. Bennett, who was one of the oldest residents of Ludlow, was a member of the Christian Church.

Two daughters, Mrs. Jessie Sheanshang and Mrs. Lillian Sullivan; a son, LeRoy Bennett, Ludlow; a sister, Mrs. Jessie Graves, Ludlow, and one brother, George Hankins, Cincinnati, survive her.

Funeral services were conducted Saturday. Burial was in Highland cemetery.

Big Bone Farm Purchased By Cincinnati Couple

Mr. and Mrs. Harry L. Kirby, of East Walnut Hills, Cincinnati, purchased the Wm. McG. Wilson farm of 420 acres, near Big Bone Church known as the Tun Rich farm, last Wednesday. The purchasers plan to remodel the large 8-room colonial dwelling and place all outbuildings in good repair.

This is regarded as one of the good farms of that section, very productive, with three large barns and other buildings. Mr. Kirby is a contractor and has four young boys.

A. B. Renaker handled the sale.

BURLINGTON TOPS NEW HAVEN

Displaying their best form of the season, Burlington's Eagles tamed the New Haven Tigers, 45-33. on the Burlington Hardwood Friday night, to knock the Tigers out of second place standing in the County Basketball Conference and take over that position themselves. The Walton-Verona Bearcats claim the top berth.

After finishing the half in a 15-15 deadlock, the Eagles took the offensive to gain a 29-23 edge at the the three-qaurter mark, as Jarrell hit the bucket for 17, Huey 15. Judge topped the Tigers with 14

The Burlington Eaglets won over New Haven 21-20.

The Florence Knights were turned back by Beechwood 11-48 on the winner's floor Friday. K. Cason was high for the Knights with four, with Pierce having 3.

The Florence Juniors suffered a setback by a score of 23-7.

Hebron Cardinals trounced the Gallatin County High five, 35-26 on the Warsaw floor Saturday, The Cardinals set the pace thruout.

Hebron's reserves lost 24-9.

Burlington will entertain St. Henry, Tuesday, Dec. 30.

James Louis Aylor Sends Holiday Greetings To Friends In County

In a letter from Corporal James Lewis Aylor, dated November 24th in Iceland, and received in our office on December 22nd, Corporal Aylor sends holiday greetings to all his friends and relatives in Boone County.

His letter follows:

"Dear Sirs:

"I just received a copy of The Boone County Recorder. You can't realize how happy I was to receive it. Through your great little paper I feel closer to my friends and relatives in Boone County.

"I am now stationed in Iceland and it is sure a lonesome place. However, it is not the land of ice and snow as many believe. Letters up here are a rare thing and arrive in groups. Therefore you can see why your paper is so welcome.

"Through your paper I wish to extend a happy and prosperous year to the people of Boone County. With many regards to all your happiness I am

"Respectfully yours,
"Corporal James Lewis Aylor,
"Company M, Tenth Infantry,
"A. P. O. No. 810 %Postmaster
"New York City, N. Y."

And lo, the star, which they saw in the east, went before them, till it came and stood over where the young child was. When they saw the star, they rejoiced with exceeding great joy. And when they were come into the house, they saw the young child with Mary, his mother, and fell down, and worshipped him: and when they had opened their treasures, they presented unto him gifts; gold, frankincense and myrrh.

Perfect Shopping Center For Women Is Proud Boast of John R. Coppin Company

Their intent of creating a perfect shopping center for women has been accomplished by the executives of the John R. Coppin Co. on the remodeled second floor of the store.

Modern art has had its way in the streamlining and broadening of the aisles, installation of the new wall shadow boxes and the resurfacing of the display tables with light maple wood.

For the shopper whose time is rationed, the tall, metal lettering which designates the various ready-to-wear departments, including coats and dresses, lingerie, corsets, infant, children, millinery and yarn will prove a particular boon. On the other hand, comfortable chairs have been installed for shoppers who have time to spare.

The enlarged infants' department is equipped with scales so that mothers may keep close tab on baby's weight.

Privacy is offered the knitter who visits the yarn department, which has been enlarged and partially partitioned from the surrounding departments. Two instructors are on duty to help unravel problems that beset the novice knitter.

All lighting is in the approved indirect manner.

A convenient powder bar dominates the new and enlarged sanitary rest and washrooms, which have ultra-violet ray protection. Three tones of blue are blended skillfully, are combined with plaid wallpaper in Chinese red in this section of the second floor.

In dedicating the second floor to fastidious women shoppers, the remaining floors have not been overlooked in the new grooming process.

One of the most modern improvements is the fur storage vault of 3000 coat capacity, which is kept at a constant temperature of 50 degrees. No detail has been neglected by the management in insuring the life of the furs stored, which are first placed in a lethal gas chamber for killing all germs, for a period of 24 hours, before being removed to the vault.

"Meet at Coppin's" is fast becoming the by-word among northern Kentucky shoppers of the feminine sex.

Tobacco Leaders Will Meet January 13th

Boone County tobacco leaders will meet at the County Agent's office in Burlington at 1:00 p. m. on January 13th, to plan the 1942 Tobacco Improvement Program, according to H. R. Forkner. Russell Hunt, tobacco specialist, College of Agriculture, will meet with growers in planning the program.

All growers are invited to attend the meeting.

DR. M. A. YELTON ILL

Dr. M. A. Yelton, Burlington, was removed to Christ hospital, Cincinnati, for a physical check-up Monday, after having suffered a severe attack Saturday. It is not known at present what the observations revealed.

Miss Mary Phillips of Lawrenceburg, Ind., spent Saturday with her mother, Mrs. B. E. Aylor and Mr. Aylor.

UNION W. M. U. MEET

The W. M. U. of the Union Baptist Church held their regular meeting at the church, Wednesday, Dec. 10th with twenty members present.

The morning session was presided over by the president, Mrs. McWethy and was devoted to the usual business and appointing of new officers. The afternoon was devoted to the program.

The next meeting will be held January 14th.

Vincent Palmer and Harold Daniels, salesmen for the Reliable Monument Co., Covington, and Newport, Ky., having the highest sales record for the year, had a most enoyable trip to Detroit, Mich., via the T. W. A. representing the Reliable Monument Co. at the 1941 memorial convention.

They also attended the dedication of the peace memorial at Belle Isle, Mich., and Canada.

Mr. Massey, president of the Reliable Monument Co., also attended the convention at an earlier date and enjoyed the flight equally as well as Mr. Palmer and Mr. Daniels.

Courtesy and attention offered by the attractive hostess, Miss Salzman, doubly assures the passengers of the Transcontinental Air Lines a trip well to be remembered.

Youth Killed In Automobile Wreck

Robert Adams, age 21, was killed almost instantly Sunday when his car wrecked in a headon collision with a car driven by William Schulte, Frogtown Road, Boone County. The accident occurred three miles south of Florence on highway U. S. 25.

According to witnesses both drivers were thrown from their cars and Adams was rushed to Booth Memorial Hospital, but was dead upon arrival. Schulte was taken to St. Elizabeth hospital for observation and was released after being treated for minor injuries.

Young Adams lived at 17 East Third Street, Covington, Ky.

December 31 Last Day To Sign 1942 Plans

The closing date for signing 1942 Farm Plans has been set for December 31, 1941. The past two April 15, but it has now been set up to December 31. The Farm Plan must be signed before any A. C. payment will be made after the farm is checked for the 1942 program year.

There are still about 200 farm plans that have not been signed to date. Producers are urged to sign up before the closing date if they wish to receive payment, either tobacco or soil-building allowance, or to get any grant of aid material, either limestone or phosphate.

Utopians Hold Christmas Program

Thirty-five Utopia Club members enjoyed a special Christmas program held at Burlington last Thursday evening, according to H. R. Forkner, County Agent.

Special features of the program included Christmas Carols led by Zelma Lee Akin, Christmas story led by Mary Scott Moore; a Christmas tree program and special gifts for the needy. Plans were made to send Christmas cards to former club members now in military service.

J. O. Griffith, Mary Rector, Lucian Bradford, Frances Berkshire, and Lucille Cotton were appointed to plan a suggested program for the first six months of 1942.

Recorder Force Will Take Week Vacation

This issue of The Recorder will be the last published during the year 1941. Our next issue will be printed January 8th.

Due to a late run of Christmas greetings from our many patrons and due to publishing early this week many letters of correspondence and other articles are omitted.

Correspondents are requested to hold news collected next week, and mail it to us at early date for first issue in January.

We appreciate the cooperation of all our correspondents throughout the county during the past year, and hope to have their cooperation during the New Year.

At this time we wish to extend to all our patrons, friends and correspondents a Merry Christmas and a Happy and Prosperous New Year.

Burlington Homes Figure In Real Estate Transaction Friday

G. S. Kelly, assistant cashier of the Peoples Deposit Bank and Harold Conner, Deputy Sheriff, agreed upon an exchange of their residence properties on South Jefferson Street, Burlington, last Friday, and will move the first of the year. The properties are almost opposite each other and it will be only necessary that Mr. Kelly move to the East side of the street and Mr. Conner's father and mother to move to the West side.

The trade was handled through A. B. Renaker.

Baptist Hour Will Be Heard Over Station WHAS

Dr. Geo. W. Truett, World famous Baptist preacher will be heard on Sunday morning, January 4, 8:30 to 9:00 E. S. T. in an independent Southwide network broadcast known as the Baptist Hour. Dr. Truett's message will come to us from the studios of Radio Station WFAA of Dallas, Texas, his home city, and will be heard in our area over station WHAS.

$1,600 PAID ON FAIR GROUNDS

AT COMMITTEE MEETING HELD DECEMBER 16 — CONTRACT FOR PURCHASE OF GROUNDS IS COMPLETED.

The Boone County Fair Grounds Committee paid in over $1,600.00 in pledges at the committee meeting held at Burlington court house last Tuesday evening, December 16th, according to John L. Conner, treasurer of the grounds committee. Substantial payments have been made since this meeting.

Our people did an outstanding job in pledging contributions for the grounds. They are paying their pledges in the same outstanding way. Many of the committeemen report 100 percent of their pledges already paid.

Contract to purchase the grounds has already been completed and a $500.00 payment has been made on the grounds. The contract calls for the full payment on the grounds to be made early in January. Because the grounds can not be in any way mortgaged or held as collateral, full payment of pledges must be made before final payment can be made and the deed secured. Because of this situation, all who have pledged are urged to make their payment at the earliest possible date, either to the local committeeman, or direct to John L. Conner, cashier of the Hebron Deposit Bank.

We who have pledged have started a permanent memorial in the county. This memorial will grow in size and as a part of Boone County people and their friends as years come. The names of all subscribers will be filed in the permanent deed and placed at a pertinent place on the grounds. All pledges made in the future will go to erect permanent buildings and equipment on the grounds. The names of all new subscribers before the final deed is made will be included with the original subscribers. Those who would like to make new or additional pledges are urged to contact their committeemen or the treasurer.

The Christmas program of the the local Baptist Church will be held Wednesday night of this week at the church, beginning at 8 p. m. Everyone invited to attend.

Miss Mary Phillips purchased the property on Shelby St., Florence, from the Ella Tanner heirs. The residence is occupied by Russell Luck.

SHERIFF NAMES TWO DEPUTIES

IRVIN W. ROUSE WILL SERVE AS CHIEF DEPUTY AND WILLIAM GREEN AS BOOKKEEPER UNDER J. T. WILLIAMS.

Sheriff-elect J. T. "Jake" Williams has anounced that Irvin W. Rouse, Union and William Green, Beaver Lick ,have been appointed to serve as chief deputy sheriff and bookkeeper, respectively.

Both of these young men have been outstanding in the county and have a host of friends here who wish them much success. Mr. Rouse has been employed by the Rural Highway Division for a number of years as Highway supervisor. He also was employed by the county road department for a number of years before his connection with the State. He has taken an active part in civic activities of the county and his community.

William "Bill" Green, son of Mr. and Mrs. Robert Green, was formerly bookkeeper for the Armour Fertilizer Co., Cincinnati. Bill is a graduate of New Haven High School and Littleford-Nelson Commercial School of Cincinnati. He is active in many civic and social activities of the county.

Though it has not been announced, both of the new appointees will probably reside at the county seat after taking up their duties January 1.

Miss Mary Belle Smith, who is attending Cumberland College, Williamsburg, Ky., arrived here last Friday to spend the Christmas holidays with her parents, Mr. and Mrs. Will Smith.

Miss Carolyn Cropper arrived here last Friday to spend the holidays with her parents, Mr. and Mrs. Carroll Cropper.

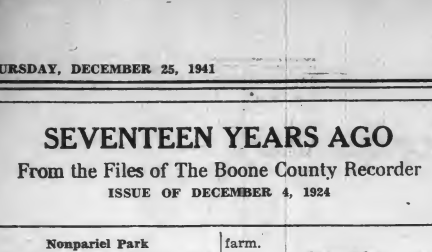
F. F. A. PURCHASES DEFENSE SAVINGS BOND

The regular monthly meeting of the F. F. A. was held at Hebron school Tuesday, December 9. After the opening ceremony we had the committee reports and business. The treasurer reported that we had fifty dollars in the bank. The club decided to buy a $25.00 Defense Bond to help our government.

The club will sell hybrid seed corn and any member of the chapter will take orders. We hope this will be a successful project.

The program committee then took charge of the meeting. We first had group singing by the club the Origin of Christmas by Hobert Willoughby; Bible story by Russell Conrad; piano solo by Raymond Witham and the program was climaxed by an address on Christmas by Rev. Noble Lucas. His talk was very enjoyable and all members had a clearer vision of what Christmas really means.

Finishing one's work on time is one of the best ways in the world to enjoy your work.



Christmas! That glorious season of seasons which draws the soul out of bondage in spite of binding withes and cutting cords, enabling the spirit to soar upwards whence the melody has descended! May that Peace of Spirit which is our divine heritage be yours in full measure this Yuletide season, with all the material joys that make life abundantly worth while.

BUY CHRISTMAS SEALS

It is not too late to buy some Tuberculosis Christmas Seals. More people died of tuberculosis in the United States last year than were Americans killed in the entire World War I.

Help to save America by helping to prevent tuberculosis. Seal money is spent for health. It takes a strong healthy nation to withstand the ravages of war. Buy some Christmas Seals today.

WHERE WAS HE IN 1921?

We confess that we like to read what the economists say. These bright boys can take a few figures, a chart or two and some established trends and tell you offhand what is going to happen to the nation and the world in the next generation, or so.

Sometimes, to our inexperienced mind, they go slightly astary. Such an instance, it seems, is the statement of Sumner H. Slichter, of the Harvard Business School, who says that "prices more than doubled after World War No. 1 and we didn't go to the dogs." We wonder where the brother was in 1921!

He adds, "We had a decade of our greatest prosperity," which leaves us limp. The war ended in 1918 and the United States had its initial depression from the deflation of 1920. Afterwards there was a period of so-called prosperity,which missed agriculture, being bolstered largely by foreign loans which were lost, and then the nation catapulted into the lowlands of the early thirties.

DIRIGIBLES IN THE NAVY

The misfortunes that dogged the use of rigid airships by the Navy has not prevented the development of a non rigid type of dirigible, which is being successfully used for scouting in waters where there is no danger of attack from the air.

The Navy now has ten lighter-than-air ships in service. Six are on patrol duty and four are used in training. Twenty-four others are under contract and three new dirigible stations will soon be added to the Lakehurst, N. J., base, where crews are being trained. The new ships will be 250 feet long and carry crews of eight men and officers.

The blimps are expected to release many large patrol ships for service in vital areas while they patrol relatively quiet sectors. Experts say they are well adapted for submarine spotting.

—o—

A GOOD BILL TO KILL

We see where a Congressman has introduced a bill to reduce the pay of members of Congress, by providing $25 for each day that Congress is in session.

The estimate is that this will reduce the pay of Congressmen from $10,000 to about $5,000 a year.

There will be many quick-thinking Americans to chime in unison, in favor of the "economy." They will be mistaken. A Congressman worth having is not overpaid when he receives $10,000 salary now provided.

We are quite willing to admit that some areas have poor representation and that the salary is largely thrown away. The observation, however, applies to very few members of Congress. Most of them are conscientious and at least equal in honest to the average business man.

—o—

CONSERVATION RATES FOR 1942 PROGRAM ANNOUNCED BY AAA

Rates for determining the special crop payments of Kentucky farmers in the 1942 agricultural conservation program have been announced by the state office of the Agricultural Adjustment Administration. The payments will be made on tobacco, wheat, cotton and on corn and potatoes in commercial areas.

Based on each farm's normal production on allotted acreage for each of the crops, the rates are: Burley tobacco, 0.7 cent a pound; dark fire-cured tobacco, 1.4 cents a pound; dark air-cured tobacco, 0.9 cent a pound; wheat, 10.5 cents a bushel; cotton, 1.25 cents a pound; corn (in commercial area only), 8 cents a bushel; and potatoes on farms with commercial allotments, 2 cents a bushel.

The rates for all of these crops except wheat are slightly lower than the 1941 rates. Because of the reduction in wheat allotments for 1942, the conservation payment rate for wheat has been increased from 8 cents a bushel this year to 10.5 cents a bushel for 1942.

These special crop payments are one of two types which may be earned under the 1942 agricultural conservation program. Rates for determining soil-building payments, the other type provided in the program, were announced earlier.

A new feature of the 1942 program requires that a minimum amount of soil-building work be carried out on a farm before the farmer is eligible to receive full payment for complying with acreage allotments for tobacco, wheat, cotton, corn and potatoes. The minimum of soil-building work required is an amount sufficient to earn the full soil-building allowance for the farm or an amount equal to the special crop payment, whichever is smaller.

THE CHRISTIAN'S HOPE

LESSON TEXT—John 14:1-6; Revelation 22:1-5.
GOLDEN TEXT—In my Father's house are many mansions.—John 14:2.

Hope is something this world desperately needs, and which it has all but abandoned. Little wonder when one recalls that the usual meaning of hope is hardly more than "wishful thinking" without any real confidence—and that such hope as men have, has been only in their fellowmen, who have so often grievously failed them.

The Christian's hope—ah, that is something quite different. To him hope is certain, expectation resting on the assured Word of God. Such a light only shines brighter as the darkness deepens. As the lights of men's promises and purposes flicker and die out, the hope of God's people shines like a beacon in a dark and stormy night.

How appropriate that we should use the last Sunday of this year to remind one another of that hope, to trim the lamp, as it were, for even brighter shining, as we cast its beams out into the unknown year just ahead. There are three great and helpful things in this lesson.

I. A Sure Promise of Heaven (John 14:1-3).

We are not forgetting that for us who love the Lord there is the blessed hope of His return. He is coming again (v. 3). But whether we have the joy of being caught up to be with Him ,or go by way of death, we have a sure promise of the eternal dwelling place which He has prepared for us.

"Let not your heart be troubled"—the very words come like the balm of Gilead upon our restless, troubled lives. Faith in God and in Christ—there we have the sure anchor of the soul. He has promised. We may count on His fulfillment. We show our faith in our fellowmen by trusting their word, even though they often fail us. Shall we not then fully trust the omnipotent, never-failing God?

II. A Safe Way to Heaven (John 14:4-6).

Our Saviour has not just gone before us and bade us follow as best we may, but He is Himself the Way. Having Christ, we have the way. Observe that He does not say that He is the "way-shower," as one religious system names Him. He is not just an example, or the master-teacher, or a martyr to a holy cause. He is "the way, the truth, and the life."

Note, too, that no man comes to the Father but by Christ. Dr. Wilbur M. Smith points out that "the apostle Paul in his epistles constantly emphasizes the truth that we have access to the Father only through the Lord Jesus Christ (Rom. 5:2; Eph. 2:13, 18; 3:15; Heb. 7:25; 10:19-21). Jesus is not one way to God. He is the only way to God. Men cannot come to God through anyone, but only through Christ."

Someone may say, "That's very true, and wonderful. I am a Christian, and I have Christ who is the way. But what is heaven like?

III. A Symbolic Picture of Heaven (Rev. 22:1-5).

First of all there is "life"—the river of life, the water of life. In heaven there is no death, but only eternal life, blessing, peace, and joy. In this world man lives under the constant shadow of death as the enemy which hurts, destroys, and reminds him of sin. But in heaven all is life through eternity.

"When we've been there ten thousand years
Bright shining as the sun.
We've no less days to sing God's praise
Than when we first begun."

Then we have what Dr. A. C. Gaebelein calls "the seven glories of the redeemed" (vv. 3-5). Let us enumerate them. (1) "No curse"—perfect sinlessness. (2) "The throne of God and of the Lamb shall be therein"—giving perfect and blessed government forever. (3). "His servants shall serve him"—in perfect, unhindered, untiring service. Heaven will not be idleness (perish the thought!), but blessed and happy service for God. (4) "They shall see his face"—an eternal, undimmed vision of God. (5) "His name shall be on their foreheads"—speaking of eternal ownership and possession. (6) "There shall be night no more"—God is the light throughout eternity. No more darkness to fear. (7) "They shall reign forever and ever." Few of us would care to reign in this world, for that brings only sorrow and trouble, but to reign with Him, that indeed will be eternal blessedness.

So then we have—a sure promsie of a heaven to which we have a safe way, and concerning which we have such blessed knowledge. But what good is the promise if we do not accept it? What good is the way if we do not receive Him? What good is there in knowing about heaven unless we are going there? "Everybody talks about heaven, ain't going there" sings the folk song. Are you? Or are you only going to ...

The world is jammed with people who do not know as much as they think they know.

People who want work are rare; what they want is the pay that they can't get without working.

A HAPPY NEW YEAR TO ALL

The world is deeply indebted to the Gregorian calendar for the omission of 10 days in the calendar year of 1582 to help catch up with Father Time. We are deeply indebted to the people of this community and it would take about 10 days of the calendar year of 1942 for us to express to each of you personally the gratitude we feel for your kindness to us in 1941. So we are simply sending this "blanket vote of thanks" to our many friends and customers with the wish that with New Year's dawn will come a brighter, happier future for you.

Every city has one store its women are proud to call their own. In Chicago it's MARSHALL FIELD'S . . . in Philadelphia it's WANAMAKER'S . . . in Atlanta it's RICH'S . . . here in Kentucky it's COPPIN'S!

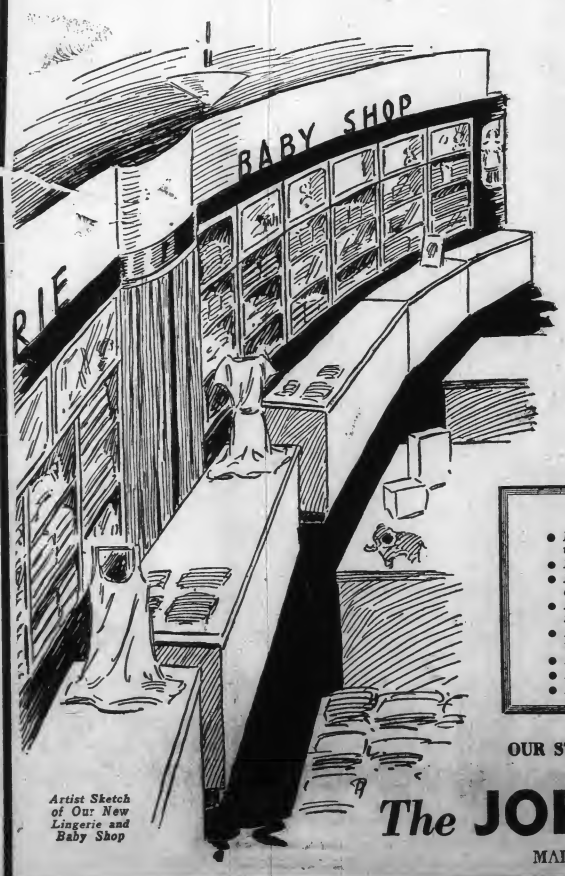
Stores do not start with these warm friendships, this wonderful preference . . . these things must be deserved and earned through many years of faithful service.

COPPIN'S is proud of the 68 years it has lived in this community. Step by step we, all of us, have endeavored to build for the women of Northern Kentucky a store they would really love, a store that could have and hold their affection.

Today we feel that this store is better equipped than ever to please that wonderful lady . . . our customer. We have surrounded her and the merchandise we have selected for her approval with a touch of glamour and beauty and convenience.

We want to have her feel that the second floor in particular is dedicated to her . . . the spot where she can wisely select her finery . . . where she will choose from America's best . . . at prices that meet her budget requirements.

In the past five years you have witnessed the "face lifting" at Coppin's . . . in the future you will see still more. A brighter, cheerier, wide-aisled store second to none in the land is our ambitious program. What we need to accomplish this is to hold your good will, and keep you enthusiastically our customer.



And . . . it's worth remembering that whether you come to town by car, bus or drive your own car, you'll find it easier, more convenient to shop at Coppin's. No traffic confusion . . . no Terminal jams . . . no high parking rates.

Here in the NEW Coppin's . . . with all its modern appearance we have preserved that old-fashioned Kentucky courtesy. Here you will meet the smiling faces of your friends and neighbors who form our personnel . . . Kentuckians who were educated in your schools, attend your churches, support your civic and charitable organizations . . . in fact ALL are a definite, vital factor in your community. We are proud to add that every COPPIN executive is a graduate of some Northern Kentucky school.

Let us add that every dollar spent on our new fixtures has been spent with Northern Kentucky UNION carpenters, painters and electricians.

So now that Christmas shopping is in full swing, come to Coppin's, your favorite store, and see if we haven't done a pretty good job on that big order . . . PLEASING YOU, MY LADY!
